## **MESSAGE FROM THE CHIEF**

The success of the Quincy Police Department is built on four pillars: Honest, Forward-Looking, Inspiring and Competence. Each employee of this agency is expected to model these four characteristics. In addition, each decision made in regards to this agency shall take into account these pillars.

Honest: honorable in principles, intentions, and actions; upright and fair

Forward-Looking: planning for or anticipating possible future events, conditions, being progressive

Inspiring: to influence, move, or guide through positive relationships

Competence: having suitable or sufficient skill, knowledge, experience, for some purpose

The Quincy Police Department Policy is designed to assist all members in carrying out their responsibilities and duties. It is important to realize our job descriptions may be different but we all have a common goal in securing the confidence of those that live in, work or visit the City of Quincy.

All members of the agency are provided access to the policy and are directed to read and be familiar with the contents. Members are also responsible for maintaining a working knowledge of the policies, including the acceptance of any policy updates. If you feel a policy needs to be changed, please contact your supervisor.

In addition, as a member of this department, I ask you to view our policy and keep in mind it is a guideline. This means we cannot cover every type of scenario you may come across but ask you use common sense, good judgment and take into account our Empowerment Model.

If any member deviates from these policies, that individual must be able to articulate why such action was necessary. Every member of the department shall keep in mind that violations of these policies may be the subject of discipline against the member(s) responsible for such violations. When there is doubt as to the meaning of intent of a policy a department member must seek interpretation and clarification.

The Chief of Police reserves the right to alter, amend, revoke or make additions to the Policy Manual, at any time to comply with new case law, recommended best practices, or in response to any need to provide the highest level of professional service to the community we serve.

## Electronic Mail

### 212.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper use and application of the Department electronic email system by employees of this department. Email is a communication tool available to employees to enhance efficiency in the performance of job duties and is to be used in accordance with generally accepted business practices and current law (e.g., Washington Public Disclosure Act). Messages transmitted over the email system must only be those that involve official business activities or contain information essential to employees for the accomplishment of business-related tasks and/or communication directly related to the business, administration, or practices of the Department.

### 212.2 EMAIL RIGHT OF PRIVACY

All email messages, including any attachments, that are transmitted over department networks are considered department records and therefore are the property of the department. The Department reserves the right to access, audit or disclose, for any lawful reason, any message, including any attachment, that is transmitted over its email system or that is stored on any department system.

The email system is not a confidential system and therefore is not appropriate for confidential communications. If a communication must be confidential, an alternative method to communicate the message should be used. Employees using the department email system shall have no expectation of privacy concerning communications transmitted over the system.

Employees should not use personal accounts to exchange email or other information that is related to the official business of the Department.

### 212.3 PROHIBITED USE OF EMAIL

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, and harassing or any other inappropriate messages on the email system will not be tolerated and may result in discipline.

Email messages addressed to the entire department are only to be used for official business related items that are of particular interest to all users and must be approved by the Chief of Police or a Captain. Personal advertisements are not acceptable.

It is a violation of this policy to transmit a message under another user's name. Users are strongly encouraged to log off the network when their computer is unattended. This added security measure would minimize the misuse of an individual's email, name and/or password by others.

### 212.4 EMAIL RECORD MANAGEMENT

Email may, depending upon the individual content, be a public record under the Washington Public Records Act and must be managed in accordance with the established records retention schedule and in compliance with state law.

#### **216.2.1 SUPERVISION DEPLOYMENTS**

In order to accommodate training and other unforeseen circumstances, a senior officer may be used as a Officer in Charge (O.I.C ) in place of a Sergeant.

## Chapter 3 - General Operations

## Use of Force

### 300.1 PURPOSE AND SCOPE

This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, every member of this department is expected to use these guidelines to make such decisions in a professional, impartial and reasonable manner.

#### 300.1.1 DEFINITIONS

Definitions related to this policy include:

**Deadly force** - Force reasonably anticipated and intended to create a substantial likelihood of causing death or very serious injury.

**Force** - The application of physical techniques or tactics, chemical agents or weapons to another person. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed or restrained.

### 300.2 POLICY

The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Officers are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Officers must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.

The Department recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting officers with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation and a careful balancing of all interests.

#### 300.2.1 DUTY TO INTERCEDE

Any officer present and observing another officer using force that is clearly beyond that which is objectively reasonable under the circumstances shall, when in a position to do so, intercede to prevent the use of unreasonable force. An officer who observes another employee use force that exceeds the degree of force permitted by law should promptly report these observations to a supervisor.

### 300.3 USE OF FORCE

Officers shall use only that amount of force that reasonably appears necessary given the facts and circumstances perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose.

The "reasonableness" of force will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably

appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain and rapidly evolving.

Given that no policy can realistically predict every possible situation an officer might encounter, officers are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident.

It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the tools, weapons or methods provided by the Department. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires an officer to retreat or be exposed to possible physical injury before applying reasonable force.

#### 300.3.1 USE OF FORCE TO EFFECT AN ARREST

An officer may use all means reasonably necessary to effect an arrest if, after notice of the intention to arrest the person, he/she either flees or forcibly resists (RCW 10.31.050).

#### 300.3.2 FACTORS USED TO DETERMINE THE REASONABLENESS OF FORCE

When determining whether to apply force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration, as time and circumstances permit. These factors include but are not limited to:

- (a) Immediacy and severity of the threat to officers or others.
- (b) The conduct of the individual being confronted, as reasonably perceived by the officer at the time.
- (c) Officer/subject factors (age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of officers available vs. subjects).
- (d) The effects of drugs or alcohol.
- (e) Subject's mental state or capacity.
- (f) Proximity of weapons or dangerous improvised devices.
- (g) The degree to which the subject has been effectively restrained and his/her ability to resist despite being restrained.
- (h) The availability of other options and their possible effectiveness.
- (i) Seriousness of the suspected offense or reason for contact with the individual.
- (j) Training and experience of the officer.
- (k) Potential for injury to officers, suspects, and others.

# Quincy Police Department

## *Use of Force*

---

- (l) Whether the person appears to be resisting, attempting to evade arrest by flight or is attacking the officer.
- (m) The risk and reasonably foreseeable consequences of escape.
- (n) The apparent need for immediate control of the subject or a prompt resolution of the situation.
- (o) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.
- (p) Prior contacts with the subject or awareness of any propensity for violence.
- (q) Any other exigent circumstances.

### 300.3.3 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Officers may only apply those pain compliance techniques for which they have successfully completed department-approved training. Officers utilizing any pain compliance technique should consider:

- (a) The degree to which the application of the technique may be controlled given the level of resistance.
- (b) Whether the person can comply with the direction or orders of the officer.
- (c) Whether the person has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

### 300.3.4 CAROTID CONTROL HOLD

The proper application of the carotid control hold may be effective in restraining a violent or combative individual. However, due to the potential for injury, the use of the carotid control hold is subject to the following:

- (a) The officer shall have successfully completed department-approved training in the use and application of the carotid control hold.
- (b) The carotid control hold may only be used when circumstances perceived by the officer at the time indicate that such application reasonably appears necessary to control a person in any of the following circumstances:
  1. The subject is violent or physically resisting.
  2. The subject, by words or actions, has demonstrated an intention to be violent and reasonably appears to have the potential to harm officers, him/herself or others.
- (c) The application of a carotid control hold on the following individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective, or would present a greater danger to the officer, the

subject or others, and the officer reasonably believes that the need to control the individual outweighs the risk of applying a carotid control hold:

1. Females who are known to be pregnant
  2. Elderly individuals
  3. Obvious juveniles
  4. Individuals who appear to have Down syndrome or who appear to have obvious neck deformities or malformations, or visible neck injuries
- (d) Any individual who has had the carotid control hold applied, regardless of whether he/she was rendered unconscious, shall be promptly examined by paramedics or other qualified medical personnel and should be monitored until examined by paramedics or other appropriate medical personnel.
- (e) The officer shall inform any person receiving custody, or any person placed in a position of providing care, that the individual has been subjected to the carotid control hold and whether the subject lost consciousness as a result.
- (f) Any officer attempting or applying the carotid control hold shall promptly notify a supervisor of the use or attempted use of such hold.
- (g) The use or attempted use of the carotid control hold shall be thoroughly documented by the officer in any related reports.

#### **300.3.5 USE OF FORCE TO SEIZE EVIDENCE**

In general, officers may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence. However, officers are discouraged from using force solely to prevent a person from swallowing evidence or contraband. In the instance when force is used, officers should not intentionally use any technique that restricts blood flow to the head, restricts respiration or which creates a reasonable likelihood that blood flow to the head or respiration would be restricted. Officers are encouraged to use techniques and methods taught by the Quincy Police Department for this specific purpose.

#### **300.4 DEADLY FORCE APPLICATIONS**

Use of deadly force is justified in the following circumstances:

- (a) An officer may use deadly force to protect him/herself or others from what he/she reasonably believes would be an imminent threat of death or serious bodily injury.
- (b) An officer may use deadly force to stop a fleeing subject when the officer has probable cause to believe that the person has committed, or intends to commit, a felony involving the infliction or threatened infliction of serious bodily injury or death, and the officer reasonably believes that there is an imminent risk of serious bodily injury or death to any other person if the subject is not immediately apprehended. Under such circumstances, a verbal warning should precede the use of deadly force, where feasible. Imminent does not mean immediate or instantaneous. An imminent danger may exist even if the suspect is not at that very moment pointing a weapon at someone.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Use of Force*

---

For example, an imminent danger may exist if an officer reasonably believes any of the following:

1. The person has a weapon or is attempting to access one and it is reasonable to believe the person intends to use it against the officer or another.
2. The person is capable of causing serious bodily injury or death without a weapon and it is reasonable to believe the person intends to do so.

### 300.4.1 SHOOTING AT OR FROM MOVING VEHICLES

Shots fired at or from a moving vehicle are rarely effective. Officers should move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants. An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others.

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle.

### **300.5 REPORTING THE USE OF FORCE**

Any use of force by a member of this department shall be documented promptly, completely and accurately in an appropriate report, depending on the nature of the incident. The officer should articulate the factors perceived and why he/she believed the use of force was reasonable under the circumstances. To collect data for purposes of training, resource allocation, analysis and related purposes, the Department may require the completion of additional report forms, as specified in department policy, procedure or law.

#### 300.5.1 NOTIFICATION TO SUPERVISORS

Supervisory notification shall be made as soon as practicable following the application of force in any of the following circumstances:

- (a) The application caused a visible injury.
- (b) The application would lead a reasonable officer to conclude that the individual may have experienced more than momentary discomfort.
- (c) The individual subjected to the force complained of injury or continuing pain.
- (d) The individual indicates intent to pursue litigation.
- (e) Any application of the TASER® device or control device.
- (f) Any application of a restraint device other than handcuffs, shackles or belly chains.
- (g) The individual subjected to the force was rendered unconscious.
- (h) An individual was struck or kicked.
- (i) An individual alleges any of the above has occurred.

### 300.5.2 NOTIFICATION TO INDIAN AFFAIRS

When the use of force by an officer results in the death of a person who is an enrolled member of a federally recognized Indian tribe, notification shall be made to the Governor's Office of Indian Affairs within a reasonable period of time, but not more than 24 hours after the department has good reason to believe the person was an enrolled member. Notice shall include sufficient information for the Governor's Office of Indian Affairs to attempt to identify the deceased person and tribal affiliation (Chapter 4 § 6, Laws of 2019).

### 300.6 MEDICAL CONSIDERATION

Prior to booking or release, medical assistance shall be obtained for any person who exhibits signs of physical distress, who has sustained visible injury, expresses a complaint of injury or continuing pain, or who was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until he/she can be medically assessed.

Based upon the officer's initial assessment of the nature and extent of the subject's injuries, medical assistance may consist of examination by fire personnel, paramedics, hospital staff or medical staff at the jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Persons who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics and imperviousness to pain (sometimes called "excited delirium"), or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away if appropriate.

### 300.7 SUPERVISOR RESPONSIBILITIES

When a supervisor is able to respond to an incident in which there has been a reported application of force, the supervisor is expected to:

- (a) Obtain the basic facts from the involved officers. Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.
- (b) Ensure that any injured parties are examined and treated.

# Quincy Police Department

Quincy PD WA Policy Manual

## Use of Force

---

- (c) When possible, separately obtain a recorded interview with the subject upon whom force was applied. If this interview is conducted without the person having voluntarily waived his/her *Miranda* rights, the following shall apply:
  - 1. The content of the interview should not be summarized or included in any related criminal charges.
  - 2. The fact that a recorded interview was conducted should be documented in a property or other report.
  - 3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.
- (d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas. These photographs should be retained until all potential for civil litigation has expired.
- (e) Identify any witnesses not already included in related reports.
- (f) Review and approve all related reports.
- (g) Determine if there is any indication that the subject may pursue civil litigation.
  - 1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.
- (h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy non-compliance or if for any reason further investigation may be appropriate.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

### 300.7.1 SHIFT SERGEANT RESPONSIBILITY

The Shift Sergeant shall review each use of force by any personnel within his/her command to ensure compliance with this policy and to address any training issues.

### 300.8 TRAINING

Officers will receive periodic training on this policy and demonstrate their knowledge and understanding.

### 300.9 USE OF FORCE ANALYSIS

At least annually, the Patrol Captain should prepare an analysis report on use of force incidents. The report should be submitted to the Chief of Police. The report should not contain the names of officers, suspects or case numbers, and should include:

- (a) The identification of any trends in the use of force by members.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Use of Force*

---

- (b) Training needs recommendations.
- (c) Equipment needs recommendations.
- (d) Policy revision recommendations.

## Use of Force Review Boards

### 302.1 PURPOSE AND SCOPE

This policy establishes a process for the Quincy Police Department to review the use of force by its employees.

This review process shall be in addition to any other review or investigation that may be conducted by any outside or multi-agency entity having jurisdiction over the investigation or evaluation of the use of deadly force.

### 302.2 POLICY

The Quincy Police Department will objectively evaluate the use of force by its members to ensure that their authority is used lawfully, appropriately and is consistent with training and policy.

### 302.3 REMOVAL FROM LINE DUTY ASSIGNMENT

Generally, whenever an employee's actions or use of force in an official capacity, or while using department equipment, results in death or very serious injury to another, that employee will be placed in a temporary administrative assignment pending an administrative review. The Chief of Police may exercise discretion and choose not to place an employee in an administrative assignment in any case.

### 302.4 REVIEW BOARD

The Use of Force Review Board will be convened when the use of force by a member results in very serious injury or death to another.

The Chief of Police may request the Use of Force Review Board to investigate the circumstances surrounding any use of force incident.

The Captain will convene the Use of Force Review Board as necessary. It will be the responsibility of the Captain or supervisor of the involved employee to notify the Captain of any incidents requiring board review. The involved employee's Captain or supervisor will also ensure that all relevant reports, documents and materials are available for consideration and review by the board.

#### 302.4.1 COMPOSITION OF THE BOARD

The Administration Captain should select five Use of Force Review Board members from the following, as appropriate:

- Representatives of each division
- Commanding officer in the involved member's chain of command
- Training Sergeant
- Non-administrative supervisor
- A peer officer

## *Use of Force Review Boards*

---

- A sworn peace officer from an outside law enforcement agency
- Department instructor for the type of weapon, device or technique used

The senior ranking command representative who is not in the same division as the involved employee will serve as chairperson.

### 302.4.2 RESPONSIBILITIES OF THE BOARD

The Use of Force Review Board is empowered to conduct an administrative review and inquiry into the circumstances of an incident.

The board members may request further investigation, request reports be submitted for the board's review, call persons to present information and request the involved employee to appear. The involved employee will be notified of the meeting of the board and may choose to have a representative through all phases of the review process.

The board does not have the authority to recommend discipline.

The Chief of Police will determine whether the board should delay its review until after completion of any criminal investigation, review by any prosecutorial body, filing of criminal charges, the decision not to file criminal charges, or any other action. The board should be provided all relevant available material from these proceedings for its consideration.

The review shall be based upon those facts which were reasonably believed or known by the officer at the time of the incident, applying any legal requirements, department policies, procedures and approved training to those facts. Facts later discovered but unknown to the officer at the time shall neither justify nor call into question an officer's decision regarding the use of force.

Any questioning of the involved employee conducted by the board will be in accordance with the department's disciplinary procedures, the Personnel Complaints Policy, the current collective bargaining agreement and any applicable state or federal law.

The board shall make one of the following recommended findings:

- (a) The employee's actions were within department policy and procedure.
- (b) The employee's actions were in violation of department policy and procedure.

A recommended finding requires a majority vote of the board. The board may also recommend additional investigations or reviews, such as disciplinary investigations, training reviews to consider whether training should be developed or revised, and policy reviews, as may be appropriate. The board chairperson will submit the written recommendation to the Chief of Police.

The Chief of Police shall review the recommendation, make a final determination as to whether the employee's actions were within policy and procedure and will determine whether any additional actions, investigations or reviews are appropriate. The Chief of Police's final findings will be forwarded to the involved employee's Captain for review and appropriate action. If the Chief of Police concludes that discipline should be considered, a disciplinary process will be initiated.

At the conclusion of any additional reviews, copies of all relevant reports and information will be filed with the Chief of Police.

## Handcuffing and Restraints

### 306.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

### 306.2 POLICY

The Quincy Police Department authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy and department training. Restraint devices shall not be used to punish, to display authority or as a show of force.

### 306.3 USE OF RESTRAINTS

Only members who have successfully completed Quincy Police Department-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, officers should carefully balance officer safety concerns with factors that include but are not limited to:

- The circumstances or crime leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

#### 306.3.1 RESTRAINT OF DETAINEES

Situations may arise where it may be reasonable to restrain a person who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to ensure the safety of officers and others. When deciding whether to remove restraints from a detainee, officers should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee.

#### 306.3.2 RESTRAINT OF PREGNANT PERSONS

Persons who are known to be pregnant should be restrained in the least restrictive manner available and reasonable under the circumstances, but in no case shall leg irons or waist chains be used. Handcuffs behind the body should not be used unless the officer has a reasonable suspicion that the person may resist, attempt escape, injure herself or others, or damage property (RCW 70.48.500).

# Quincy Police Department

Quincy PD WA Policy Manual

## *Handcuffing and Restraints*

---

When the person is in labor no restraints of any kind shall be used. This does not prohibit a treating physician licensed under Title 18 RCW from requesting the use of hospital restraints for the medical safety of the person (RCW 70.48.500).

### **306.3.3 RESTRAINT OF JUVENILES**

A juvenile under 14 years of age should not be restrained unless he/she is suspected of a dangerous felony or when the officer has a reasonable suspicion that the juvenile may resist, attempt escape, injure him/herself, injure the officer or damage property.

Members who are school resource officers should only use restraints on a student participating in school-sponsored instruction or activity when there is an imminent likelihood of serious harm and pursuant to the school policy for students and staff (RCW 28A.600.485).

### **306.3.4 NOTIFICATIONS**

Whenever an officer transports a person with the use of restraints other than handcuffs, the officer shall inform the jail staff upon arrival at the jail that restraints were used. This notification should include information regarding any other circumstances the officer reasonably believes would be potential safety concerns or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration) that may have occurred prior to, or during, transportation to the jail.

### **306.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS**

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the Department. Officers should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, officers should not conclude that in order to avoid risk every person should be handcuffed regardless of the circumstances.

In most situations handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the person or may cause unreasonable discomfort due to the person's size, officers should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

### **306.5 APPLICATION OF SPIT HOODS**

Spit hoods are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Handcuffing and Restraints*

---

Spit hoods may be placed upon persons in custody when the officer reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Officers utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and that the restrained person can breathe normally. Officers should provide assistance during the movement of a restrained person due to the potential for impairing or distorting that person's vision. Officers should avoid commingling those wearing spit hoods with others and detainees.

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated including hair, head, and clothing, prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

### **306.6 APPLICATION OF AUXILIARY RESTRAINT DEVICES**

Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg irons and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort and mobility.

Only department-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

### **306.7 APPLICATION OF LEG RESTRAINT DEVICES**

Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest, or transportation. Only restraint devices approved by the department shall be used.

In determining whether to use the leg restraint, officers should consider:

- (a) Whether the officer or others could be exposed to injury due to the assaultive or resistant behavior of a person.
- (b) Whether it is reasonably necessary to protect the person from his/her own actions (e.g., hitting his/her head against the interior of the patrol vehicle, running away from the arresting officer while handcuffed, kicking at objects or officers).
- (c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol vehicle).

# Quincy Police Department

Quincy PD WA Policy Manual

## *Handcuffing and Restraints*

---

### 306.7.1 GUIDELINES FOR USE OF LEG RESTRAINTS

When applying leg restraints, the following guidelines should be followed:

- (a) If practicable, officers should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.
- (b) Once applied, absent a medical or other emergency, restraints should remain in place until the officer arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
- (c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on his/her stomach for an extended period, as this could reduce the person's ability to breathe.
- (d) The restrained person should be continually monitored by an officer while in the leg restraint. The officer should ensure that the person does not roll onto and remain on his/her stomach.
- (e) The officer should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.
- (f) When transported by emergency medical services, the restrained person should be accompanied by an officer when requested by medical personnel. The transporting officer should describe to medical personnel any unusual behaviors or other circumstances the officer reasonably believes would be potential safety or medical risks to the person (e.g., prolonged struggle, extreme agitation, impaired respiration).

### 306.8 REQUIRED DOCUMENTATION

If a person is restrained and released without an arrest, the officer shall document the details of the detention and the need for handcuffs or other restraints.

If a person is arrested, the use of restraints other than handcuffs shall be documented in the related report. The officer should include, as appropriate:

- (a) The amount of time the person was restrained.
- (b) How the person was transported and the position of the person during transport.
- (c) Observations of the person's behavior and any signs of physiological problems.
- (d) Any known or suspected drug use or other medical problems.

### 306.8.1 SCHOOL RESOURCE OFFICERS

Members working as school resource officers shall prepare a report pursuant to RCW 28A.600.485 and provide a copy to the school administrator whenever a student is restrained in a room or other enclosure or restrained by handcuffs or other restraint devices during school-sponsored instructions or activities.

### **306.9 TRAINING**

Subject to available resources, the Training Sergeant should ensure that officers receive periodic training on the proper use of handcuffs and other restraints, including:

- (a) Proper placement and fit of handcuffs and other restraint devices approved for use by the Department.
- (b) Response to complaints of pain by restrained persons.
- (c) Options for restraining those who may be pregnant without the use of leg irons, waist chains, or handcuffs behind the body.
- (d) Options for restraining amputees or those with medical conditions or other physical conditions that may be aggravated by being restrained.

## Control Devices and Techniques

### 308.1 PURPOSE AND SCOPE

This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

### 308.2 POLICY

In order to control subjects who are violent or who demonstrate the intent to be violent, the Quincy Police Department authorizes officers to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

### 308.3 ISSUING, CARRYING AND USING CONTROL DEVICES

Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Chief of Police or the authorized designee.

Only officers who have successfully completed department-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, officers should carefully consider potential impact areas in order to minimize injuries and unintentional targets.

### 308.4 RESPONSIBILITIES

#### 308.4.1 SHIFT SUPERVISOR RESPONSIBILITIES

The Shift Sergeant may authorize the use of a control device by selected personnel or members of specialized units who have successfully completed the required training.

#### 308.4.2 CERTIFIED INSTRUCTOR RESPONSIBILITIES

The Certified Instructor shall control the inventory and issuance of all control devices and shall ensure that all damaged, inoperative, outdated or expended control devices or munitions are properly disposed of, repaired or replaced.

Every control device will be periodically inspected by the Certified Instructor or the designated instructor for a particular control device. The inspection shall be documented.

#### 308.4.3 USER RESPONSIBILITIES

All normal maintenance, charging or cleaning shall remain the responsibility of personnel assigned/using the various devices.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Control Devices and Techniques*

---

Any damaged, inoperative, outdated or expended control devices or munitions, along with documentation explaining the cause of the damage, shall be returned to the Certified Instructor for disposition. A memo shall be prepared and forwarded through the chain of command, when appropriate, explaining the cause of damage.

### **308.5 BATON GUIDELINES**

The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys and groin should not be intentionally targeted except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt. Plainclothes and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignment or at the direction of their supervisor.

### **308.6 OLEORESIN CAPSICUM (OC) GUIDELINES**

As with other control devices, oleoresin capsicum (OC) spray and pepper projectiles may be considered for use to bring under control an individual or groups of individuals who are engaging in, or are about to engage in violent behavior. Pepper projectiles and OC spray should not, however, be used against individuals or groups who merely fail to disperse or do not reasonably appear to present a risk to the safety of officers or the public.

#### **308.6.1 OC SPRAY**

Uniformed personnel carrying OC spray shall carry the device in its holster on the equipment belt. Plainclothes and non-field personnel may carry OC spray as authorized, in accordance with the needs of their assignment or at the direction of their supervisor.

#### **308.6.2 PEPPER PROJECTILE SYSTEMS**

Pepper projectiles are plastic spheres that are filled with a derivative of OC powder. Because the compressed gas launcher delivers the projectiles with enough force to burst the projectiles on impact and release the OC powder, the potential exists for the projectiles to inflict injury if they strike the head, neck, spine or groin. Therefore, personnel using a pepper projectile system should not intentionally target those areas, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

Officers encountering a situation that warrants the use of a pepper projectile system shall notify a supervisor as soon as practicable. A supervisor shall respond to all pepper projectile system incidents where the suspect has been hit or exposed to the chemical agent. The supervisor shall ensure that all notifications and reports are completed as required by the Use of Force Policy.

Each deployment of a pepper projectile system shall be documented. This includes situations where the launcher was directed toward the suspect, whether or not the launcher was used. Unintentional discharges shall be promptly reported to a supervisor and documented on the

appropriate report form. Only non-incident use of a pepper projectile system, such as training and product demonstrations, is exempt from the reporting requirement.

### **308.6.3 TREATMENT FOR OC SPRAY EXPOSURE**

Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those persons who complain of further severe effects shall be examined by appropriate medical personnel.

### **308.7 POST-APPLICATION NOTICE OC**

Whenever OC has been introduced into a residence, building interior, vehicle or other enclosed area, officers should provide the owners or available occupants with notice of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that clean up will be at the owner's expense. Information regarding the method of notice and the individuals notified should be included in related reports.

### **308.8 STORAGE OF LESS LETHAL SHOTGUN**

The less lethal shotgun is assigned to certain patrol cars with in the Department. The Less Lethal Shotgun will be stored in the trunk of the patrol car secured in the trunk mounted shotgun lock, if equipped, or in an orange shotgun carrying case.

### **308.9 KINETIC ENERGY PROJECTILE GUIDELINES**

This department is committed to reducing the potential for violent confrontations. Kinetic energy projectiles, when used properly, are less likely to result in death or serious physical injury and can be used in an attempt to de-escalate a potentially deadly situation.

#### **308.9.1 DEPLOYMENT AND USE**

Only department-approved kinetic energy munitions shall be carried and deployed. Approved munitions may be used to compel an individual to cease his/her actions when such munitions present a reasonable option.

Officers are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved officer determines that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons and officers takes priority over the safety of subjects engaged in criminal or suicidal behavior.

Circumstances appropriate for deployment include, but are not limited to, situations in which:

- (a) The suspect is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions.
- (b) The suspect has made credible threats to harm him/herself or others.
- (c) The suspect is engaged in riotous behavior or is throwing rocks, bottles or other dangerous projectiles at people and/or officers.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Control Devices and Techniques*

---

- (d) There is probable cause to believe that the suspect has already committed a crime of violence and is refusing to comply with lawful orders.

### 308.9.2 DEPLOYMENT CONSIDERATIONS

Before discharging projectiles, the officer should consider such factors as:

- (a) Distance and angle to target.
- (b) Type of munitions employed.
- (c) Type and thickness of subject's clothing.
- (d) The subject's proximity to others.
- (e) The location of the subject.
- (f) Whether the subject's actions dictate the need for an immediate response and the use of control devices appears appropriate.

A verbal warning of the intended use of the device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to give the individual a reasonable opportunity to voluntarily comply and to warn other officers and individuals that the device is being deployed.

Officers should keep in mind the manufacturer's recommendations and their training regarding effective distances and target areas. However, officers are not restricted solely to use according to manufacturer recommendations. Each situation must be evaluated on the totality of circumstances at the time of deployment.

The need to immediately incapacitate the subject must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

### 308.9.3 SAFETY PROCEDURES

Shotguns specifically designated for use with kinetic energy projectiles will be specially marked in a manner that makes them readily identifiable as such.

Officers will inspect the shotgun and projectiles at the beginning of each shift to ensure that the shotgun is in proper working order and the projectiles are of the approved type and appear to be free from defects.

### 308.10 TRAINING FOR CONTROL DEVICES

The Training Sergeant shall ensure that all personnel who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary.

- (a) Proficiency training shall be monitored and documented by a certified, control-device weapons or tactics instructor.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Control Devices and Techniques*

---

- (b) All training and proficiency for control devices will be documented in the officer's training file.
- (c) Officers who fail to demonstrate proficiency with the control device or knowledge of this agency's Use of Force Policy will be provided remedial training. If an officer cannot demonstrate proficiency with a control device or knowledge of this agency's Use of Force Policy after remedial training, the officer will be restricted from carrying the control device and may be subject to discipline.

### **308.11 REPORTING USE OF CONTROL DEVICES AND TECHNIQUES**

Any application of a control device or technique listed in this policy shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

## Conducted Energy Device

### 309.1 PURPOSE AND SCOPE

This policy provides guidelines for the issuance and use of TASER® devices.

### 309.2 POLICY

The TASER device is intended to control a violent or potentially violent individual, while minimizing the risk of serious injury. The appropriate use of such a device should result in fewer serious injuries to officers and suspects.

### 309.3 ISSUANCE AND CARRYING EMDTDEVICES

Only members who have successfully completed department-approved training may be issued and carry the TASER device.

TASER devices are issued for use during a member's current assignment. Those leaving a particular assignment may be required to return the device to the department's inventory.

Officers shall only use the TASER device and cartridges that have been issued by the Department. Uniformed officers who have been issued the TASER device shall wear the device in an approved holster on their person. Non-uniformed officers may secure the TASER device in the driver's compartment of their vehicle.

Members carrying the TASER device should perform a spark test on the unit prior to every shift.

When carried while in uniform officers shall carry the TASER device in a weak-side holster on the side opposite the duty weapon.

- (a) All TASER devices shall be clearly and distinctly marked to differentiate them from the duty weapon and any other device.
- (b) Whenever practicable, officers should carry two or more cartridges on their person when carrying the TASER device.
- (c) Officers shall be responsible for ensuring that their issued TASER device is properly maintained and in good working order.
- (d) Officers should not hold both a firearm and the TASER device at the same time.

### 309.4 VERBAL AND VISUAL WARNINGS

A verbal warning of the intended use of the TASER device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to:

- (a) Provide the individual with a reasonable opportunity to voluntarily comply.
- (b) Provide other officers and individuals with a warning that the TASER device may be deployed.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Conducted Energy Device*

---

If, after a verbal warning, an individual is unwilling to voluntarily comply with an officer's lawful orders and it appears both reasonable and feasible under the circumstances, the officer may, but is not required to, display the electrical arc (provided that a cartridge has not been loaded into the device), or the laser in a further attempt to gain compliance prior to the application of the TASER device. The aiming laser should never be intentionally directed into the eyes of another as it may permanently impair his/her vision.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the officer deploying the TASER device in the related report.

### **309.5 USE OF THE EMDTDEVICE**

The TASER device has limitations and restrictions requiring consideration before its use. The TASER device should only be used when its operator can safely approach the subject within the operational range of the device. Although the TASER device is generally effective in controlling most individuals, officers should be aware that the device may not achieve the intended results and be prepared with other options.

#### **309.5.1 APPLICATION OF THE EMDTDEVICE**

The TASER device may be used in any of the following circumstances, when the circumstances perceived by the officer at the time indicate that such application is reasonably necessary to control a person:

- (a) The subject is violent or is physically resisting.
- (b) The subject has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm officers, him/herself or others.

Mere flight from a pursuing officer, without other known circumstances or factors, is not good cause for the use of the TASER device to apprehend an individual.

#### **309.5.2 SPECIAL DEPLOYMENT CONSIDERATIONS**

The use of the TASER device on certain individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective or would present a greater danger to the officer, the subject or others, and the officer reasonably believes that the need to control the individual outweighs the risk of using the device. This includes:

- (a) Individuals who are known to be pregnant.
- (b) Elderly individuals or obvious juveniles.
- (c) Individuals with obviously low body mass.
- (d) Individuals who are handcuffed or otherwise restrained.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Conducted Energy Device*

---

- (e) Individuals who have been recently sprayed with a flammable chemical agent or who are otherwise in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capsicum (OC) spray.
- (f) Individuals whose position or activity may result in collateral injury (e.g., falls from height, operating vehicles).

Because the application of the TASER device in the drive-stun mode (i.e., direct contact without probes) relies primarily on pain compliance, the use of the drive-stun mode generally should be limited to supplementing the probe-mode to complete the circuit, or as a distraction technique to gain separation between officers and the subject, thereby giving officers time and distance to consider other force options or actions.

The TASER device shall not be used to psychologically torment, elicit statements or to punish any individual.

### 309.5.3 TARGETING CONSIDERATIONS

Reasonable efforts should be made to target lower center mass and avoid the head, neck, chest and groin. If the dynamics of a situation or officer safety do not permit the officer to limit the application of the TASER device probes to a precise target area, officers should monitor the condition of the subject if one or more probes strikes the head, neck, chest or groin until the subject is examined by paramedics or other medical personnel.

### 309.5.4 MULTIPLE APPLICATIONS OF THE EMDTDEVICE

Officers should apply the TASER device for only one standard cycle and then evaluate the situation before applying any subsequent cycles. Multiple applications of the TASER device against a single individual are generally not recommended and should be avoided unless the officer reasonably believes that the need to control the individual outweighs the potentially increased risk posed by multiple applications.

If the first application of the TASER device appears to be ineffective in gaining control of an individual, the officer should consider certain factors before additional applications of the TASER device, including:

- (a) Whether the probes are making proper contact.
- (b) Whether the individual has the ability and has been given a reasonable opportunity to comply.
- (c) Whether verbal commands, other options or tactics may be more effective.

Officers should generally not intentionally apply more than one TASER device at a time against a single subject.

### 309.5.5 ACTIONS FOLLOWING DEPLOYMENTS

Officers shall notify a supervisor of all TASER device discharges. The cartridge serial number should be noted and documented in the Use of Force report.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Conducted Energy Device*

---

### 309.5.6 DANGEROUS ANIMALS

The TASER device may be deployed against an animal as part of a plan to deal with a potentially dangerous animal, such as a dog, if the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

### 309.5.7 OFF-DUTY CONSIDERATIONS

Officers are not authorized to carry department TASER devices while off-duty.

Officers shall ensure that TASER devices are secured while in their homes, vehicles or any other area under their control, in a manner that will keep the device inaccessible to others.

## **309.6 DOCUMENTATION**

Officers shall document all TASER device discharges in the related arrest/crime report. Notification shall also be made to a supervisor in compliance with the Use of Force Policy. Unintentional discharges, will also be documented on the report form. Any report documenting the discharge of a TASER cartridge will include the cartridge serial number and an explanation of the circumstances surrounding the discharge. Photographs of probe sites shall be taken.

### 309.6.1 REPORTS

The officer should include the following in the arrest/crime report:

- (a) Identification of all personnel firing TASER devices
- (b) Identification of all witnesses
- (c) Medical care provided to the subject
- (d) Observations of the subject's physical and physiological actions
- (e) Any known or suspected drug use, intoxication or other medical problems

## **309.7 MEDICAL TREATMENT**

Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel should remove TASER device probes from a person's body. Used TASER device probes shall be treated as a sharps biohazard, similar to a used hypodermic needle and handled appropriately. Universal precautions should be taken.

All persons who have been struck by TASER device probes or who have been subjected to the electric discharge of the device shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

- (a) The person is suspected of being under the influence of controlled substances and/or alcohol.
- (b) The person may be pregnant.
- (c) The person reasonably appears to be in need of medical attention.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Conducted Energy Device*

---

- (d) The TASER device probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).
- (e) The person requests medical treatment.

Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications (i.e., more than 15 seconds) shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another officer and/or medical personnel and shall be fully documented in related reports. If an audio recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

The transporting officer shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the TASER device.

### **309.8 SUPERVISOR RESPONSIBILITIES**

When possible, supervisors should respond to calls when they reasonably believe there is a likelihood the TASER device may be used. A supervisor should respond to all incidents where the TASER device was activated.

A supervisor should review each incident where a person has been exposed to an activation of the TASER device. The device's onboard memory should be downloaded through the data port by a supervisor and saved in a TASER file on the server. Photographs of probe sites should be taken and witnesses interviewed.

### **309.9 TRAINING**

Personnel who are authorized to carry the TASER device shall be permitted to do so only after successfully completing the initial department-approved training. Any personnel who have not carried the TASER device as a part of their assignment for a period of six months or more shall be recertified by a department-approved TASER device instructor prior to again carrying or using the device.

Proficiency training for personnel who have been issued TASER devices should occur every other year. A reassessment of an officer's knowledge and/or practical skill may be required at any time if deemed appropriate by the Training Sergeant. All training and proficiency for TASER devices will be documented in the officer's training file.

Command staff, supervisors and investigators should receive TASER device training as appropriate for the investigations they conduct and review.

Officers who do not carry TASER devices should receive training that is sufficient to familiarize them with the device and with working with officers who use the device.

The Training Sergeant is responsible for ensuring that all members who carry TASER devices have received initial and annual proficiency training. Periodic audits should be used for verification.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Conducted Energy Device*

---

Application of TASER devices during training could result in injury to personnel and should not be mandatory for certification.

The Training Sergeant should ensure that all training includes:

- (a) A review of this policy.
- (b) A review of the Use of Force Policy.
- (c) Performing weak-hand draws or cross-draws to reduce the possibility of unintentionally drawing and firing a firearm.
- (d) Target area considerations, to include techniques or options to reduce the unintentional application of probes near the head, neck, chest and groin.
- (e) Handcuffing a subject during the application of the TASER device and transitioning to other force options.
- (f) De-escalation techniques.
- (g) Restraint techniques that do not impair respiration following the application of the TASER device.

## Officer-Involved Shootings and Deaths

### 310.1 PURPOSE AND SCOPE

The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of other action of an officer.

In other incidents not covered by this policy, the Chief of Police may decide that the investigation will follow the process provided in this policy.

### 310.2 TYPES OF INVESTIGATIONS

Officer-involved shootings and deaths involve several separate investigations. The investigations may include:

- A criminal investigation of the suspect's actions.
- A criminal investigation of the involved officer's action.
- An administrative investigation as to policy compliance by involved officers.
- A civil investigation to determine potential liability.

### 310.3 CONTROL OF INVESTIGATIONS

Investigators from surrounding agencies may be assigned to work on the criminal investigation of officer-involved shootings and deaths. This may include at least one investigator from the agency that employs the involved officer.

Jurisdiction is determined by the location of the shooting or death and the agency employing the involved officer. The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings and deaths.

#### 310.3.1 CRIMINAL INVESTIGATION OF SUSPECT ACTIONS

The investigation of any possible criminal conduct by the suspect is controlled by the agency in whose jurisdiction the suspect's crime occurred. For example, the Quincy Police Department would control the investigation if the suspect's crime occurred in Quincy.

If multiple crimes have been committed in multiple jurisdictions, identification of the agency that will control the investigation may be reached in the same way as with any other crime. The investigation may be conducted by the agency in control of the criminal investigation of the involved officer, at the discretion of the Chief of Police and with concurrence from the other agency.

#### 310.3.2 CRIMINAL INVESTIGATION OF OFFICER ACTIONS

The control of the criminal investigation into the involved officer's conduct during the incident will be determined by the employing agency's protocol. When an officer from this department is involved, the criminal investigation will be handled according to the Criminal Investigation section of this policy.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Officer-Involved Shootings and Deaths*

---

Requests made of this department to investigate a shooting or death involving an outside agency's officer shall be referred to the Chief of Police or the authorized designee for approval.

### 310.3.3 ADMINISTRATIVE AND CIVIL INVESTIGATION

Regardless of where the incident occurs, the administrative and civil investigation of each involved officer is controlled by the respective employing agency.

### **310.4 INVESTIGATION PROCESS**

The following procedures are guidelines used in the investigation of an officer-involved shooting or death.

#### 310.4.1 UNINVOLVED OFFICERS RESPONSIBILITIES

Upon arrival at the scene of an officer-involved shooting or death, the first uninvolved QPD officer will be the officer-in-charge and will assume the responsibilities of a supervisor until properly relieved. This officer should, as appropriate:

- (a) Secure the scene and identify and eliminate hazards for all those involved.
- (b) Take reasonable steps to obtain emergency medical attention for injured individuals.
- (c) Request additional resources from the Department or other agencies.
- (d) Coordinate a perimeter or pursuit of suspects.
- (e) Check for injured persons and evacuate as needed.
- (f) Brief the supervisor upon arrival.

#### 310.4.2 SUPERVISOR RESPONSIBILITIES

Upon arrival at the scene, the first uninvolved QPD supervisor should ensure completion of the duties as outlined above, plus:

- (a) Attempt to obtain a brief overview of the situation from any uninvolved officers.
  1. In the event that there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from one involved officer.
- (b) If necessary, the supervisor may administratively order any QPD officer to immediately provide public safety information necessary to secure the scene, identify injured parties and pursue suspects.
  1. Public safety information shall be limited to such things as outstanding suspect information, number and direction of any shots fired, perimeter of the incident scene, identity of known or potential witnesses and any other pertinent information.
  2. The initial on-scene supervisor should not attempt to order any involved officer to provide any information other than public safety information.
- (c) Provide all available information to the Shift Sergeant and Multi-Agency Communications Center (MACC). If feasible, sensitive information should be communicated over secure networks.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Officer-Involved Shootings and Deaths*

---

- (d) Take command of and secure the incident scene with additional QPD members until properly relieved by another supervisor or other assigned personnel or investigator.
- (e) As soon as practicable, ensure that involved officers are transported (separately, if feasible) to a suitable location for further direction.
  - 1. Each involved QPD officer should be given an administrative order not to discuss the incident with other involved officers or QPD members pending further direction from a supervisor.
  - 2. When an involved officer's weapon is taken or left at the scene for other than officer-safety reasons (e.g., evidence), ensure that he/she is provided with a comparable replacement weapon or transported by other officers.

### 310.4.3 SHIFT SERGEANT RESPONSIBILITIES

Upon learning of an officer-involved shooting or death, the Shift Sergeant shall be responsible for coordinating all aspects of the incident until he/she is relieved by the Chief of Police or a Captain.

All outside inquiries about the incident shall be directed to the Shift Sergeant.

### 310.4.4 NOTIFICATIONS

The following persons shall be notified as soon as practicable:

- Chief of Police
- Criminal Investigations Captain
- Central Basin Investigative Team (CBIT) rollout team
- Outside agency investigators (if appropriate)
- Psychological/peer support personnel
- Chaplain
- Coroner (if necessary)
- Involved officer's agency representative (if requested)
- Public Information Officer

### 310.4.5 INVOLVED OFFICERS

The following shall be considered for the involved officer:

- (a) Any request for legal or union representation will be accommodated.
  - 1. Involved QPD officers shall not be permitted to meet collectively or in a group with an attorney or any representative prior to providing a formal interview or report.
  - 2. Requests from involved non-QPD officers should be referred to their employing agency.
- (b) Discussions with licensed attorneys will be considered privileged as attorney-client communications.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Officer-Involved Shootings and Deaths*

---

- (c) Discussions with agency representatives/employee groups will be privileged only as to the discussion of non-criminal information.
- (d) A licensed psychotherapist shall be provided by the Department to each involved QPD officer. A licensed psychotherapist may also be provided to any other affected QPD members, upon request.
  - 1. Interviews with a licensed psychotherapist will be considered privileged.
  - 2. An interview or session with a licensed psychotherapist may take place prior to the member providing a formal interview or report. However, involved members shall not be permitted to consult or meet collectively or in a group with a licensed psychotherapist prior to providing a formal interview or report.
  - 3. A separate fitness-for-duty exam may also be required (see the Fitness for Duty Policy).
- (e) The Department will consider communications between qualified peer counselors and involved officers to be privileged (RCW 5.60.060).

Care should be taken to preserve the integrity of any physical evidence present on the involved officer's equipment or clothing, such as blood or fingerprints, until investigators or lab personnel can properly retrieve it.

Each involved QPD officer shall be given reasonable paid administrative leave following an officer-involved shooting or death. It shall be the responsibility of the Shift Sergeant to make schedule adjustments to accommodate such leave.

### **310.5 CRIMINAL INVESTIGATION**

Once public safety issues have been addressed, criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews. The following shall be considered for the involved officer:

- (a) QPD supervisors should not participate directly in any voluntary interview of QPD officers. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.
- (b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of his/her choosing or an attorney prior to speaking with criminal investigators. However, in order to maintain the integrity of each involved officer's statement, involved officers shall not consult or meet with a representative or an attorney collectively or in groups prior to being interviewed.
- (c) If any involved officer is physically, emotionally or otherwise not in a position to provide a voluntary statement when interviewed by criminal investigators, consideration should be given to allowing a reasonable period for the officer to schedule an alternate time for the interview.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Officer-Involved Shootings and Deaths*

---

- (d) Any voluntary statement provided by an involved officer will be made available for inclusion in any related investigation, including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

### 310.5.1 REPORTS BY INVOLVED QPD OFFICERS

In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved QPD officers to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals.

While the involved QPD officer may write the report, it is generally recommended that such reports be completed by assigned investigators, who should interview all involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements of involved officers should focus on evidence to establish the elements of criminal activities by suspects. Care should be taken not to duplicate information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved QPD officer of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures but should also be included for reference in the investigation of the officer-involved shooting or death.

### 310.5.2 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an officer-involved shooting or death may become unavailable or the integrity of their statements compromised with the passage of time, a supervisor should take reasonable steps to promptly coordinate with criminal investigators to utilize available law enforcement personnel for the following:

- (a) Identification of all persons present at the scene and in the immediate area.
  - 1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
  - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, attempts to identify the witness prior to his/her departure should be made whenever feasible.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by a member of the Department.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Officer-Involved Shootings and Deaths*

---

1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.
- (c) Promptly contacting the suspect's known family and associates to obtain any available and untainted background information about the suspect's activities and state of mind prior to the incident.

### **310.5.3 INVESTIGATIVE PERSONNEL**

Once notified of an officer-involved shooting or death, it shall be the responsibility of the Columbia Basin Investigative Team to handle the investigations of related crimes.

All related department reports, except administrative and/or privileged reports, will be forwarded to the designated Investigations supervisor for approval. Privileged reports shall be maintained exclusively by members who are authorized such access. Administrative reports will be forwarded to the Chief's designee.

### **310.6 ADMINISTRATIVE INVESTIGATION**

In addition to all other investigations associated with an officer-involved shooting or death, this department will conduct an internal administrative investigation of involved QPD officers to determine conformance with department policy. This investigation will be conducted under the supervision of the Professional Standards Unit and will be considered a confidential peace officer personnel file.

Interviews of members shall be subject to department policies and applicable laws.

- (a) Any officer involved in a shooting or death may be requested or administratively compelled to provide a blood sample for alcohol/drug screening. Absent consent from the officer, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.
- (b) If any officer has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved officer.
  1. If a further interview of the officer is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal, if any, duplication of questions addressed in the voluntary statement. The involved officer shall be provided with a copy of his or her prior statement before proceeding with any subsequent interviews.
- (c) In the event that an involved officer has elected to not provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information.
  1. Although this interview should not be unreasonably delayed, care should be taken to ensure that the officer's physical and psychological needs have been addressed before commencing the interview.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Officer-Involved Shootings and Deaths*

---

2. If requested, the officer shall have the opportunity to select an uninvolved representative to be present during the interview. However, in order to maintain the integrity of each individual officer's statement, involved officers shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.
3. Administrative interviews should be recorded by the investigator. The officer may also record the interview.
4. The officer shall be informed of the nature of the investigation. If an officer refuses to answer questions, he/she should be given his/her Garrity rights and ordered to provide full and truthful answers to all questions. The officer shall be informed that the interview will be for administrative purposes only and that the statement cannot be used criminally.
5. The investigator shall complete all relevant information and reports necessary for the Department to determine compliance with applicable policies.
6. Regardless of whether the use of force is an issue in the case, the completed administrative investigation shall be submitted to the Use of Force Review board, which will restrict its findings as to whether there was compliance with the Use of Force Policy.
7. Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

### **310.7 AUDIO AND VIDEO RECORDINGS**

Any officer involved in a shooting or death may be permitted to review available Mobile Audio/Video (MAV), body-worn video, or other video or audio recordings prior to providing a recorded statement or completing reports.

Upon request, non-law enforcement witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available MAV, body-worn video, or other video or audio recordings with the approval of assigned investigators or a supervisor.

Any MAV, body-worn and other known video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the prosecuting attorney or City Attorney's Office, as appropriate.

### **310.8 DEBRIEFING**

Following an officer-involved shooting or death, the Quincy Police Department should conduct both a critical incident/stress debriefing and a tactical debriefing.

#### **310.8.1 TACTICAL DEBRIEFING**

A tactical debriefing should take place to identify any training or areas of policy that need improvement. The Chief of Police should identify the appropriate participants. This debriefing

Quincy PD WA Policy Manual

---

should not be conducted until all involved members have provided recorded or formal statements to criminal and/or administrative investigators.

### **310.8.2 CRITICAL INCIDENT/STRESS DEBRIEFING**

A critical incident/stress debriefing should occur as soon as practicable. The Administration Captain is responsible for organizing the debriefing. #### **312.7.2 DESTRUCTION OF ANIMALS**

Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, department members should develop reasonable contingency plans for dealing with the animal (e.g., fire extinguisher, TASER device, oleoresin capsicum (OC) spray, animal control officer). ## Vehicle Pursuits

### 314.1 PURPOSE AND SCOPE

This policy provides guidelines for vehicle pursuits in order to protect the safety of involved officers, the public and fleeing suspects (RCW 43.101.226(3)).

#### 314.1.1 DEFINITIONS

Definitions related to this policy include:

**Blocking or vehicle intercept** - A slow-speed coordinated maneuver where two or more pursuing vehicles simultaneously intercept and block the movement of a suspect vehicle, the driver of which may be unaware of the impending enforcement stop. The goal is containment and preventing a pursuit. Blocking is not a moving or stationary road block.

**Boxing-in** - A tactic designed to stop a suspect's vehicle by surrounding it with law enforcement vehicles and then slowing all vehicles to a stop.

**Pursuit Intervention Technique (PIT)** - A low-speed maneuver designed to cause the suspect vehicle to spin out, stall and come to a stop.

**Ramming** - The deliberate act of contacting a suspect's vehicle with another law enforcement vehicle to functionally damage or otherwise force the suspect's vehicle to stop.

**Roadblocks** - A tactic designed to stop a suspect's vehicle by intentionally placing a law enforcement vehicle or other immovable object in the path of the suspect's vehicle.

**Terminate** - To discontinue a pursuit or stop chasing fleeing vehicles.

**Tire deflation device** - A device designed to puncture the tires of the pursued vehicle.

**Trail** - Following the path of the pursuit at a safe speed while obeying all traffic laws and without activating emergency equipment. If the pursuit is at a slow rate of speed, the trailing vehicle will maintain sufficient distance from the pursuit vehicles so as to clearly indicate an absence of participation in the pursuit.

**Vehicle pursuit** - An event involving one or more law enforcement officers attempting to apprehend a suspect, who is attempting to avoid arrest while operating a vehicle by using high-speed driving or other evasive tactics, such as driving off a highway, turning suddenly or driving in a legal manner but willfully failing to yield to an officer's emergency signal to stop.

#### 314.1.2 ATTEMPTING TO ELUDE

Refers to the actions of a vehicle operator who after being given a visual or audible signal to bring the vehicle to a stop fails or refuses to immediately stop the vehicle and drives in a reckless manner while attempting to elude a uniformed officer operating a pursuing police vehicle that is equipped with emergency lights and siren (RCW 46.61.024).

# Quincy Police Department

Quincy PD WA Policy Manual

## *Vehicle Pursuits*

---

### 314.1.3 FAILURE TO YIELD

A vehicle operator who fails to stop or respond to the emergency lights / siren of a law enforcement vehicle. Generally, the vehicle operator continues to travel forward, at or below the speed limit, observes the rules of the road critical to public safety, and does not change direction of travel in an evasive manner.

### 314.2 POLICY

It is the policy of this department to weigh the importance of apprehending suspects who unlawfully flee from law enforcement against the risks associated with vehicle pursuits.

### 314.3 OFFICER RESPONSIBILITIES

Vehicle pursuits shall only be conducted using authorized police department emergency vehicles that are equipped with and displaying emergency lighting and sirens as required by law.

Officers shall drive with due regard for the safety of all persons and property. However, officers may, when in pursuit of a suspect and provided there is no unreasonable risk to persons and property (RCW 46.61.035):

- (a) Proceed past a red or stop signal or stop sign but only after slowing down as may be necessary for safe operation.
- (b) Exceed the speed limit.
- (c) Disregard regulations governing parking, direction of movement or turning in specified directions.

#### 314.3.1 WHEN TO TERMINATE A PURSUIT

Pursuits should be terminated whenever the totality of objective circumstances known or which reasonably ought to be known to the officer or supervisor during the pursuit indicates that the present risks of continuing the pursuit reasonably appear to outweigh the risks resulting from the suspect's escape.

When a supervisor directs the pursuit to be terminated, officers will immediately terminate the pursuit.

The factors listed in this policy on when to initiate a pursuit will apply equally to the decision to terminate a pursuit. Officers and supervisors must objectively and continuously weigh the seriousness of the offense against the potential danger to innocent motorists, themselves and the public when electing to continue a pursuit.

In addition to the factors that govern when to initiate a pursuit, other factors should be considered in deciding whether to terminate a pursuit, including:

- (a) The distance between the pursuing vehicle and the fleeing vehicle is so great that further pursuit would be futile or require the pursuit to continue for an unreasonable time or distance.
- (b) The pursued vehicle's location is no longer definitely known.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Vehicle Pursuits*

---

- (c) The pursuing vehicle sustains damage or a mechanical failure that renders it unsafe to drive.
- (d) The pursuing vehicle's emergency lighting equipment or siren becomes partially or completely inoperable.
- (e) Hazards to uninvolved bystanders or motorists.
- (f) The danger that the continued pursuit poses to the public, the officers or the suspect, balanced against the risk of allowing the suspect to remain at large.
- (g) The identity of the suspect is known and it does not reasonably appear that the need for immediate capture outweighs the risks associated with continuing the pursuit.
- (h) Extended pursuits of violators for misdemeanors not involving violence or weapons (independent of the pursuit) are generally discouraged.

### **314.4 PURSUIT VEHICLES**

When involved in a pursuit, unmarked police department emergency vehicles should be replaced by marked emergency vehicles whenever practicable.

Vehicle pursuits should be limited to three police department emergency vehicles (two pursuit vehicles and the supervisor vehicle). However, the number of vehicles involved will vary with the circumstances.

An officer or supervisor may request that additional vehicles join a pursuit if, after assessing the factors outlined above, it appears that the number of officers involved would be insufficient to safely arrest the number of suspects. All other officers shall stay out of the pursuit but should remain alert to its progress and location. Any officer who drops out of a pursuit may then, if necessary, proceed to the pursuit termination point at legal speeds, following the appropriate rules of the road.

#### **314.4.1 VEHICLES WITHOUT EMERGENCY EQUIPMENT**

Officers operating vehicles not equipped with emergency lights and siren are prohibited from initiating or joining in any pursuit. Officers in such vehicles may provide support to pursuing vehicles as long as the vehicle is operated in compliance with all traffic laws. Those officers should discontinue such support immediately upon arrival of a sufficient number of authorized emergency police department vehicles or any air support.

#### **314.4.2 PRIMARY PURSUIT VEHICLE RESPONSIBILITIES**

The initial pursuing officer will be designated as the primary pursuit vehicle and will be responsible for the conduct of the pursuit unless he/she is unable to remain reasonably close to the suspect's vehicle. The primary responsibility of the officer initiating the pursuit is the apprehension of the suspect without unreasonable danger to him/herself or others.

The primary pursuing officer should notify the dispatcher, commencing with a request for priority radio traffic, that a vehicle pursuit has been initiated, and as soon as practicable provide information including, but not limited to:

- (a) The location, direction of travel and estimated speed of the suspect's vehicle.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Vehicle Pursuits*

---

- (b) The description of the suspect's vehicle including the license plate number, if known.
- (c) The reason for the pursuit.
- (d) The use of firearms, threat of force, violence, injuries, hostages or other unusual hazards.
- (e) The number of occupants and identity or description.
- (f) The weather, road and traffic conditions.
- (g) The need for any additional resources or equipment.
- (h) The identity of other law enforcement agencies involved in the pursuit.

Until relieved by a supervisor or a secondary pursuing officer, the officer in the primary pursuit vehicle shall be responsible for broadcasting the progress of the pursuit. Unless circumstances reasonably indicate otherwise, the primary pursuing officer should, as soon as practicable, relinquish the responsibility of broadcasting the progress of the pursuit to an officer in a secondary pursuit vehicle or to air support joining the pursuit to minimize distractions and allow the primary pursuing officer to concentrate foremost on safe pursuit tactics.

### 314.4.3 SECONDARY PURSUIT VEHICLE RESPONSIBILITIES

The second officer in the pursuit will be designated as the secondary pursuit vehicle and is responsible for:

- (a) Immediately notifying the dispatcher of his/her entry into the pursuit.
- (b) Remaining a safe distance behind the primary pursuit vehicle unless directed to assume the role of primary pursuit vehicle or if the primary pursuit vehicle is unable to continue the pursuit.
- (c) Broadcasting information that the primary pursuing officer is unable to provide.
- (d) Broadcasting the progress of the pursuit, updating known or critical information and providing changes in the pursuit, unless the situation indicates otherwise.
- (e) Identifying the need for additional resources or equipment as appropriate.
- (f) Serving as backup to the primary pursuing officer once the suspect has been stopped.

### 314.5 PURSUIT DRIVING

The decision to use specific driving tactics requires the same assessment of the factors the officer considered when determining whether to initiate and/or terminate a pursuit. The following are tactics for officers who are involved in the pursuit:

- (a) Officers, considering their driving skills and vehicle performance capabilities, will space themselves from other involved vehicles such that they are able to see and avoid hazards or react safely to unusual maneuvers by the fleeing vehicle.
- (b) Because intersections can present increased risks, the following tactics should be considered:
  1. Available officers not directly involved in the pursuit may proceed safely to controlled intersections ahead of the pursuit in an effort to warn cross traffic.

# Quincy Police Department

Quincy PD WA Policy Manual

## Vehicle Pursuits

---

2. Pursuing officers should exercise due caution and slow down as may be necessary when proceeding through controlled intersections.
- (c) As a general rule, officers should not pursue a vehicle driving the wrong direction on a roadway, highway or freeway. In the event the pursued vehicle does so, the following tactics should be considered:
1. Request assistance from available air support.
  2. Maintain visual contact with the pursued vehicle by paralleling the vehicle while driving on the correct side of the roadway.
  3. Request other officers to observe exits available to the suspect.
- (d) Notify the Washington State Patrol or other law enforcement agency if it appears that the pursuit may enter its jurisdiction.
- (e) Officers involved in a pursuit should not attempt to pass other pursuing vehicles unless the situation indicates otherwise or they are requested to do so by the pursuing officer and with a clear understanding of the maneuver process between the involved officers.

### 314.5.1 OFFICERS NOT INVOLVED IN THE PURSUIT

Officers who are not involved in the pursuit should remain in their assigned areas, should not parallel the pursuit route and should not become involved with the pursuit unless directed otherwise by a supervisor. Uninvolved officers are authorized to use emergency equipment at intersections along the pursuit path to clear intersections of vehicular and pedestrian traffic to protect the public. Those officers should attempt to place their vehicles in locations that provide some safety or an escape route in the event of an unintended collision or if the suspect intentionally tries to ram the police department vehicle.

Non-pursuing members needed at the pursuit termination point should respond in a nonemergency manner, observing the rules of the road, unless code response is requested.

The primary pursuit vehicle, secondary pursuit vehicle and supervisor vehicle should be the only vehicles operating under emergency conditions (emergency lights and siren) unless other officers are assigned to the pursuit.

### 314.6 SUPERVISORY CONTROL AND RESPONSIBILITIES

Available supervisory and management control will be exercised over all vehicle pursuits involving officers from this department.

The field supervisor of the officer initiating the pursuit, or if unavailable, the nearest field supervisor, will be responsible for:

- (a) Immediately notifying involved officers and the dispatcher of supervisory presence and ascertaining all reasonably available information to continuously assess the situation and risk factors associated with the pursuit. This is to ensure that the pursuit is conducted within established department guidelines.
- (b) Engaging in the pursuit, when appropriate, to provide on-scene supervision.

## *Vehicle Pursuits*

---

- (c) Exercising management and control of the pursuit even if not engaged in it.
- (d) Ensuring that no more than the required law enforcement vehicles are involved in the pursuit under the guidelines set forth in this policy.
- (e) Directing that the pursuit be terminated if, in his/her judgment, it is not justified to continue the pursuit under the guidelines of this policy.
- (f) Ensuring that assistance from air support, canines or additional resources is requested, if available and appropriate.
- (g) Ensuring that the proper radio channel is being used.
- (h) Ensuring that the Shift Sergeant is notified of the pursuit, as soon as practicable.
- (i) Ensuring the notification and/or coordination of outside agencies if the pursuit either leaves or is likely to leave the jurisdiction of this department.
- (j) Controlling and managing Quincy Police Department officers when a pursuit enters another jurisdiction.
- (k) Preparing a post-pursuit review and documentation of the pursuit as required.

### **314.6.1 SHIFT SERGEANT RESPONSIBILITIES**

Upon becoming aware that a pursuit has been initiated, the Shift Sergeant should monitor and continually assess the situation and ensure the pursuit is conducted within the guidelines and requirements of this policy. The Shift Sergeant has the final responsibility for the coordination, control and termination of a vehicle pursuit and shall be in overall command.

The Shift Sergeant shall review all pertinent reports for content and forward them to the Captain.

### **314.7 MULTI-AGENCY COMMUNICATIONS CENTER (MACC)**

If the pursuit is confined within the City limits, radio communications will be conducted on the primary channel unless instructed otherwise by a supervisor or dispatcher. If the pursuit leaves the jurisdiction of this department or such is imminent, involved officers should, whenever available, switch radio communications to a tactical or emergency channel most accessible by participating agencies.

### **314.8 LOSS OF PURSUED VEHICLE**

When the pursued vehicle is lost, the involved officers should broadcast pertinent information to assist other officers in locating the vehicle. The primary pursuing officer or supervisor will be responsible for coordinating any further search for either the pursued vehicle or suspects fleeing on foot.

### **314.9 REGULAR AND PERIODIC PURSUIT TRAINING**

In addition to initial and supplementary training on pursuits, all officers will participate, no less than annually, in regular and periodic training addressing this policy and the importance of vehicle safety and protecting the public. Training will include recognition of the need to balance the known offense and the need for immediate capture against the risks to officers and others.

### **314.10 POLICY REVIEW**

Officers of this department shall certify in writing that they have received, read and understand this policy initially, upon any amendments and whenever training on the policy is provided.

### **314.11 INTERJURISDICTIONAL CONSIDERATIONS**

When a pursuit enters another agency's jurisdiction, the primary pursuing officer or supervisor, taking into consideration the distance traveled, unfamiliarity with the area and other pertinent facts, should determine whether to request the other agency to assume the pursuit.

Unless entry into another jurisdiction is expected to be brief, it is generally recommended that the primary pursuing officer or supervisor ensure that notification is provided to each outside jurisdiction into which the pursuit is reasonably expected to enter, regardless of whether the jurisdiction is expected to assist.

#### **314.11.1 ASSUMPTION OF PURSUIT BY ANOTHER AGENCY**

Officers will relinquish control of the pursuit when another agency has assumed the pursuit, unless the continued assistance of the Quincy Police Department is requested by the agency assuming the pursuit. Upon relinquishing control of the pursuit, the involved officers may proceed, with supervisory approval, to the termination point of the pursuit to assist in the investigation. The supervisor should coordinate such assistance with the assuming agency and obtain any information that is necessary for any reports.

The roles and responsibilities of officers at the termination point of a pursuit initiated by this department shall be coordinated with appropriate consideration of the needs of the agency assuming the pursuit.

Notification of a pursuit in progress should not be construed as a request to join the pursuit. Requests to or from another agency to assume a pursuit should be specific. Because of communication limitations between local law enforcement agencies, a request for another agency's assistance will mean that its personnel will assume responsibility for the pursuit. For the same reasons, when a pursuit leaves another jurisdiction and a request for assistance is made to this department, the other agency should relinquish control.

#### **314.11.2 PURSUITS EXTENDING INTO THIS JURISDICTION**

The agency that initiates a pursuit shall be responsible for conducting the pursuit. Officers from this department should not join a pursuit unless specifically requested to do so by the pursuing agency and with approval from a supervisor. The exception to this is when a single vehicle from the initiating agency is in pursuit. Under this circumstance, an officer from this department may, with supervisor approval, immediately join the pursuit until sufficient vehicles from the initiating agency join the pursuit or until additional information is provided allowing withdrawal from the pursuit.

When a request is made for this department to assist or take over a pursuit that has entered the jurisdiction of the Quincy Police Department, the supervisor should consider:

- (a) The public's safety within this jurisdiction.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Vehicle Pursuits*

---

- (b) The safety of the pursuing officers.
- (c) Whether the circumstances are serious enough to continue the pursuit.
- (d) Whether there is adequate staffing to continue the pursuit.
- (e) The ability to maintain the pursuit.

As soon as practicable, a supervisor or the Shift Sergeant should review a request for assistance from another agency. The Shift Sergeant or supervisor, after considering the above factors, may decline to assist in or assume the other agency's pursuit.

Assistance to a pursuing agency by officers of this department will conclude at the City limits, provided that the pursuing agency has sufficient assistance from other sources. Ongoing participation from this department may continue only until sufficient assistance is present.

In the event that the termination point of a pursuit from another agency is within this jurisdiction, officers shall provide appropriate assistance including, but not limited to, scene control, coordination and completion of supplemental reports and any other assistance requested or needed.

### **314.12 PURSUIT INTERVENTION**

Pursuit intervention is an attempt to stop the suspect's ability to continue to flee in a vehicle through tactical application of technology, tire deflation devices, blocking or vehicle intercept, boxing-in, the PIT, ramming or roadblock procedures.

#### **314.12.1 WHEN USE IS AUTHORIZED**

Whenever practicable, an officer shall seek approval from a supervisor before employing any intervention to stop the pursued vehicle. In deciding whether to use intervention tactics, officers/supervisors should balance the risk of allowing the pursuit to continue with the potential hazards arising from the use of each tactic to the public, the officers and persons in or on the pursued vehicle. With this in mind, the decision to use any intervention tactic should be reasonable in light of the circumstances apparent to the officer at the time of the decision.

#### **314.12.2 USE OF FIREARMS**

The use of firearms to disable a pursued vehicle is not generally an effective tactic and involves all the dangers associated with discharging firearms. Officers should not utilize firearms during an ongoing pursuit unless the conditions and circumstances meet the requirements authorizing the use of deadly force. Nothing in this section shall be construed to prohibit any officer from using a firearm to stop a suspect from using a vehicle as a deadly weapon.

#### **314.12.3 INTERVENTION STANDARDS**

Any intervention tactic, depending upon the conditions and circumstances under which it is used, may present dangers to the officers, the public or anyone in or on the vehicle being pursued. Certain applications of intervention tactics may be construed to be a use of force, including deadly force, and are subject to policies guiding such use. Officers shall consider these facts and requirements prior to deciding how, when, where and if an intervention tactic should be employed.

## Vehicle Pursuits

---

- (a) Blocking or vehicle intercept should only be considered in cases involving felony suspects or impaired drivers who pose a threat to the public's safety, and when officers reasonably believe that attempting a conventional enforcement stop will likely result in the driver attempting to flee in the vehicle. Because of the potential risks involved, this intervention tactic should only be employed by properly trained officers and after giving consideration to the following:
  - 1. The need to immediately stop the suspect vehicle or prevent it from leaving substantially outweighs the risk of injury or death to occupants of the suspect vehicle, officers or others.
  - 2. All other reasonable intervention tactics have failed or reasonably appear ineffective.
  - 3. Employing the blocking or vehicle intercept maneuver does not unreasonably increase the risk of danger to those involved or the public.
  - 4. The suspect vehicle is stopped or traveling at a low speed.
  - 5. Only law enforcement vehicles should be used in this tactic.
- (b) The PIT is limited to use by properly trained officers with the approval of a supervisor and upon assessment of the circumstances and conditions presented at the time, including the potential for risk of injury to officers, the public and occupants of the pursued vehicle.
- (c) Ramming a fleeing vehicle should be done only after other reasonable tactical means at the officers's disposal have been exhausted or would not be effective, and immediate control is necessary. Ramming should be reserved for situations where there does not appear to be another reasonable alternative method. If there does not reasonably appear to be a present or immediately foreseeable serious threat to the public, the use of ramming is not authorized. When ramming is used as a means to stop a fleeing vehicle, the following factors should be present:
  - 1. The suspect is an actual or suspected felon, who reasonably appears to represent a serious threat to the public if not apprehended.
  - 2. The suspect is driving with willful or wanton disregard for the safety of other persons or is driving in a reckless and life-endangering manner or using the vehicle as a weapon.
- (d) Boxing-in a suspect vehicle should only be attempted upon approval by a supervisor. The use of such a tactic must be carefully coordinated with all involved vehicles, taking into consideration the circumstances and conditions apparent at the time, as well as the potential risk of injury to officers, the public and occupants of the pursued vehicle. Officers and supervisors should weigh the potential consequences against the need to immediately stop the vehicle.
- (e) Tire deflation devices should be deployed only after notification of pursuing officers and the supervisor of the intent and location of the intended deployment, and in a manner that:
  - 1. Should reasonably only affect the pursued vehicle.

# Quincy Police Department

Quincy PD WA Policy Manual

## Vehicle Pursuits

---

2. Provides the deploying officer adequate cover and escape from intentional or unintentional exposure to the approaching vehicle.
  3. Takes into account the limitations of such devices as well as the potential risk to officers, the public and occupants of the pursued vehicle.
  4. Takes into account whether the pursued vehicle is a motorcycle, a vehicle transporting hazardous materials or a school bus transporting children.
- (f) Because roadblocks involve a potential for serious injury or death to occupants of the pursued vehicle if the suspect does not stop, the intentional placement of roadblocks in the direct path of a pursued vehicle is generally discouraged and should not be deployed without prior approval of a supervisor. If roadblocks are deployed, it should only be done under extraordinary conditions when all other reasonable intervention tactics have failed or reasonably appear ineffective and the need to immediately stop the pursued vehicle substantially outweighs the risks of injury or death to occupants of the pursued vehicle, officers or the public.

### **314.13 CAPTURE OF SUSPECTS**

Proper self-discipline and sound professional judgment are the keys to a successful conclusion of a pursuit and apprehension of evading suspects. Officers shall use only that amount of force that reasonably appears necessary given the facts and circumstances perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose.

Unless relieved by a supervisor, the primary pursuing officer should coordinate efforts to apprehend the suspect following the pursuit. Officers should consider the safety of the public and the involved officers when formulating plans for setting up perimeters or for containing and capturing the suspect.

### **314.14 REPORTING REQUIREMENTS**

All appropriate reports shall be completed to comply with appropriate laws and policies or procedures.

- (a) All involved pursuing officer shall complete appropriate crime/arrest reports.
- (b) All involved officer or supervisor shall complete the appropriate pursuit report.
- (c) After first obtaining the available information, the involved, or if unavailable, on-duty field supervisor shall promptly complete a supervisor's log or interoffice memorandum, briefly summarizing the pursuit to the Chief of Police or the authorized designee. This log or memorandum should include, at a minimum:
  1. Date and time of the pursuit.
  2. Initial reason and circumstances surrounding the pursuit.
  3. Length of pursuit in distance and time, including the starting and termination points.
  4. Involved vehicles and officers.
  5. Alleged offenses.

6. Whether a suspect was apprehended, as well as the means and methods used.
    - (a) Any use of force shall be reported and documented in compliance with the Use of Force Policy.
  7. Arrestee information, if applicable.
  8. Any injuries and/or medical treatment.
  9. Any property or equipment damage.
  10. Name of supervisor at the scene or who handled the incident.
  11. A preliminary determination that the pursuit appears to be in compliance with this policy or that additional review and/or follow-up is warranted.
- (d) After receiving copies of reports, logs and other pertinent information, the Chief of Police or the authorized designee shall conduct or assign the completion of a post-pursuit review, as appropriate.
- (e) Annually, the Chief of Police should direct a documented review and analysis of department vehicle pursuits to minimally include policy suitability, policy compliance and training needs.

## Officer Response to Calls

### 316.1 PURPOSE AND SCOPE

This policy provides officers with guidelines for the safe and appropriate vehicular response to emergency and non-emergency incidents or requests for assistance, whether these are dispatched or self-initiated.

### 316.2 POLICY

It is the policy of this department to appropriately respond to emergency and non-emergency calls for service or requests for assistance, whether these are dispatched or self-initiated.

### 316.3 RESPONSE TO CALLS

Officers responding to non-emergency calls shall proceed accordingly, unless they are sent or redirected to a higher priority call, and shall obey all traffic laws.

#### 316.3.1 EMERGENCY CALLS

Officers responding to an emergency call shall proceed immediately as appropriate and shall continuously operate the emergency vehicle lighting and siren as required by law (RCW 46.61.035).

Officers should only respond to a call as an emergency response when so dispatched or when circumstances reasonably indicate an emergency response is required. This includes, but is not limited to:

- (a) When in pursuit or apprehending a violator or suspected violator.
- (b) When responding to a reported emergency involving possible personal injury or death.
- (c) When immediate assistance is requested by an officer or other law enforcement agency.

Officers not responding to a call as an emergency response shall observe all traffic laws and proceed without the use of emergency lights and siren.

### 316.4 REQUESTING EMERGENCY ASSISTANCE

When requesting emergency assistance, the involved department member should reasonably believe there is an imminent threat to the safety of him/herself or another person, or that assistance is needed to prevent imminent serious harm to the public.

In any event where a situation has stabilized and emergency response is not required, the requesting member shall immediately notify the dispatcher.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Officer Response to Calls*

---

### **316.5 SAFETY CONSIDERATIONS**

Responding with emergency lights and siren does not relieve the operator of an emergency vehicle of the duty to continue to drive with due regard for the safety of all persons and property, and does not protect the operator from the consequences of reckless disregard for the safety of others. However the officer may, when responding to a call with an emergency response, and provided there is no endangerment or unnecessary risk to persons and property (RCW 46.61.035):

- Proceed past a red or stop signal or stop sign, but only after slowing down as may be necessary for safe operation.
- Exceed the speed limit.
- Disregard regulations governing parking, direction of movement or turning in specified directions.

#### **316.5.1 NUMBER OF OFFICERS ASSIGNED**

The number of officers assigned to respond to an emergency call or request for assistance should be limited to that which is reasonably necessary.

An emergency response involving more than one police vehicle should be coordinated by Multi-Agency Communications Center (MACC) to avoid any unanticipated intersecting of response routes.

### **316.6 OFFICER RESPONSIBILITIES**

The decision to initiate or continue an emergency response is at the discretion of the officer. If, in the officer's judgment, the weather, traffic and road conditions do not permit such a response without unreasonable risk, the officer may elect to respond to the call without the use of emergency lights and siren at the legal speed limit. In such an event, the officer should immediately notify the dispatcher. An officer shall also discontinue an emergency response when directed by a supervisor or as otherwise appropriate.

Upon receiving authorization or determining that an emergency response is appropriate, whenever practicable, an officer shall immediately give the location from which he/she is responding.

The first officer arriving at the emergency call should determine whether to increase or reduce the level of the response of additional officers and shall notify the dispatcher of his/her determination. Any subsequent change in the appropriate response level should be communicated to the dispatcher by the officer in charge of the scene unless a supervisor assumes this responsibility.

### **316.7 SUPERVISOR RESPONSIBILITIES**

Upon being notified that an emergency response has been initiated or requested, the Shift Sergeant or the field supervisor shall verify that:

- (a) The proper response has been initiated.
- (b) No more than those officers reasonably necessary under the circumstances are involved in the response.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Officer Response to Calls*

---

(c) Affected outside jurisdictions are being notified as practicable.

The field supervisor shall monitor the response until it has been stabilized or terminated and assert control by directing officers into or out of the response, if necessary. If, in the supervisor's judgment, the circumstances require additional officers to be assigned an emergency response, the supervisor may do so.

It is the supervisor's responsibility to terminate an emergency response that, in his/her judgment is inappropriate due to the circumstances.

When making the decision to authorize an emergency response, the Shift Sergeant or the field supervisor should consider:

- The type of call or crime involved.
- The type and circumstances of the request.
- The necessity of a timely response.
- Weather, traffic and road conditions.
- The location of the responding officers and the location of the incident.

## Officer Safety Advisories

### 317.1 PURPOSE OF THE OFFICER SAFETY ADVISORY FILE

The Officer Safety Data Base is intended to provide protection to police officers when they contact an individual who has exhibited assaultive behavior during an arrest situation. This file is available state-wide and all wanted inquiries will be checked against it.

(WACIC Manual Rev 01/11, Procedure 07.01.000)

### 317.2 CRITERIA FOR ENTRY INTO WACIC/SPILLMAN

Entry of records in the Officer Safety Data Base is restricted to law enforcement agencies and correctional agencies. An individual can be entered when they have been placed in physical custody or under arrest by a law enforcement officer for any offense and have exhibited assaultive or threatening behavior toward a law enforcement officer. One of the following criteria must be met prior to entry of an officer safety advisory into the Person of Interest file:

1. Any physical assault or attempted physical assault when contacted by law enforcement
2. Threats of physical violence toward a criminal justice employee or his/her family. Discretion should be used with resisting arrest unless assaultive or combative behavior is demonstrated.
3. Specific threats to a department or multiple department personnel.
4. Threats to criminal justice personnel from other states.
5. Threats of suicide by cop

Records entered must be supported by a documented incident and/or arrest reports wherein threats were made and reported, or where actual assaults occurred leading to the reasonable conclusion that the individual poses a threat in encounters with law enforcement officers.

(WACIC Manual Rev 01/11, Procedure 07.01.000)

### 317.3 RESPONSIBILITIES

#### 317.3.1 OFFICER

Officers will complete and sign Washington State Patrol form 3000-390-013 (9/06) and submit the form and aforementioned documentation to the Chief of Police, via the chain of command, for approval.

#### 317.3.2 SUPERVISOR

The Supervisor will verify all paperwork is submitted and confirm that at least one of the criteria in Policy 317.2 has been met.

#### 317.3.3 CHIEF OF POLICE

The Chief of Police is responsible for ensuring the entry of assault on officer data into WACIC, based on law enforcement reports.

Records clerks will validate all Officer Safety information in WACIC and Spillman annually.

## **317.4 RETENTION PERIOD FOR OFFICER SAFETY FILES**

### **317.4.1 WACIC RETENTION PERIODS**

Officer Safety records entered with a record type of "OS1" (death of a law enforcement or corrections) will remain on file until action is taken by the entering agency to cancel the record.

(WACIC Manual Rev 01/11, Procedure 07.01.000)

### **317.4.2 MACC/SPILLMAN RETENTION PERIOD**

Officer Safety records entered with either record type of "OS" or "OS1" will remain in Spillman per Spillman/MACC policy.

## **317.5 VALIDATION**

Officer Safety records will be validated annually. Records not validated within the allotted time period will be purged.

(WACIC Manual Rev 01/11, Procedure 07.01.000)

## Domestic Violence

### 320.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to deter, prevent and reduce domestic violence through vigorous enforcement and to address domestic violence as a serious crime against society. The policy specifically addresses the commitment of this department to take enforcement action when appropriate, to provide assistance to victims and to guide officers in the investigation of domestic violence.

#### 320.1.1 DEFINITIONS

Definitions related to this policy include:

**Court order** - All forms of orders related to domestic violence, that have been issued by a court of this state or another, whether civil or criminal, regardless of whether service has been made.

### 320.2 POLICY

The Quincy Police Department's response to incidents of domestic violence and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that domestic violence is criminal behavior. It is also the policy of this department to facilitate victims' and offenders' access to appropriate civil remedies and community resources whenever feasible.

### 320.3 OFFICER SAFETY

The investigation of domestic violence cases often places officers in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede the responsibility of all officers to exercise due caution and reasonable care in providing for the safety of any officers and parties involved.

### 320.4 INVESTIGATIONS

The following guidelines should be followed by officers when investigating domestic violence cases:

- (a) Calls of reported, threatened, imminent or ongoing domestic violence and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.
- (b) When practicable, officers should obtain and document statements from the victim, the suspect and any witnesses, including children, in or around the household or location of occurrence.
- (c) Officers should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other children who may not have been in the house at that particular time should also be obtained for follow-up.

### *Domestic Violence*

- (d) When practicable and legally permitted, video or audio record all significant statements and observations.
- (e) All injuries should be photographed, regardless of severity, taking care to preserve the victim's personal privacy. Where practicable, photographs should be taken by a person of the same sex. Victims whose injuries are not visible at the time of the incident should be asked to contact the Investigations in the event that the injuries later become visible.
- (f) Officers should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.
- (g) If the suspect is no longer at the scene, officers should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement and make an arrest or seek an arrest warrant if appropriate.
- (h) Seize any firearms or other dangerous weapons in the home, if appropriate and legally permitted, for safekeeping or as evidence.
- (i) When completing an incident or arrest report for violation of a court order, officers should include specific information that establishes that the offender has been served, including the date the offender was served, the name of the agency that served the order and the provision of the order that the subject is alleged to have violated. When reasonably available, the arresting officer should attach a copy of the order to the incident or arrest report.
- (j) Officers should take appropriate enforcement action when there is probable cause to believe an offense has occurred. Factors that should not be used as sole justification for declining to take enforcement action include:
  - 1. Marital status of suspect and victim.
  - 2. Whether the suspect lives on the premises with the victim.
  - 3. Claims by the suspect that the victim provoked or perpetuated the violence.
  - 4. The potential financial or child custody consequences of arrest.
  - 5. The physical or emotional state of either party.
  - 6. Use of drugs or alcohol by either party.
  - 7. Denial that the abuse occurred where evidence indicates otherwise.
  - 8. A request by the victim not to arrest the suspect.
  - 9. Location of the incident (public/private).
  - 10. Speculation that the complainant may not follow through with the prosecution.
  - 11. The racial, cultural, social, professional position or sexual orientation of the victim or suspect.

## *Domestic Violence*

---

- (k) Unless doing so would jeopardize the criminal investigation, the victim should be apprised of investigative plans such as when the suspect or witnesses are going to be interviewed and any plans for making an arrest.

### **320.4.1 HOSPITALIZED VICTIM**

When responding to a medical facility regarding an injured person, officers should make a reasonable attempt to determine whether the injury was a result of domestic violence prior to contacting the victim or person who reported the incident.

If domestic violence is suspected, contact should be made with the medical facility representatives out of the view and hearing of the victim and any potential suspects when practical.

### **320.4.2 IF A SUSPECT IS ARRESTED**

If a suspect is arrested, officers should:

- (a) Advise the victim that there is no guarantee the suspect will remain in custody.
- (b) Provide the victim's contact information to the jail staff to enable notification of the victim upon the suspect's release from jail.
- (c) Advise the victim whether any type of court order will be in effect when the suspect is released from jail.

### **320.4.3 IF NO ARREST IS MADE**

If no arrest is made, the officer should:

- (a) Advise the parties of any options, including but not limited to:
  1. Voluntary separation of the parties.
  2. Appropriate resource referrals (e.g., counselors, friends, relatives, shelter homes, victim witness unit).
- (b) Document the resolution in a report.

### **320.5 VICTIM ASSISTANCE**

Victims may be traumatized or confused. Officers should:

- (a) Recognize that a victim's behavior and actions may be affected.
- (b) Provide the victim with the department's domestic violence information handout, even if the incident may not rise to the level of a crime.
- (c) Alert the victim to any available victim advocates, shelters and community resources.
- (d) Stand by for a reasonable amount of time when an involved person requests law enforcement assistance while removing essential items of personal property.
- (e) Seek medical assistance as soon as practicable for the victim if he/she has sustained injury or complains of pain.

# Quincy Police Department

## *Domestic Violence*

- (f) Ask the victim whether he/she has a safe place to stay. Assist in arranging to transport the victim to an alternate shelter if the victim expresses a concern for his/her safety or if the officer determines that a need exists.
- (g) Make reasonable efforts to ensure that children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
- (h) Seek or assist the victim in obtaining an emergency order if appropriate.

### **320.6 FOREIGN COURT ORDERS**

Various types of orders may be issued in domestic violence cases. Any foreign court order properly issued by a court of another state, Indian tribe or territory shall be enforced by officers as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC § 2265). An otherwise valid out-of-state court order shall be enforced, regardless of whether the order has been properly registered with this state.

### **320.7 VERIFICATION AND SERVICE OF COURT ORDERS**

Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, officers should carefully review the actual order when available, and, where appropriate and practicable:

- (a) Ask the subject of the order about his/her notice or receipt of the order, his/her knowledge of its terms and efforts to respond to the order.
- (b) Check available records or databases that may show the status or conditions of the order.
- (c) Contact the issuing court to verify the validity of the order.
- (d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Officers should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Officers should contact a supervisor for clarification when needed.

### **320.8 STANDARDS FOR ARRESTS**

Officers investigating a domestic violence report should consider the following:

- (a) The primary duty of officers when responding to a domestic violence situation is to enforce the laws allegedly violated and to protect the complaining party (RCW 10.99.030(5)).

# Quincy Police Department

## Quincy PD WA Policy Manual

### *Domestic Violence*

---

- (b) When an officer responds to a domestic violence call and has probable cause to believe that a crime has been committed, he/she shall make an arrest pursuant to the criteria in RCW 10.31.100 and RCW 10.99.030(6)(a).
- (c) When an officer has confirmed that a valid court order exists and has probable cause to believe the defendant has violated that order, the officer shall make a physical arrest (RCW 10.99.055; RCW 10.31.100(2)). Whenever a member of this department serves or assists in serving a court order and that service is completed, a return of service form shall be completed and submitted to the Washington Crime Information Center (WACIC).

### **320.9 REPORTS AND RECORDS**

- (a) Officers responding to a domestic violence call shall take a complete offense report, including the disposition of the case (RCW 10.99.030(6)(b)).
- (b) All such reports should be documented under the appropriate crime classification and should use the distinction "Domestic Violence" in the Type of Crime box of the crime report form (RCW 10.99.030(11)).
- (c) Whenever there is probable cause to believe that a crime has been committed and unless the case is under active investigation, the Criminal Investigations Supervisor shall ensure that all domestic violence crime reports are forwarded to the County Prosecutor's Office within 10 days of the date the incident was reported (RCW 10.99.030(9)).
- (d) The Records Clerk shall ensure that accurate records of domestic violence incidents are maintained and submitted to the Washington Association of Sheriffs and Police Chiefs, in accordance with state law (RCW 10.99.030(12)).

## Search and Seizure

### 322.1 PURPOSE AND SCOPE

Both the federal and state Constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Quincy Police Department personnel to consider when dealing with search and seizure issues.

### 322.2 POLICY

It is the policy of the Quincy Police Department to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to officers as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

### 322.3 SEARCHES

The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to the following:

- Valid consent
- Incident to a lawful arrest
- Legitimate community caretaking interests
- Exigent circumstances

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and his/her familiarity with clearly established rights as determined by case law.

Whenever practicable, officers are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

### 322.3.1 RESTRICTIONS ON CELL SITE SIMULATOR USE

A member may only install or use a pen register, trap and trace device or cell site simulator device with a supporting court order or when there is both coordination with a prosecuting attorney and joint determination of probable cause to believe an emergency situation exists that involves immediate danger of death or serious bodily injury to a person. A court order must be obtained within 48 hours after installation of the pen register, trap and trace device or cell site stimulator device when an emergency situation exists (RCW 9.73.260).

### 322.4 SEARCH PROTOCOL

Although conditions will vary and officer safety and other exigencies must be considered in every search situation, the following guidelines should be followed whenever circumstances permit:

- (a) Members of this department will strive to conduct searches with dignity and courtesy.
- (b) Officers should explain to the person being searched the reason for the search and how the search will be conducted.
- (c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.
- (d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations or access codes when a search of locked property is anticipated.
- (e) When the person to be searched is of the opposite sex as the searching officer, a reasonable effort should be made to summon an officer of the same sex as the subject to conduct the search. When it is not practicable to summon an officer of the same sex as the subject, the following guidelines should be followed:
  1. Another officer or a supervisor should witness the search.
  2. The officer should not search areas of the body covered by tight-fitting clothing, sheer clothing or clothing that could not reasonably conceal a weapon.

### 322.5 DOCUMENTATION

Officers are responsible to document any search and to ensure that any required reports are sufficient including, at minimum, documentation of the following:

- Reason for the search
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys)
- What, if any, injuries or damage occurred
- All steps taken to secure property
- The results of the search, including a description of any property or contraband seized

# Quincy Police Department

## *Search and Seizure*

---

- If the person searched is the opposite sex, any efforts to summon an officer of the same sex as the person being searched and the identification of any witness officer

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented and that current legal requirements and department policy have been met.

## Temporary Custody of Juveniles

### 324.1 PURPOSE AND SCOPE

This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the Quincy Police Department (34 USC § 11133).

#### 324.1.1 DEFINITIONS

Definitions related to this policy include:

**Juvenile non-offender** - An abused, neglected, dependent or alien juvenile who may be legally held for his/her own safety or welfare. This also includes any juvenile who may have initially been contacted for an offense that would not subject an adult to arrest (e.g., fine-only offense) but was taken into custody for his/her protection, or for purposes of reuniting the juvenile with a parent, guardian, or other responsible person.

**Juvenile offender** - A juvenile 17 years of age or younger who is alleged to have committed an offense that would subject an adult to arrest (a non-status offense) or a juvenile who has violated RCW 9.41.040(2)(a) by possessing a handgun (28 CFR 31.303).

**Non-secure custody** - When a juvenile is held in the presence of an officer or other custody employee at all times and is not placed in a locked room, cell or behind any locked doors. Juveniles in non-secure custody may be handcuffed but not to a stationary or secure object. Personal supervision, through direct visual monitoring and audio two-way communication is maintained. Monitoring through electronic devices, such as video, does not replace direct visual observation.

**Secure custody** - When a juvenile offender is held in a locked room, a set of rooms, or a cell. Secure custody also includes being physically secured to a stationary object.

Examples of secure custody include:

- (a) A juvenile left alone in an unlocked room within the secure perimeter of the adult temporary holding area.
- (b) A juvenile handcuffed to a rail.
- (c) A juvenile placed in a room that contains doors with delayed egress devices that have a delay of more than 30 seconds.
- (d) A juvenile being processed in a secure booking area when an unsecure booking area is available.
- (e) A juvenile left alone in a secure booking area after being photographed and fingerprinted.
- (f) A juvenile placed in a cell within the adult temporary holding area, whether or not the cell door is locked.
- (g) A juvenile placed in a room that is capable of being locked or contains a fixed object designed for cuffing or restricting movement.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Temporary Custody of Juveniles*

---

**Sight and sound separation** - Located or arranged to prevent physical, visual, or auditory contact.

**Status offender** - A juvenile suspected of committing a criminal violation of the law that would not be a criminal violation but for the age of the offender. Examples may include running away, underage possession of tobacco, curfew violation, or truancy. A juvenile in custody on a court order or warrant based upon a status offense is also a status offender.

### **324.2 POLICY**

The Quincy Police Department is committed to releasing juveniles from temporary custody as soon as reasonably practicable and keeping juveniles safe while they are in temporary custody at the Quincy Police Department. Juveniles should be held in temporary custody only for as long as reasonably necessary, not to exceed 6 hours, for processing, transfer or release.

### **324.3 JUVENILES WHO SHOULD NOT BE HELD**

Juveniles who exhibit any of the following conditions should not be held at the Quincy Police Department:

- (a) Unconscious
- (b) Seriously injured
- (c) A known suicide risk or obviously severely emotionally disturbed
- (d) Significantly intoxicated
- (e) Extremely violent or continuously violent

Officers taking custody of a juvenile who exhibits any of the above conditions should take reasonable steps to provide medical attention or mental health assistance and notify a supervisor of the situation.

These juveniles should not be held at the Quincy Police Department unless they have been evaluated by a qualified medical and/or mental health professional.

If the officer taking custody of the juvenile believes the juvenile may be a suicide risk, the juvenile shall be under continuous direct supervision until evaluation, release or a transfer is completed.

### **324.4 CUSTODY OF JUVENILES**

Officers should take custody of a juvenile and temporarily hold the juvenile at the Quincy Police Department when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile who is suspected of being a victim.

No juvenile should be held in temporary custody at the Quincy Police Department without authorization of the arresting officer's supervisor or the Shift Sergeant.

Any juvenile taken into custody shall be released to the care of the juvenile's parent or other responsible adult or transferred to a juvenile custody facility or to other authority as soon as

practicable and in no event shall a juvenile be held beyond six hours from the time of his/her entry into the Quincy Police Department (34 USC § 11133; RCW 13.04.116(b)).

### 324.4.1 CUSTODY OF JUVENILE NON-OFFENDERS

Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the Quincy Police Department. Custodial arrangements should be made for non-offenders as soon as reasonably possible. Juvenile non-offenders may not be held in secure custody (34 USC § 11133).

### 324.4.2 CUSTODY OF JUVENILE STATUS OFFENDERS

Status offenders should generally be released by citation or with a warning rather than taken into temporary custody. However, officers may take custody of a status offender if requested to do so by a parent or legal guardian in order to facilitate reunification (e.g., transported home or to the station to await a parent). Juvenile status offenders may not be held in secure custody (34 USC § 11133).

### 324.4.3 CUSTODY OF JUVENILE OFFENDERS

Juvenile offenders should be held in non-secure custody while at the Quincy Police Department unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

Generally, juvenile offenders may be taken into custody under the following circumstances (RCW 13.40.040(1)):

- (a) Pursuant to a court order.
- (b) Without a court order, by an officer if grounds exist for the arrest of an adult in identical circumstances.
- (c) When his/her parole has been suspended.

### 324.4.4 LIMITATIONS ON RELEASE OF JUVENILE OFFENDERS

Juveniles should be referred to the appropriate juvenile authority and not released to a parent or guardian when there is probable cause to believe the juvenile (RCW 13.40.040(2)):

- (a) Will likely fail to appear for further proceedings.
- (b) Needs protection from him/herself.
- (c) Is a threat to community safety.
- (d) Will intimidate witnesses or otherwise unlawfully interfere with the administration of justice.
- (e) Has committed a crime while another case was pending.
- (f) Is a fugitive from justice.
- (g) Has had his/her parole suspended or modified.
- (h) Is a material witness.

### **324.5 ADVISEMENTS**

When a juvenile offender is taken into custody, the officer should, as soon as practicable, notify the juvenile's parent, guardian or a responsible relative that the juvenile is in custody.

### **324.6 JUVENILE CUSTODY LOGS**

Any time a juvenile is held in custody at the Department, the custody shall be promptly and properly documented in the juvenile custody log, including:

- (a) Identifying information about the juvenile being held.
- (b) Date and time of arrival and release from the Quincy Police Department.
- (c) Shift Sergeant notification.
- (d) Any charges for which the juvenile is being held and classification of the juvenile as a juvenile offender, status offender or non-offender.
- (e) Any changes in status.
- (f) Time of all welfare checks.
- (g) Circumstances that justify any secure custody.
- (h) Any other information that may be required by other authorities, such as compliance inspectors or a local juvenile court authority.

### **324.7 NO-CONTACT REQUIREMENTS**

Sight and sound separation shall be maintained between all juveniles and adults while in custody at the Department (34 USC § 11133). There should also be sight and sound separation between non-offenders and juvenile and status offenders.

In situations where brief or accidental contact may occur (e.g., during the brief time a juvenile is being fingerprinted and/or photographed in booking), a member of the Quincy Police Department shall maintain a constant, immediate presence with the juvenile or the adult to minimize any contact. If inadvertent or accidental contact does occur, reasonable efforts shall be taken to end the contact.

### **324.8 TEMPORARY CUSTODY REQUIREMENTS**

Members and supervisors assigned to monitor or process any juvenile at the Quincy Police Department shall ensure the following:

- (a) The Shift Sergeant should be notified if it is anticipated that a juvenile may need to remain at the Quincy Police Department more than four hours. This will enable the Shift Sergeant to ensure no juvenile is held at the Quincy Police Department more than six hours.
- (b) A staff member of the same sex shall supervise personal hygiene activities and care, such as changing clothing or using the restroom, without direct observation to allow for privacy.
- (c) Personal visual checks and significant incidents/activities shall be noted on the log.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Temporary Custody of Juveniles*

---

- (d) There shall be no viewing devices, such as peep holes or mirrors, of which the juvenile is not aware. Therefore, an employee should inform a juvenile under his/her care that the juvenile will be monitored at all times, unless he/she is using the toilet. This does not apply to surreptitious and legally obtained recorded interrogations.
- (e) Juveniles shall have reasonable access to toilets and wash basins.
- (f) Food should be provided if a juvenile has not eaten within the past four hours or is otherwise in need of nourishment, including any special diet required for the health of the juvenile.
- (g) Juveniles shall have reasonable access to a drinking fountain or water.
- (h) Juveniles shall have reasonable opportunities to stand and stretch, particularly if handcuffed or restrained in any way.
- (i) Juveniles should have privacy during family, guardian and/or lawyer visits.
- (j) Juveniles should be permitted to remain in their personal clothing unless the clothing is taken as evidence or is otherwise unsuitable or inadequate for continued wear while in custody.
- (k) Blankets should be provided as reasonably necessary.
- (l) Adequate shelter, heat, light and ventilation should be provided without compromising security or enabling escape.
- (m) Juveniles shall have adequate furnishings, including suitable chairs or benches.
- (n) Juveniles shall have the right to the same number of telephone calls as an adult in custody.
- (o) No discipline may be administered to any juvenile, nor may juveniles be subjected to corporal or unusual punishment, humiliation or mental abuse.

### **324.9 USE OF RESTRAINT DEVICES**

Juvenile offenders may be handcuffed in accordance with the Handcuffing and Restraints Policy. A juvenile offender may be handcuffed at the Quincy Police Department when the juvenile presents a heightened risk. However, non-offenders and status offenders should not be handcuffed unless they are combative or threatening.

Other restraints shall only be used after less restrictive measures have failed and with the approval of the Shift Sergeant. Restraints shall only be used so long as it reasonably appears necessary for the juvenile's protection or the protection of others.

Juveniles in restraints shall be kept away from other unrestrained juveniles or monitored in such a way as to protect the juvenile from abuse.

### **324.10 PERSONAL PROPERTY**

The officer taking custody of a juvenile offender or status offender at the Quincy Police Department shall ensure a thorough search of the juvenile's property is made and all property is removed from the juvenile, especially those items that could compromise safety, such as pens, pencils and belts.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Temporary Custody of Juveniles*

---

The personal property of a juvenile should be placed in a property bag. The property should be inventoried in the juvenile's presence and sealed into the bag. The property should be kept in a monitored or secure location until the juvenile is released from the custody of the Quincy Police Department.

### **324.11 SECURE CUSTODY**

Only juvenile offenders 14 years and older may be placed in secure custody. Shift Sergeant approval is required before placing a juvenile offender in secure custody.

Secure custody should only be used for juvenile offenders when there is a reasonable belief that the juvenile is a serious risk of harm to him/herself or others.

Members of this department should not use secure custody for convenience when non-secure custody is, or later becomes, a reasonable option.

When practicable, handcuffing one hand of a juvenile offender to a fixed object while otherwise maintaining the juvenile in non-secure custody should be considered as the method of secure custody, rather than the use of a locked enclosure. An employee must be present at all times to ensure the juvenile's safety while secured to a stationary object.

Generally, juveniles should not be secured to a stationary object for more than 60 minutes. Supervisor approval is required to secure a juvenile to a stationary object for longer than 60 minutes and every 30 minutes thereafter. Supervisor approval should be documented.

#### **324.11.1 LOCKED ENCLOSURES**

A thorough inspection of the area shall be conducted before placing a juvenile into the enclosure. A second inspection shall be conducted after removing the juvenile. Any damage noted to the room should be photographed and documented in the crime report.

The following requirements shall apply to a juvenile offender who is held inside a locked enclosure:

- (a) The juvenile shall constantly be monitored by an audio/video system during the entire custody.
- (b) Juveniles shall have constant auditory access to department members.
- (c) Initial placement into and removal from a locked enclosure shall be logged.
- (d) Random personal visual checks of the juvenile by a staff member, no less than every 15 minutes, shall occur.
  - 1. All checks shall be logged.
  - 2. The check should involve questioning the juvenile as to his/her well-being (sleeping juveniles or apparently sleeping juveniles should be awakened).
  - 3. Requests or concerns of the juvenile should be logged.
- (e) Males and females shall not be placed in the same locked room.
- (f) Juvenile offenders should be separated according to severity of the crime (e.g., felony or misdemeanor).

## *Temporary Custody of Juveniles*

---

- (g) Restrained juveniles shall not be mixed in a cell or room with unrestrained juveniles.

### **324.12 SUICIDE ATTEMPT, DEATH OR SERIOUS INJURY OF A JUVENILE**

The Shift Sergeant will ensure procedures are in place to address the suicide attempt, death or serious injury of any juvenile held at the Quincy Police Department. The procedures will address:

- (a) Immediate notification of the on-duty supervisor, Chief of Police and Investigations supervisor.
- (b) Notification of the parent, guardian or person standing in loco parentis, of the juvenile.
- (c) Notification of the appropriate prosecutor.
- (d) Notification of the City Attorney.
- (e) Evidence preservation.

### **324.13 INTERVIEWING OR INTERROGATING JUVENILE SUSPECTS**

No interview or interrogation of a juvenile should occur unless the juvenile has the apparent capacity to consent, and does consent to an interview or interrogation.

### **324.14 RESTRICTION ON FINGERPRINTING AND PHOTOGRAPHING**

A juvenile offender may be photographed and fingerprinted as provided by RCW 43.43.735.

### **324.15 RELEASE OF INFORMATION CONCERNING JUVENILES**

Court decisions and legislation have combined to carefully specify situations in which information may be given out or exchanged when a case involves a juvenile. Officers of this department shall not divulge any information regarding juveniles in situations where they are uncertain of the legal authority to do so.

#### **324.15.1 RELEASE OF INFORMATION PURSUANT TO WASHINGTON LAW**

Juvenile records are confidential and may be released only as provided in RCW 13.50.010 and RCW 13.50.050:

- (a) Information may be released to other participants in the juvenile justice or care system only when an investigation or case involving the juvenile is being pursued by the other participant, or when that other participant is assigned the responsibility for supervising the juvenile.
- (b) Information not in the juvenile court file that could not reasonably be expected to identify the juvenile or the juvenile's family may be released.
- (c) Following the decision to arrest, information about an investigation, diversion or prosecution of a juvenile, including an incident report, may be released to the school in which the juvenile is enrolled to assist in protecting other students, staff and school property.
- (d) Information about a juvenile offender, the offender's parent or guardian and the circumstances of the crime may be released to the victim or the victim's immediate family.

- (e) Information identifying child victims of sexual assault committed by juvenile offenders may be released only with the permission of the child victim or legal guardian.
- (f) A court may permit certain juvenile records to be released by rule or order.

It shall be the responsibility of the Public Records Officer to ensure that personnel of those bureaus act within legal guidelines.

## Adult Abuse

### 326.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation and reporting of suspected abuse of certain adults who may be more vulnerable than others. This policy also addresses mandatory notification for Quincy Police Department members as required by law.

#### 326.1.1 DEFINITIONS

Definitions related to this policy include:

**Adult abuse** - Any offense or attempted offense involving violence or neglect of an adult victim when committed by a person responsible for the adult's care, or any other act that would mandate reporting or notification to a social service agency or law enforcement.

### 326.2 POLICY

The Quincy Police Department will investigate all reported incidents of alleged adult abuse and ensure proper reporting and notification as required by law.

### 326.3 MANDATORY NOTIFICATION

Members of the Quincy Police Department shall notify the Washington State Department of Social and Health Services (DSHS) when there is reasonable cause to believe that abandonment, abuse, financial exploitation or neglect of a vulnerable adult has occurred. Members shall also notify DSHS when there is reason to suspect sexual assault or physical assault or reasonable cause to believe that an act has caused fear of imminent harm. The medical examiner or coroner shall also be notified when there is reason to suspect that the death of a vulnerable adult was caused by abuse, neglect or abandonment by another person (RCW 74.34.035).

For purposes of notification (RCW 74.34.020):

- Abandonment is action or inaction by a person or entity with a duty of care for a vulnerable adult that leaves the person without the means or ability to obtain necessary food, clothing, shelter or health care.
- Abuse is willful action or inaction that inflicts injury, unreasonable confinement or restraint, sexual abuse, physical abuse, financial exploitation, mental abuse, intimidation or punishment as provided.
- A vulnerable adult is a person who is:
  - (a) 60 years or older who has the functional, mental or physical inability to care for himself/herself.
  - (b) Is found by the superior court to be incapacitated under RCW 11.88.005 et seq.
  - (c) Has a developmental disability as defined under RCW 71A.10.020.
  - (d) Is admitted to any facility as defined in RCW 74.34.020 (assisted living facility, nursing home or other facility licensed by DSHS).

- (e) Is receiving services from an individual provider or licensed home health, hospice or home care agency.
- (f) Self-directs his/her own care and receives services from a personal aide under RCW 74.39.001 et seq.

### **326.3.1 NOTIFICATION PROCEDURE**

Notification should occur as follows (RCW 74.34.035):

- (a) All notification to DSHS shall be made immediately or as soon as practicable by telephone
- (b) Information provided shall include, if known:
  1. The name and address of the person making the report.
  2. The name and address of the vulnerable adult.
  3. The name and address of the facility or agency providing care for the vulnerable adult.
  4. The name and address of the legal guardian or alternate decision maker.
  5. The nature and extent of the abandonment, abuse, financial exploitation, neglect or self-neglect.
  6. Any history of previous abandonment, abuse, financial exploitation, neglect or self-neglect.
  7. The identity of the alleged perpetrator, if known.
  8. Any other information that may be helpful in establishing the extent of abandonment, abuse, financial exploitation, neglect or the cause of death of the deceased vulnerable adult.

### **326.4 QUALIFIED INVESTIGATORS**

Qualified investigators should be available to investigate cases of adult abuse. These investigators should:

- (a) Conduct interviews in appropriate interview facilities.
- (b) Be familiar with forensic interview techniques specific to adult abuse investigations.
- (c) Present all cases of alleged adult abuse to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and facility administrators as needed.
- (e) Provide referrals to therapy services, victim advocates, guardians and support for the victim and family as appropriate.
- (f) Participate in or coordinate with multidisciplinary investigative teams as applicable.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Adult Abuse*

---

### **326.5 INVESTIGATIONS AND REPORTING**

All reported or suspected cases of adult abuse require investigation and a report, even if the allegations appear unfounded or unsubstantiated. If the investigation reveals that a crime may have been committed, the City prosecutor shall be provided a written report of the incident (RCW 74.34.063(3)).

Investigations and reports related to suspected cases of adult abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected adult abuse victim is contacted.
- (b) Any relevant statements the victim may have made and to whom he/she made the statements.
- (c) If a person is taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (d) Documentation of any visible injuries or any injuries identified by the victim. This should include photographs of such injuries, if practicable.
- (e) Whether the victim was transported for medical treatment or a medical examination.
- (f) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other potential victims or witnesses who may reside in the residence.
- (g) Identification of any prior related reports or allegations of abuse, including other jurisdictions, as reasonably known.
- (h) Previous addresses of the victim and suspect.
- (i) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.

Any unexplained death of an adult who was in the care of a guardian or caretaker should be considered as potential adult abuse and investigated similarly.

### **326.6 PROTECTIVE CUSTODY**

Before taking an adult abuse victim into protective custody when facts indicate the adult may not be able to care for him/herself, the officer should make reasonable attempts to contact DSHS. Generally, removal of an adult abuse victim from his/her family, guardian or other responsible adult should be left to the welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove an adult abuse victim from his/her family or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the victim. Prior to taking an adult abuse victim into protective custody, the officer should take reasonable steps to deliver the adult to another qualified legal guardian, unless it reasonably appears that the release would endanger

### *Adult Abuse*

the victim or result in abduction. If this is not a reasonable option, the officer shall ensure that the adult is delivered to DSHS.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking an adult abuse victim into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking the adult into protective custody.

When adult abuse victims are under state control, have a state-appointed guardian or there are other legal holdings for guardianship, it may be necessary or reasonable to seek a court order on behalf of the adult victim to either remove the adult from a dangerous environment (protective custody) or restrain a person from contact with the adult.

In any situation which an officer reasonably believes that an elder or dependent adult is in immediate and present danger of abuse based on an allegation of a recent incident of abuse or threat of abuse (other than financial abuse alone), the officer should make an attempt to obtain a protective order against the person alleged to have committed or threatened such abuse pursuant to RCW 74.34.110; RCW 74.34.210; or other applicable statutes.

### **326.7 INTERVIEWS**

#### **326.7.1 PRELIMINARY INTERVIEWS**

Absent extenuating circumstances or impracticality, officers should audio record the preliminary interview with a suspected adult abuse victim. Officers should avoid multiple interviews with the victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available.

#### **326.7.2 DETAINING VICTIMS FOR INTERVIEWS**

An officer should not detain an adult involuntarily who is suspected of being a victim of abuse solely for the purpose of an interview or physical exam without his/her consent or the consent of a guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:
  - 1. A reasonable belief that medical issues of the adult need to be addressed immediately.
  - 2. A reasonable belief that the adult is or will be in danger of harm if the interview or physical exam is not immediately completed.
  - 3. The alleged offender is a family member or guardian and there is reason to believe the adult may be in continued danger.
- (b) A court order or warrant has been issued.

### **326.8 MEDICAL EXAMINATIONS**

In cases where the alleged offender is a family member, guardian, agency or entity having legal custody and is refusing to give consent for the medical examination, officers should notify a supervisor before proceeding. ### **326.9 DRUG-ENDANGERED VICTIMS**

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of an adult abuse victim who has been exposed to the manufacturing, trafficking or use of narcotics.

#### **326.9.1 SUPERVISOR RESPONSIBILITIES**

The Investigations supervisor should:

#### **326.9.2 OFFICER RESPONSIBILITIES**

Officers responding to a drug lab or other narcotics crime scene where an adult abuse victim is present or where there is evidence that an adult abuse victim lives should:

## **Discriminatory Harassment**

### **328.1 PURPOSE AND SCOPE**

This policy is intended to prevent department members from being subjected to discrimination or sexual harassment.

### **328.2 POLICY**

The Quincy Police Department is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation. The Department will not tolerate discrimination against employees in hiring, promotion, discharge, compensation, fringe benefits and other privileges of employment. The Department will take preventive and corrective action to address any behavior that violates this policy or the rights it is designed to protect.

The non-discrimination policies of the Department may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

### **328.3 DISCRIMINATION PROHIBITED**

#### **328.3.1 DISCRIMINATION**

The Department prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on race, color, religion, sex, age, national origin or ancestry, genetic information, disability, military service, sexual orientation and other classifications protected by law.

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual's protected class. It has the effect of interfering with an individual's work performance or creating a hostile or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment, can include making derogatory comments, crude and offensive statements or remarks, making slurs or off-color jokes, stereotyping, engaging in threatening acts, making indecent gestures, pictures, cartoons, posters or material, making inappropriate physical contact, or using written material or department equipment and/or systems to transmit or receive offensive material, statements or pictures. Such conduct is contrary to department policy and to the department's commitment to a discrimination free work environment.

#### **328.3.2 SEXUAL HARASSMENT**

The Department prohibits all forms of discrimination and discriminatory harassment, including sexual harassment. It is unlawful to harass an applicant or a member because of that person's sex.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Discriminatory Harassment*

---

Sexual harassment includes, but is not limited to, unwelcome sexual advances, requests for sexual favors or other verbal, visual or physical conduct of a sexual nature when:

- (a) Submission to such conduct is made either explicitly or implicitly a term or condition of employment position or compensation.
- (b) Submission to, or rejection of, such conduct is used as the basis for employment decisions affecting the member.
- (c) Such conduct has the purpose or effect of substantially interfering with a member's work performance or creating an intimidating, hostile, or offensive work environment.

### **328.3.3 ADDITIONAL CONSIDERATIONS**

Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles or standards, including:

- (a) Acts or omission of acts based solely upon bona fide occupational qualifications under the Equal Employment Opportunity Commission (EEOC) and the Washington State Human Rights Commission.
- (b) Bona fide requests or demands by a supervisor that a member improve his/her work quality or output, that the member report to the job site on time, that the member comply with City or department rules or regulations, or any other appropriate work-related communication between supervisor and member.

### **328.3.4 RETALIATION**

Retaliation is treating a person differently or engaging in acts of reprisal or intimidation against the person because he/she has engaged in protected activity, filed a charge of discrimination, participated in an investigation or opposed a discriminatory practice. Retaliation will not be tolerated.

## **328.4 RESPONSIBILITIES**

This policy applies to all department personnel. All members shall follow the intent of these guidelines in a manner that reflects department policy, professional law enforcement standards and the best interest of the Department and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory or harassing conduct or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to his/her immediate supervisor may bypass the chain of command and make the report to a higher ranking supervisor or manager. Complaints may also be filed with the Chief of Police, Personnel Director or the City Administrator.

Any member who believes, in good faith, that he/she has been discriminated against, harassed, subjected to retaliation, or who has observed harassment or discrimination, is encouraged to promptly report such conduct in accordance with the procedures set forth in this policy.

## *Discriminatory Harassment*

---

Supervisors and managers receiving information regarding alleged violations of this policy shall determine if there is any basis for the allegation and shall proceed with resolution as stated below.

### 328.4.1 SUPERVISOR RESPONSIBILITY

Each supervisor and manager shall:

- (a) Continually monitor the work environment and strive to ensure that it is free from all types of unlawful discrimination, including harassment or retaliation.
- (b) Take prompt, appropriate action within their work units to avoid and minimize the incidence of any form of discrimination, harassment or retaliation.
- (c) Ensure their subordinates understand their responsibilities under this policy.
- (d) Ensure that members who make complaints or who oppose any unlawful employment practices are protected from retaliation and that such matters are kept confidential to the extent possible.
- (e) Notify the Chief of Police in writing of the circumstances surrounding any reported allegations or observed acts of discrimination/harassment no later than the next business day.

### 328.4.2 SUPERVISOR'S ROLE

Because of differences in individual values, supervisors and managers may find it difficult to recognize that their behavior or the behavior of others is discriminatory, harassing or retaliatory. Supervisors and managers shall be aware of the following considerations:

- (a) Behavior of supervisors and managers should represent the values of the Department and professional law enforcement standards.
- (b) False or mistaken accusations of discrimination, harassment or retaliation have negative effects on the careers of innocent members.
- (c) Supervisors and managers must act promptly and responsibly in the resolution of such situations.
- (d) Supervisors and managers shall make a timely determination regarding the substance of any allegation based upon all available facts.

Nothing in this section shall be construed to prevent supervisors or managers from discharging supervisory or management responsibilities, such as determining duty assignments, evaluating or counseling members or issuing discipline, in a manner that is consistent with established procedures.

### 328.5 INVESTIGATION OF COMPLAINTS

Various methods of resolution exist. During the pendency of any such investigation, the supervisor of the involved members should take prompt and reasonable steps to mitigate or eliminate

any continuing abusive or hostile work environment. It is the policy of the Department that all complaints of discrimination or harassment shall be fully documented, and promptly and thoroughly investigated. The participating or opposing member should be protected against retaliation, and the complaint and related investigation should be kept confidential to the extent possible.

### **328.5.1 SUPERVISORY RESOLUTION**

Members who believe they are experiencing discrimination, harassment or retaliation should be encouraged to inform the individual that his/her behavior is unwelcome, offensive, unprofessional or inappropriate. However, if the member feels uncomfortable, threatened or has difficulty expressing his/her concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

### **328.5.2 FORMAL INVESTIGATION**

If the complaint cannot be satisfactorily resolved through the process described above, a formal investigation will be conducted.

The member assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint or for offering testimony or evidence in any investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include, but not be limited to, details of the specific incident, frequency and dates of occurrences and names of any witnesses. Witnesses will be advised regarding the prohibition against retaliation, and that a disciplinary process, up to and including termination, may result if retaliation occurs.

Members who believe they have been discriminated against, harassed or retaliated against because of their protected status are encouraged to follow the chain of command but may also file a complaint directly with the Chief of Police, Personnel Director, or the City Administrator.

### **328.5.3 ALTERNATIVE COMPLAINT PROCESS**

No provision of this policy shall be construed to prevent any member from seeking legal redress outside the Department. Members who believe that they have been harassed, discriminated or retaliated against are entitled to bring complaints of employment discrimination to federal, state and/or local agencies responsible for investigating such allegations. Specific time limitations apply to the filing of such charges. Members are advised that proceeding with complaints under the provisions of this policy does not in any way affect those filing requirements.

### **328.6 NOTIFICATION OF DISPOSITION**

The complainant and/or victim will be notified in writing of the disposition of the investigation and the action taken to remedy or address the circumstances giving rise to the complaint.

- Maintained for the period established in the department's records retention schedule.

### **328.8 TRAINING**

The member shall certify by signing the prescribed form that he/she has been advised of this policy, is aware of and understands its contents and agrees to abide by its provisions during his/her term of employment.

All members shall receive annual training on the requirements of this policy and shall certify by signing the prescribed form that they have reviewed the policy, understand its contents and agree that they will continue to abide by its provisions.

## Child Abuse

### 330.1 PURPOSE AND SCOPE

**Child** - Unless otherwise specified by a cited statute, a child is any person under the age of 18 years.

**Child abuse** - Any offense or attempted offense involving violence or neglect with a child victim when committed by a person responsible for the child's care or any other act that would mandate notification to a social service agency.

### 330.2 POLICY

The Quincy Police Department will investigate all reported incidents of alleged criminal child abuse and ensure CPS is notified as required by law.

### 330.3 MANDATORY NOTIFICATION

Members of the Quincy Police Department shall notify CPS when a report of abuse or neglect of a child is received or when there is reasonable cause to believe that a child has suffered abuse or neglect (RCW 26.44.030).

For purposes of notification, abuse or neglect of a child includes sexual abuse, sexual exploitation, or injury inflicted by any person under circumstances that cause harm to the child's health, welfare or safety, excluding lawful discipline, or the negligent treatment or maltreatment by a person who is responsible for, or providing care to, a child (RCW 26.44.020).

Officers shall promptly notify CPS whenever a child under 16 years of age is in a vehicle being driven by the child's parent, guardian, legal custodian, sibling or half-sibling and that person is being arrested for a drug or alcohol-related driving offense (RCW 46.61.507).

If, during an investigation of drug manufacturing, an officer discovers that a child is present at the investigation site, the officer shall notify CPS immediately (RCW 26.44.200).

#### 330.3.1 NOTIFICATION PROCEDURE

Notification should occur as follows (RCW 26.44.030(5)):

- (a) In emergency cases, notification to CPS should be made immediately when the child's welfare is endangered but in all such cases within 24 hours.

- (b) In non-emergency cases, notification to CPS shall be made within 72 hours after a report is received.

### **330.4 QUALIFIED INVESTIGATORS**

Qualified investigators should be available for child abuse investigations. These investigators should:

### **330.5 INVESTIGATIONS AND REPORTING**

In all reported or suspected cases of child abuse, a report will be written. Officers shall write a report even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of child abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected child abuse victim was contacted.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Child Abuse*

- (b) The exigent circumstances that existed if officers interviewed the child victim without the presence of a parent or guardian.
- (c) Any relevant statements the child may have made and to whom he/she made the statements.
- (d) If a child was taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (e) Documentation of any visible injuries or any injuries identified by the child. This should include photographs of such injuries, if practicable.
- (f) Whether the child victim was transported for medical treatment or a medical examination.

- (k) Applicable local protocol regarding child abuse investigations (RCW 26.44.180 et seq.).

All cases of the unexplained death of a child should be investigated as thoroughly as if it had been a case of suspected child abuse (e.g., a sudden or unexplained death of an infant).

### **330.6 PROTECTIVE CUSTODY**

Before taking any child into protective custody, the officer should make reasonable attempts to contact CPS. Generally, removal of a child from his/her family, guardian or other responsible adult should be left to the child welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove a child from his/her parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the officer should take reasonable steps to deliver the child to another qualified parent or legal guardian, unless it reasonably appears that the release would endanger the child or result in abduction. If this is not a reasonable option, the officer shall ensure that the child is delivered to CPS.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking a child into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking a child into protective custody.

# Quincy Police Department

Quincy PD WA Policy Manual

- (a) A court order has been issued authorizing the removal of the child.

### 330.6.1 SAFE HAVEN LAW

A parent is not guilty of abandonment when leaving a newborn 72 hours old or younger with a qualified person at the emergency department of a licensed hospital or a fire station while personnel are present (RCW 13.34.360). The qualified person shall notify CPS. CPS shall assume custody of the newborn.

## **330.7 INTERVIEWS**

### 330.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, officers should record the preliminary interview with suspected child abuse victims. Officers should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.

### 330.7.2 DETAINING SUSPECTED CHILD ABUSE VICTIMS FOR AN INTERVIEW

An officer should not detain a child involuntarily who is suspected of being a victim of child abuse solely for the purpose of an interview or physical exam without the consent of a parent or guardian unless one of the following applies:

  - 2. A reasonable belief that the child is or will be in danger of harm if the interview or physical exam is not immediately completed.
  - 3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.
- (b) A court order or warrant has been issued.

If the child has been the victim of abuse that requires a medical examination, the investigating officer should obtain consent for such examination from the appropriate parent, guardian or agency having legal custody of the child. The officer should also arrange for the child's transportation to the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the child for a medical examination, the notified supervisor should consider obtaining a court order for such an examination.

### **330.9 DRUG-ENDANGERED CHILDREN**

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of children exposed to the manufacturing, trafficking or use of narcotics.

#### **330.9.1 SUPERVISOR RESPONSIBILITIES**

The Investigations Supervisor should:

- (a) Work with professionals from the appropriate agencies, including CPS, other law enforcement agencies, medical service providers and local prosecutors to develop community specific procedures for responding to situations where there are children endangered by exposure to methamphetamine labs or the manufacture and trafficking of other drugs.

## Standards of Conduct

### 340.1 PURPOSE AND SCOPE

This policy establishes standards of conduct that are consistent with the values and mission of the Quincy Police Department and are expected of all department members. The standards contained in this policy are not intended to be an exhaustive list of requirements and prohibitions but they do identify many of the important matters concerning conduct. In addition to the provisions of this policy, members are subject to all other provisions contained in this manual, as well as any additional guidance on conduct that may be disseminated by this department or a member's supervisors.

### 340.2 POLICY

The continued employment or appointment of every member of the Quincy Police Department shall be based on conduct that reasonably conforms to the guidelines set forth herein. Failure to meet the guidelines set forth in this policy, whether on- or off-duty, may be cause for disciplinary action.

#### 340.2.1 PROGRESSIVE DISCIPLINE

The administration of discipline is generally expected to be progressive in nature, with relatively minor violations of rules resulting in minor disciplinary action for first offenders. Repetitive similar violations, or more serious violations, would generally result in progressively more serious forms of discipline being administered.

Nothing in this policy is intended to preclude the administration of more serious forms of discipline, including termination, for a first offense when warranted by the seriousness of the offense.

#### 340.2.2 NOTICE OF CORRECTION

A Coaching and Counseling and Performance Improvement Plan are written documentation of counseling for corrective action(s) to be taken. It should be considered the precursor to Progressive Discipline.

### 340.3 DIRECTIVES AND ORDERS

Members shall comply with lawful directives and orders from any department supervisor or person in a position of authority, absent a reasonable and bona fide justification.

#### 340.3.1 UNLAWFUL OR CONFLICTING ORDERS

Supervisors shall not knowingly issue orders or directives that, if carried out, would result in a violation of any law or department policy. Supervisors should not issue orders that conflict with any previous order without making reasonable clarification that the new order is intended to countermand the earlier order.

No member is required to obey any order that appears to be in direct conflict with any federal law, state law or local ordinance. Following a known unlawful order is not a defense and does not relieve the member from criminal or civil prosecution or administrative discipline. If the legality of

an order is in doubt, the affected member shall ask the issuing supervisor to clarify the order or shall confer with a higher authority. The responsibility for refusal to obey rests with the member, who shall subsequently be required to justify the refusal.

Unless it would jeopardize the safety of any individual, members who are presented with a lawful order that is in conflict with a previous lawful order, department policy or other directive shall respectfully inform the issuing supervisor of the conflict. The issuing supervisor is responsible for either resolving the conflict or clarifying that the lawful order is intended to countermand the previous lawful order or directive, in which case the member is obliged to comply. Members who are compelled to follow a conflicting lawful order after having given the issuing supervisor the opportunity to correct the conflict, will not be held accountable for disobedience of the lawful order or directive that was initially issued.

The person countermanding the original order shall notify, in writing, the person issuing the original order, indicating the action taken and the reason.

The body or human remains shall not be disturbed or moved from the position or place of death without permission of the coroner (RCW 68.50.050).

### 359.2.2 DEATH NOTIFICATION

When practical, and if not handled by the Coroner's Office, notification to the next-of-kin of the deceased person shall be made, in person, by the officer assigned to the incident. If the next-of-kin lives in another jurisdiction, a law enforcement official from that jurisdiction shall be requested to make the personal notification. If the relatives live outside this county, the Coroner may be requested to make the notification. The Coroner needs to know if notification has been made. Assigned detectives may need to talk to the next-of-kin.

### 359.2.3 DEATH INVESTIGATION REPORTING

All incidents involving a death shall be documented.

### 359.2.4 SUSPECTED HOMICIDE

If the initially assigned officer suspects that the death involves a homicide or other suspicious circumstances, the Captain shall be notified to determine the possible need for a detective to respond to the scene for further immediate investigation.

## Identity Theft

### 361.1 PURPOSE AND SCOPE

Identity theft is a growing trend that frequently involves related crimes in multiple jurisdictions. This policy is intended to provide guidelines for the reporting and investigation of such crimes.

### 361.2 REPORTING

This Department will initiate an incident report whenever a person reasonably suspects that his/her financial information or means of identification has been unlawfully obtained, used, or transferred to another person or entity in all cases where the victim resides or works within this jurisdiction, or where any part of the crime occurred within this jurisdiction.

In cases where the reporting party does not reside or work within this jurisdiction and there is no known or suspected criminal activity occurring within this jurisdiction the reporting party may be referred to the appropriate law enforcement agency having jurisdiction. If it is not reasonably practical for the reporting party to file a timely report with his/her home jurisdiction the receiving employee should take a courtesy incident report to be forwarded to the agency having jurisdiction.

Reports should include all known incidents of fraudulent activity (e.g., credit card number applied for in victim's name when the victim has never made such an application).

The employee preparing the report should also cross-reference all other known reports made by the victim (e.g., US Secret Service, credit reporting bureaus, US Postal Service and DOL) with all known report numbers.

Only with supervisory review, the initial report may at the Captain's discretion be assigned to a detective for follow up investigation, or coordination with other agencies and prosecution as circumstances dictate.

## Limited English Proficiency Services

### 367.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with limited English proficiency (LEP) (42 USC § 2000d).

#### 367.1.1 DEFINITIONS

Definitions related to this policy include:

**Authorized interpreter** - A person who has been screened and authorized by the Department to act as an interpreter and/or translator for others.

**Interpret or interpretation** - The act of listening to a communication in one language (source language) and orally converting it to another language (target language) while retaining the same meaning.

**Limited English proficient (LEP)** - Any individual whose primary language is not English and who has a limited ability to read, write, speak or understand English. These individuals may be competent in certain types of communication (e.g., speaking or understanding) but still be LEP for other purposes (e.g., reading or writing). Similarly, LEP designations are context-specific; an individual may possess sufficient English language skills to function in one setting but these skills may be insufficient in other situations.

**Qualified bilingual member** - A member of the Quincy Police Department, designated by the Department, who has the ability to communicate fluently, directly and accurately in both English and another language. Bilingual members may be fluent enough to communicate in a non-English language but may not be sufficiently fluent to interpret or translate from one language into another.

**Translate or translation** - The replacement of written text from one language (source language) into an equivalent written text (target language).

### 367.2 POLICY

It is the policy of the Quincy Police Department to reasonably ensure that LEP individuals have meaningful access to law enforcement services, programs and activities, while not imposing undue burdens on its members.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon national origin or any other protected interest or right.

### 367.3 LEP COORDINATOR

The Chief of Police shall delegate certain responsibilities to an LEP Coordinator. The LEP Coordinator shall be appointed by, and directly responsible to, the Patrol Captain or the authorized designee.

The responsibilities of the LEP Coordinator include, but are not limited to:

# Quincy Police Department

Quincy PD WA Policy Manual

## *Limited English Proficiency Services*

---

- (a) Coordinating and implementing all aspects of the Quincy Police Department's LEP services to LEP individuals.
- (b) Developing procedures that will enable members to access LEP services, including telephonic interpreters, and ensuring the procedures are available to all members.
- (c) Ensuring that a list of all qualified bilingual members and authorized interpreters is maintained and available to each Shift Sergeant and Dispatch Supervisor. The list should include information regarding the following:
  - 1. Languages spoken
  - 2. Contact information
  - 3. Availability
- (d) Ensuring signage stating that interpreters are available free of charge to LEP individuals is posted in appropriate areas and in the most commonly spoken languages.
- (e) Reviewing existing and newly developed documents to determine which are vital documents and should be translated, and into which languages the documents should be translated.
- (f) Annually assessing demographic data and other resources, including contracted language services utilization data and community-based organizations, to determine if there are additional documents or languages that are appropriate for translation.
- (g) Identifying standards and assessments to be used by the Department to qualify individuals as qualified bilingual members or authorized interpreters.
- (h) Periodically reviewing efforts of the Department in providing meaningful access to LEP individuals, and, as appropriate, developing reports, new procedures, or recommending modifications to this policy.
- (i) Receiving and responding to complaints regarding department LEP services.
- (j) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

### **367.4 FOUR-FACTOR ANALYSIS**

Since there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of four factors, which are:

# Quincy Police Department

Quincy PD WA Policy Manual

## *Limited English Proficiency Services*

---

- (a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department members, or who may benefit from programs or services within the jurisdiction of the Department or a particular geographic area.
- (b) The frequency with which LEP individuals are likely to come in contact with department members, programs or services.
- (c) The nature and importance of the contact, program, information or service provided.
- (d) The cost of providing LEP assistance and the resources available.

### **367.5 TYPES OF LEP ASSISTANCE AVAILABLE**

Quincy Police Department members should never refuse service to an LEP individual who is requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language.

LEP individuals may choose to accept department-provided LEP services at no cost or they may choose to provide their own.

Department-provided LEP services may include, but are not limited to, the assistance methods described in this policy.

### **367.6 WRITTEN FORMS AND GUIDELINES**

Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The LEP Coordinator will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

### **367.7 AUDIO RECORDINGS**

The Department may develop audio recordings of important or frequently requested information in a language most likely to be understood by those LEP individuals who are representative of the community being served.

### **367.8 QUALIFIED BILINGUAL MEMBERS**

Bilingual members may be qualified to provide LEP services when they have demonstrated through established department procedures a sufficient level of skill and competence to fluently communicate in both English and a non-English language. Members utilized for LEP services must demonstrate knowledge of the functions of an interpreter/translator and the ethical issues involved when acting as a language conduit. Additionally, bilingual members must be able to communicate technical and law enforcement terminology, and be sufficiently proficient in the non-English language to perform complicated tasks, such as conducting interrogations, taking statements, collecting evidence or conveying rights or responsibilities.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Limited English Proficiency Services*

---

When a qualified bilingual member from this department is not available, personnel from other City departments, who have been identified by the Department as having the requisite skills and competence, may be requested.

### **367.9 AUTHORIZED INTERPRETERS**

Any person designated by the Department to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language, must have an understanding of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the department case or investigation involving the LEP individual. A person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation in a court proceeding.

Authorized interpreters must pass a screening process established by the LEP Coordinator which demonstrates that their skills and abilities include:

- (a) The competence and ability to communicate information accurately in both English and in the target language.
- (b) Knowledge, in both languages, of any specialized terms or concepts peculiar to this department and of any particularized vocabulary or phraseology used by the LEP individual.
- (c) The ability to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (d) Knowledge of the ethical issues involved when acting as a language conduit.

#### **367.9.1 SOURCES OF AUTHORIZED INTERPRETERS**

The Department may contract with authorized interpreters who are available over the telephone. Members may use these services with the approval of a supervisor and in compliance with established procedures.

Other sources may include:

- Qualified bilingual members of this department or personnel from other City departments.
- Individuals employed exclusively to perform interpretation services.
- Contracted in-person interpreters, such as state or federal court interpreters, among others.
- Interpreters from other agencies who have been qualified as interpreters by this department, and with whom the Department has a resource-sharing or other arrangement that they will interpret according to department guidelines.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Limited English Proficiency Services*

---

### **367.9.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE ASSISTANCE**

Language assistance may be available from community volunteers who have demonstrated competence in either monolingual (direct) communication and/or in interpretation or translation (as noted in above), and have been approved by the Department to communicate with LEP individuals.

Where qualified bilingual members or other authorized interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the LEP individual and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

While family or friends of an LEP individual may offer to assist with communication or interpretation, members should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in exigent or very informal and non-confrontational situations.

### **367.10 CONTACT AND REPORTING**

While all law enforcement contacts, services and individual rights are important, this department will utilize the four-factor analysis to prioritize service to LEP individuals so that such services may be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.

Whenever any member of this department is required to complete a report or other documentation and interpretation services are provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of interpretation services utilized and whether the individual elected to use services provided by the Department or some other identified source.

### **367.11 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE**

The Quincy Police Department will take reasonable steps and will work with the Department of Human Resources to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

#### **367.11.1 EMERGENCY CALLS TO 9-1-1**

Department members will make every reasonable effort to promptly accommodate LEP individuals utilizing 9-1-1 lines. When a 9-1-1 call-taker receives a call and determines that the caller is an LEP individual, the call-taker shall quickly determine whether sufficient information can be obtained to initiate an appropriate emergency response. If language assistance is still needed, the language is known and a qualified bilingual member is available in Multi-Agency Communications Center (MACC), the call shall immediately be handled by the qualified bilingual member.

If a qualified bilingual member is not available or the call-taker is unable to identify the caller's language, the call-taker will contact the contracted telephone interpretation service and establish a three-way call between the call-taker, the LEP individual and the interpreter.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Limited English Proficiency Services*

---

Dispatchers will make every reasonable effort to dispatch a qualified bilingual member to the assignment, if available and appropriate.

While 9-1-1 calls shall receive top priority, reasonable efforts should also be made to accommodate LEP individuals seeking routine access to services and information by utilizing the resources listed in this policy.

### **367.12 FIELD ENFORCEMENT**

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and utilize the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the officer is unable to effectively communicate with an LEP individual.

If available, officers should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

### **367.13 INVESTIGATIVE FIELD INTERVIEWS**

In any situation where an interview may reveal information that could be used as the basis for arrest or prosecution of an LEP individual and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, officers should consider calling for an authorized interpreter in the following order:

- An authorized department member or allied agency interpreter
- An authorized telephone interpreter
- Any other authorized interpreter

Any *Miranda* warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated *Miranda* warning card.

The use of an LEP individual's bilingual friends, family members, children, neighbors or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.

Quincy PD WA Policy Manual

## *Limited English Proficiency Services*

---

### **367.14 CUSTODIAL INTERROGATIONS**

Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal prosecution. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. *Miranda* warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter.

In order to ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

### **367.15 BOOKINGS**

When gathering information during the booking process, members should remain alert to the impediments that language barriers can create. In the interest of the arrestee's health and welfare, the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information be obtained. Members should seek the assistance of a qualified bilingual member whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by an LEP individual.

### **367.16 COMPLAINTS**

The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the LEP Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during an investigation should not be members of this department.

Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

### **367.17 COMMUNITY OUTREACH**

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

### **367.18 TRAINING**

To ensure that all members who may have contact with LEP individuals are properly trained, the Department will provide periodic training on this policy and related procedures, including how to access department-authorized telephonic and in-person interpreters and other available resources.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Limited English Proficiency Services*

---

The Training Sergeant shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The Training Sergeant shall maintain records of all LEP training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

### 367.18.1 TRAINING FOR AUTHORIZED INTERPRETERS

All members on the authorized interpreter list must successfully complete prescribed interpreter training. To complete interpreter training successfully, an interpreter must demonstrate proficiency in and ability to communicate information accurately in both English and in the target language, demonstrate knowledge in both languages of any specialized terms or phraseology, and understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

Members on the authorized interpreter list must receive refresher training annually or they will be removed from the authorized interpreter list. This annual training should include language skills competency (including specialized terminology) and ethical considerations.

The Training Sergeant shall be responsible for coordinating the annual refresher training and will maintain a record of all training the interpreters have received.

# Communications with Persons with Disabilities

## 369.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with disabilities, including those who are deaf or hard of hearing, have impaired speech or vision, or are blind.

### 369.1.1 DEFINITIONS

Definitions related to this policy include:

**Auxiliary aids** - Tools used to communicate with people who have a disability or impairment. They include but are not limited to, the use of gestures or visual aids to supplement oral communication; a notepad and pen or pencil to exchange written notes; a computer or typewriter; an assistive listening system or device to amplify sound; a teletypewriter (TTY) or videophones (video relay service or VRS); taped text; qualified readers; or a qualified interpreter.

**Disability or impairment** - A physical or mental impairment that substantially limits a major life activity, including hearing or seeing, regardless of whether the disabled person uses assistive or adaptive devices or auxiliary aids. Individuals who wear ordinary eyeglasses or contact lenses are not considered to have a disability (42 USC § 12102).

**Qualified interpreter** - A person who is able to interpret effectively, accurately and impartially, both receptively and expressively, using any necessary specialized vocabulary. Qualified interpreters include oral interpreters, transliterators, sign language interpreters and intermediary interpreters. Qualified interpreters should be certified pursuant to RCW 2.42.110.

## 369.2 POLICY

It is the policy of the Quincy Police Department to reasonably ensure that people with disabilities, including victims, witnesses, suspects and arrestees have equal access to law enforcement services, programs and activities. Members must make efforts to communicate effectively with individuals with disabilities.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon disabilities.

## 369.3 AMERICANS WITH DISABILITIES (ADA) COORDINATOR

The Chief of Police shall delegate certain responsibilities to an ADA Coordinator (28 CFR 35.107). The ADA Coordinator shall be appointed by, and directly responsible, to the Patrol Captain or the authorized designee.

The responsibilities of the ADA Coordinator shall include, but not be limited to:

- (a) Working with the City ADA coordinator regarding the Quincy Police Department's efforts to ensure equal access to services, programs and activities.
- (b) Developing reports, new procedures, or recommending modifications to this policy.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Communications with Persons with Disabilities*

---

- (c) Acting as a liaison with local disability advocacy groups or other disability groups regarding access to department services, programs and activities.
- (d) Ensuring that a list of qualified interpreter services is maintained and available to each Shift Sergeant and Dispatch Supervisor. The list should include information regarding the following:
  - 1. Contact information
  - 2. Availability
- (e) Developing procedures that will enable members to access auxiliary aids or services, including qualified interpreters, and ensure the procedures are available to all members.
- (f) Ensuring signage is posted in appropriate areas, indicating that auxiliary aids are available free of charge to people with disabilities.
- (g) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

### **369.4 FACTORS TO CONSIDER**

Because the nature of any law enforcement contact may vary substantially from one situation to the next, members of this department should consider all information reasonably available to them when determining how to communicate with an individual with a disability. Members should carefully balance all known factors in an effort to reasonably ensure people who are disabled have equal access to services, programs and activities. These factors may include, but are not limited to:

- (a) Members should not always assume that effective communication is being achieved. The fact that an individual appears to be nodding in agreement does not always mean he/she completely understands the message. When there is any doubt, members should ask the individual to communicate back or otherwise demonstrate their understanding.
- (b) The nature of the disability (e.g., deafness or blindness vs. hard of hearing or low vision).
- (c) The nature of the law enforcement contact (e.g., emergency vs. non-emergency, custodial vs. consensual contact).
- (d) The availability of auxiliary aids. The fact that a particular aid is not available does not eliminate the obligation to reasonably ensure access. However, in an emergency, availability may factor into the type of aid used.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Communications with Persons with Disabilities*

---

### **369.5 INITIAL AND IMMEDIATE CONSIDERATIONS**

Recognizing that various law enforcement encounters may be potentially volatile and/or emotionally charged, members should remain alert to the possibility of communication problems.

Members should exercise special care in the use of all gestures, and verbal and written communication to minimize initial confusion and misunderstanding when dealing with any individual with known or suspected disabilities.

In a non-emergency situation, when a member knows or suspects an individual requires assistance to effectively communicate, the member shall identify the individual's choice of auxiliary aid or service.

The individual's preferred communication method must be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Factors to consider when determining whether an alternative method is effective include:

- (a) The methods of communication usually used by the individual.
- (b) The nature, length and complexity of the communication involved.
- (c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever auxiliary aids and services that reasonably appear effective under the circumstances. This may include, for example, exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter or another appropriate auxiliary aid or service. Once the emergency has ended, the continued method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

If an individual who is deaf, hard of hearing or has impaired speech must be handcuffed while in the custody of the Quincy Police Department, consideration should be given, safety permitting, to placing the handcuffs in the front of the body to facilitate communication using sign language or writing.

### **369.6 TYPES OF ASSISTANCE AVAILABLE**

Quincy Police Department members shall never refuse to assist an individual with disabilities who is requesting assistance. The Department will not charge anyone to receive auxiliary aids, nor shall they require anyone to furnish their own auxiliary aid or service as a condition for receiving assistance. The Department will make every reasonable effort to provide equal access and timely assistance to individuals who are disabled through a variety of services.

A person who is disabled may choose to accept department-provided auxiliary aids or services or they may choose to provide their own.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Communications with Persons with Disabilities*

---

Department-provided auxiliary aids or services may include, but are not limited to, the assistance methods described in this policy.

### **369.7 AUDIO RECORDINGS AND ENLARGED PRINT**

The Department may develop audio recordings to assist people who are blind or have a visual impairment with accessing important information. If such a recording is not available, members may read aloud from the appropriate form, for example a personnel complaint form, or provide forms with enlarged print.

### **369.8 QUALIFIED INTERPRETERS**

A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect or arrestee), if the individual to be interviewed normally relies on sign language or speechreading (lip-reading) to understand what others are saying. The qualified interpreter should not be a person with an interest in the case or the investigation. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a court proceeding.

Qualified interpreters should be:

- (a) Available within a reasonable amount of time but in no event longer than one hour if requested.
- (b) Experienced in providing interpretation services related to law enforcement matters.
- (c) Familiar with the use of VRS and/or video remote interpreting services.
- (d) Certified in either American Sign Language (ASL) or Signed English (SE).
- (e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity, and generally not more than 15 minutes after a request for an interpreter has been made or it is reasonably apparent that an interpreter is needed. No individual who is disabled shall be required to provide his/her own interpreter (28 CFR 35.160).

### **369.9 TTY AND RELAY SERVICES**

In situations where an individual without a disability would have access to a telephone (e.g., booking or attorney contacts), members must also provide those who are deaf, hard of hearing or have impaired speech the opportunity to place calls using an available TTY (also known as a telecommunications device for deaf people, or TDD). Members shall provide additional time, as needed, for effective communication due to the slower nature of TTY and TDD communications.

The Department will accept all TTY or TDD calls placed by those who are deaf or hard of hearing and received via a telecommunications relay service (28 CFR 35.162).

# Quincy Police Department

Quincy PD WA Policy Manual

## *Communications with Persons with Disabilities*

---

Note that relay services translate verbatim, so the conversation must be conducted as if speaking directly to the caller.

### **369.10 COMMUNITY VOLUNTEERS**

Interpreter services may be available from community volunteers who have demonstrated competence in communication services, such as ASL or SE, and have been approved by the Department to provide interpreter services.

Where qualified interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and the relationship between the individual with the disability and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

### **369.11 FAMILY AND FRIENDS**

While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the contact and relationship between the individual with the disability and the person offering services must be carefully considered (e.g., victim/suspect).

Children shall not be relied upon except in emergency or critical situations when there is no qualified interpreter reasonably available.

Adults may be relied upon when (28 CFR 35.160):

- (a) There is an emergency or critical situation and there is no qualified interpreter reasonably available.
- (b) The person with the disability requests that the adult interpret or facilitate communication and the adult agrees to provide such assistance, and reliance on that adult for such assistance is reasonable under the circumstances.

### **369.12 REPORTING**

Whenever any member of this department is required to complete a report or other documentation, and communication assistance has been provided, such services should be noted in the related report. Members should document the type of communication services utilized and whether the individual elected to use services provided by the Department or some other identified source. If the individual's express preference is not honored, the member must document why another method of communication was used.

All written communications exchanged in a criminal case shall be attached to the report or placed into evidence.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Communications with Persons with Disabilities*

---

### **369.13 FIELD ENFORCEMENT**

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve individuals with disabilities. The scope and nature of these activities and contacts will inevitably vary.

The Department recognizes that it would be virtually impossible to provide immediate access to complete communication services to every member of this department. Members and/or supervisors must assess each situation and consider the length, complexity and importance of the communication, as well as the individual's preferred method of communication, when determining the type of resources to use and whether a qualified interpreter is needed.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to verbally request consent to search if the officer is unable to effectively communicate with an individual who is deaf or hard of hearing and requires communications assistance.

If available, officers should obtain the assistance of a qualified interpreter before placing an individual with a disability under arrest. Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

#### **369.13.1 FIELD RESOURCES**

Examples of methods that may be sufficient for transactions, such as checking a license or giving directions to a location or for urgent situations such as responding to a violent crime in progress, may, depending on the circumstances, include such simple things as:

- (a) Hand gestures or visual aids with an individual who is deaf, hard of hearing or has impaired speech.
- (b) Exchange of written notes or communications.
- (c) Verbal communication with an individual who can speechread by facing the individual and speaking slowly and clearly.
- (d) Use of computer, word processing, personal communication device or similar device to exchange texts or notes.
- (e) Slowly and clearly speaking or reading simple terms to individuals who have a visual or mental impairment.

Members should be aware that these techniques may not provide effective communication as required by law and this policy depending on the circumstances.

### **369.14 CUSTODIAL INTERROGATIONS**

In an effort to ensure that the rights of individuals who are deaf, hard of hearing or have speech impairment are protected during a custodial interrogation, this department will provide interpreter services before beginning an interrogation, unless exigent circumstances exist. The use of a video

---

remote interpreting service should be considered, where appropriate, if a live interpreter is not available. *Miranda* warnings shall be provided to suspects who are deaf or hard of hearing by a qualified interpreter.

In order to ensure that communications during custodial investigations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

### **369.15 ARRESTS AND BOOKINGS**

If an individual with speech or hearing disabilities is arrested, the arresting officer shall use department-approved procedures to provide a qualified interpreter at the place of arrest or booking as soon as reasonably practicable, unless the individual indicates that he/she prefers a different auxiliary aid or service or the officer reasonably determines another effective method of communication exists under the circumstances.

When gathering information during the booking process, members should remain alert to the impediments that often exist when communicating with those who are deaf, hard of hearing, who have impaired speech or vision, are blind, or have other disabilities. In the interest of the arrestee's health and welfare, the safety and security of the facility and to protect individual rights, it is important that accurate medical screening and booking information be obtained. If necessary, members should seek the assistance of a qualified interpreter whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by the individual.

Individuals who require and possess personally owned communication aids (e.g., hearing aids, cochlear processors) should be permitted to retain them while in custody.

### **369.16 COMPLAINTS**

The Department shall ensure that individuals with disabilities who wish to file a complaint regarding members of this department are able to do so. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate. Complaints will be referred to the department ADA Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Qualified interpreters used during the investigation of a complaint should not be members of this Department.

No person who provides chaplain services to members of the Department may work or volunteer for the Quincy Police Department in any capacity other than that of chaplain.

Department chaplains shall be familiar with state evidentiary laws and rules pertaining to the limits of the clergy-penitent, psychotherapist-patient and other potentially applicable privileges and shall inform members when it appears reasonably likely that the member is discussing matters that are not subject to privileged communications. In such cases, the chaplain should consider referring the member to a non-department counseling resource.

No chaplain shall provide counsel to or receive confidential communications from any Quincy Police Department member concerning an incident personally witnessed by the chaplain or concerning an incident involving the chaplain.

### **375.9 TRAINING**

The Department will establish training standards for department chaplains.

## Child and Dependent Adult Safety

### 378.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this department.

This policy does not address the actions to be taken during the course of a child abuse or dependent adult investigation. These are covered in the Child Abuse and Adult Abuse policies.

### 378.2 POLICY

It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience individuals may have when their parent or caregiver is arrested. The Quincy Police Department will endeavor to create a strong cooperative relationship with local, state and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected.

### 378.3 PROCEDURES DURING AN ARREST

When encountering an arrest or prolonged detention situation, officers should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases this may be obvious, such as when children or dependent adults are present. However, officers should inquire if the arrestee has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken:

- (a) Inquire about and confirm the location of any children or dependent adults.
- (b) Look for evidence of children and dependent adults. Officers should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
- (c) Consider inquiring of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever reasonably possible, officers should take reasonable steps to accomplish the arrest of a parent, guardian or caregiver out of the presence of his/her child or dependent adult. Removing children or dependent adults from the scene in advance of the arrest will generally ensure the best outcome for the individual.

Whenever it is safe to do so, officers should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be non-productive, the officer at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that he/she will receive appropriate care.

### 378.3.1 AFTER AN ARREST

Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered, children or dependent adults.

Officers should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
  - 1. Officers should consider allowing the person to use his/her cell phone to facilitate arrangements through access to contact phone numbers, and to lessen the likelihood of call screening by the recipients due to calls from unknown sources.
- (b) Unless there is evidence to the contrary (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent or caregiver's judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends that he/she knows and trusts because familiarity with surroundings and consideration for comfort, emotional state and safety are important.
  - 1. Except when a court order exists limiting contact, the officer should attempt to locate and place children or dependent adults with the non-arrested parent, guardian or caregiver.
- (c) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.
- (d) Notify the Department of Social and Health Services, if appropriate.
- (e) Notify the field supervisor or Shift Sergeant of the disposition of children and dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver's arrest and of the arrangements being made for the care of the arrestee's dependent. The result of such actions should be documented in the associated report.

Officers shall promptly notify Child Protective Services (CPS) whenever a child under 13 years of age is present in a vehicle and his/her parent, guardian or legal custodian is arrested for a drug or alcohol driving offense in accordance with the department Child Abuse Policy (RCW 26.44.250).

### 378.3.2 SUPPORT AND COUNSELING REFERRAL

If, in the judgment of the handling officers, the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate or a crisis telephone number, the appropriate referral information may be provided.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Child and Dependent Adult Safety*

---

### **378.4 DEPENDENT WELFARE SERVICES**

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling officer should contact the appropriate welfare service or other department-approved social service to determine whether protective custody is appropriate.

Only when other reasonable options are exhausted should a child or dependent adult be transported to the police facility, transported in a marked law enforcement vehicle or taken into formal protective custody.

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

## Service Animals

### 380.1 PURPOSE AND SCOPE

Service animals play an important role in helping to overcome the limitations often faced by people with disabilities. The Quincy Police Department recognizes this need and is committed to making reasonable modifications to its policies, practices, and procedures in accordance with Title II of the Americans with Disabilities Act of 1990 (ADA) to permit the use of service animals that are individually trained to assist a person with a disability.

### 380.2 SERVICE ANIMALS

The ADA defines a service animal as any dog or miniature horse that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability. The work or tasks performed by a service animal must be directly related to the owner's disability (28 CFR 35.104).

#### 380.2.1 USE OF SERVICE ANIMALS

Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness or collar. Service animals are not pets and may be trained by an individual or organization to assist people with disabilities.

Examples of how service animals may be used to provide assistance include:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors, or flipping switches for people who have limited use of their hands, arms or legs.
- Pulling wheelchairs.
- Providing physical support and assisting with stability and balance.
- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities, or psychiatric disabilities, such as reminding a person with depression to take medication.
- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or follow daily routines.

### 380.3 EMPLOYEE RESPONSIBILITIES

Service animals that are assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed. Department members are expected to treat individuals with service animals with the same courtesy and respect that the Quincy Police Department affords to all members of the public.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Service Animals*

---

If an animal exhibits vicious behavior, poses a direct threat to the health of others or unreasonably disrupts or interferes with normal business operations, an officer may direct the owner to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the animal. Each incident must be considered individually and past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse service to an individual with disabilities. Members of this department are expected to provide all services as are reasonably available to an individual with a disability.

If it is apparent or if the officer is aware the animal is a service animal, the owner should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the officer should ask the individual only the following questions:

- Is the animal required because of a disability?
- What task or service has the service animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal and no further questions as to the animal's status should be asked. The person should not be questioned about his/her disabilities nor should the person be asked to provide any license, certification or identification card for the service animal.

Service animals are not pets. Department members should not interfere with the important work performed by a service animal by talking to, petting or otherwise initiating contact with a service animal.

When handling calls of a complaint regarding a service animal, members of this department should remain neutral and should be prepared to explain the ADA requirements concerning service animals to the concerned parties. Businesses are required to allow service animals to accompany their owner into all areas that other customers or members of the public are allowed.

Absent a violation of law independent of the ADA, officers should take no enforcement action beyond keeping the peace. Individuals who believe they have been discriminated against as a result of a disability should be referred to the Civil Rights Division of the U.S. Department of Justice.

## Volunteer Program

### 382.1 PURPOSE AND SCOPE

It is the policy of this Department to use qualified volunteers for specified tasks and duties in order to create efficiencies for the Department and improve services to the community. Volunteers are intended to supplement and support, rather than supplant, sworn officers and civilian personnel. Volunteers can be an important part of any organization and have proven to be a valuable asset to law enforcement agencies. Volunteers help to increase Departmental responsiveness, delivery of services and information input, and provide new program opportunities. In addition, volunteers bring new skills and expertise to the Department and prompt new enthusiasm.

#### 382.1.1 DEFINITION OF VOLUNTEER

An individual who performs a service for the Department without promise, expectation or receipt of compensation for services rendered. This may include unpaid chaplains, unpaid reserve officers, interns, persons providing administrative support and youth involved in a law enforcement Explorer Post, among others.

### 382.2 VOLUNTEER MANAGEMENT

#### 382.2.1 VOLUNTEER COORDINATOR

The Volunteer Coordinator shall be appointed by the Chief of Police. The function of the Volunteer Coordinator is to provide a central coordinating point for effective volunteer management within the Department, and to direct and assist staff and volunteer efforts to jointly provide more productive services. - (g) Completion and dissemination as appropriate of all necessary paperwork and information.
- (h) Planning periodic recognition events.
- (i) Administering discipline when warranted.

## *Volunteer Program*

---

- (j) Maintaining liaison with other volunteer-utilizing programs in the community and assisting in community-wide efforts to recognize and promote volunteering.

### 382.2.2 RECRUITMENT

Volunteers should be recruited on a continuous and ongoing basis consistent with Department policy on equal opportunity nondiscriminatory employment. A primary qualification for participation in the application process should be an interest in, and an ability to assist the Department in serving the public.

Requests for volunteers should be submitted in writing by interested staff to the Volunteer Coordinator through the requester's immediate supervisor. A complete position description and a requested time frame should be included in the request. All parties should understand that the recruitment of volunteers is enhanced by creative and interesting assignments. The Volunteer Coordinator may withhold assignment of any volunteer until such time as the requesting unit is prepared to make effective use of volunteer resources.

### 382.2.3 SCREENING

All prospective volunteers should complete the volunteer application form. The Volunteer Coordinator or designee should conduct a face-to-face interview with an applicant under consideration.

A documented background investigation shall be completed on each volunteer applicant and may include, but not necessarily be limited to, the following:

- (a) Traffic and criminal background check. Fingerprints shall be obtained from all applicants and applicants shall be processed for criminal history.
- (b) Employment.
- (c) References.

A polygraph exam may be required of each applicant depending on the type of assignment.

### 382.2.4 SELECTION AND PLACEMENT

Service as a volunteer with the Department shall begin with an official notice of acceptance or appointment to a volunteer position. Notice may only be given by an authorized representative of the Department, who will normally be the Volunteer Coordinator. No volunteer should begin any assignment until they have been officially accepted for that position and completed all required screening and paperwork. At the time of final acceptance, each volunteer should complete all required enrollment paperwork and will receive a copy of their position description and agreement of service with the Department. All volunteers shall receive a copy of the volunteer handbook and shall be required to sign a volunteer agreement.

Volunteers should be placed only in assignments or programs that are consistent with their knowledge, skills, abilities and the needs of the Department.

## *Volunteer Program*

---

### 382.2.5 TRAINING

Volunteers will be provided with an orientation program to acquaint them with the Department, personnel, policies and procedures that have a direct impact on their work assignment.

Volunteers should receive position-specific training to ensure they have adequate knowledge and skills to complete tasks required by the position and should receive periodic ongoing training as deemed appropriate by their supervisor or the Volunteer Coordinator.

Training should reinforce to volunteers that they may not intentionally represent themselves as, or by omission infer that they are sworn officers or other full-time members of the Department. They shall always represent themselves as volunteers.

All volunteers shall comply with the rules of conduct and with all orders and directives, either oral or written, issued by the Department.

### 382.2.6 FITNESS FOR DUTY

No volunteer shall report to work or be on-duty when his/her judgment or physical condition has been impaired by alcohol, medication, other substances, illness or injury.

Volunteers shall report to their supervisor any changes in status that may affect their ability to fulfill their duties. This includes, but is not limited to, the following:

- (a) Driver's license
- (b) Medical condition
- (c) Arrests
- (d) Criminal investigations

All volunteers shall adhere to the guidelines set forth by this Department regarding drug and alcohol use.

### 382.2.7 DRESS CODE

As representatives of the Department, volunteers are responsible for presenting a professional image to the community. Volunteers shall dress appropriately for the conditions and performance of their duties.

Volunteers shall conform to Department-approved dress consistent with their duty assignment. Uniforms authorized for volunteers should be readily distinguishable from those worn by sworn officers. The uniform or identifiable parts of the uniform shall not be worn while off-duty except volunteers may choose to wear the uniform while in transit to or from official Department assignments or functions provided an outer garment is worn over the uniform shirt so as not to bring attention to the volunteer while he/she is off duty.

Volunteers shall be required to return any issued uniform or Department property at the termination of service.

### **382.3 SUPERVISION OF VOLUNTEERS**

Each volunteer who is accepted to a position with the Department must have a clearly identified supervisor who is responsible for direct management of that volunteer. This supervisor will be responsible for day-to-day management and guidance of the work of the volunteer and should be available to the volunteer for consultation and assistance.

A volunteer may be assigned as and act as a supervisor of other volunteers provided that the supervising volunteer is under the direct supervision of a paid staff member.

Functional supervision of volunteers is the responsibility of the supervisor in charge of the unit where the volunteer is assigned. Following are some considerations to keep in mind while supervising volunteers:

- (a) Take the time to introduce volunteers to employees on all levels.
- (b) Ensure volunteers have work space and necessary office supplies.
- (c) Make sure the work is challenging. Do not hesitate to give them an assignment or task that will tap these valuable resources.

### **382.4 CONFIDENTIALITY**

With appropriate security clearance, volunteers may have access to confidential information such as criminal histories or investigative files. Unless otherwise directed by a supervisor or departmental policy, all information shall be considered confidential. Only that information specifically identified and approved by authorized personnel shall be released. Confidential information shall be given only to persons who have a need and a right to know as determined by Departmental policy and supervisory personnel.

Each volunteer will be required to sign a nondisclosure agreement before being given an assignment with the Department. Subsequent unauthorized disclosure of any confidential information, verbally, in writing or by any other means, by the volunteer is grounds for immediate dismissal and possible criminal prosecution.

Volunteers shall not address public gatherings, appear on radio or television, prepare any article for publication, act as correspondents to a newspaper or other periodical, release or divulge any information concerning the activities of the Department, or maintain that they represent the Department in such matters without permission from the proper Department personnel.

### **382.5 PROPERTY AND EQUIPMENT**

Volunteers will be issued an identification card that must be worn at all times while on-duty.

Any fixed and portable equipment issued by the Department shall be for official and authorized use only. Any property or equipment issued to a volunteer shall remain the property of the Department and shall be returned at the termination of service.

### 382.5.1 VEHICLE USE

Volunteers assigned to duties such as vacation house checks or other assignments that require the use of a vehicle must first complete the following:

- (a) A driving safety briefing and Department approved driver safety course.
- (b) Verification that the volunteer possesses a valid Washington Driver's License.
- (c) Verification that the volunteer carries current vehicle insurance.

The Volunteer Coordinator should ensure that all volunteers receive safety briefing updates and license and insurance verification at least once a year.

When operating a Department vehicle, volunteers shall obey all rules of the road, including seat belt requirements. Smoking is prohibited in all Department vehicles.

Volunteers should not operate a marked patrol car unless there is a prominently placed sign indicating that it is out of service and volunteers are not authorized to operate a Department vehicle Code-3.

### 382.5.2 RADIO AND MDC USAGE

Volunteers shall successfully complete Central Computerized Enforcement Service System (ACCESS) and radio procedures training prior to using the police radio or MDC and comply with all related provisions. The Volunteer Coordinator should ensure that radio and ACCESS training is provided for volunteers whenever necessary.

## **382.6 DISCIPLINARY PROCEDURES/TERMINATION**

A volunteer may be removed from the volunteer program at the discretion of the Chief of Police or the Volunteer Coordinator. Volunteers shall have no property interests in their continued appointment. However, if a volunteer is removed for alleged misconduct, the volunteer will be afforded an opportunity solely to clear his/her name through a liberty interest hearing which shall be limited to a single appearance before the Chief of Police or authorized designee.

Volunteers may resign from volunteer service with the Department at any time. It is requested that volunteers who intend to resign provide advance notice of their departure and a reason for their decision.

### 382.6.1 EXIT INTERVIEWS

Exit interviews, where possible, should be conducted with volunteers who are leaving their positions. The interview should ascertain why the volunteer is leaving the position and solicit the volunteer's suggestions on improving the position. When appropriate, the interview should also include a discussion on the possibility of involvement in some other capacity with the Department.

## *Volunteer Program*

---

### **382.7 EVALUATION**

An evaluation of the overall volunteer program will be conducted on an annual basis by the Volunteer Coordinator. Regular evaluations should be conducted with volunteers to ensure the best use of human resources available, to ensure personnel problems can be identified and dealt with promptly and fairly, and to ensure optimum satisfaction on the part of volunteers.

## Off-Duty Law Enforcement Actions

### 384.1 PURPOSE AND SCOPE

The decision to become involved in a law enforcement action when off-duty can place an officer as well as others at great risk and must be done with careful consideration. This policy is intended to provide guidelines for officers of the Quincy Police Department with respect to taking law enforcement action while off-duty.

### 384.2 POLICY

Initiating law enforcement action while off-duty is generally discouraged. Officers should not attempt to initiate enforcement action when witnessing minor crimes, such as suspected intoxicated drivers, reckless driving or minor property crimes. Such incidents should be promptly reported to the appropriate law enforcement agency.

Officers are not expected to place themselves in unreasonable peril. However, any sworn member of this department who becomes aware of an incident or circumstance that he/she reasonably believes poses an imminent threat of serious bodily injury or death, or significant property damage may take reasonable action to minimize the threat.

  - 1. Supervisors should document these discussions, in the prescribed manner.
- (b) Supervisors should periodically review MAV recordings, portable audio/video recordings, Mobile Data Computer (MDC) data and any other available resource used to document contact between officers and the public to ensure compliance with this policy.
  - 1. Supervisors should document these periodic reviews.
  - 2. Recordings that capture a potential instance of bias-based policing should be appropriately retained for administrative investigation purposes.
- (c) Supervisors shall initiate investigations of any actual or alleged violations of this policy.

## *Bias-Based Policing*

---

- (d) Supervisors should take prompt and reasonable steps to address any retaliatory action taken against any member of this department who discloses information concerning bias-based policing.

### **402.6 STATE REPORTING**

Subject to any fiscal constraints, the Captain should review available data related to traffic stops, including demographic data, existing procedures, practices and training, as well as complaints. The data should be analyzed for any patterns or other possible indicators of racial- or bias-based profiling and included in an annual report for the Washington Association of Sheriffs and Police Chiefs (RCW 43.101.410(3)).

### **402.7 ADMINISTRATION**

The Patrol Captain should review the efforts of the Department to provide fair and objective policing and submit an annual report, including public concerns and complaints, to the Chief of Police. The annual report should not contain any identifying information about any specific complaint, citizen or officers. It should be reviewed by the Chief of Police to identify any changes in training or operations that should be made to improve service.

Supervisors should review the annual report submitted to the Washington Association of Chiefs of Police and discuss the results with those they are assigned to supervise.

### **402.8 TRAINING**

Training on fair and objective policing and review of this policy should be conducted as directed by the Training Sergeant (RCW 43.101.410).

## Crime and Disaster Scene Integrity

### 406.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance in handling a major crime or disaster.

### 406.2 POLICY

It is the policy of the Quincy Police Department to secure crime or disaster scenes so that evidence is preserved, and to identify and mitigate the dangers associated with a major crime or disaster scene for the safety of the community and those required to enter or work near the scene.

### 406.3 SCENE RESPONSIBILITY

The first officer at the scene of a crime or major incident is generally responsible for the immediate safety of the public and preservation of the scene. Officers shall also consider officer safety and the safety of those persons entering or exiting the area, including those rendering medical aid to any injured parties. Once an officer has assumed or been assigned to maintain the integrity and security of the crime or disaster scene, the officer shall maintain the crime or disaster scene until he/she is properly relieved by a supervisor or other designated person.

### 406.4 FIRST RESPONDER CONSIDERATIONS

The following list generally describes the first responder's function at a crime or disaster scene. This list is not intended to be all-inclusive, is not necessarily in order and may be altered according to the demands of each situation:

- (a) Broadcast emergency information, including requests for additional assistance and resources.
- (b) Provide for the general safety of those within the immediate area by mitigating, reducing or eliminating threats or dangers.
- (c) Locate or identify suspects and determine whether dangerous suspects are still within the area.
- (d) Provide first aid to injured parties if it can be done safely.
- (e) Evacuate the location safely as required or appropriate.
- (f) Secure the inner perimeter.
- (g) Protect items of apparent evidentiary value.
- (h) Secure an outer perimeter.
- (i) Identify potential witnesses.
- (j) Start a chronological log noting critical times and personnel allowed access.

## *Crime and Disaster Scene Integrity*

### **406.5 SEARCHES**

Officers arriving at crime or disaster scenes are often faced with the immediate need to search for and render aid to victims, and to determine if suspects are present and continue to pose a threat. Once officers are satisfied that no additional suspects are present and/or there are no injured persons to be treated, those exigent circumstances will likely no longer exist. Officers should thereafter secure the scene and conduct no further search until additional or alternate authority for the search is obtained, such as consent or a search warrant.

#### **406.5.1 CONSENT**

When possible, officers should seek written consent to search from authorized individuals. However, in the case of serious crimes or major investigations, it may be prudent to also obtain a search warrant. Consent as an additional authorization may be sought, even in cases where a search warrant has been granted.

### **406.6 EXECUTION OF HEALTH ORDERS**

Sworn members of this department shall enforce all lawful orders of the local health officer, issued for the purpose of preventing the spread of any contagious, infectious or communicable disease (RCW 70.05.070; WAC 246-100-040(2)).

## Ride-Along Policy

### 410.1 PURPOSE AND SCOPE

The Ride-Along Program provides an opportunity for citizens to experience the law enforcement function first hand. This policy provides the requirements, approval process, and hours of operation for the Ride-Along Program.

#### 410.1.1 ELIGIBILITY

The Quincy Police Department Ride-Along Program is offered to residents, students, City employees, and those individuals with prior approval from the Chief of Police. Every attempt will be made to accommodate interested persons however any applicant may be disqualified without cause.

The following factors may be considered in disqualifying an applicant and are not limited to:

- Being under 16 years of age.
- Prior criminal history.
- Pending criminal action.
- Pending lawsuit against the Department.
- Denial by any supervisor.

#### 410.1.2 AVAILABILITY

The Ride-Along Program is available on most days of the week, with certain exceptions.

### 410.2 PROCEDURE TO REQUEST A RIDE-ALONG

Generally, ride-along requests will be scheduled by the Sergeant. The participant will complete a ride-along waiver form. Information requested will include a valid ID or Washington driver's license, address, and telephone number. If the participant is under 18 years of age, a parent/guardian must be present to complete the Ride-Along Form.

The Sergeant will schedule a date, based on availability, at the Department's discretion after the application is received. If approved, a copy will be forwarded to the respective patrol officer as soon as possible for his/her scheduling considerations.

If the ride-along is denied after the request has been made, a representative of the Department will contact the applicant and advise him/her of the denial.

#### 410.2.1 PROGRAM REQUIREMENTS

Once approved, civilian ride-alongs will be allowed to ride no more than once every six months. An exception would apply to the following: Cadets, Explorers, RSVP, Chaplains, Reserves, police applicants, and all others with approval of the Shift Sergeant.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Ride-Along Policy*

---

An effort will be made to ensure that no more than one citizen will participate in a ride-along during any given time period. Normally, no more than one ride-along will be allowed in the officer's vehicle at a given time.

Ride-along requirements for police cadets are covered in the Police Cadet Program Policy.

### **410.2.2 SUITABLE ATTIRE**

Any person approved to ride along is required to be suitably dressed. Absolutely no vulgar or offensive clothing will be allowed in a patrol vehicle. The Shift Sergeant or field supervisor may refuse a ride along to anyone not properly dressed.

### **410.2.3 PEACE OFFICER RIDE-ALONGS**

Off-duty members of this department or any other law enforcement agency will not be permitted to ride-along with on-duty officers without the expressed consent of the Shift Sergeant. In the event that such a ride-along is permitted, the off-duty employee shall not be considered on-duty and shall not represent themselves as a peace officer or participate in any law enforcement activity except as emergency circumstances may require.

### **410.3 OFFICER'S RESPONSIBILITY**

The officer shall advise the dispatcher that a ride-along is present in the vehicle before going into service. Officers shall consider the safety of the ride-along at all times. Officers should use sound discretion when encountering a potentially dangerous situation, and if feasible, let the participant out of the vehicle in a well-lighted place of safety. The dispatcher will be advised of the situation and as soon as practical have another police unit respond to pick up the participant at that location. The ride-along may be continued or terminated at this time.

Civilian riders will not be permitted to participate in the service of search warrants and other potentially high-risk situations where their presence can be mitigated easily. This is not intended to preclude a rider from being present during other common police activities which, by their nature, are high-risk, such as traffic stops, etc.

The Sergeant is responsible for maintaining and scheduling ride-alongs. Upon completion of the ride-along, the form shall be returned to the Sergeant with any comments which may be offered by the officer.

### **410.4 CONTROL OF RIDE-ALONG**

The assigned employee shall maintain control over the ride-along at all times and instruct him/her in the conditions that necessarily limit their participation. These instructions should include:

- (a) The ride-along will follow the directions of the officer.
- (b) The ride-along will not become involved in any investigation, handling of evidence, discussions with victims or suspects, or handling any police equipment.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Ride-Along Policy*

---

- (c) The ride-along may terminate the ride-along at any time and the officer may return the observer to their home or to the station if the ride-along interferes with the performance of the officer's duties.
- (d) Ride-alongs may be allowed to continue riding during the transportation and booking process provided this does not jeopardize their safety.
- (e) Officers will not allow any ride-alongs to be present in any residences or situations that would jeopardize their safety or cause undue stress or embarrassment to a victim or any other citizen.
- (f) Under no circumstance shall a civilian ride along be permitted to enter a private residence with an officer without the expressed consent of the resident or other authorized person.

# Hazardous Material Response

## 412.1 PURPOSE AND SCOPE

Exposure to hazardous materials present potential harm to department members and the public. This policy outlines the responsibilities of members who respond to these events and the factors that should be considered while on-scene, including the reporting of exposures and supervisor responsibilities.

### 412.1.1 DEFINITIONS

Definitions related to this policy include:

**Hazardous material** - A substance which, by its nature, containment and reactivity, has the capability of inflicting harm during exposure; characterized as being toxic, corrosive, flammable, reactive, an irritant or strong sensitizer and thereby posing a threat to health when improperly managed.

## 412.2 HAZARDOUS MATERIAL RESPONSE

Members may encounter situations involving suspected hazardous materials, such as at the scene of a traffic collision, chemical spill, or fire. When members come into contact with a suspected hazardous material, certain steps should be taken to protect themselves and other persons.

The fire department is the agency trained and equipped to properly respond to and mitigate most incidents involving hazardous materials and biohazards.

Responders should not perform tasks or use equipment without proper training. A responder entering the area may require decontamination before he/she is allowed to leave the scene, and should be evaluated by appropriate technicians and emergency medical services personnel for signs of exposure.

## 412.3 REPORTING EXPOSURE

Department members who believe that they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the member in an Employee Injury report that shall be forwarded to the City Safety Coordinator and to the Shift Sergeant as soon as practicable. Should the affected member be unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the report.

Injury or illness caused or believed to be caused from exposure to hazardous materials shall be reported the same as any other on-duty injury or illness in addition to a crime report or incident report as applicable.

### 412.3.1 SUPERVISOR RESPONSIBILITIES

When a supervisor has been informed that a member has been exposed to a hazardous material, he/she shall ensure that immediate medical treatment is obtained and appropriate action is taken to mitigate the exposure or continued exposure.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Hazardous Material Response*

---

To ensure the safety of members, PPE is available from supervisors. PPE items not maintained by this department may be available through the appropriate fire department or emergency response team.

### **412.4 POLICY**

It is the policy of the Quincy Police Department to respond to hazardous material emergencies with due regard for the safety of the public and those members responding to such incidents.

### **412.5 CONSIDERATIONS**

The following steps should be considered at any scene involving suspected hazardous materials:

- (a) Make the initial assessment of a potentially hazardous material from a safe distance.
- (b) Notify Multi-Agency Communications Center (MACC), appropriate supervisors, the appropriate fire department and hazardous response units.
  1. Provide weather conditions, wind direction, a suggested safe approach route and any other information pertinent to responder safety.
- (c) Wear personal protective equipment (PPE), being cognizant that some hazardous material can be inhaled.
- (d) Remain upwind, uphill and at a safe distance, maintaining awareness of weather and environmental conditions, until the material is identified and a process for handling has been determined.
- (e) Attempt to identify the type of hazardous material from a safe distance using optical aids (binoculars or spotting scopes) if they are available. Identification can be determined by:
  1. Placards or use of an emergency response guidebook.
  2. Driver's manifest or statements or shipping documents from the person transporting the material.
  3. Information obtained from any involved person with knowledge regarding the hazardous material. Information should include:
    - (a) The type of material.
    - (b) How to secure and contain the material.
    - (c) Any other information to protect the safety of those present, the community and the environment.
- (f) Provide first-aid to injured parties if it can be done safely and without contamination.
- (g) Make reasonable efforts to secure the scene and prevent access from unauthorized individuals and to protect and identify any evidence.
- (h) Begin evacuation of the immediate and surrounding areas, dependent on the material. Voluntary evacuation should be considered; mandatory evacuation may be necessary and will depend on the type of material.
- (i) Establish a decontamination area when needed.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Hazardous Material Response*

---

- (j) Activate automated community notification systems, if applicable.
- (k) Dependent upon the substance and other specific conditions, consider initiating an emergency public notification or evacuation. The decision to initiate public notifications and/or evacuations shall be in accordance with the Quincy Local Emergency Planning Committee (LEPC) procedures.

## Active Shooter

### 413.1 PURPOSE AND SCOPE

The goal of police intervention in active shooter incidents is to neutralize the threat(s) by preventing access to potential victims, rescuing injured persons and potential victims, or a movement to neutralize the shooter(s). This goal can be achieved by various means, up to and including, the use of deadly physical force.

### 413.2 DEFINITIONS

**Active Shooter:** An active shooter is an armed person who has used deadly physical force on other persons and continues to do so while having unrestricted access to additional victims.

**Immediate Action Rapid Deployment:** The swift and immediate deployment of law enforcement personnel and resources to ongoing, life threatening situation where delayed deployment of personnel could otherwise result in death or great bodily injury to innocent persons.

**NOTE:** Immediate Action Rapid Deployment tactics are not a substitute for conventional response tactics to a barricaded gunman.

### 413.3 POLICY

It is the policy of the Quincy Police Department, based on training and experience, to allow initial responding officers the authority and responsibility to take immediate action to contain and if necessary, neutralize active shooter incidents

### 413.4 PROCEDURE

It is not unusual for a tactical team to arrive at the scene of a barricaded incident and find that patrol personnel have contained the suspect within a secure perimeter. There is generally time for the tactical team to deploy their personnel without serious concern of the suspect(s) escaping. Once the incident has been isolated, time enables patrol and/or tactical personnel to formulate a structured and deliberate plan.

However, there are scenarios that require immediate action and rapid deployment of patrol personnel prior to the arrival of the tactical team. In these cases delayed deployment could have catastrophic consequences. These scenarios often involve an ongoing "shots fired or downed officer/citizen rescue." It may also necessitate the immediate and rapid deployment of law enforcement personnel to contain and prevent the escape of an armed and dangerous person(s). Over the past several years our nation has experienced a growing trend of mass violence committed by individuals. These episodes have come to be termed "active shooter" incidents and are unique in that the behavior of the suspects is very different from that typically associated with other violent behaviors. Suspect(s) generally begin to shoot at numbers of people without warning. The motives for these behaviors can range from rage, vengeance, or mental dysfunction.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Active Shooter*

---

The incidents experienced across the country suggest that the typical police response involving containment, isolation, and negotiation may not be adequate. Unlike most criminals, active shooters are likely to continue to use deadly physical force until intervention occurs or until the shooter decides to stop. The active shooter concept represents a shift in patrol response tactics, equipment needs, and command protocol. These situations require the initial police responders arriving on the scene to have the authority and the capability to take action without waiting for command staff or for the arrival of specialty units such as TRT or Crisis Negotiators. This policy contains the following information concerning active shooter incidents:

- (a) Definition of the term "active shooter".
- (b) Characteristics of active shooters.
- (c) Procedures for active shooter incidents.
- (d) Guidelines for development of tactics for use against active shooters.

### 413.4.1 CHARACTERISTICS OF ACTIVE SHOOTERS

The following is a list of characteristics commonly associated with active shooter suspects. The list is compiled from descriptions of past active shooters and not meant to be a comprehensive list describing all active shooters: Each active shooter situation is unique.

- (a) Active shooters usually focus on assaulting persons with whom they come into contact. Their intention is usually an expression of hatred or rage rather than the commission of a crime.
- (b) An active shooter is likely to engage more than one target. Active shooters may be intent on killing a number of people as quickly as possible.
- (c) Generally, the first indication of the presence of an active shooter is when he or she begins to assault victims.
- (d) Active shooters often go to locations where potential victims are close at hand, such as schools, theaters, concerts or shopping malls. Active shooters may act in the manner of a sniper, assaulting victims from a distance. Active shooters may also engage multiple targets while remaining constantly mobile.
- (e) Tactics such as containment and negotiation, normally associated with standoff incidents may not be adequate in active shooter events. Active shooters typically continue their attack despite the arrival of emergency responders.
- (f) Active shooters are often better armed than the police, sometimes making use of explosives, booby traps and body armor. Active shooters are not limited to the use of firearms in accomplishing their attacks on victims. They may use bladed weapons, vehicles, or any tool that, in the circumstance in which it is used, constitutes deadly physical force.

# Quincy Police Department

Quincy PD WA Policy Manual

## Active Shooter

---

- (g) Active shooters may have a planned attack and be prepared for a sustained confrontation with the police. Historically, active shooters have not attempted to hide their identity or conceal the commission, of their attacks. Escape from the police is usually not a priority of the active shooter.
- (h) Active shooters may employ some type of diversion.
- (i) Active shooters may be indiscriminate in their violence or they may seek specific victims.
- (j) Active shooters may be suicidal, deciding to die in the course of their actions either at the hand of others or by self-inflicted wound.
- (k) Active shooters usually have some degree of familiarity with the building or location they choose to occupy.
- (l) Active shooter events are dynamic and may go in and out of an "active" status - a static incident may turn into an active shooter event or an active shooter may go "inactive" by going to a barricaded status without access to victims.

### 413.4.2 RESPONSE GUIDELINES

The following seven (7) tenets set general response guidelines for active shooter incidents. Again, these incidents are sufficiently unique such that their effective handling cannot be totally reduced to procedures. These procedures are not meant to limit conventional police tactics, which are appropriate to a crisis situation. The significant factors regarding these tactics are that they represent a means of intervention available to the officers and there is the potential of elevated risk to bystanders and deputies. The risk is acceptable in light of the potential these tactics have for saving lives. Another significant aspect of the active shooter tactical doctrine is that deputies arriving at the scene of an active shooter incident are authorized to intervene prior to the arrival of command personnel and special units.

- (a) **Goal:** The overall purpose of these tactics is to save lives and prevent serious injuries. The goal for police response at an active shooter event is neutralization by denying access to additional victims, rescuing injured victims and/or rescuing potential victims.
- (b) **Assume Tactical Responsibility:** One initial Officer must take charge of the active shooter incident. Assumption of tactical responsibility may be based on rank, expertise or seniority. However, it must be made immediately clear to both the Communications Centers and other Officers, who is in charge. An Officer of superior rank who is on scene and fully briefed may ultimately assume incident command. Any change in incident command will be made known to Dispatch and other Officers.
- (c) **Situational Analysis:** The Officer taking charge must, based on all information available, make a situation analysis. The analysis will be continuous, taking into account new information from Dispatch and observations from Officers and citizens. The analysis must lead to a decision as to whether the situation is an active shooter event, whether an opportunity exists for immediate intervention leading to

# Quincy Police Department

Quincy PD WA Policy Manual

## Active Shooter

---

accomplishment of one of the goals listed above, and how responding resources should be employed at the scene.

- (d) **Incident Command:** No action will be taken that is unplanned or without controls. The first Officer arriving on scene will initiate incident command. He/she will initiate the situation analysis and determine initial deployment of responding resources. At least one person possessing all available information on tactical plans will remain at the command post to brief arriving personnel. Command personnel en route to the incident will monitor the radio to gain information, but shall not obstruct ongoing intervention. Command personnel must be on scene and fully briefed before assuming incident command.
- (e) **First Responder Tactical Intervention:** When responding to active shooter incidents, the Quincy Police Department endorses the concept of first responder tactical intervention. It is critical that all Officer, supervisors and command personnel are familiar with the definition of an active shooter as well as the tactics deemed appropriate for active shooter response. The traditional uniform responses of contain, isolate, evacuate, and wait for TRT and Crisis Negotiators may not be adequate in an active shooter incident. The first Officer on scene will need to consider the following:
1. **Rescue/Contact Team:** First responder intervention will be based on opportunity. Rescue teams will be in the form of Officers with an identified element leader. Team movement will be in a controlled and disciplined tactical action under the control and direction of the element leader.
  2. **Containment:** Dedicated security elements should always be a component of intervention teams. Individual action is discouraged, as it is usually counterproductive to a coordinated, focused response to an active shooter event. Site containment will be left to the discretion of the first Officer on scene who assumes incident responsibility and initiates the situation assessment. Containment of an active shooter incident may take the form of deputies serving in an "observe and report" capacity.
- (f) **Active Shooter Site Security:** No location associated with an active shooter will be considered secure until the TRT commander declares it is so. Officers assigned to security functions will maintain positions until properly relieved.
- (g) **Tactical Response Team (TRT):** When TRT units are prepared to deploy, the initial responding officers may be relieved or redeployed by TRT.

### 413.4.3 DEVELOPMENT OF INTERVENTION TACTICS

The Quincy Police Department will develop tactics to deal with the active shooter incidents and will provide appropriate training to personnel of all ranks. These tactics will be developed under the following guidelines:

- Personnel will be trained to conduct immediate assessment.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Active Shooter*

---

- Tactics will conform to and capitalize upon existing skills.
- Tactics and training will be basic and flexible.

All sworn personnel will attend active shooter training. Active shooter training will be conducted in three phases:

- (a) Phase 1: Knowledge/Conceptual.
- (b) Phase 2: Skill Development.
- (c) Phase 3: Mandatory Refresher Training.

---

## Hostage and Barricade Incidents

### 414.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where officers have legal cause to contact, detain or arrest a person, and the person refuses to submit to the lawful requests of the officers by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that officers encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or purport to recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

#### 414.1.1 DEFINITIONS

Definitions related to this policy include:

**Barricade situation** - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

**Hostage situation** - An incident where it is reasonable to believe a person is unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.

### 414.2 POLICY

It is the policy of the Quincy Police Department to address hostage and barricade situations with due regard for the preservation of life and balancing the risk of injury, while obtaining the safe release of hostages, apprehending offenders and securing available evidence.

### 414.3 COMMUNICATION

When circumstances permit, initial responding officers should try to establish and maintain lines of communication with a barricaded person or hostage-taker. Officers should attempt to identify any additional subjects, inquire about victims and injuries, seek the release of hostages, gather intelligence information, identify time-sensitive demands or conditions and obtain the suspect's surrender.

When available, department-authorized negotiators should respond to the scene as soon as practicable and assume communication responsibilities. Negotiators are permitted to exercise flexibility in each situation based upon their training, the circumstances presented, suspect actions or demands and the available resources.

#### 414.3.1 EMERGENCY COMMUNICATIONS

A supervisor may order the telephone company to cut, reroute or divert telephone lines in order to prevent a suspect from communicating with anyone other than designated personnel in a barricade or hostage situation (RCW 70.85.100).

# Quincy Police Department

Quincy PD WA Policy Manual

## *Hostage and Barricade Incidents*

---

### **414.4 FIRST RESPONDER CONSIDERATIONS**

First responding officers should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

The first responding officer should immediately request a supervisor's response as soon as it is determined that a hostage or barricade situation exists. The first responding officer shall assume the duties of the supervisor until relieved by a supervisor or a more qualified responder. The officer shall continually evaluate the situation, including the level of risk to officers, to the persons involved and to bystanders, and the resources currently available.

The handling officer should brief the arriving supervisor of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.

#### **414.4.1 BARRICADE SITUATION**

Unless circumstances require otherwise, officers handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting the arrival of specialized personnel and trained negotiators. During the interim the following options, while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (d) Provide responding emergency personnel with a safe arrival route to the location.
- (e) Evacuate non-injured persons in the immediate threat area if it is reasonably safe to do so.
- (f) Attempt or obtain a line of communication and gather as much information on the subject as possible, including weapons, other involved parties, additional hazards or injuries.
- (g) Establish an inner and outer perimeter as circumstances require and resources permit to prevent unauthorized access.
- (h) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (i) Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the Public Information Officer.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Hostage and Barricade Incidents*

---

- (j) If necessary and available, establish a tactical or exclusive radio frequency for the incident.
- (k) Establish a command post.

### 414.4.2 HOSTAGE SITUATION

Officers presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of specialized personnel and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that officers react quickly to developing or changing threats. The following options while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Establish a rapid response team in the event it becomes necessary to rapidly enter a building, structure or vehicle, such as when the suspect is using deadly force against any hostages (see the Rapid Response and Deployment Policy).
- (d) Assist hostages or potential hostages to escape if it is reasonably safe to do so. Hostages should be kept separated if practicable pending further interview.
- (e) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (f) Provide responding emergency personnel with a safe arrival route to the location.
- (g) Evacuate non-injured persons in the immediate threat area if it is reasonably safe to do so.
- (h) Coordinate pursuit or surveillance vehicles and control of travel routes.
- (i) Attempt or obtain a line of communication and gather as much information about the suspect as possible, including any weapons, victims and their injuries, additional hazards, other involved parties and any other relevant intelligence information.
- (j) Establish an inner and outer perimeter as resources and circumstances permit to prevent unauthorized access.
- (k) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (l) Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the PIO.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Hostage and Barricade Incidents*

---

- (m) If necessary and available, establish a tactical or exclusive radio frequency for the incident.

### **414.5 SUPERVISOR RESPONSIBILITIES**

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, assess the risk level of the situation, establish a proper chain of command and assume the role of Incident Commander until properly relieved. This includes requesting a Crisis Response Unit response if appropriate and apprising the Crisis Response Unit Commander of the circumstances. In addition, the following options, listed here in no particular order, should be considered:

- (a) Ensure injured persons are evacuated and treated by medical personnel.
- (b) Ensure the completion of necessary first responder responsibilities or assignments.
- (c) Request crisis negotiators, specialized units, additional personnel, resources or equipment as appropriate.
- (d) Establish a command post location as resources and circumstances permit.
- (e) Designate assistants who can help with intelligence information and documentation of the incident.
- (f) If it is practicable to do so, arrange for video documentation of the operation.
- (g) Consider contacting utility and communication providers when restricting such services (e.g., restricting electric power, gas, telephone service).
- (h) Ensure adequate law enforcement coverage for the remainder of the City during the incident. The supervisor should direct non-essential personnel away from the scene unless they have been summoned by the supervisor or Multi-Agency Communications Center (MACC).
- (i) Identify a media staging area outside the outer perimeter and have the department Public Information Officer or a designated temporary media representative provide media access in accordance with the Media Relations Policy.
- (j) Identify the need for mutual aid and the transition or relief of personnel for incidents of extended duration.
- (k) Debrief personnel and review documentation as appropriate.

### **414.6 CRISIS RESPONSE UNIT RESPONSIBILITIES**

It will be the Incident Commander's decision, with input from the Crisis Response Unit Commander, whether to deploy the Crisis Response Unit during a hostage or barricade situation. Once the Incident Commander authorizes deployment, the Crisis Response Unit Commander or the authorized designee will be responsible for the tactical portion of the operation. The Incident Commander shall continue supervision of the command post operation, outer perimeter

security and evacuation, media access and support for the Crisis Response Unit. The Incident Commander and the Crisis Response Unit Commander or the authorized designee shall maintain communications at all times.

### **414.7 REPORTING**

Unless otherwise relieved by a supervisor or Incident Commander, the handling officer at the scene is responsible for completion and/or coordination of incident reports.

## Response to Bomb Calls

### 416.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to assist members of the Quincy Police Department in their initial response to incidents involving explosives, explosive devices, explosion/bombing incidents or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

### 416.2 POLICY

It is the policy of the Quincy Police Department to place a higher priority on the safety of persons and the public over damage or destruction to public or private property.

### 416.3 RECEIPT OF BOMB THREAT

Department members receiving a bomb threat should obtain as much information from the individual as reasonably possible, including the type, placement and alleged detonation time of the device.

If the bomb threat is received on a recorded line, reasonable steps should be taken to ensure that the recording is preserved in accordance with established department evidence procedures.

The member receiving the bomb threat should ensure that the supervisor is immediately advised. This will enable the Shift Sergeant to ensure that the appropriate personnel are dispatched and, as appropriate, the threatened location is given an advance warning.

### 416.4 GOVERNMENT FACILITY OR PROPERTY

A bomb threat targeting a government facility may require a different response based on the government agency.

#### 416.4.1 QUINCY POLICE DEPARTMENT FACILITY

If the bomb threat is against the Quincy Police Department facility, the Shift Sergeant will direct and assign officers as required for coordinating a general building search or evacuation of the police department, as he/she deems appropriate.

#### 416.4.2 OTHER COUNTY OR MUNICIPAL FACILITY OR PROPERTY

If the bomb threat is against a county or municipal facility within the jurisdiction of the Quincy Police Department that is not the property of this department, the appropriate agency will be promptly informed of the threat. Assistance to the other entity may be provided as the Shift Sergeant deems appropriate.

## *Response to Bomb Calls*

### 416.4.3 FEDERAL BUILDING OR PROPERTY

If the bomb threat is against a federal building or property, the Federal Protective Service should be immediately notified. The Federal Protective Service provides a uniformed law enforcement response for most facilities, which may include use of its Explosive Detector Dog teams.

If the bomb threat is against a federal government property where the Federal Protective Service is unable to provide a timely response, the appropriate facility's security or command staff should be notified.

Bomb threats against a military installation should be reported to the military police or other military security responsible for the installation.

### **416.5 EXPLOSION/BOMBING INCIDENTS**

When an explosion has occurred, there are multitudes of considerations which may confront the responding officers. As in other catastrophic events, a rapid response may help to minimize injury to victims, minimize contamination of the scene by gathering crowds, or minimize any additional damage from fires or unstable structures.

#### 416.5.1 CONSIDERATIONS

Officers responding to explosions, whether accidental or a criminal act, should consider the following actions:

- (a) Assess the scope of the incident, including the number of victims and extent of injuries.
- (b) Request additional personnel and resources, as appropriate.
- (c) Assist with first aid.
- (d) Identify and take appropriate precautions to mitigate scene hazards, such as collapsed structures, bloodborne pathogens and hazardous materials.
- (e) Assist with the safe evacuation of victims, if possible.
- (f) Establish an inner perimeter to include entry points and evacuation routes. Search for additional or secondary devices.
- (g) Preserve evidence.
- (h) Establish an outer perimeter and evacuate if necessary.
- (i) Identify witnesses.

### **416.6 PRIVATE FACILITY OR PROPERTY**

When a member of this department receives notification of a bomb threat at a location in the City of Quincy, the member receiving the notification should obtain as much information as reasonably possible from the notifying individual, including:

- (a) The location of the facility.
- (b) The nature of the threat.
- (c) Whether the type and detonation time of the device is known.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Response to Bomb Calls*

---

- (d) Whether the facility is occupied and, if so, the number of occupants currently on-scene.
- (e) Whether the individual is requesting police assistance at the facility.
- (f) Whether there are any internal facility procedures regarding bomb threats in place, such as:
  - 1. No evacuation of personnel and no search for a device.
  - 2. Search for a device without evacuation of personnel.
  - 3. Evacuation of personnel without a search for a device.
  - 4. Evacuation of personnel and a search for a device.

The member receiving the bomb threat information should ensure that the Shift Sergeant is immediately notified so that he/she can communicate with the person in charge of the threatened facility.

### **416.6.1 ASSISTANCE**

The Shift Sergeant should be notified when police assistance is requested. The Shift Sergeant will make the decision whether the Department will render assistance and at what level. Information and circumstances that indicate a reasonably apparent, imminent threat to the safety of either the facility or the public may require a more active approach, including police control over the facility.

Should the Shift Sergeant determine that the Department will assist or control such an incident, he/she will determine:

- (a) The appropriate level of assistance.
- (b) The plan for assistance.
- (c) Whether to evacuate and/or search the facility.
- (d) Whether to involve facility staff in the search or evacuation of the building.
  - 1. The person in charge of the facility should be made aware of the possibility of damage to the facility as a result of a search.
  - 2. The safety of all participants is the paramount concern.
- (e) The need for additional resources, including:
  - 1. Notification and response, or standby notice, for fire and emergency medical services.

Even though a facility does not request police assistance to clear the interior of a building, based upon the circumstances and known threat, officers may be sent to the scene to evacuate other areas that could be affected by the type of threat, or for traffic and pedestrian control.

### **416.7 FOUND DEVICE**

When handling an incident involving a suspected explosive device, the following guidelines, while not all inclusive, should be followed:

# Quincy Police Department

Quincy PD WA Policy Manual

## *Response to Bomb Calls*

---

- (a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging.
- (b) The device should not be touched or moved except by the bomb squad or military explosive ordnance disposal team.
- (c) Personnel should not transmit on any equipment that is capable of producing radio frequency energy within the evacuation area around the suspected device. This includes the following:
  - 1. Two-way radios
  - 2. Cell phones
  - 3. Other personal communication devices
- (d) The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance, contact MACC dispatch for closest team.
- (e) The largest perimeter reasonably possible should initially be established around the device based upon available personnel and the anticipated danger zone.
- (f) A safe access route should be provided for support personnel and equipment.
- (g) Search the area for secondary devices as appropriate and based upon available resources.
- (h) Consider evacuation of buildings and personnel near the device or inside the danger zone and the safest exit route.
- (i) Promptly relay available information to the Shift Sergeant including:
  - 1. The time of discovery.
  - 2. The exact location of the device.
  - 3. A full description of the device (e.g., size, shape, markings, construction).
  - 4. The anticipated danger zone and perimeter.
  - 5. The areas to be evacuated or cleared.

## Emergent Detentions

### 418.1 PURPOSE AND SCOPE

This policy provides guidelines for when officers may place an individual under an emergent detention (RCW 71.05.153).

### 418.2 OFFICER CONSIDERATIONS AND RESPONSIBILITIES

Any officer responding to or handling a call involving a suspected or actual mentally disabled individual or commitment should carefully consider the following (RCW 71.05.010):

- (a) That it is vitally important to safeguard the rights of mentally disabled individuals.
- (b) Any available information which might assist in determining the cause and nature of the mental illness or developmental disabilities.
- (c) Conflict resolution and de-escalation techniques for potentially dangerous situations involving mentally disabled persons.
- (d) Appropriate language usage when interacting with mentally disabled persons.
- (e) If circumstances permit, alternatives to deadly force when interacting with potentially dangerous mentally disabled persons.
- (f) Community resources which may be readily available to assist with the mentally disabled individuals.
- (g) The need to protect public safety.

#### 418.2.1 MENTAL HEALTH DETENTIONS

- (a) A non-emergent detention is defined as one where the mentally disabled subject presents a likelihood of serious harm; or is gravely disabled. In such cases, officers may take the subject into custody only when:
  - 1. The mentally disabled person has been evaluated by a designated mental health professional; and
  - 2. Upon determining the need for detention, the mental health professional has filed a petition for initial detention; and
  - 3. The mental health professional has requested that the officer take the subject into custody and have him or her placed in a treatment facility (RCW 71.05.150).
- (b) An emergent detention is defined as one where, as the result of a mental disorder a person presents an imminent likelihood of serious harm, or is in imminent danger because of being gravely disabled. In such cases, officers may take the subject into custody only (RCW 71.05).

# Quincy Police Department

Quincy PD WA Policy Manual

## *Emergent Detentions*

---

1. At the written or oral request of a designated mental health professional who has evaluated the subject and determined the need for an emergent detention, or
  2. When the officer has reasonable cause to believe that the person is in need of emergent detention.
- (c) Emergent detentions based upon the written or oral request of a designated mental health professional evaluation will be 72-hour holds. Emergent detentions based upon the officer's reasonable cause will be 12-hour holds.
- (d) In all circumstances where a person is taken into custody on a mental health detention, the officer shall also provide a verbal summary to an Emergency Department staff member regarding the circumstances leading to the involuntary detention.

### **418.2.2 RESTRAINTS**

If the patient is violent or potentially violent, the officer will notify the staff of this concern. The staff member in charge will have discretion as to whether soft-restraints will be used. If these restraints are desired, the officer will wait while they are being applied to help provide physical control of the patient, if needed.

### **418.2.3 SECURING OF WEAPONS**

If a receiving and secured facility prohibits weapons or if an extraordinary event occurs in the treatment facility and officers determine a need to secure their firearms, the firearm shall be secured in the appropriate gun locker at the facility or in the police unit.

### **418.3 AUTHORITY**

An officer who has reasonable cause to believe that a person is suffering from a mental disorder or a substance abuse disorder and presents an imminent likelihood of serious harm, or is in imminent danger because of being gravely disabled, may take the person into emergent detention and immediately transport the person to a triage facility, crisis stabilization unit, evaluation and treatment facility, secure detoxification facility, approved substance use disorder treatment program, or the emergency department of a local hospital (RCW 71.05.153).

An officer may also take a person into emergent detention and deliver the person to an evaluation and treatment facility upon the written or oral request of a crisis responder designated by the county or other authority who has determined that the person, as the result of a mental disorder or substance abuse disorder, presents an imminent likelihood of serious harm, or is in imminent danger because of being gravely disabled (RCW 71.05.153).

An officer shall take a person who is the subject of a written court order for apprehension issued pursuant to RCW 71.05.201 into initial detention, and transport the person to the designated facility or emergency room as determined by the designated crisis responder (RCW 71.05.201).

### 418.3.1 VOLUNTARY EVALUATION

If an officer encounters an individual who may qualify for an emergent detention, he/she may inquire as to whether the person desires to voluntarily be evaluated at an appropriate facility. If the individual so desires, the officers should:

- (a) Transport the individual to an appropriate facility that is able to conduct the evaluation and admit the person pursuant to emergent detention.
- (b) If at any point the individual changes his/her mind regarding voluntary evaluation officers should proceed with the emergent detention, if appropriate.
- (c) Document the circumstances surrounding the individual's desire to pursue voluntary evaluation and/or admission.

### 418.4 CONSIDERATIONS AND RESPONSIBILITIES

Any officer handling a call involving an individual who may qualify for an emergent detention should consider, as time and circumstances reasonably permit:

- (a) Available information that might assist in determining the cause and nature of the individual's action or stated intentions.
- (b) Community or neighborhood mediation services.
- (c) Conflict resolution and de-escalation techniques.
- (d) Community or other resources available to assist in dealing with mental health issues.

While these steps are encouraged, nothing in this section is intended to dissuade officers from taking reasonable action to ensure the safety of the officers and others.

Emergent detentions should be preferred over arrest for individuals with mental disorders, who are suspected of committing minor crimes or creating other public safety issues.

### 418.4.1 RETURN OF CONFISCATED FIREARMS AND WEAPONS

Weapons taken into custody for safekeeping under section 418.4 will be returned to the lawful owner upon request unless the seizing officer or the assigned detective has placed a hold on the weapons pending a petition for retention, the petition has been granted, or is pending before the court. Once the petition has been ruled on by the court, the weapons will be released or disposed of in accordance with the court order.

Prior to releasing any weapon, Property and Evidence Section personnel shall be required to ensure the person is legally eligible to possess the weapon.

In the event that no timely petition is filed with the court or the court denies such a petition, the seized weapon shall be eligible for release to the lawful owner or other authorized individual unless such weapon(s) represent evidence in a criminal matter or there is other independent good cause to continue to retain custody of the weapon.

### **418.5 TRANSPORTATION**

When transporting any individual for an emergent detention, the transporting officer should have Multi-Agency Communications Center (MACC) notify the receiving facility of the estimated time of arrival, the level of cooperation of the individual and whether any special medical care is needed.

Officers may transport individuals in a patrol vehicle and shall secure them in accordance with the Handcuffing and Restraints Policy. Should the detainee require transport in a medical transport vehicle and the safety of any person, including the detainee, requires the presence of an officer during the transport, Shift Sergeant approval is required before transport commences.

### **418.6 TRAINING**

This department will endeavor to provide department-approved training on interaction with mentally disabled persons, emergent detentions and crisis intervention.

### **418.7 CRIMINAL OFFENSES**

Officers investigating an individual who is suspected of committing a minor criminal offense and who is being taken on an emergent detention should resolve the criminal matter by issuing a warning or a citation, as appropriate.

When an individual who may qualify for an emergent detention has committed a serious criminal offense that would normally result in an arrest and transfer to a jail facility, the officer should:

- (a) Arrest the individual when there is probable cause to do so.
- (b) Notify the appropriate supervisor of the facts supporting the arrest and the facts that would support the emergent detention.
- (c) Facilitate the individual's transfer to the jail facility.
- (d) Thoroughly document in the related reports the circumstances that indicate the individual may qualify for an emergent detention.

In the supervisor's judgment, the individual may instead be arrested or booked and transported to the appropriate facility. The supervisor should consider the seriousness of the offense, the treatment options available, the ability of this department to regain custody of the individual, department resources (e.g., posting a guard), and other relevant factors in making this decision.

### **418.8 DOCUMENTATION**

The officer should complete an application for emergency admission, provide it to the facility staff member assigned to the individual and retain a copy of the emergency application for inclusion in the case report.

The officer should also provide a verbal summary to any evaluating staff member regarding the circumstances leading to the involuntary emergent detention.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Emergent Detentions*

---

### **418.9 TRANSFER TO APPROPRIATE FACILITY**

Upon arrival at the facility, the officer will escort the individual into a treatment area designated by a facility staff member. If the individual is not seeking voluntary treatment, the officer should provide the staff member with the written application for an emergent detention and remain present to provide clarification of the grounds for detention, upon request.

Absent exigent circumstances, the transporting officer should not assist facility staff with the admission process, including restraint of the individual. However, if the individual is transported and delivered while restrained, the officer may assist with transferring the individual to facility restraints and will be available to assist during the admission process, if requested. Under normal circumstances, officers will not apply facility-ordered restraints.

## Citation Releases

### 420.1 PURPOSE AND SCOPE

Officers may use citation release procedures in lieu of arrest for misdemeanor and gross misdemeanor offenses with certain exceptions. The state courts have shown the intent to release all persons on misdemeanor and gross misdemeanor citations, if qualified for such release.

### 420.2 RELEASE METHODS

Release by citation for misdemeanor and gross misdemeanor offenses can be accomplished in two separate ways:

- (a) A field release is when the violator is released in the field without being transported to a jail facility or, to the Quincy Police Department for administrative booking.
- (b) A jail release is when a violator is released after being transported to the Quincy Police Department and booked administratively.

#### 420.2.1 DISCRETION TO ARREST

While this department recognizes the statutory power of peace officers to make arrests throughout the state, officers are encouraged to use sound discretion in the enforcement of the law. On-duty arrests will not generally be made outside the jurisdiction of this department except in cases of hot and/or fresh pursuit, while following up on crimes committed within the City, or while assisting another agency. On-duty officers who discover criminal activity outside the jurisdiction of the City should, when circumstances permit, consider contacting the agency having primary jurisdiction before attempting an arrest.

Off-duty officers observing criminal activity should generally take enforcement action only when it reasonably appears that imminent risk to life or property exists and the reasonable opportunity does not exist to contact the law enforcement agency with primary jurisdiction. In such situations the involved officer shall clearly identify him/herself as a police officer.

Officers are authorized to use verbal or written warnings to resolve minor traffic and criminal violations when appropriate.

### 420.3 DEPARTMENT PROCEDURE

The following procedure will be followed to comply with state court rules.

#### 420.3.1 FIELD RELEASE

Whenever a person is arrested or could have been arrested pursuant to statute for a violation of law which is punishable as a misdemeanor or gross misdemeanor, the officer should normally transport the person to the Quincy Police Department for Administrative booking if time and circumstances allow. If it is not reasonable to Administratively book an arrestee at the Quincy Police Department, the arresting officer, or any other authorized peace officer, may release the person in the field and serve upon the person a citation and Notice to Appear in court (CrRLJ 2.1 (b)(2)).

### 420.3.2 JAIL RELEASE

Whenever practicable a person arrested for a misdemeanor offense, who will not be booked into the Grant County Jail, should normally be transported to the Quincy Police Department and be administratively booked.

An "Administrative Booking" is taking a digital photo of the person, face and full body, taking the persons fingerprints on the Department Livescan machine and issuing the person a Citation.

The person shall be released after the administrative booking procedure is completed, unless disqualified for reasons listed in Policy Manual 420.33.

### 420.3.3 DISQUALIFYING CIRCUMSTANCES

In determining whether to release the person or to hold him or her in custody, officers shall consider the following factors (CrRLJ 2.1 (b)(2)):

- (a) Whether the person has identified himself or herself satisfactorily.
- (b) Whether detention appears reasonably necessary to prevent imminent bodily harm to himself, herself, or another, or injury to property, or breach of the peace.
- (c) Whether the person has ties to the community reasonably sufficient to assure his/her appearance or whether there is substantial likelihood that he or she will refuse to respond to the citation and notice.
- (d) Whether the person previously has failed to appear in response to a citation and notice issued pursuant to this rule or to other lawful process.

### 420.3.4 INSTRUCTIONS TO CITED PERSON

The citing officer shall, at the time he/she issues the defendant the notice to appear, call attention to the time and place for appearance and take any other steps he/she deems necessary to ensure that the defendant understands his/her written promise to appear.

## 420.4 PROHIBITIONS

The release of a suspected offender on a citation and notice to appear is not permitted when:

- (a) A person has been arrested pursuant to RCW 10.31.100(2) (restraining orders).
- (b) An officer has probable cause to believe that the person arrested has violated RCW 46.61.502 (DUI) or RCW 46.61.504 (physical control of a vehicle while DUI) or equivalent local ordinance and the officer has knowledge that the person has a prior offense as defined in RCW 46.61.5055 (alcohol and drug violators) within the last 10 years, or that the person is charged with or is awaiting arraignment for an offense that would qualify as a prior offense under RCW 46.61.5055 if it were a conviction (RCW 10.31.100; Criminal Rules, CrRLJ 3.2(o)(3)).

See the Domestic Violence Policy for release restrictions related to those investigations.

### **420.5 JUVENILE CITATIONS**

Completion of criminal citations for juveniles is generally not appropriate with the following exception:

- Misdemeanor traffic violations of the RCW (RCW 13.04.030(1)(e))

All other misdemeanor violations for juveniles shall be documented with a case number and the case should be referred to the Prosecutor's Office for review.

## Arrest or Detention of Foreign Nationals

### 422.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that members of the Quincy Police Department extend appropriate privileges and immunities to foreign diplomatic and consular representatives in accordance with international law.

### 422.2 POLICY

The Quincy Police Department respects international laws related to the special privileges and immunities afforded foreign diplomatic and consular representatives assigned to the United States.

All foreign diplomatic and consular representatives shall be treated with respect and courtesy, regardless of any privileges or immunities afforded them.

### 422.3 CLAIMS OF IMMUNITY

If a member comes into contact with a person where law enforcement action may be warranted and the person claims diplomatic or consular privileges and immunities, the member should, without delay:

- (a) Notify a supervisor.
- (b) Advise the person that his/her claim will be investigated and he/she may be released in accordance with the law upon confirmation of the person's status.
- (c) Request the person's identification card, either issued by the U.S. Department of State (DOS), Office of the Chief of Protocol, or in the case of persons accredited to the United Nations, by the U.S. Mission to the United Nations. - (d) Contact the DOS Diplomatic Security Command Center at 571-345-3146 or toll free at 866-217-2089, or at another current telephone number and inform the center of the circumstances.
- (e) Verify the immunity status with DOS and follow any instructions regarding further detention, arrest, prosecution and/or release, as indicated by the DOS representative. This may require immediate release, even if a crime has been committed.

Identity or immunity status should not be presumed from the type of license plates displayed on a vehicle. If there is a question as to the status or the legitimate possession of a Diplomat or Consul license plate, a query should be run via the National Law Enforcement Telecommunications System (NLETS), designating "US" as the state.

### 422.4 ENFORCEMENT ACTION

If the DOS is not immediately available for consultation regarding law enforcement action, members shall be aware of the following:

## Reporting Police Activity Outside of Jurisdiction

### 426.1 PURPOSE AND SCOPE

This policy provides general guidelines for reporting police activity while on or off-duty and occurring outside the jurisdiction of the Quincy Police Department.

#### 426.1.1 ASSISTANCE TO AGENCIES OUTSIDE THE CITY

When an officer is on-duty and is requested by an allied agency to participate in law enforcement activity in another jurisdiction, he/she shall obtain prior approval from the immediate supervisor or the Shift Sergeant. If the request is of an emergency nature, the officer shall notify Multi-Agency Communications Center (MACC) before responding and thereafter notify a supervisor as soon as practical.

#### 426.1.2 LAW ENFORCEMENT ACTIVITY OUTSIDE THE CITY

Any on-duty officer, who engages in law enforcement activities of any type outside the immediate jurisdiction of the Quincy shall notify his/her supervisor or the Shift Sergeant at the earliest possible opportunity. Any off-duty officer who engages in any law enforcement activities, regardless of jurisdiction shall notify the Shift Sergeant as soon as practical.

The supervisor shall determine if a case report or other documentation of the officer's activity is required. The report or other documentation shall be forwarded to the officer's Captain.

## Immigration Violations

### 428.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to members of the Quincy Police Department for investigating and enforcing immigration laws.

### 428.2 POLICY

It is the policy of the Quincy Police Department that all members make personal and professional commitments to equal enforcement of the law and equal service to the public. Confidence in this commitment will increase the effectiveness of this department in protecting and serving the entire community and recognizing the dignity of all persons, regardless of their immigration status.

### 428.3 VICTIMS AND WITNESSES

To encourage crime reporting and cooperation in the investigation of criminal activity, all individuals, regardless of their immigration status, must feel secure that contacting or being addressed by members of law enforcement will not automatically lead to immigration inquiry and/or deportation. While it may be necessary to determine the identity of a victim or witness, members shall treat all individuals equally and without regard to race, color or national origin in any way that would violate the United States or Washington Constitutions.

### 428.4 ENFORCEMENT

An officer may detain an individual when there are facts supporting a reasonable suspicion that the individual entered into the United States in violation of a federal criminal law. Federal authorities shall be notified as soon as possible and the detained individual shall be immediately released if the federal authorities do not want the person held. An officer should not detain any individual, for any length of time, for a civil violation of federal immigration laws or a related civil warrant.

At no time will an officer with the Quincy Police Department ask a person about their immigration status unless it pertains directly to the crime or offense being investigated or the person claims immunity (see 422.3).

#### 428.4.1 CIVIL VS. CRIMINAL FEDERAL OFFENSES

An individual who enters into the United States illegally has committed a misdemeanor (8 USC § 1325(a)). Generally, an alien who initially made a legal entry into the United States but has remained beyond what is a legal period of time has committed a federal civil offense.

Reasonable suspicion that a criminal immigration violation has occurred shall not be based on race, color, national origin or any other generalization that would cast suspicion on or stigmatize any person, except to the extent permitted by the United States or Washington Constitutions. Instead, the totality of circumstances shall be used to determine reasonable suspicion, and shall include factors weighing for and against reasonable suspicion.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Immigration Violations*

---

Factors that may be considered in determining reasonable suspicion that a criminal immigration violation has occurred may include, but are not limited to:

- (a) An admission that the person entered the United States illegally.
- (b) Reason to suspect that the person possesses immigration documentation that is forged, altered or otherwise indicative that the person is not legally present in the United States.
- (c) While a lack of English proficiency may be considered, it should not be the sole factor in establishing reasonable suspicion. When practicable, reasonable effort should be made to accommodate persons with limited English proficiency.
- (d) Other factors based upon training and experience.

### **428.4.2 IMMIGRATION CHECKS**

Immigration status may be determined through any of the following sources:

- (a) A law enforcement officer who is authorized by the federal government under 8 USC § 1357 to verify or ascertain an alien's immigration status (sometimes referred to as a 287(g) certified officer)
- (b) Immigration and Customs Enforcement (ICE)
- (c) U.S. Customs and Border Protection (CBP)

### **428.5 ARREST NOTIFICATION TO IMMIGRATION AND CUSTOMS ENFORCEMENT**

Officers will not need to notify ICE when booking arrestees at the county jail. Immigration officials routinely interview suspected undocumented aliens who are booked into the county jail on criminal charges. Notification will be handled according to jail operation procedures. No individual who is otherwise ready to be released should continue to be detained solely for the purpose of notification.

### **428.6 ICE REQUEST FOR ASSISTANCE**

Requests by ICE, or any other federal agency, for assistance from this department should be directed to a supervisor. The Department may provide available support services, such as traffic control or peacekeeping efforts, to ICE or other federal agencies.

### **428.7.1 IMMIGRATION HOLDS**

No individual should be held based solely on a federal immigration detainer under 8 CFR 287.7 unless the person has been charged with a federal crime or the detainer is accompanied by a warrant, affidavit of probable cause, or removal order. Notification to the federal authority issuing the detainer should be made prior to the release.

### **428.8 U VISA AND T VISA NON-IMMIGRANT STATUS**

Under certain circumstances, federal law allows temporary immigration benefits, known as a U visa, to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U)). A law enforcement certification for a U visa may be completed by an officer in order for a U visa to be issued.

Similar immigration protection, known as a T visa, is available for certain qualifying victims of human trafficking (8 USC § 1101(a)(15)(T)). A law enforcement declaration for a T visa may be completed by an officer in order for a T visa to be issued.

Any request for assistance in applying for U visa or T visa status should be forwarded in a timely manner to the Investigations supervisor assigned to oversee the handling of any related case. The Investigations supervisor should:

- (a) Consult with the assigned investigator to determine the current status of any related case and whether further documentation is warranted.
- (b) Contact the appropriate prosecutor assigned to the case, if applicable, to ensure the certification or declaration has not already been completed and whether a certification or declaration is warranted.
- (c) Address the request and complete the certification or declaration, if appropriate, in a timely manner.
  1. The instructions for completing certification and declaration forms can be found on the U.S. Department of Homeland Security (DHS) website.
- (d) Ensure that any decision to complete, or not complete, a certification or declaration form is documented in the case file and forwarded to the appropriate prosecutor. Include a copy of any completed form in the case file.

### **428.9 TRAINING**

The Training Sergeant shall ensure that all appropriate members receive immigration training.

The NTSB has primary responsibility for investigating accidents involving civil aircraft. In the case of a military aircraft accident, the appropriate branch of the military will have primary investigation responsibility.

After the NTSB or military representative arrives on-scene, the efforts of this department will shift to a support role for those agencies.

If NTSB or a military representative determines that an aircraft or accident does not qualify under its jurisdiction, the on-scene department supervisor should ensure the accident is still appropriately investigated and documented.

## Contacts and Temporary Detentions

### 438.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for temporarily detaining but not arresting persons in the field, conducting field interviews (FI) and pat-down searches, and the taking and disposition of photographs.

#### 438.1.1 DEFINITIONS

**Consensual encounter** - When an officer contacts an individual but does not create a detention through words, actions, or other means. In other words, a reasonable individual would believe that his/her contact with the officer is voluntary.

**Field interview (FI)** - The brief detainment of an individual, whether on foot or in a vehicle, based on reasonable suspicion for the purposes of determining the individual's identity and resolving the officer's suspicions.

**Field photographs** - Posed photographs taken of a person during a contact, detention, or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a Mobile Audio Video (MAV) system, body-worn camera, or public safety camera when persons are not posed for the purpose of photographing are not considered field photographs.

**Pat-down search** - A type of search used by officers in the field to check an individual for dangerous weapons. It involves a thorough patting down of clothing to locate any weapons or dangerous items that could pose a danger to the officer, the detainee, or others.

**Reasonable suspicion** - When, under the totality of the circumstances, an officer has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

**Temporary detention** - When an officer intentionally, through words, actions or physical force, causes an individual to reasonably believe he/she is required to restrict his/her movement without an actual arrest. Temporary detentions also occur when an officer actually restrains a person's freedom of movement.

### 438.2 FIELD INTERVIEWS

Based on observance of suspicious circumstances or upon information from investigation, an officer may initiate the stop of a person, and conduct an FI, when there is articulable, reasonable suspicion to do so. A person, however, shall not be detained longer than is reasonably necessary to resolve the officer's suspicion.

Nothing in this policy is intended to discourage consensual contacts. Frequent casual contact with consenting individuals is encouraged by the Quincy Police Department to strengthen community involvement, community awareness, and problem identification.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Contacts and Temporary Detentions*

---

### **438.2.1 INITIATING A FIELD INTERVIEW**

When initiating the stop, the officer should be able to point to specific facts which, when considered with the totality of the circumstances, reasonably warrant the stop. Such facts include but are not limited to an individual's:

- (a) Appearance or demeanor suggesting that he/she is part of a criminal enterprise or is engaged in a criminal act.
- (b) Actions suggesting that he/she is engaged in a criminal activity.
- (c) Presence in an area at an inappropriate hour of the day or night.
- (d) Presence in a particular area is suspicious.
- (e) Carrying of suspicious objects or items.
- (f) Excessive clothes for the climate or clothes bulging in a manner that suggests he/she is carrying a dangerous weapon.
- (g) Location in proximate time and place to an alleged crime.
- (h) Physical description or clothing worn that matches a suspect in a recent crime.
- (i) Prior criminal record or involvement in criminal activity as known by the officer.

### **438.3 PAT-DOWN SEARCHES**

Once a valid stop has been made, and consistent with the officer's training and experience, an officer may pat a suspect's outer clothing for weapons if the officer has a reasonable, articulable suspicion the suspect may pose a safety risk. The purpose of this limited search is not to discover evidence of a crime, but to allow the officer to pursue the investigation without fear of violence. Circumstances that may establish justification for performing a pat-down search include but are not limited to the following:

- (a) The type of crime suspected, particularly in crimes of violence where the use or threat of deadly weapons is involved.
- (b) Where more than one suspect must be handled by a single officer.
- (c) The hour of the day and the location or neighborhood where the stop takes place.
- (d) Prior knowledge of the suspect's use of force and/or propensity to carry weapons.
- (e) The actions and demeanor of the suspect.
- (f) Visual indications which suggest that the suspect is carrying a firearm or other dangerous weapon.

Whenever practicable, pat-down searches should not be conducted by a lone officer. A cover officer should be positioned to ensure safety and should not be involved in the search.

### **438.4 FIELD PHOTOGRAPHS**

All available databases should be searched before photographing any field detainee. If a photograph is not located, or if an existing photograph no longer resembles the detainee, the officer shall carefully consider, among other things, the factors listed below.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Contacts and Temporary Detentions*

---

### 438.4.1 FIELD PHOTOGRAPHS TAKEN WITH CONSENT

Officers wishing to take field photographs of non-detained subject(s), (i.e., social contact, non-investigatory contact, etc.) must obtain voluntary consent from the subject.

### 438.4.2 FIELD PHOTOGRAPHS TAKEN WITHOUT CONSENT

Field photographs may be taken without consent only if they are taken during a detention that is based on reasonable suspicion of criminal activity, and the photograph serves a legitimate law enforcement purpose related to the detention. The officer must be able to articulate facts that reasonably indicate that the subject was involved in or was about to become involved in criminal conduct. The subject should not be ordered to remove or lift any clothing for the purpose of taking a photograph.

If, prior to taking a photograph, the officer's reasonable suspicion of criminal activity has been dispelled, the detention must cease and the photograph should not be taken.

All field photographs and related reports shall be submitted to a supervisor and retained in compliance with this policy.

### 438.4.3 SUPERVISOR RESPONSIBILITIES

While it is recognized that field photographs often become valuable investigative tools, supervisors should monitor such practices in view of the above listed considerations. This is not to imply that supervisor approval is required before each photograph is taken.

Access to, and use of, field photographs shall be strictly limited to law enforcement purposes.

## **438.5 DISPOSITION OF PHOTOGRAPHS**

All detainee photographs will be added to the appropriate name file page in Spillman. If the photograph is part of a criminal investigation, the date, time and location the photograph was taken should be noted in the officer's report.

If a photograph is not associated with an investigation where a case number has been issued, the should review and forward the photograph to one of the following locations:

- (a) If the photo and associated FI or memorandum is relevant to criminal street gang enforcement, the will forward the photo and documents to the Gang Unit. The Gang Unit will ensure the photograph and supporting documents are retained as proscribed by the Criminal Organizations Policy.
- (b) Photographs that do not qualify for Criminal Street Gang file retention or which are not evidence in an investigation with an assigned case number should be forwarded to the. These photographs will be purged as described in PURGING THE FIELD PHOTO FILE. When a photograph is taken in association with a particular case, the detective may use such photograph in a photo lineup. Thereafter, the individual photograph should be retained as a part of the case file. All other photographs will be kept in the in a separate non-booking photograph file in alphabetical order.

### **438.6 POLICY**

The Quincy Police Department respects the right of the public to be free from unreasonable searches or seizures. Due to an unlimited variety of situations confronting the officer, the decision to temporarily detain a person and complete an FI, pat-down search, or field photograph shall be left to the officer based on the totality of the circumstances, officer safety considerations, and constitutional safeguards.

### **438.7 WITNESS IDENTIFICATION AND INTERVIEWS**

Because potential witnesses to an incident may become unavailable or the integrity of their statements compromised with the passage of time, officers should, when warranted by the seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor and/or criminal investigator to utilize available members for the following:

- (a) Identifying all persons present at the scene and in the immediate area.
  - 1. When feasible, a recorded statement should be obtained from those who claim not to have witnessed the incident but who were present at the time it occurred.
  - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose of identification, [officers/deputies] should attempt to identify the witness prior to his/her departure.
- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by department members.
  - 1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transport.

A temporary information file may only contain information and documents that, within one year, will have a reasonable likelihood to meet the criteria for entry into an authorized criminal intelligence system.

Information and documents contained in a temporary information file:

- (a) Must only be included upon documented authorization of the responsible department supervisor.

The designated supervisor shall periodically review the temporary information files to verify that the contents meet the criteria for retention. Validation and purging of files is the responsibility of the supervisor.

### 444.3 OFFICER RESPONSIBILITIES

Prior to going into service, each officer will properly equip him/herself to record video in the field. At the end of the shift, each officer will follow the established procedures for providing to the Department any recordings or used media and any other related equipment. Each officer should have adequate recording media for the entire duty assignment. In the event an officer works at a remote location and reports in only periodically, additional recording media may be issued. (c) Any other circumstances where the officer believes that a recording of an event would be appropriate.

Once the MAV system is activated, the video recording systems shall remain on and shall not be turned off until the event has concluded. For purposes of this section, conclusion of an event may occur for example, when all arrests have been made, arrestees have been transported to the QPD or the jail, and all witnesses, victims, etc. have been interviewed. Recording may cease, for example, if an officer is simply waiting for a tow truck or a family member to arrive or other similar situations.

### **444.3.2 WHEN ACTIVATION NOT REQUIRED**

Activation of the MAV system is not required when exchanging information with other officers or during breaks, lunch periods, when not in service, or actively on patrol. Absent legal cause or lawful order no member of this Department may intentionally and surreptitiously record any other member of this Department without the expressed knowledge and consent of all parties.

### **444.4 ACTIVATION OF THE MAV**

The MAV system is designed to turn on whenever the unit's emergency lights are activated. The system remains on until it is turned off manually.

Whenever reasonably practicable, officers shall inform any person being recorded that an audio recording is being made and shall ensure that such advisement informing the person is also recorded (RCW 9.73.090(1)(c)).

### **444.5 REVIEW OF MAV RECORDINGS**

All recording media, recorded images and audio recordings are the property of the Department. Dissemination outside of the agency is strictly prohibited, except to the extent permitted or required by law.

To prevent damage to, or alteration of, the original recorded media, it shall not be copied, viewed or otherwise inserted into any device not approved by the department MAV technician or forensic media staff. When reasonably possible, a copy of the original media shall be used for viewing (unless otherwise directed by the courts) to preserve the original media.

Recordings may be reviewed in any of the following situations:

- (a) For use when preparing reports or statements
- (b) By a supervisor investigating a specific act of officer conduct
- (c) By a supervisor to assess officer performance
- (d) To assess proper functioning of MAV systems

- (e) By a department investigator who is participating in an official investigation, such as a personnel complaint, administrative inquiry or a criminal investigation
- (f) By department personnel who request to review recordings
- (g) By an officer who is captured on or referenced in the video or audio data and reviews and uses such data for any purpose relating to his/her employment
- (h) By court personnel through proper process or with permission of the Chief of Police or the authorized designee.
- (i) By the media personnel through proper process or with permission of the Chief of Police or his/her the authorized designee.
- (j) To assess possible training value
- (k) Recordings may be shown for training purposes. If an involved officer objects to showing a recording, his/her objection will be submitted to the staff to determine if the training value outweighs the officer's objection.

No sound or video recording may be made available to the public until final disposition of any criminal or civil litigation which arises from the event or events that were recorded (RCW 9.73.090(1)(c)).

Employees desiring to view any previously uploaded or archived MAV recording should submit a request in writing to the Shift Sergeant. Approved requests should be forwarded to the MAV technician for processing.

In no event shall any recording be used or shown for the purpose of ridiculing or embarrassing any employee.

### **444.6 DOCUMENTING MAV USE**

MAV recordings created by mobile units which have captured a unique or unusual action from which litigation or criminal prosecution is expected or likely to result, will be retained in evidence and retained until the matter is resolved and until exhaustion of any appeals process and then destroyed. (Law Enforcement Records Retention Schedule Version 6.0 (July 2010), "Case Management" section 8.1.22 (page 50))

MAV Recordings created by mobile units that have not captured a unique or unusual incident or action from which litigation or criminal prosecution is expected or likely to result, will be retained for Six (6) Months after date of recording and then destroyed.

#### **444.6.1 COPIES OF VIDEO RECORDINGS**

MAV recordings shall not normally be used for any purpose other than for evidence. If a copy is needed for another purpose, i.e. training or other reason, a request will be made via the chain of command.

Officers shall burn a DVD for evidence when incidents include, but not limited to the following:

---

1. DUI's
2. Pursuits
3. Vehicle searches (traffic stops)
4. Response to D/V's if there is evidentiary value (i.e. audio recorded incident)
5. Any other incident in which there is evidentiary value

### 444.6.2 MAV RECORDINGS AS EVIDENCE

MAV recordings booked into evidence, shall be booked according to department procedure and referenced in the case report or NOI.

## Mobile Data Computer Use

### 446.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper access, use and application of the Mobile Data Computer (MDC) system in order to ensure appropriate access to confidential records from local, state and national law enforcement databases, and to ensure effective electronic communications between department members and Multi-Agency Communications Center (MACC).

### 446.2 POLICY

Quincy Police Department members using the MDC shall comply with all appropriate federal and state rules and regulations and shall use the MDC in a professional manner, in accordance with this policy.

### 446.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to messages accessed, transmitted, received or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

### 446.4 DOCUMENTATION OF ACTIVITY

Except as otherwise directed by the Shift Sergeant or other department-established protocol, all calls for service assigned by a dispatcher should be communicated by voice over the police radio and electronically via the MDC unless security or confidentiality prevents such broadcasting.

MDC and voice transmissions are used to document the member's daily activity. To ensure accuracy:

- (a) All contacts or activity shall be documented at the time of the contact.
- (b) Whenever the activity or contact is initiated by voice, it should be documented by a dispatcher.
- (c) Whenever the activity or contact is not initiated by voice, the member shall document it via the MDC.

#### 446.4.1 STATUS CHANGES

All changes in status (e.g., arrival at scene, meal periods, in service) will be transmitted over the police radio or through the MDC system.

Members responding to in-progress calls should advise changes in status over the radio to assist other members responding to the same incident. Other changes in status can be made on the MDC when the vehicle is not in motion.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Mobile Data Computer Use*

---

### 446.4.2 EMERGENCY ACTIVATION

If there is an emergency activation and the member does not respond to a request for confirmation of the need for emergency assistance or confirms the need, available resources will be sent to assist in locating the member. If the location is known, the nearest available officer should respond in accordance with the Officer Response to Calls Policy.

Members should ensure a field supervisor and the Shift Sergeant are notified of the incident without delay.

Officers not responding to the emergency shall refrain from transmitting on the police radio until a no-further-assistance broadcast is made or if they are also handling an emergency.

### 446.5 RESTRICTED ACCESS AND USE

MDC use is subject to the Information Technology Use and Protected Information policies.

Members shall not access the MDC system if they have not received prior authorization and the required training. Members shall immediately report unauthorized access or use of the MDC by another member to their supervisors or Shift Sergeants.

Use of the MDC system to access law enforcement databases or transmit messages is restricted to official activities, business-related tasks and communications that are directly related to the business, administration or practices of the Department. In the event that a member has questions about sending a particular message or accessing a particular database, the member should seek prior approval from his/her supervisor.

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing or any other inappropriate messages on the MDC system is prohibited and may result in discipline.

It is a violation of this policy to transmit a message or access a law enforcement database under another member's name or to use the password of another member to log in to the MDC system unless directed to do so by a supervisor. Members are required to log off the MDC or secure the MDC when it is unattended. This added security measure will minimize the potential for unauthorized access or misuse.

#### 446.5.1 USE WHILE DRIVING

Use of the MDC by the vehicle operator should be limited to times when the vehicle is stopped. Information that is required for immediate enforcement, investigative, tactical or safety needs should be transmitted over the radio.

In no case shall an operator attempt to send or review lengthy messages while the vehicle is in motion.

## Portable Audio/Video Recorders

### 448.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of portable audio/video recording devices by members of this department while in the performance of their duties (RCW 10.109.010). Portable audio/video recording devices include all recording systems whether body-worn, hand held or integrated into portable equipment.

This policy does not apply to mobile audio/video recordings, interviews or interrogations conducted at any Quincy Police Department facility, authorized undercover operations, wiretaps or eavesdropping (concealed listening devices).

### 448.2 POLICY

The Quincy Police Department may provide members with access to portable recorders, either audio or video or both, for use during the performance of their duties. The use of recorders is intended to enhance the mission of the Department by accurately capturing contacts between members of the Department and the public.

### 448.3 MEMBER PRIVACY EXPECTATION

All recordings made by members on any department-issued device at any time, and any recording made while acting in an official capacity of the department, regardless of ownership of the device it was made on, shall remain the property of the Department. Members shall have no expectation of privacy or ownership interest in the content of these recordings.

### 448.4 MEMBER RESPONSIBILITIES

Prior to going into service, each uniformed member will be responsible for making sure that he/she is equipped with a portable recorder issued by the Department, and that the recorder is in good working order. If the recorder is not in working order or the member becomes aware of a malfunction at any time, the member shall promptly report the failure to his/her supervisor and obtain a functioning device as soon as reasonably practicable. Uniformed members should wear the recorder in a conspicuous manner or otherwise notify persons that they are being recorded, whenever reasonably practicable.

Any member assigned to a non-uniformed position may carry an approved portable recorder at any time the member believes that such a device may be useful. Unless conducting a lawful recording in an authorized undercover capacity, non-uniformed members should wear the recorder in a conspicuous manner when in use or otherwise notify persons that they are being recorded, whenever reasonably practicable.

When using a portable recorder, the assigned member shall record his/her name, QPD identification number and the current date and time at the beginning and the end of the shift or other period of use, regardless of whether any activity was recorded. This procedure is not

# Quincy Police Department

Quincy PD WA Policy Manual

## *Portable Audio/Video Recorders*

---

required when the recording device and related software captures the user's unique identification and the date and time of each recording.

Members should document the existence of a recording in any report or other official record of the contact, including any instance where the recorder malfunctioned or the member deactivated the recording. Members should include the reason for deactivation (RCW 10.109.010).

### **448.5 ACTIVATION OF THE PORTABLE RECORDER**

This policy is not intended to describe every possible situation in which the portable recorder should be used, although there are many situations where its use is appropriate. Members should activate the recorder any time the member believes it would be appropriate or valuable to record an incident.

The portable recorder should be activated in any of the following situations:

- (a) All enforcement and investigative contacts including stops and field interview (FI) situations
- (b) Traffic stops including, but not limited to, traffic violations, stranded motorist assistance and all crime interdiction stops
- (c) Self-initiated activity in which a member would normally notify Multi-Agency Communications Center (MACC)
- (d) Any other contact that becomes adversarial after the initial contact in a situation that would not otherwise require recording

Members should remain sensitive to the dignity of all individuals being recorded and exercise sound discretion to respect privacy by discontinuing recording whenever it reasonably appears to the member that such privacy may outweigh any legitimate law enforcement interest in recording. Requests by members of the public to stop recording should be considered using this same criterion. Recording should resume when privacy is no longer at issue unless the circumstances no longer fit the criteria for recording.

No member of this department may record a face-to-face conversation without first announcing to everyone present that the conversation is going to be recorded and ensuring the announcement is recorded except pursuant to a warrant, or when the communication is of an emergency nature or relates to communications by a hostage holder or barricaded suspect (RCW 9.73.030).

At no time is a member expected to jeopardize his/her safety in order to activate a portable recorder or change the recording media. However, the recorder should be activated in situations described above as soon as reasonably practicable.

#### **448.5.1 SURREPTITIOUS USE OF THE AUDIO/VIDEO RECORDER**

Washington law prohibits any individual from surreptitiously recording any conversation, except as provided in RCW 9.73.040, RCW 9.73.090 and RCW 9.73.210.

Members shall not surreptitiously record another department member without a court order unless lawfully authorized by the Chief of Police or the authorized designee.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Portable Audio/Video Recorders*

---

### 448.5.2 CESSATION OF RECORDING

Once activated, the portable recorder should remain on continuously until the member reasonably believes that his/her direct participation in the incident is complete or the situation no longer fits the criteria for activation. Recording may be stopped during significant periods of inactivity such as report writing or other breaks from direct participation in the incident.

### 448.5.3 EXPLOSIVE DEVICE

Many portable recorders, including body-worn cameras and audio/video transmitters, emit radio waves that could trigger an explosive device. Therefore, these devices should not be used where an explosive device may be present.

### **448.6 PROHIBITED USE OF PORTABLE RECORDERS**

Members are prohibited from using department-issued portable recorders and recording media for personal use and are prohibited from making personal copies of recordings created while on-duty or while acting in their official capacity.

Members are also prohibited from retaining recordings of activities or information obtained while on-duty, whether the recording was created with a department-issued or personally owned recorder. Members shall not duplicate or distribute such recordings, except for authorized legitimate department business purposes. All such recordings shall be retained at the Department.

Members are prohibited from using personally owned recording devices while on-duty without the express consent of the Shift Sergeant. Any member who uses a personally owned recorder for department-related activities shall comply with the provisions of this policy, including retention and release requirements, and should notify the on-duty supervisor of such use as soon as reasonably practicable.

Recordings shall not be used by any member for the purpose of embarrassment, harassment or ridicule.

### **448.7 IDENTIFICATION AND PRESERVATION OF RECORDINGS**

To assist with identifying and preserving data and recordings, members should download, tag or mark these in accordance with procedure and document the existence of the recording in any related case report.

A member should transfer, tag or mark recordings when the member reasonably believes:

- (a) The recording contains evidence relevant to potential criminal, civil or administrative matters.
- (b) A complainant, victim or witness has requested non-disclosure.
- (c) A complainant, victim or witness has not requested non-disclosure but the disclosure of the recording may endanger the person.
- (d) Disclosure may be an unreasonable violation of someone's privacy.
- (e) Medical or mental health information is contained.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Portable Audio/Video Recorders*

---

- (f) Disclosure may compromise an undercover officer or confidential informant.

Any time a member reasonably believes a recorded contact may be beneficial in a non-criminal matter (e.g., a hostile contact), the member should promptly notify a supervisor of the existence of the recording.

### **448.8 REVIEW OF RECORDED MEDIA FILES**

When preparing written reports, members should review their recordings as a resource (see the Officer-Involved Shootings and Deaths Policy for guidance in those cases). However, members shall not retain personal copies of recordings. Members should not use the fact that a recording was made as a reason to write a less detailed report.

Supervisors are authorized to review relevant recordings any time they are investigating alleged misconduct or reports of meritorious conduct or whenever such recordings would be beneficial in reviewing the member's performance.

Recorded files may also be reviewed:

- (a) Upon approval by a supervisor, by any member of the Department who is participating in an official investigation, such as a personnel complaint, administrative investigation or criminal investigation.
- (b) Pursuant to lawful process or by court personnel who are otherwise authorized to review evidence in a related case.
- (c) By media personnel with permission of the Chief of Police or the authorized designee.
- (d) In compliance with a public records request, if permitted, and in accordance with the Records Maintenance and Release Policy.

All recordings should be reviewed by the Custodian of Records prior to public release (see the Records Maintenance and Release Policy). Recordings that unreasonably violate a person's privacy or sense of dignity should not be publicly released unless disclosure is required by law or order of the court.

### **448.9 RETENTION OF RECORDINGS**

All recordings shall be retained for a period consistent with the requirements of the organization's records retention schedule.

## Foot Pursuits

### 453.1 PURPOSE AND SCOPE

This policy provides guidelines to assist officers in making the decision to initiate or continue the pursuit of suspects on foot.

### 453.2 POLICY

It is the policy of this department that officers, when deciding to initiate or continue a foot pursuit, continuously balance the objective of apprehending the suspect with the risk and potential for injury to department members, the public or the suspect.

Officers are expected to act reasonably, based on the totality of the circumstances.

### 453.3 DECISION TO PURSUE

The safety of department members and the public should be the primary consideration when determining whether a foot pursuit should be initiated or continued. Officers must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and department members.

Officers may be justified in initiating a foot pursuit of any individual that the officer reasonably believes is about to engage in, is engaging in or has engaged in criminal activity. The decision to initiate or continue such a foot pursuit, however, must be continuously re-evaluated in light of the circumstances presented at the time.

Mere flight by a person who is not suspected of criminal activity alone shall not serve as justification for engaging in an extended foot pursuit without the development of reasonable suspicion regarding the individual's involvement in criminal activity or being wanted by law enforcement.

Deciding to initiate or continue a foot pursuit is a decision that an officer must make quickly and under unpredictable and dynamic circumstances. It is recognized that foot pursuits may place department members and the public at significant risk. Therefore, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a foot pursuit because of the perceived risk involved.

If circumstances permit, surveillance and containment are generally the safest tactics for apprehending fleeing persons. In deciding whether to initiate or continue a foot pursuit, an officer should continuously consider reasonable alternatives to a foot pursuit based upon the circumstances and resources available, such as:

- (a) Containment of the area.
- (b) Saturation of the area with law enforcement personnel, including assistance from other agencies.
- (c) A canine search.
- (d) Thermal imaging or other sensing technology.

# Quincy Police Department

Quincy PD WA Policy Manual

## Foot Pursuits

---

- (e) Air support.
- (f) Apprehension at another time when the identity of the suspect is known or there is information available that would likely allow for later apprehension, and the need to immediately apprehend the suspect does not reasonably appear to outweigh the risk of continuing the foot pursuit.

### 453.4 GENERAL GUIDELINES

When reasonably practicable, officers should consider alternatives to engaging in or continuing a foot pursuit when:

- (a) Directed by a supervisor to terminate the foot pursuit; such an order shall be considered mandatory.
- (b) The officer is acting alone.
- (c) Two or more officers become separated, lose visual contact with one another or obstacles separate them to the degree that they cannot immediately assist each other should a confrontation take place. In such circumstances, it is generally recommended that a single officer keep the suspect in sight from a safe distance and coordinate the containment effort.
- (d) The officer is unsure of his/her location and direction of travel.
- (e) The officer is pursuing multiple suspects and it is not reasonable to believe that the officer would be able to control the suspect should a confrontation occur.
- (f) The physical condition of the officer renders him/her incapable of controlling the suspect if apprehended.
- (g) The officer loses radio contact with the dispatcher or with assisting or backup officers.
- (h) The suspect enters a building, structure, confined space, isolated area or dense or difficult terrain, and there are insufficient officers to provide backup and containment. The primary officer should consider discontinuing the foot pursuit and coordinating containment pending the arrival of sufficient resources.
- (i) The officer becomes aware of unanticipated or unforeseen circumstances that unreasonably increase the risk to officers or the public.
- (j) The officer reasonably believes that the danger to the pursuing officers or public outweighs the objective of immediate apprehension.
- (k) The officer loses possession of his/her firearm or other essential equipment.
- (l) The officer or a third party is injured during the foot pursuit, requiring immediate assistance, and there are no other emergency personnel available to render assistance.
- (m) The suspect's location is no longer known.
- (n) The identity of the suspect is established or other information exists that will allow for the suspect's apprehension at a later time, and it reasonably appears that there is no immediate threat to department members or the public if the suspect is not immediately apprehended.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Foot Pursuits*

---

- (o) The officer's ability to safely continue the foot pursuit is impaired by inclement weather, darkness or other environmental conditions.

### **453.5 RESPONSIBILITIES IN FOOT PURSUITS**

#### **453.5.1 INITIATING OFFICER RESPONSIBILITIES**

Unless relieved by another officer or a supervisor, the initiating officer shall be responsible for coordinating the progress of the pursuit and containment. When acting alone and when practicable, the initiating officer should not attempt to overtake and confront the suspect but should attempt to keep the suspect in sight until sufficient officers are present to safely apprehend the suspect.

Early communication of available information from the involved officers is essential so that adequate resources can be coordinated and deployed to bring a foot pursuit to a safe conclusion. Officers initiating a foot pursuit should, at a minimum, broadcast the following information as soon as it becomes practicable and available:

- (a) Location and direction of travel
- (b) Call sign identifier
- (c) Reason for the foot pursuit, such as the crime classification
- (d) Number of suspects and description, to include name if known
- (e) Whether the suspect is known or believed to be armed with a dangerous weapon

Officers should be mindful that radio transmissions made while running may be difficult to understand and may need to be repeated.

Absent extenuating circumstances, any officer unable to promptly and effectively broadcast this information should terminate the foot pursuit. If the foot pursuit is discontinued for any reason, immediate efforts for containment should be established and alternatives considered based upon the circumstances and available resources.

When a foot pursuit terminates, the officer will notify the dispatcher of his/her location and the status of the foot pursuit termination (e.g., suspect in custody, lost sight of suspect), and will direct further actions as reasonably appear necessary, to include requesting medical aid as needed for officers, suspects or members of the public.

#### **453.5.2 ASSISTING OFFICER RESPONSIBILITIES**

Whenever any officer announces that he/she is engaged in a foot pursuit, all other officers should minimize non-essential radio traffic to permit the involved officers maximum access to the radio frequency.

#### **453.5.3 SUPERVISOR RESPONSIBILITIES**

Upon becoming aware of a foot pursuit, the supervisor shall make every reasonable effort to ascertain sufficient information to direct responding resources and to take command, control and coordination of the foot pursuit. The supervisor should respond to the area whenever possible;

# Quincy Police Department

Quincy PD WA Policy Manual

## *Foot Pursuits*

---

the supervisor does not, however, need to be physically present to exercise control over the foot pursuit. The supervisor shall continuously assess the situation in order to ensure the foot pursuit is conducted within established department guidelines.

The supervisor shall terminate the foot pursuit when the danger to pursuing officers or the public appears to unreasonably outweigh the objective of immediate apprehension of the suspect.

Upon apprehension of the suspect, the supervisor shall promptly proceed to the termination point to direct the post-foot pursuit activity.

### **453.5.4 MULTI-AGENCY COMMUNICATIONS CENTER (MACC) RESPONSIBILITIES**

Upon notification or becoming aware that a foot pursuit is in progress, the dispatcher is responsible for:

- (a) Clearing the radio channel of non-emergency traffic.
- (b) Coordinating pursuit communications of the involved officers.
- (c) Broadcasting pursuit updates as well as other pertinent information as necessary.
- (d) Ensuring that a field supervisor is notified of the foot pursuit.
- (e) Notifying and coordinating with other involved or affected agencies as practicable.
- (f) Notifying the Shift Sergeant as soon as practicable.
- (g) Assigning an incident number and logging all pursuit activities.

### **453.6 REPORTING REQUIREMENTS**

The initiating officer shall complete appropriate crime/arrest reports documenting, at a minimum:

- (a) Date and time of the foot pursuit.
- (b) Initial reason and circumstances surrounding the foot pursuit.
- (c) Course and approximate distance of the foot pursuit.
- (d) Alleged offenses.
- (e) Involved vehicles and officers.
- (f) Whether a suspect was apprehended as well as the means and methods used.
  - 1. Any use of force shall be reported and documented in compliance with the Use of Force Policy.
- (g) Arrestee information, if applicable.
- (h) Any injuries and/or medical treatment.
- (i) Any property or equipment damage.
- (j) Name of the supervisor at the scene or who handled the incident.
- (k) A preliminary determination that the pursuit appears to be in compliance with this policy or that additional review and/or follow-up is warranted.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Foot Pursuits*

---

Assisting officers taking an active role in the apprehension of the suspect shall complete supplemental reports as necessary or as directed.

In any case in which a suspect is not apprehended and there is insufficient information to support further investigation, a supervisor may authorize that the initiating officer need not complete a formal report.

## Medical Marijuana

### 454.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of this department with guidelines for handling and distinguishing between claims of medical marijuana use under Washington's Medical Use of Cannabis Act and criminal controlled substance violations (RCW 69.51A.0001 et seq.).

#### 454.1.1 DEFINITIONS

Definitions related to this policy include (RCW 69.51A.010):

**Designated provider** - A person who is 21 years of age or older, who has been designated in writing by a patient to serve as a designated provider or is the parent or guardian of a qualifying patient who is 17 years of age or younger. An individual can act as a designated provider to no more than one patient at a time and is prohibited from consuming marijuana obtained for the use of the patient.

**Medical use of marijuana** - The manufacture, production, possession, transportation, delivery, ingestion, application or administration of marijuana for the exclusive benefit of a qualifying patient in the treatment of his/her terminal or debilitating medical condition.

**Qualifying patient** - Any person who meets all of the following criteria:

- Has been diagnosed by his/her health care professional as having a terminal or a debilitating medical condition.
- Is a resident of the state of Washington at the time of such diagnosis.
- Has been advised by his/her health care professional about the risks and benefits of the medical use of marijuana.
- Has been advised by the health care professional that he/she may benefit from the medical use of marijuana.
- Has an authorization from his/her health care professional.
- Is not under supervision for a crime that does not allow for the use of medical marijuana.

**Authorization** - Documentation that is signed and dated by a qualifying patient's health care professional, authorizing use of medical marijuana.

### 454.2 POLICY

It is the policy of the Quincy Police Department to prioritize resources to avoid making arrests related to marijuana that the arresting officer reasonably believes would not be prosecuted by state or federal authorities.

Washington medical marijuana laws are intended to provide protection from prosecution for those who use, possess, deliver or produce marijuana to mitigate the symptoms of certain debilitating or

# Quincy Police Department

Quincy PD WA Policy Manual

## *Medical Marijuana*

---

terminal medical conditions. However, Washington medical marijuana laws do not affect federal laws and there is no medical exception under federal law for the possession or distribution of marijuana.

Officers should exercise discretion to ensure laws are appropriately enforced without unreasonably burdening both the individuals protected under Washington law and the resources of the Department.

### **454.3 INVESTIGATION**

Investigations involving the possession, delivery or production of marijuana generally fall into one of several categories:

- (a) No medicinal claim is made.
- (b) A medicinal claim is made by a qualifying patient or designated provider who is in possession of amounts within the limits designated by RCW 69.51A.040.
- (c) A medicinal claim is made by a qualifying patient or designated provider who is in possession of amounts exceeding the limits designated by RCW 69.51A.040 or who presented no authorization when initially contacted.

#### **454.3.1 INVESTIGATIONS WITH NO MEDICINAL CLAIM**

In any investigation involving the possession, delivery or production of marijuana where there is no claim that the marijuana is for medicinal purposes, the officer should proceed with reasonable enforcement action. A medicinal defense may be raised at any time, so officers should document any statements and observations that may be relevant to whether the marijuana is possessed or produced for medicinal purposes.

#### **454.3.2 MEDICAL CLAIMS BY QUALIFYING PATIENTS OR DESIGNATED PROVIDERS**

A qualifying patient or designated provider with authorization should not be arrested if he/she possesses no more than 15 cannabis plants and (RCW 69.51A.040; RCW 69.51A.043):

- (a) 24 ounces of usable cannabis, or
- (b) No more cannabis product than what could reasonably be produced with no more than 24 ounces of usable cannabis, or
- (c) A combination of usable cannabis and cannabis product that does not exceed a combined total representing possession and processing of no more than 24 ounces of usable cannabis.

If a person is both a qualifying patient and a designated provider for another, he/she may possess no more than double the amounts described above (RCW 69.51A.040(1)(b)).

Officers may take enforcement action against a designated provider even when the above thresholds are not exceeded if there is evidence that the provider has converted the marijuana for

# Quincy Police Department

Quincy PD WA Policy Manual

## *Medical Marijuana*

---

his/her personal use or benefit or has provided for more than one patient within a 15-day period (RCW 69.51A.040).

Officers may take enforcement action against a qualifying patient even when the above thresholds are not exceeded if there is evidence that the patient possesses or uses the marijuana for his/her personal, non-medical use or benefit (RCW 69.51A.040).

### 454.3.3 EXCESS AMOUNTS OR NO AUTHORIZATION

A qualifying patient or designated provider may raise an affirmative defense to charges that the amount of marijuana in his/her possession exceeds the amount legally allowed by RCW 69.51A.040 or that he/she presented no authorization when initially contacted by law enforcement (RCW 69.51A.045).

Officers should conduct a thorough investigation in such cases, but in general, should not arrest a subject for possession, delivery or production of marijuana if an excess amount appears reasonable based upon the above policy considerations. Similarly, if an officer can verify that authorization exists, even though it was not presented by a qualified patient or designated provider, an arrest generally should not be made.

All facts should be thoroughly documented and if evidence is not seized, it shall be photographed and detailed in the report.

### 454.3.4 ADDITIONAL CONSIDERATIONS

Prior to making a physical arrest or confiscating cannabis plants, usable cannabis or product, officers should consider the following:

- (a) Whenever the initial investigation reveals an amount greater than specified by law, officers should, in anticipation of an affirmative defense, consider and document:
  1. The medical condition itself.
  2. The quality of the marijuana (chemical content).
  3. The method of ingestion (e.g., smoking, eating, nebulizer).
  4. The timing of the possession in relation to a harvest (patient may be storing marijuana).
  5. Whether the marijuana is being cultivated indoors or outdoors, and the climate.
- (b) Before proceeding with enforcement related to collective gardens, officers should consider conferring with appropriate legal counsel.
- (c) Investigations regarding collective gardens should consider pertinent City ordinances and that (RCW 69.51A.085):
  1. No more than 10 qualifying patients may participate in a single collective garden at any time.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Medical Marijuana*

---

2. The collective garden may contain no more than 15 plants per patient and no more than a total of 45 plants.
  3. The garden may contain no more than 24 ounces of usable cannabis per patient or no more than a total of 72 ounces of usable cannabis.
  4. Each collective garden participant must have a copy of his/her authorization and proof of identification available for inspection on site at all times.
  5. No usable cannabis from the collective garden may be delivered to anyone other than one of the qualifying patients participating in the garden.
- (d) Medical use and possession of marijuana authorized under the Washington medical marijuana statute does not support the forfeiture of property as set forth in the Asset Forfeiture Policy (RCW 69.51A.050).

### **454.4 EXCEPTIONS**

This policy does not apply to the following offenses; officers may take enforcement action if the person (RCW 69.51A.060):

- (a) Engages in the medical use of cannabis in a way that endangers the health or well-being of any person through the use of a motorized vehicle on a street, road or highway, including violations of RCW 46.61.502 or RCW 46.61.504, or equivalent local ordinances.
- (b) Uses or displays medical cannabis in a manner or place open to the view of the public.
- (c) Produces fraudulent documentation.

### **454.5 FEDERAL LAW ENFORCEMENT**

Officers may exchange information regarding a marijuana investigation with federal law enforcement authorities when information is requested by federal law enforcement authorities or whenever the officer reasonably believes federal law enforcement authorities would request the information if the authorities were aware of the information.

### **454.6 PROPERTY AND EVIDENCE SECTION SUPERVISOR RESPONSIBILITIES**

The Property and Evidence Section Supervisor shall ensure that marijuana, drug paraphernalia or other related property seized from a person engaged or assisting in the use of medical marijuana is not destroyed.

Upon a determination by the prosecuting attorney that the person from whom marijuana, drug paraphernalia or related property was seized is entitled to possession under the law, the Property and Evidence Section Supervisor should return to that person any usable marijuana, plants, drug paraphernalia or other seized property. That determination is the result of a decision not to prosecute, by the dismissal of charges or an acquittal.

The Property and Evidence Section Supervisor may destroy marijuana that was alleged to be for medical purposes upon receipt of a court order.

The Property and Evidence Section Supervisor may release marijuana to federal law enforcement authorities upon presentation of a valid court order or by a written order of the Investigations Supervisor.

## Homeless Persons

### 460.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that personnel understand the needs and rights of the homeless and to establish procedures to guide officers during all contacts with the homeless, whether consensual or for enforcement purposes. The Quincy Police Department recognizes that members of the homeless community are often in need of special protection and services. The Quincy Police Department will address these needs in balance with the overall missions of this department. Therefore, officers will consider the following policy sections when serving the homeless community (see the Emergent Detentions Policy).

#### 460.1.1 POLICY

It is the policy of the Quincy Police Department to provide law enforcement services to all members of the community while protecting the rights, dignity and private property of the homeless. Homelessness is not a crime and members of this department will not use homelessness solely as a basis for detention or law enforcement action.

### 460.2 HOMELESS COMMUNITY LIAISON

The Chief of Police will designate a member of this department to act as the Homeless Liaison Officer. The responsibilities of the Homeless Liaison Officer include the following:

- (a) Maintain and make available to all department employees a list of assistance programs and other resources that are available to the homeless.
- (b) Meet with Social Services and representatives of other organizations that render assistance to the homeless.
- (c) Remain abreast of laws dealing with the removal and/or destruction of the personal property of the homeless. This will include the following:
  1. Proper posting of notices of trespass and clean-up operations.
  2. Proper retention of property after clean-up, to include procedures for owners to reclaim their property in accordance with the Property and Evidence Policy and other established procedures.
- (d) Be present during any clean-up operation conducted by this department involving the removal of personal property of the homeless to ensure the rights of the homeless are not violated.
- (e) Develop training to assist officers in understanding current legal and social issues relating to the homeless.

### 460.3 FIELD CONTACTS

Officers are encouraged to contact the homeless for purposes of rendering aid, support and for community-oriented policing purposes. Nothing in this policy is meant to dissuade an officer from taking reasonable enforcement action when facts support a reasonable suspicion of criminal activity. However, when encountering a homeless person who has committed a non-violent

### *Homeless Persons*

---

misdemeanor and continued freedom is not likely to result in a continuation of the offense or a breach of the peace, officers are encouraged to consider long-term solutions to problems that may relate to the homeless, such as shelter referrals and counseling in lieu of physical arrest.

Officers should provide homeless persons with resource and assistance information whenever it is reasonably apparent such services may be appropriate.

#### **460.3.1 OTHER CONSIDERATIONS**

Homeless members of the community will receive the same level and quality of service provided to other members of the community. The fact that a victim or witness is homeless can, however, require special considerations for a successful investigation and prosecution. Officers should consider the following when handling investigations involving homeless victims, witnesses or suspects:

- (a) Document alternate contact information. This may include obtaining addresses and phone numbers of relatives and friends.
- (b) Document places the homeless person may frequent.
- (c) Provide homeless victims with victim/witness resources when appropriate.
- (d) Obtain statements from all available witnesses in the event a homeless victim is unavailable for a court appearance.
- (e) Consider whether the person may be a vulnerable adult and if so, proceed in accordance with the Adult Abuse Policy.
- (f) Arrange for transportation for investigation-related matters, such as medical exams and court appearances.
- (g) Consider whether a crime should be reported and submitted for prosecution even when a homeless victim indicates he/she does not desire prosecution.
- (h) Document any facts indicating that the offense was intentionally committed because the victim was homeless or perceived to be homeless (RCW 9.94A.535).

#### **460.4 PERSONAL PROPERTY**

The personal property of homeless persons must not be treated differently than the property of other members of the public. Officers should use reasonable care when handling, collecting and retaining the personal property of homeless persons and should not destroy or discard the personal property of a homeless person.

When a homeless person is arrested, or otherwise removed from a public place, officers should make reasonable accommodations to permit the person to lawfully secure his/her personal property. Otherwise, the personal property should be collected for safekeeping. If the arrestee has more personal property than can reasonably be collected and transported by the officer, a supervisor should be consulted. The property should be photographed and measures should be

Quincy PD WA Policy Manual

---

taken to remove or secure the property. It will be the supervisor's responsibility to coordinate the removal and safekeeping of the property.

Officers should not conduct or assist in clean-up operations of belongings that reasonably appear to be the property of homeless persons without the prior authorization of a supervisor or the department Homeless Liaison Officer. When practicable, requests by the public for clean-up operations of a homeless encampment should be referred to the Homeless Liaison Officer.

Officers who encounter unattended encampments, bedding or other personal property in public areas that reasonably appears to belong to a homeless person should not remove or destroy such property and should inform the department Homeless Liaison Officer if such property appears to involve a trespass, blight to the community or is the subject of a complaint. It will be the responsibility of the Homeless Liaison Officer to address the matter in a timely fashion.

### **460.5 MENTAL ILLNESSES AND MENTAL IMPAIRMENTS**

Some homeless persons may suffer from a mental illness or a mental impairment. Officers shall not detain a homeless person under a mental illness commitment unless facts and circumstances warrant such a detention.

When a mental illness detention is not warranted, the contacting officer should provide the homeless person with contact information for mental health assistance as appropriate. In these circumstances, officers may provide transportation to a mental health specialist if requested by the person and approved by a supervisor.

### **460.6 ECOLOGICAL ISSUES**

Sometimes homeless encampments can impact the ecology and natural resources of the community and may involve criminal offenses beyond mere littering. Officers are encouraged to notify other appropriate agencies or departments when a significant impact to the environment has or is likely to occur. Significant impacts to the environment may warrant a crime report, investigation, supporting photographs and supervisor notification.

## Public Recording of Law Enforcement Activity

### 461.1 PURPOSE AND SCOPE

This policy provides guidelines for handling situations in which members of the public photograph or audio/video record law enforcement actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence.

### 461.2 POLICY

The Quincy Police Department recognizes the right of persons to lawfully record members of this department who are performing their official duties. Members of this department will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully.

Officers should exercise restraint and should not resort to highly discretionary arrests for offenses such as interference, failure to comply or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

### 461.3 RECORDING LAW ENFORCEMENT ACTIVITY

Members of the public who wish to record law enforcement activities are limited only in certain aspects.

- (a) Recordings may be made from any public place or any private property where the individual has the legal right to be present.
- (b) Beyond the act of photographing or recording, individuals may not interfere with the law enforcement activity. Examples of interference include, but are not limited to:
  - 1. Tampering with a witness or suspect.
  - 2. Inciting others to violate the law.
  - 3. Being so close to the activity as to present a clear safety hazard to the officers.
  - 4. Being so close to the activity as to interfere with an officer's effective communication with a suspect or witness.
- (c) The individual may not present an undue safety risk to the officers, him/herself or others.

### 461.4 OFFICER RESPONSE

Officers should promptly request a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, officers should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Whenever practicable, officers or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or

# Quincy Police Department

---

behavior to be unlawful. Accompanying the warnings should be clear directions on what an individual can do to be compliant; directions should be specific enough to allow compliance. For example, rather than directing an individual to clear the area, an officer could advise the person that he/she may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with law enforcement activity, officers shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

### **461.5 SUPERVISOR RESPONSIBILITIES**

A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the officer and:

- (a) Request any additional assistance as needed to ensure a safe environment.
- (b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practical, the encounter should be recorded.
- (c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.
- (d) Ensure that any enforcement, seizure or other actions are consistent with this policy and constitutional and state law.
- (e) Explain alternatives for individuals who wish to express concern about the conduct of Department members, such as how and where to file a complaint.

### **461.6 SEIZING RECORDINGS AS EVIDENCE**

Officers should not seize recording devices or media unless (42 USC § 2000aa):

- (a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.
  1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.
- (b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.
- (c) The person consents.
  1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.
  2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible. Another way to obtain the

evidence is to transmit a copy of the recording from a device to a department-owned device.

Recording devices and media that are seized will be submitted within the guidelines of the Property and Evidence Policy.

## Bicycle Patrol Unit

### 462.1 PURPOSE AND SCOPE

The Quincy Police Department has established the Bicycle Patrol Unit (BPU) for the purpose of enhancing patrol efforts in the community. Bicycle patrol has been shown to be an effective way to increase officer visibility in congested areas and their quiet operation can provide a tactical approach to crimes in progress. The purpose of this policy is to provide guidelines for the safe and effective operation of the patrol bicycle.

### 462.2 POLICY

Patrol bicycles may be used for regular patrol duty, traffic enforcement, parking control, or special events. The use of the patrol bicycle will emphasize their mobility and visibility to the community.

Bicycles may be deployed to any area at all hours of the day or night, according to department needs and as staffing levels allow.

Requests for specific deployment of bicycle patrol officers shall be coordinated through the Bicycle Patrol Unit supervisor or the Sergeant.

### 462.3 SELECTION OF PERSONNEL

Interested sworn personnel, shall submit a memo to the Chief of Police. A copy will be forwarded to the BPU supervisor. Interested personnel shall be evaluated by the following criteria:

- (a) Recognized competence and ability as evidenced by performance.
- (b) Special skills or training as it pertains to the assignment.
- (c) Good physical condition.
- (d) Willingness to perform duties using the bicycle as a mode of transportation.

#### 462.3.1 BICYCLE PATROL UNIT SUPERVISOR

The Bicycle Patrol Unit supervisor will be selected by the Chief of Police or his/her designee.

The Bicycle Patrol Unit supervisor shall have responsibility for the following:

- (a) Organizing bicycle patrol training.
- (b) Inspecting and maintaining inventory of patrol bicycles and program equipment.
- (c) Scheduling maintenance and repairs.
- (d) Evaluating performance of bicycle officers.
- (e) Coordinating activities with the Patrol Division.
- (f) Other activities as required to maintain the efficient operation of the Bicycle Patrol Unit.

### **462.4 TRAINING**

Participants in the program must complete an initial department approved bicycle-training course after acceptance into the program. Thereafter bicycle patrol officers should receive in-service training to improve skills and refresh safety, health and operational procedures. The initial training shall minimally include the following:

- Bicycle patrol strategies.
- Bicycle safety and accident prevention.
- Operational tactics using bicycles.

Bicycle patrol officers will be required to qualify with their duty firearm while wearing bicycle safety equipment including the helmet and riding gloves.

### **462.5 UNIFORMS AND EQUIPMENT**

Officers shall wear the department-approved uniform and safety equipment while operating the department bicycle. Safety equipment includes department-approved helmet, riding gloves, protective eyewear and approved footwear.

### **462.6 CARE AND USE OF PATROL BICYCLES**

Officers will be assigned a specially marked and equipped patrol bicycle, attached gear bag, two batteries and a charger.

Bicycles are considered vehicles and therefore are subject to all laws, regulations, and privileges applicable to other vehicles operated upon the highway (RCW 46.04.670).

Bicycles utilized for uniformed bicycle patrol shall be primarily black or white with a police decal affixed to each side of the crossbar or the bike's saddlebag. Every such bicycle shall be equipped with front lights and rear reflectors or lights, and brakes satisfying the requirements of RCW 46.61.780.

Bicycles utilized for uniformed bicycle patrol shall be equipped with a rear rack and/or saddle bags sufficient to carry all necessary equipment to handle routine patrol calls including report writing, vehicle storage and citations.

Each bicycle gear bag shall include a first aid kit, tire pump, repair tool, tire tube, security lock, equipment information and use manuals. These items are to remain with/on the bicycle at all times.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Bicycle Patrol Unit*

---

Each bicycle shall be equipped with at least one blue lamp and a siren capable of giving an audible signal (RCW 46.37.190; WAC 204-21-130).

Bicycle officers shall conduct an inspection of the bicycle and equipment prior to use to ensure proper working order of the equipment. Officers are responsible for the routine care and maintenance of their assigned equipment (e.g., tire pressure, chain lubrication, overall cleaning).

If a needed repair is beyond the ability of the bicycle officer, a repair work order will be completed and forwarded to the program supervisor for repair by an approved technician.

Each bicycle will have scheduled maintenance yearly to be performed by a department approved repair shop/technician.

At the end of a bicycle assignment, the bicycle shall be returned clean and ready for the next tour of duty.

Electric patrol bicycle batteries shall be rotated on the assigned charger at the end of each tour of duty. During prolonged periods of non-use, each officer assigned an electric bicycle shall periodically rotate the batteries on the respective charges to increase battery life.

Officers shall not modify the patrol bicycle, remove, modify or add components except with the expressed approval of the bicycle supervisor, or in the event of an emergency.

Vehicle bicycle racks are available should the officer need to transport the patrol bicycle. Due to possible component damage, transportation of the patrol bicycle in a trunk or on a patrol car push-bumper is discouraged.

Bicycles shall be properly secured when not in the officer's immediate presence.

### **462.7 OFFICER RESPONSIBILITY**

Officers must operate the bicycle in compliance with applicable codes under normal operation. Officers may operate the bicycle without lighting equipment during hours of darkness when such operation reasonably appears necessary for officer safety and/or tactical considerations. Officers must use caution and care when operating the bicycle without lighting equipment.

It shall be the policy of this department that all other bicycle operation shall be in compliance with the rules of the road except when responding to an emergency call or when in the pursuit of an actual or suspected violator. An emergency response or pursuit shall be conducted only with emergency lights and siren and under the conditions required by RCW 46.61.035 and with due regard and caution for the safety of all persons using the highway as required by RCW 46.61.035(4).

## Civil Disputes

### 463.1 PURPOSE AND SCOPE

This policy provides members of the Quincy Police Department with guidance for addressing conflicts between persons when no criminal investigation or enforcement action is warranted (e.g., civil matters), with the goal of minimizing any potential for violence or criminal acts.

The Domestic Violence Policy will address specific legal mandates related to domestic violence court orders. References in this policy to “court orders” apply to any order of a court that does not require arrest or enforcement by the terms of the order or by Washington law.

### 463.2 POLICY

The Quincy Police Department recognizes that a law enforcement presence at a civil dispute can play an important role in the peace and safety of the community. Subject to available resources, members of this department will assist at the scene of civil disputes with the primary goal of safeguarding persons and property, preventing criminal activity and maintaining the peace. When handling civil disputes, members will remain impartial, maintain a calm presence, give consideration to all sides and refrain from giving legal or inappropriate advice.

### 463.3 GENERAL CONSIDERATIONS

When appropriate, members handling a civil dispute should encourage the involved parties to seek the assistance of resolution services or take the matter to the civil courts. Members must not become personally involved in disputes and shall at all times remain impartial.

While not intended to be an exhaustive list, members should give considerations to the following when handling civil disputes:

- (a) Civil disputes tend to be confrontational and members should be alert that they can escalate to violence very quickly. De-escalation techniques should be used when appropriate.
- (b) Members should not dismiss alleged or observed criminal violations as a civil matter and should initiate the appropriate investigation and report when criminal activity is apparent.
- (c) Members shall not provide legal advice, however, when appropriate, members should inform the parties when they are at risk of violating criminal laws.
- (d) Members are reminded that they shall not enter a residence or other non-public location without legal authority.
- (e) Members should not take an unreasonable amount of time assisting in these matters and generally should contact a supervisor if it appears that peacekeeping efforts longer than 30 minutes are warranted.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Civil Disputes*

---

### **463.4 COURT ORDERS**

Disputes involving court orders can be complex. Where no mandate exists for an officer to make an arrest for a violation of a court order, the matter should be addressed by documenting any apparent court order violation in a report. If there appears to be a more immediate need for enforcement action, the investigating officer should consult a supervisor prior to making any arrest.

If a person appears to be violating the terms of a court order but is disputing the validity of the order or its applicability, the investigating officer should document the following:

- (a) The person's knowledge of the court order or whether proof of service exists.
- (b) Any specific reason or rationale the involved person offers for not complying with the terms of the order.

A copy of the court order should be attached to the report when available. The report should be forwarded to the appropriate prosecutor. The report should also be forwarded to the court issuing the order with a notice that the report was also forwarded to the prosecutor for review.

#### **463.4.1 STANDBY REQUESTS**

Officers responding to a call for standby assistance to retrieve property should meet the person requesting assistance at a neutral location to discuss the process. The person should be advised that items that are disputed will not be allowed to be removed. The member may advise the person to seek private legal advice as to the distribution of disputed property.

Members should accompany the person to the location of the property. Members should ask if the other party will allow removal of the property or whether the other party would remove the property.

If the other party is uncooperative, the person requesting standby assistance should be instructed to seek private legal advice and obtain a court order to obtain the items (RCW 26.50.080). Officers should not order the other party to allow entry or the removal of any items. If there is a restraining or similar order against the person requesting standby assistance, that person should be asked to leave the scene or he/she may be subject to arrest for violation of the order.

If the other party is not present at the location, the member will not allow entry into the location or the removal of property from the location.

### **463.5 VEHICLES AND PERSONAL PROPERTY**

Officers may be faced with disputes regarding possession or ownership of vehicles or other personal property. Officers may review documents provided by parties or available databases (e.g., vehicle registration), but should be aware that legal possession of vehicles or personal property can be complex. Generally, officers should not take any enforcement action unless a crime is apparent. The people and the vehicle or personal property involved should be identified and the incident documented.

### **463.6 REAL PROPERTY**

Disputes over possession or occupancy of real property (e.g., land, homes, apartments) should generally be handled through a person seeking a court order.

# Quincy Police Department

Quincy PD WA Policy Manual

### 463.6.1 REQUEST TO REMOVE TRESPASSER DECLARATION

Officers possessing a lawful declaration signed under penalty of perjury and in the form required by law, may take enforcement action to remove a person from a residence when (Chapter 284 § 1, 2017 Washington laws):

- The person has been allowed a reasonable opportunity to secure and present evidence that the person is lawfully on the premises
- The officer reasonably believe he/she has probable cause to believe the person is committing criminal trespass under RCW 9A.52.070

An officer should give the trespasser a reasonable opportunity to vacate the premises before taking enforcement action.

## Crisis Intervention Incidents

### 464.1 PURPOSE AND SCOPE

This policy provides guidelines for interacting with those who may be experiencing a mental health or emotional crisis. Interaction with such individuals has the potential for miscommunication and violence. It often requires an officer to make difficult judgments about a person's mental state and intent in order to effectively and legally interact with the individual.

#### 464.1.1 DEFINITIONS

Definitions related to this policy include:

**Person in crisis** - A person whose level of distress or mental health symptoms have exceeded the person's internal ability to manage his/her behavior or emotions. A crisis can be precipitated by any number of things, including an increase in the symptoms of mental illness despite treatment compliance; non-compliance with treatment, including a failure to take prescribed medications appropriately; or any other circumstance or event that causes the person to engage in erratic, disruptive or dangerous behavior that may be accompanied by impaired judgment.

### 464.2 POLICY

The Quincy Police Department is committed to providing a consistently high level of service to all members of the community and recognizes that persons in crisis may benefit from intervention. The Department will collaborate, where feasible, with mental health professionals to develop an overall intervention strategy to guide its members' interactions with those experiencing a mental health crisis. This is to ensure equitable and safe treatment of all involved.

### 464.3 SIGNS

Members should be alert to any of the following possible signs of mental health issues or crises:

- (a) A known history of mental illness
- (b) Threats of or attempted suicide
- (c) Loss of memory
- (d) Incoherence, disorientation or slow response
- (e) Delusions, hallucinations, perceptions unrelated to reality or grandiose ideas
- (f) Depression, pronounced feelings of hopelessness or uselessness, extreme sadness or guilt
- (g) Social withdrawal
- (h) Manic or impulsive behavior, extreme agitation, lack of control
- (i) Lack of fear
- (j) Anxiety, aggression, rigidity, inflexibility or paranoia

# Quincy Police Department

Quincy PD WA Policy Manual

## *Crisis Intervention Incidents*

---

Members should be aware that this list is not exhaustive. The presence or absence of any of these should not be treated as proof of the presence or absence of a mental health issue or crisis.

### **464.4 COORDINATION WITH MENTAL HEALTH PROFESSIONALS**

The Chief of Police should designate an appropriate Captain to collaborate with mental health professionals to develop an education and response protocol. It should include a list of community resources, to guide department interaction with those who may be suffering from mental illness or who appear to be in a mental health crisis.

### **464.5 FIRST RESPONDERS**

Safety is a priority for first responders. It is important to recognize that individuals under the influence of alcohol, drugs or both may exhibit symptoms that are similar to those of a person in a mental health crisis. These individuals may still present a serious threat to officers; such a threat should be addressed with reasonable tactics. Nothing in this policy shall be construed to limit an officer's authority to use reasonable force when interacting with a person in crisis.

Officers are reminded that mental health issues, mental health crises and unusual behavior alone are not criminal offenses. Individuals may benefit from treatment as opposed to incarceration.

An officer responding to a call involving a person in crisis should:

- (a) Promptly assess the situation independent of reported information and make a preliminary determination regarding whether a mental health crisis may be a factor.
- (b) Request available backup officers and specialized resources as deemed necessary and, if it is reasonably believed that the person is in a crisis situation, use conflict resolution and de-escalation techniques to stabilize the incident as appropriate.
- (c) If feasible, and without compromising safety, turn off flashing lights, bright lights or sirens.
- (d) Attempt to determine if weapons are present or available.
- (e) Take into account the person's mental and emotional state and potential inability to understand commands or to appreciate the consequences of his/her action or inaction, as perceived by the officer.
- (f) Secure the scene and clear the immediate area as necessary.
- (g) Employ tactics to preserve the safety of all participants.
- (h) Determine the nature of any crime.
- (i) Request a supervisor, as warranted.
- (j) Evaluate any available information that might assist in determining cause or motivation for the person's actions or stated intentions.
- (k) If circumstances reasonably permit, consider and employ alternatives to force.

### **464.6 DE-ESCALATION**

Officers should consider that taking no action or passively monitoring the situation may be the most reasonable response to a mental health crisis.

Once it is determined that a situation is a mental health crisis and immediate safety concerns have been addressed, responding members should be aware of the following considerations and should generally:

- Evaluate safety conditions.
- Introduce themselves and attempt to obtain the person's name.
- Be patient, polite, calm, courteous and avoid overreacting.
- Speak and move slowly and in a non-threatening manner.
- Moderate the level of direct eye contact.
- Remove distractions or disruptive people from the area.
- Demonstrate active listening skills (e.g., summarize the person's verbal communication).
- Provide for sufficient avenues of retreat or escape should the situation become volatile.

Responding officers generally should not:

- Use stances or tactics that can be interpreted as aggressive.
- Allow others to interrupt or engage the person.
- Corner a person who is not believed to be armed, violent or suicidal.
- Argue, speak with a raised voice or use threats to obtain compliance.

### **464.7 INCIDENT ORIENTATION**

When responding to an incident that may involve mental illness or a mental health crisis, the officer should request that the dispatcher provide critical information as it becomes available. This includes:

- (a) Whether the person relies on drugs or medication, or may have failed to take his/her medication.
- (b) Whether there have been prior incidents, suicide threats/attempts, and whether there has been previous police response.
- (c) Contact information for a treating physician or mental health professional.

Additional resources and a supervisor should be requested as warranted.

### **464.8 SUPERVISOR RESPONSIBILITIES**

A supervisor should respond to the scene of any interaction with a person in crisis. Responding supervisors should:

## *Crisis Intervention Incidents*

---

- (a) Attempt to secure appropriate and sufficient resources.
- (b) Closely monitor any use of force, including the use of restraints, and ensure that those subjected to the use of force are provided with timely access to medical care (see the Handcuffing and Restraints Policy).
- (c) Consider strategic disengagement. Absent an imminent threat to the public and, as circumstances dictate, this may include removing or reducing law enforcement resources or engaging in passive monitoring.
- (d) Ensure that all reports are completed and that incident documentation uses appropriate terminology and language.
- (e) Conduct an after-action tactical and operational debriefing, and prepare an after-action evaluation of the incident to be forwarded to the Chief of Police.
- (f) Evaluate whether a critical incident stress management debriefing for involved members is warranted.

### **464.9 INCIDENT REPORTING**

Members engaging in any oral or written communication associated with a mental health crisis should be mindful of the sensitive nature of such communications and should exercise appropriate discretion when referring to or describing persons and circumstances.

Members having contact with a person in crisis should keep related information confidential, except to the extent that revealing information is necessary to conform to department reporting procedures or other official mental health or medical proceedings.

#### **464.9.1 DIVERSION**

Individuals who are not being arrested should be processed in accordance with the Emergent Detentions Policy.

#### **464.9.2 SUICIDE THREATS OR ATTEMPTS**

Officers should consider a referral to mental health services when a person has threatened or attempted suicide and the person does not qualify for an emergent detention or voluntarily consent to immediate evaluation at a mental health facility (RCW 71.05.457).

- (a) Referrals should be made to the person by providing the name and phone number of the mental health agency and any available handouts.
- (b) The officer may notify the mental health agency of the referral by phone or other method, in addition to preparing a written incident report.

Incident reports documenting a referral to a mental health agency should be sufficiently detailed regarding the nature of the incident and the person's behavior, to facilitate the mental health agency's prioritization and nature of their response. The officer should promptly provide a copy of the report to the referred mental health agency (RCW 71.05.457).

### **464.10 NON-SWORN INTERACTION WITH PEOPLE IN CRISIS**

Non-sworn members may be required to interact with persons in crisis in an administrative capacity, such as dispatching, records request, and animal control issues.

- (a) Members should treat all individuals equally and with dignity and respect.
- (b) If a member believes that he/she is interacting with a person in crisis, he/she should proceed patiently and in a calm manner.
- (c) Members should be aware and understand that the person may make unusual or bizarre claims or requests.

If a person's behavior makes the member feel unsafe, if the person is or becomes disruptive or violent, or if the person acts in such a manner as to cause the member to believe that the person may be harmful to him/herself or others, an officer should be promptly summoned to provide assistance.

### **464.11 EVALUATION**

The Chief of Police or his designee designated to coordinate the crisis intervention strategy for this department should ensure that a thorough review and analysis of the department response to these incidents is conducted annually. The report will not include identifying information pertaining to any involved individuals, officers or incidents and will be submitted to the Chief of Police through the chain of command.

### **464.12 TRAINING**

In coordination with the mental health community and appropriate stakeholders, the Department will develop and provide comprehensive education and training to all department members to enable them to effectively interact with persons in crisis.

Training shall include mandated training in crisis intervention, certified by the Criminal Justice Training Commission, as required by Washington law (RCW 43.101.427; WAC 139-09-020 et seq.).

# Suspicious Activity Reporting

## 465.1 PURPOSE AND SCOPE

This policy provides guidelines for reporting and investigating suspicious and criminal activity.

### 465.1.1 DEFINITIONS

Definitions related to this policy include:

**Involved party** - An individual who has been observed engaging in suspicious activity, as defined in this policy, when no definitive criminal activity can be identified, thus precluding the person's identification as a suspect.

**Suspicious activity** - Any reported or observed activity that a member reasonably believes may have a nexus to any criminal act or attempted criminal act, or to foreign or domestic terrorism. Race, ethnicity, national origin or religious affiliation should not be considered as factors that create suspicion (although these factors may be used as specific suspect descriptions). Examples of suspicious activity may include, but are not limited to:

- Suspected pre-operational surveillance or intelligence gathering (e.g., photographing security features, asking questions about sensitive security-related subjects).
- Tests of security measures and response to incidents (e.g., "dry run," creating false alarms, attempts to enter secure areas without authorization).
- Suspicious purchases (e.g., purchasing large quantities of otherwise legal items, such as fertilizer, that could be used to create an explosive or other dangerous device).
- An individual in possession of such things as a hoax explosive or dispersal device, sensitive materials (e.g., passwords, access codes, classified government information), or coded or ciphered literature or correspondence.

**Suspicious Activity Reporting (SAR)** - An incident report used to document suspicious activity.

## 465.2 POLICY

The Quincy Police Department recognizes the need to protect the public from criminal conduct and acts of terrorism and shall lawfully collect, maintain and disseminate information regarding suspicious activities, while safeguarding civil liberties and privacy protections.

## 465.3 RESPONSIBILITIES

The Chief of Police and authorized designees will manage SAR activities. Authorized designees should include supervisors who are responsible for department participation in criminal intelligence systems as outlined in the Criminal Organizations Policy.

The responsibilities of the Chief of Police include, but are not limited to:

- (a) Remaining familiar with those databases available to the Department that would facilitate the purpose of this policy.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Suspicious Activity Reporting*

---

- (b) Maintaining adequate training in the area of intelligence gathering to ensure no information is being maintained that would violate the law or civil rights of any individual.
- (c) Ensuring a process is available that would allow members to report relevant information. The process should be designed to promote efficient and quick reporting, and should not be cumbersome, duplicative or complicated.
- (d) Ensuring that members are made aware of the purpose and value of documenting information regarding suspicious activity, as well as the databases and other information resources that are available to the Department.
- (e) Ensuring that SAR information is appropriately disseminated to members in accordance with their job responsibilities.
- (f) Coordinating investigative follow-up, if appropriate.
- (g) Coordinating with any appropriate agency or fusion center.
- (h) Ensuring that, as resources are available, the Department conducts outreach that is designed to encourage members of the community to report suspicious activity and that outlines what they should look for and how they should report it (e.g., website, public service announcements).

### **465.4 REPORTING AND INVESTIGATION**

Any department member receiving information regarding suspicious activity should take any necessary immediate and appropriate action, including a request for tactical response or immediate notification of specialized entities, when applicable. Any non-sworn member who receives such information should ensure that it is passed on to an officer in a timely manner.

If the suspicious activity is not directly related to a reportable crime, the member should prepare a investigative report and include information about involved parties and the circumstances of the incident. If, during any investigation, an officer becomes aware of suspicious activity that is unrelated to the current investigation, the information should be documented separately in a investigative report and not included in the original incident report. . A SAR (investigative report) should be processed as any other incident report.

### **465.5 HANDLING INFORMATION**

The Records Section will forward copies of SARs, in a timely manner, to the following:

- Sergeant
- Crime Analysis Unit
- Other authorized designees

## Medical Aid and Response

### 466.1 PURPOSE AND SCOPE

This policy recognizes that members often encounter persons who appear to be in need of medical aid and establishes a law enforcement response to such situations.

### 466.2 POLICY

It is the policy of the Quincy Police Department that all officers and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

### 466.3 FIRST RESPONDING MEMBER RESPONSIBILITIES

Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR and use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so.

Prior to initiating medical aid, the member should contact Multi-Agency Communications Center (MACC) and request response by emergency medical services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide Multi-Agency Communications Center (MACC) with information for relay to EMS personnel in order to enable an appropriate response, including:

- (a) The location where EMS is needed.
- (b) The nature of the incident.
- (c) Any known scene hazards.
- (d) Information on the person in need of EMS, such as:
  1. Signs and symptoms as observed by the member.
  2. Changes in apparent condition.
  3. Number of patients, sex and age, if known.
  4. Whether the person is conscious, breathing and alert, or is believed to have consumed drugs or alcohol.
  5. Whether the person is showing signs or symptoms of excited delirium or other agitated chaotic behavior.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel whether to transport the person for treatment.

# Quincy Police Department

## Quincy PD WA Policy Manual

### *Medical Aid and Response*

---

#### **466.4 TRANSPORTING ILL AND INJURED PERSONS**

Except in extraordinary cases where alternatives are not reasonably available, members should not transport persons who are unconscious, who have serious injuries or who may be seriously ill. EMS personnel should be called to handle patient transportation.

Officers should search any person who is in custody before releasing that person to EMS for transport.

An officer should accompany any person in custody during transport in an ambulance when requested by EMS personnel, and it reasonably appears necessary to provide security, when it is necessary for investigative purposes or when so directed by a supervisor.

Members should not provide emergency escort for medical transport or civilian vehicles.

#### **466.5 PERSONS REFUSING EMS CARE**

If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, an officer shall not force that person to receive care or be transported. However, members may assist EMS personnel when EMS personnel determine the person lacks mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where mental illness may be a factor, the officer should consider proceeding with an emergent detention in accordance with the Emergent Detentions Policy.

If an officer believes that a person who is in custody requires EMS care and the person refuses, he/she should encourage the person to receive medical treatment. The officer may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person still refuses, the officer will require the person to be transported to the nearest medical facility. In such cases, the officer should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

##### **466.5.1 SICK OR INJURED ARRESTEE**

If an arrestee appears ill or injured, or claims illness or injury, he/she should be medically cleared prior to booking. If the officer has reason to believe the arrestee is feigning injury or illness, the officer should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the officer should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Medical Aid and Response*

---

Arrestees who appear to have a serious medical issue should be transported by ambulance. Officers shall not transport an arrestee to a hospital without a supervisor's approval.

### **466.6 MEDICAL ATTENTION RELATED TO USE OF FORCE**

Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies.

### **466.7 AIR AMBULANCE**

Generally, when on-scene, EMS personnel will be responsible for determining whether an air ambulance response should be requested. An air ambulance may be appropriate when there are victims with life-threatening injuries or who require specialized treatment (e.g., gunshot wounds, burns, obstetrical cases), and distance or other known delays will affect the EMS response.

The Chief of Police or his designee should develop guidelines for air ambulance landings or enter into local operating agreements for the use of air ambulances, as applicable. In creating those guidelines, the Department should identify:

- Responsibility and authority for designating a landing zone and determining the size of the landing zone.
- Responsibility for securing the area and maintaining that security once the landing zone is identified.
- Consideration of the air ambulance provider's minimum standards for proximity to vertical obstructions and surface composition (e.g., dirt, gravel, pavement, concrete, grass).
- Consideration of the air ambulance provider's minimum standards for horizontal clearance from structures, fences, power poles, antennas or roadways.
- Responsibility for notifying the appropriate highway or transportation agencies if a roadway is selected as a landing zone.
- Procedures for ground personnel to communicate with flight personnel during the operation.

One department member at the scene should be designated as the air ambulance communications contact. Headlights, spotlights and flashlights should not be aimed upward at the air ambulance. Members should direct vehicle and pedestrian traffic away from the landing zone.

Members should follow these cautions when near an air ambulance:

- Never approach the aircraft until signaled by the flight crew.
- Always approach the aircraft from the front.
- Avoid the aircraft's tail rotor area.
- Wear eye protection during landing and take-off.
- Do not carry or hold items, such as IV bags, above the head.

# Quincy Police Department

### *Medical Aid and Response*

---

- Ensure that no one smokes near the aircraft.

#### **466.8 AUTOMATED EXTERNAL DEFIBRILLATOR (AED) USE**

A semi-automatic external defibrillator or AED should only be used by members who have completed a course approved by the Washington State Department of Health (DOH) that includes instruction in CPR and the use of an AED (RCW 70.54.310).

##### **466.8.1 AED USER RESPONSIBILITY**

Members who are issued AEDs for use in department vehicles should check the AED at the beginning of the shift to ensure it is properly charged and functioning. Any AED that is not functioning properly will be taken out of service and given to the city safety manager who is responsible for ensuring appropriate maintenance.

Following use of an AED, the device shall be cleaned and/or decontaminated as required. The electrodes and/or pads will be replaced as recommended by the AED manufacturer.

Any member who uses an AED shall contact Multi-Agency Communications Center (MACC) as soon as possible and request response by EMS (RCW 70.54.310).

##### **466.8.2 AED REPORTING**

Any member using an AED will complete an incident report detailing its use. Any data from usage shall be made available, upon request, to EMS or other health care providers (RCW 70.54.310).

##### **466.8.3 AED TRAINING AND MAINTENANCE**

The Training Sergeant should ensure appropriate training is provided to members authorized to use an AED.

The Training Sergeant is responsible for ensuring AED devices are appropriately maintained and tested consistent with the manufacturer's operational guidelines, and will retain records of all maintenance in accordance with the established records retention schedule (RCW 70.54.310).

#### **466.9 ADMINISTRATION OF OPIOID OVERDOSE MEDICATION**

Members may administer opioid overdose medication in accordance with protocol specified by the health care practitioner who prescribed the overdose medication for use by the member (RCW 69.41.095).

##### **466.9.1 OPIOID OVERDOSE MEDICATION USER RESPONSIBILITIES**

Members who are qualified to administer opioid overdose medication, such as naloxone, should handle, store and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Training Sergeant.

Any member who administers an opioid overdose medication should contact Multi-Agency Communications Center (MACC) as soon as possible and request response by EMS.

### 466.9.2 OPIOID OVERDOSE MEDICATION REPORTING

Any member administering opioid overdose medication should detail its use in an appropriate report.

The Training Sergeant will ensure that the Records Clerk is provided enough information to meet applicable state reporting requirements.

### 466.9.3 OPIOID OVERDOSE MEDICATION TRAINING

The Training Sergeant should ensure training is provided to members authorized to administer opioid overdose medication.

## First Amendment Assemblies

### 467.1 PURPOSE AND SCOPE

This policy provides guidance for responding to public assemblies or demonstrations.

### 467.2 POLICY

The Quincy Police Department respects the rights of people to peaceably assemble. It is the policy of this department not to unreasonably interfere with, harass, intimidate or discriminate against persons engaged in the lawful exercise of their rights, while also preserving the peace, protecting life and preventing the destruction of property.

### 467.3 GENERAL CONSIDERATIONS

Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest or otherwise express their views and opinions through varying forms of communication, including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills and leafleting, and loitering. However, officers shall not take action or fail to take action based on the opinions being expressed.

Participant behavior during a demonstration or other public assembly can vary. This may include, but is not limited to:

- Lawful, constitutionally protected actions and speech.
- Civil disobedience (typically involving minor criminal acts).
- Rioting.

All of these behaviors may be present during the same event. Therefore, it is imperative that law enforcement actions are measured and appropriate for the behaviors officers may encounter. This is particularly critical if force is being used. Adaptable strategies and tactics are essential. The purpose of a law enforcement presence at the scene of public assemblies and demonstrations should be to preserve the peace, to protect life and prevent the destruction of property.

Officers should not:

- (a) Engage in assembly or demonstration-related discussion with participants.
- (b) Harass, confront or intimidate participants.
- (c) Seize the cameras, cell phones or materials of participants or observers unless an officer is placing a person under lawful arrest.

Supervisors should continually observe department members under their commands to ensure that members' interaction with participants and their response to crowd dynamics is appropriate.

### 467.3.1 PHOTOGRAPHS AND VIDEO RECORDINGS

Photographs and video recording, when appropriate, can serve a number of purposes, including support of criminal prosecutions by documenting criminal acts; assistance in evaluating department performance; serving as training material; recording the use of dispersal orders; and facilitating a response to allegations of improper law enforcement conduct.

Photographs and videos will not be used or retained for the sole purpose of collecting or maintaining information about the political, religious or social views of associations, or the activities of any individual, group, association, organization, corporation, business or partnership, unless such information directly relates to an investigation of criminal activities and there is reasonable suspicion that the subject of the information is involved in criminal conduct.

### 467.4 UNPLANNED EVENTS

When responding to an unplanned or spontaneous public gathering, the first responding officer should conduct an assessment of conditions, including, but not limited to, the following:

- Location
- Number of participants
- Apparent purpose of the event
- Leadership (whether it is apparent and/or whether it is effective)
- Any initial indicators of unlawful or disruptive activity
- Indicators that lawful use of public facilities, streets or walkways will be impacted
- Ability and/or need to continue monitoring the incident

Initial assessment information should be promptly communicated to Multi-Agency Communications Center (MACC), and the assignment of a supervisor should be requested. Additional resources should be requested as appropriate. The responding supervisor shall assume command of the incident until command is expressly assumed by another, and the assumption of command is communicated to the involved members. A clearly defined command structure that is consistent with the Incident Command System (ICS) should be established as resources are deployed.

### 467.5 PLANNED EVENT PREPARATION

For planned events, comprehensive, incident-specific operational plans should be developed. The ICS should be considered for such events.

#### 467.5.1 INFORMATION GATHERING AND ASSESSMENT

In order to properly assess the potential impact of a public assembly or demonstration on public safety and order, relevant information should be collected and vetted. This may include:

- Information obtained from outreach to group organizers or leaders.

# Quincy Police Department

Quincy PD WA Policy Manual

## *First Amendment Assemblies*

---

- Information about past and potential unlawful conduct associated with the event or similar events.
- The potential time, duration, scope and type of planned activities.
- Any other information related to the goal of providing a balanced response to criminal activity and the protection of public safety interests.

Information should be obtained in a transparent manner, and the sources documented. Relevant information should be communicated to the appropriate parties in a timely manner.

Information will be obtained in a lawful manner and will not be based solely on the purpose or content of the assembly or demonstration, or the race, ethnicity, national origin or religion of the participants (or any other characteristic that is unrelated to criminal conduct or the identification of a criminal subject).

### 467.5.2 OPERATIONAL PLANS

An operational planning team with responsibility for event planning and management should be established. The planning team should develop an operational plan for the event.

The operational plan will minimally provide:

- (a) Command assignments, chain of command structure, roles and responsibilities.
- (b) Staffing and resource allocation.
- (c) Management of criminal investigations.
- (d) Designation of uniform of the day and related safety equipment (e.g., helmets, shields).
- (e) Deployment of specialized resources.
- (f) Event communications and interoperability in a multijurisdictional event.
- (g) Liaison with demonstration leaders and external agencies.
- (h) Liaison with City government and legal staff.
- (i) Media relations.
- (j) Logistics: food, fuel, replacement equipment, duty hours, relief and transportation.
- (k) Traffic management plans.
- (l) First aid and emergency medical service provider availability.
- (m) Prisoner transport and detention.
- (n) Review of policies regarding public assemblies and use of force in crowd control.
- (o) Parameters for declaring an unlawful assembly.
- (p) Arrest protocol, including management of mass arrests.
- (q) Protocol for recording information flow and decisions.
- (r) Rules of engagement, including rules of conduct, protocols for field force extraction and arrests, and any authorization required for the use of force.

# Quincy Police Department

Quincy PD WA Policy Manual

## *First Amendment Assemblies*

---

- (s) Protocol for handling complaints during the event.
- (t) Parameters for the use of body-worn cameras and other portable recording devices.

### 467.5.3 MUTUAL AID AND EXTERNAL RESOURCES

The magnitude and anticipated duration of an event may necessitate interagency cooperation and coordination. The assigned Incident Commander should ensure that any required memorandums of understanding or other agreements are properly executed, and that any anticipated mutual aid is requested and facilitated (see the Outside Agency Assistance Policy).

### **467.6 UNLAWFUL ASSEMBLY DISPERSAL ORDERS**

If a public gathering or demonstration remains peaceful and nonviolent, and there is no reasonably imminent threat to persons or property, the Incident Commander should generally authorize continued monitoring of the event.

Should the Incident Commander make a determination that public safety is presently or is about to be jeopardized, he/she or the authorized designee should attempt to verbally persuade event organizers or participants to disperse of their own accord. Warnings and advisements may be communicated through established communications links with leaders and/or participants or to the group.

When initial attempts at verbal persuasion are unsuccessful, the Incident Commander or the authorized designee should make a clear standardized announcement to the gathering that the event is an unlawful assembly, and should order the dispersal of the participants. The announcement should be communicated by whatever methods are reasonably available to ensure that the content of the message is clear and that it has been heard by the participants. The announcement should be amplified, made in different languages as appropriate, made from multiple locations in the affected area and documented by audio and video. The announcement should provide information about what law enforcement actions will take place if illegal behavior continues and should identify routes for egress. A reasonable time to disperse should be allowed following a dispersal order.

### **467.7 USE OF FORCE**

Use of force is governed by current department policy and applicable law (see the Use of Force, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies).

Individuals refusing to comply with lawful orders (e.g., nonviolent refusal to disperse) should be given a clear verbal warning and a reasonable opportunity to comply. If an individual refuses to comply with lawful orders, the Incident Commander shall evaluate the type of resistance and adopt a reasonable response in order to accomplish the law enforcement mission (such as dispersal or arrest of those acting in violation of the law). Control devices and TASER® devices should be considered only when the participants' conduct reasonably appears to present the potential to harm officers (see the Control Devices and Techniques and the Conducted Energy Device policies).

# Quincy Police Department

Quincy PD WA Policy Manual

## *First Amendment Assemblies*

---

The Incident Commander will make the final decision as to what control action, if any, will be taken to address a crowd event. The police response will be commensurate with the degree of violence, disorder, criminal conduct and perceived threat to public safety, life and property. Crowd size and available police resources will also factor into the response. Uncoordinated actions or actions by individual members shall be avoided.

Force or control devices, including oleoresin capsaicin (OC), should be directed toward individuals and not toward groups or crowds, unless specific individuals cannot reasonably be targeted due to extreme circumstances, such as a riotous crowd.

Any use of force by a member of this department shall be documented promptly, completely and accurately in an appropriate report. The type of report required may depend on the nature of the incident.

### **467.8 ARRESTS**

The Quincy Police Department should respond to unlawful behavior in a manner that is consistent with the operational plan. If practicable, warnings or advisements should be communicated prior to arrest.

Mass arrests should be employed only when alternate tactics and strategies have been, or reasonably appear likely to be, unsuccessful. Mass arrests shall only be undertaken upon the order of the Incident Commander or the authorized designee. There must be probable cause for each arrest.

If employed, mass arrest protocols should fully integrate:

- (a) Reasonable measures to address the safety of officers and arrestees.
- (b) Dedicated arrest, booking and report writing teams.
- (c) Timely access to medical care.
- (d) Timely access to legal resources.
- (e) Timely processing of arrestees.
- (f) Full accountability for arrestees and evidence.
- (g) Coordination and cooperation with the prosecuting authority, jail and courts (see the Citation Releases Policy).

### **467.9 MEDIA RELATIONS**

The Public Information Officer should use all available avenues of communication, including press releases, briefings, press conferences and social media to maintain open channels of communication with media representatives and the public about the status and progress of the event, taking all opportunities to reassure the public about the professional management of the event (see the Media Relations Policy).

## *First Amendment Assemblies*

---

### **467.10 DEMOBILIZATION**

When appropriate, the Incident Commander or the authorized designee should implement a phased and orderly withdrawal of law enforcement resources. All relieved personnel shall promptly complete any required reports, including use of force reports, and account for all issued equipment and vehicles to their supervisors prior to returning to normal operational duties.

### **467.11 POST EVENT**

The Incident Commander should designate a member to assemble full documentation of the event, to include the following:

- (a) Operational plan
- (b) Any incident logs
- (c) Any assignment logs
- (d) Vehicle, fuel, equipment and supply records
- (e) Incident, arrest, use of force, injury and property damage reports
- (f) Photographs, audio/video recordings, Multi-Agency Communications Center (MACC) records/tapes
- (g) Media accounts (print and broadcast media)

#### **467.11.1 AFTER-ACTION REPORTING**

The Incident Commander should work with City legal counsel, as appropriate, to prepare a comprehensive after-action report of the event, explaining all incidents where force was used including the following:

- (a) Date, time and description of the event
- (b) Actions taken and outcomes (e.g., injuries, property damage, arrests)
- (c) Problems identified
- (d) Significant events
- (e) Recommendations for improvement; opportunities for training should be documented in a generic manner, without identifying individuals or specific incidents, facts or circumstances.

### **467.12 TRAINING**

Department members should receive periodic training regarding this policy, as well as the dynamics of crowd control and incident management. The Department should, when practicable, train with its external and mutual aid partners.

## Chapter 5 - Traffic Operations

## Traffic Function and Responsibility

### 500.1 PURPOSE AND SCOPE

The ultimate goal of traffic law enforcement is to reduce traffic collisions. This may be achieved through the application of such techniques as geographic/temporal assignment of personnel and equipment and the establishment of preventive patrols to deal with specific categories of unlawful driving behavior. Traffic enforcement techniques are based on accident data, enforcement activity records, traffic volume, and traffic conditions. This department provides enforcement efforts toward violations, not only in proportion to the frequency of their occurrence in accident situations, but also in terms of traffic-related needs.

### 500.2 TRAFFIC OFFICER DEPLOYMENT

Several factors are considered in the development of deployment schedules for officers of the Quincy Police Department. Some of the factors for analysis include:

- Location
- Time
- Day
- Violation factors

All officers assigned to patrol or traffic enforcement functions will emphasize enforcement of accident causing violations during high accident hours and at locations of occurrence. All officers will take directed enforcement action on request, and random enforcement action when appropriate against violators as a matter of routine. All officers shall maintain high visibility while working general enforcement, especially at high accident locations.

Other factors to be considered for deployment are citizen requests, construction zones or special events.

### 500.3 ENFORCEMENT

Enforcement actions are commensurate with applicable laws and take into account the degree and severity of the violation committed. This department does not establish ticket quotas and the number of arrests or citations issued by any officer shall not be used as the sole criterion for evaluating officer overall performance. The visibility and quality of an officer's work effort will be commensurate with the philosophy of this policy. Several methods are effective in the reduction of collisions:

#### 500.3.1 WARNINGS

Warnings or other non-punitive enforcement actions may be considered in each situation and substituted for citations when circumstances warrant, especially in the case of inadvertent violations.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Traffic Function and Responsibility*

---

### 500.3.2 CITATIONS

Citations may be issued when an officer believes it is appropriate. It is essential that officers fully explain the rights and requirements imposed on motorists upon issuance of a citation for a traffic violation. Officers should provide the following information at a minimum:

- (a) Explanation of the violation or charge.
- (b) Court appearance procedure including the optional or mandatory appearance by the motorist.
- (c) Notice of whether the motorist can enter a plea and pay the fine by mail or at the court.

### 500.3.3 ARRESTS FOR TRAFFIC OFFENSES

Officers may issue a traffic citation for any criminal traffic offense or infraction when such violations are committed in an officer's presence or as allowed pursuant to RCW 10.31.100. With limited exceptions, the detention in such cases may not be for a period of time longer than is reasonably necessary to issue and serve a citation to the violator.

A traffic-related detention may expand to a physical arrest under the following circumstances:

- (a) When the officer has probable cause to believe that a felony has been committed, whether or not it was in the officer's presence
- (b) When the offense is one or more of the traffic violations listed in RCW 10.31.100
- (c) When a driver has been detained for a traffic offense listed in RCW 46.63.020 and fails to provide adequate identification or when the officer has reasonable grounds to believe that the person to be cited will not respond to a written citation. In such cases, officers should, when practicable, obtain the approval of a supervisor before making an arrest.

When a physical arrest occurs the officer should normally transport the violator to the Quincy Police Department to perform an "Administrative Booking" of the subject. If time and circumstances do not allow the Officer to perform an "Administrative Booking" of the subject, the Officer may perform a "Field Release" of the subject.

## **500.4 SUSPENDED OR REVOKED DRIVERS LICENSES**

If an officer contacts a traffic violator who is also driving on a suspended or revoked license, the officer shall issue a traffic citation or make an arrest as appropriate.

### 500.4.1 SUSPENDED, REVOKED OR CANCELED COMMERCIAL LICENSE PLATES

If an officer contacts a traffic violator who is operating a commercial truck, truck tractor or tractor with registration that a computer check confirms to be revoked, suspended or canceled, the officer shall confiscate the license plates. The Department may either recycle or destroy the plates (RCW 46.32.100).

### **500.5 HIGH-VISIBILITY VESTS**

The Department has provided American National Standards Institute (ANSI) Class II high-visibility vests to increase the visibility of department members who may be exposed to hazards presented by passing traffic, maneuvering or operating vehicles, machinery and equipment (23 CFR 655.601).

Although intended primarily for use while performing traffic related assignments, high-visibility vests should be worn at any time increased visibility would improve the safety or efficiency of the member.

#### **500.5.1 REQUIRED USE**

Except when working in a potentially adversarial or confrontational role, such as during vehicle stops, high-visibility vests should be worn at any time it is anticipated that an employee will be exposed to the hazards of approaching traffic or construction and recovery equipment. Examples of when high-visibility vests should be worn include traffic control duties, accident investigations, lane closures and while at disaster scenes, or anytime high visibility is desirable. When emergency conditions preclude the immediate donning of the vest, officers should retrieve and wear the vest as soon as conditions reasonably permit. Use of the vests shall also be mandatory when directed by a supervisor.

Vests maintained in the investigation units may be used any time a plainclothes officer might benefit from being readily identified as a member of law enforcement.

#### **500.5.2 CARE AND STORAGE OF HIGH-VISIBILITY VESTS**

High-visibility vests shall be maintained in each patrol and investigation unit. Before going into service each employee shall ensure a serviceable high-visibility vest is properly stored in the vehicle.

A supply of high-visibility vests will be maintained in the equipment room for replacement of damaged or unserviceable vests. The Sergeant should be promptly notified whenever the supply of vests in the equipment room needs replenishing.

### **500.6 HAZARDOUS ROAD CONDITIONS**

The Quincy Police Department will make all reasonable efforts to address all reported hazardous road conditions in a timely manner as circumstances and resources permit.

### **500.7 TRAFFIC COMPLAINTS BY CROSSING GUARDS**

Crossing guards have the authority to submit reports to this department for certain violations occurring in and around crosswalks (RCW 46.61.275). Generally these reports may be for offenses involving a driver's failure to stop at a crosswalk or to exercise due care for pedestrians. Reports must be received no later than 72 hours after the violation occurred.

This department will give due consideration and will investigate, to a reasonable degree, reports of violations submitted by crossing guards, in an effort to identify the alleged violator. If the driver

is identified and there is reasonable cause to believe a violation of RCW 46.61.235(5), RCW 46.61.245(2) or RCW 46.61.261(2) has occurred, a notice of traffic infraction should be issued.

The Sergeant shall ensure that appropriate forms for reporting violations are available to crossing guards and that a procedure for investigating the reports received by this department is in place.

### **500.7.1 NOTIFICATION OF INFRACTION**

The Sergeant or a designee may initiate an investigation of the reported violation after receiving a report from a crossing guard. The investigator shall contact the last known owner of the violator vehicle and request the owner to supply information identifying the driver. If the driver is identified and there is reasonable cause to believe that a traffic violation has occurred, a notice of infraction may be served upon the driver of the vehicle (RCW 46.61.275(2)).

### **500.8 SCHOOL BUS SAFETY CAMERAS**

Any school district with buses properly equipped with cameras that capture stop-arm violations may report such violations to the Quincy Police Department whenever they occur within the department's jurisdiction.

The Sergeant should establish a report form and procedure for school districts to report school bus stop-arm violations (RCW 46.63.180).

### **500.8.1 NOTIFICATION OF INFRACTION**

The Sergeant or the authorized designee should initiate an investigation of the reported violation after receiving a stop-arm violation report from a school district.

Issuance of a citation shall conform to state requirements (RCW 46.63.180). The notice of infraction shall be mailed to the registered owner or renter, if applicable, of the vehicle within 14 days of the violation. In addition, a memo will be completed by the investigating officer reference action taken and be mailed to the School District Transportation Supervisor.

## Traffic Collision Reporting

### 502.1 PURPOSE AND SCOPE

The Quincy Police Department prepares traffic collision reports and as a public service makes traffic collision reports available to the community with some exceptions.

### 502.2 TRAFFIC COLLISION REPORTS

When an officer of this Department is dispatched to a report of a traffic collision by MACC or by the records clerks, the responding officer will investigate the traffic collision and document his/her findings on the appropriate state form (RCW 46.52.070) and document the response in the related CR, to include names of involved parties and vehicle information.

All traffic collision reports, to include CR's, taken by members of this Department shall be forwarded in accordance with standard and normal procedures for all other criminal reports for approval and data entry into Spillman.

#### 502.2.1 STATEWIDE ELECTRONIC COLLISION AND TICKET ONLINE RECORDS (SECTOR)

This Department utilizes SECTOR software to complete traffic citations and traffic collision reports. SECTOR shall only be used by those authorized employees who have completed Department-approved training in the use of SECTOR software. All traffic collision reports completed with SECTOR software shall comply with established report approval requirements.

All reports completed using SECTOR software should be uploaded (Send/Receive) as soon as practicable or in any case prior to the end of the employee's shift.

### 502.3 REPORTING SITUATIONS

Any decision on whether or not to report any collision shall be in accordance with current Washington State Law in addition to the following guidelines.

#### 502.3.1 TRAFFIC COLLISIONS INVOLVING CITY VEHICLES

Traffic collision investigation reports shall be taken when a City-owned vehicle is involved in a traffic collision upon a roadway or highway wherein any damage or injury results. A general information report may be taken in lieu of a traffic collision report at the direction of a supervisor when the collision occurs on private property or does not involve another vehicle. Whenever there is damage to a City vehicle, a Vehicle Damage Log shall be completed and forwarded to the appropriate supervisor.

Photographs of the collision scene and vehicle damage shall be taken at the discretion of the traffic investigator or any supervisor.

#### 502.3.2 TRAFFIC COLLISIONS WITH POLICE DEPARTMENT EMPLOYEES

When an employee of this department, either on-duty or off-duty, is involved in a traffic collision within the jurisdiction of the Quincy Police Department resulting in a serious injury or fatality, the

Sergeant or the Shift Sergeant, shall notify the Washington State Patrol or Grant County Sheriff's Office for assistance.

The term serious injury is defined as any injury that may result in a fatality.

### **502.3.3 TRAFFIC COLLISIONS WITH OTHER CITY EMPLOYEES OR OFFICIALS**

The Sergeant shall request assistance from the Washington State Patrol, or Grant County Sheriff's Office for the investigation of any traffic collision involving any City official or employee where a serious injury or fatality has occurred.

### **502.3.4 TRAFFIC COLLISIONS ON PRIVATE PROPERTY**

Traffic collision reports shall not be taken for traffic collisions occurring on private property, unless there is a death or injury to any person involved, a hit-and-run violation, or RCW violation. An Incident Report will be taken.

### **502.3.5 TRAFFIC COLLISIONS ON ROADWAYS OR HIGHWAYS**

Traffic collision reports shall be taken when they occur on a roadway or highway within the jurisdiction of this department under any of the following circumstances:

- (a) When there is a death or injury to any persons involved in the collision.
- (b) When there is an identifiable violation of the Revised Code of Washington.
- (c) Property damage exceeding the dollar amount currently established by WSP.
- (d) When a report is requested by any involved driver.

In all cases where a traffic collision report is required by policy, the current state authorized form will to used to document the collision (RCW 46.52.070).

## **502.4 NOTIFICATION OF TRAFFIC BUREAU SUPERVISION**

In the event of a serious injury or death related traffic collision, the Sergeant shall notify the Captain to relate the circumstances of the traffic collision. In the absence of a Sergeant, any supervisor may assign an officer to investigate the traffic collision or seek assistance from the Washington State Patrol or Grant County Sheriff's Office.

## Vehicle Towing and Release

### 510.1 PURPOSE AND SCOPE

This policy provides the procedures for towing a vehicle by or at the direction of the Quincy Police Department.

### 510.2 RESPONSIBILITIES

The responsibilities of those employees storing or impounding a vehicle are as follows.

#### 510.2.1 REMOVAL OF VEHICLE DISABLED IN A TRAFFIC COLLISION

When a vehicle has been involved in a traffic collision and must be removed from the scene, the officer shall have the driver select a towing company, if possible, and shall relay the request for the specified towing company to the dispatcher. When there is no preferred company requested or the requested company is unavailable or too far away, causing traffic to be affected longer, the officer will request assistance from the tow company currently contracted by the City of Quincy. Should that tow company not be reasonably available, the officer may request a company from the rotational list of towing companies in Multi-Agency Communications Center (MACC).

If the owner is incapacitated, or for any reason it is necessary for the Department to assume responsibility for a vehicle involved in a collision, the officer shall request the dispatcher to call the official tow company for the City of Quincy. The officer will complete the Washington Uniform Inventory Impound form.

#### 510.2.2 DRIVING A NON-CITY VEHICLE

Vehicles which have been towed by or at the direction of the Department should not be driven by police personnel unless it is necessary to move a vehicle a short distance to eliminate a hazard, prevent the obstruction of a fire hydrant, or to comply with posted signs.

#### 510.2.3 RECORDS SECTION RESPONSIBILITIES

Whenever a vehicle is impounded or recovered by the Quincy Police Department it will be the responsibility of the Records Division to enter, update, and/or locate the WACIC record. They shall also promptly attempt to notify the legal owner of the recovery. (RCW 7.69.030(7))

If the impound or recovery is done after normal business hours, Multi-Agency Communications Center (MACC) will be responsible for entering, updating, and/or locating the WACIC record. They shall also attempt to notify the legal owner of the recovery.

### 510.3 TOWING SERVICES

The City of Quincy periodically selects a firm to act as the official tow service and awards a contract to that firm. This firm will be used in the following situations:

- (a) When it is necessary to safeguard a vehicle due to the inability of the owner or operator to take the required action.
- (b) When a vehicle is being held as evidence in connection with an investigation.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Vehicle Towing and Release*

---

- (c) When it is otherwise necessary to store a motor vehicle. This would include situations involving the recovery of stolen or abandoned vehicles, and the removal from the streets of vehicles obstructing traffic in violation of state or local regulations.

Nothing in this policy shall require the Department to tow a vehicle.

### **510.4 STORAGE AT ARREST SCENES**

Whenever a person in charge or in control of a vehicle is arrested, it is the policy of this department to provide reasonable safekeeping for the arrestee's vehicle. The vehicle shall be stored whenever it is mandated by law, needed for the furtherance of an investigation or prosecution of the case or when the Community Caretaker Doctrine would reasonably suggest it. For example, the vehicle would present a traffic hazard if not removed, or due to a high crime area the vehicle would be in jeopardy of theft or damage if left at the scene.

No impound should occur if other alternatives are available that would ensure the vehicle's protection. Factors that should be considered by officers in determining whether to impound a vehicle pursuant to this policy include:

- (a) Whether the offense for which the subject was arrested mandates vehicle impound (i.e. DUI, commercial sexual abuse of a minor, promoting commercial sexual abuse of a minor, or promoting travel for commercial sexual abuse of a minor (RCW 9A.88.140(2); RCW 46.55.360).
- (b) Whether someone is available at the scene of the arrest to whom the vehicle could be released.
- (c) Whether the vehicle is impeding the flow of traffic or is a danger to public safety.
- (d) Whether the vehicle can be secured.
- (e) Whether the detention of the arrestee will likely be of such duration as to require protection of the vehicle.
- (f) Whether there is some reasonable connection between the crime/arrest and the vehicle, or the vehicle is related to the commission of another crime (i.e., the vehicle itself has evidentiary value).
- (g) Whether the owner/operator requests that the vehicle be stored.
- (h) Whether the vehicle would be in jeopardy of theft or damage if left at the scene in a high-crime area.

In cases where a vehicle is not stored, the handling employee shall note in the report that the owner was informed that the Department will not be responsible for theft or damages to the vehicle.

#### **510.4.1 VEHICLE IMPOUND PER 30-60-90 DAY RULE**

As authorized in WAC 204-96-010, when a driver of a vehicle is arrested for a violation RCW 46.20.342 (DWLSRO Driver) the arresting officer may, in his/her own discretion, considering reasonable alternatives, cause the vehicle to be impounded.

# Quincy Police Department

Quincy PD WA Policy Manual

## Vehicle Towing and Release

---

When the arrest is for a violation 46.20.342 (DWLS) and the vehicle is a commercial vehicle, the driver of the vehicle is not the owner, the owner was not in vehicle at the time, and the owner has not received a prior release under RCW 46.55.113(3) or 46.55.120 (1)(a)(ii) prior to impounding the vehicle the officer shall attempt in a reasonable and timely manner to contact the owner of the vehicle and may release the vehicle to the owner.

State law allows for impoundments of vehicles driven by drivers with suspended or revoked driver's license to be impounded for periods as follows:

	Driver is RO	Driver is not RO
DWLS 3, no convictions past 5 years	See Note 1 below	No Hold
DWLS 3 w/any prior conviction past 5 yrs	30 days	30 days
DWLS 2 w/no prior conviction past 5 yrs	30 days	30 days
DWLS 2 w/ONE prior conviction past 5 yrs	30 days	30 days
DWLS 1 w/no prior conviction past 5 yrs	30 days	30 days
DWLS 1 w/TWO or MORE prior conviction past 5 yrs	30 days	30 days

Note 1: If driver is RO then proof must be shown that ALL fines, fees and penalties have been paid in full before releasing vehicle.

A vehicle may be release prior to the hold period upon a showing of economic or personal hardship to the spouse of the operator, taking into consideration public safety factors, including the operator's criminal history and driving record; or that the owner of the vehicle was not the driver, the owner did not know that the driver's license was suspended or revoked and the owner has not received a prior release under RCW 46.55.120(1)(a)(ii) or 46.55.113(3). Release shall be denied in all other circumstances.

### 510.5 VEHICLE INVENTORY

All property in a stored or impounded vehicle shall be inventoried and listed on the vehicle storage form. A locked vehicle trunk shall not be opened, even if it may be opened without a key from an accessible area of the passenger compartment. Locked or closed containers located within the passenger compartment should be inventoried as a sealed unit, absent exigent circumstances.

Members conducting inventory searches should be as thorough and accurate as practical in preparing an itemized inventory. These inventory procedures are for the purpose of protecting an owner's property while in police custody, to provide for the safety of officers, and to protect the Department against fraudulent claims of lost, stolen, or damaged property.

### **510.6 SECURITY OF VEHICLES AND PROPERTY**

Unless it would cause an unreasonable delay in the completion of a vehicle impound/storage or create an issue of officer safety, officers should make reasonable accommodations to permit a driver/owner to retrieve small items of value or personal need (e.g. cash, jewelry, cell phone, prescriptions) which are not considered evidence or contraband.

If a search of a vehicle leaves the vehicle or any property contained therein vulnerable to unauthorized entry, theft or damage, search personnel shall take such steps as are reasonably necessary to secure and/or preserve the vehicle or property from such hazards.

### **510.7 MANDATORY IMPOUNDS**

The Washington State legislature finds that, Despite every effort, the problem of driving or controlling a vehicle while under the influence of alcohol or drugs remains a great threat to the lives and safety of citizens. Over five hundred people are killed by traffic accidents in Washington each year and impaired vehicle driver's account for almost forty-five percent, or over two hundred deaths per year. That is, impairment is the leading cause of traffic deaths in this state;

Over thirty-nine thousand people are arrested each year in Washington for driving or controlling a vehicle while under the influence of alcohol or drugs. Persons arrested for driving or controlling a vehicle while under the influence of alcohol or drugs may still be impaired after they are cited and released and could return to drive or control a vehicle. If the vehicle was impounded, there is nothing to stop the impaired person from going to the tow truck operator's storage facility and redeeming the vehicle while still impaired;

More can be done to deter those arrested for driving or controlling a vehicle while under the influence of alcohol or drugs. Approximately one-third of those arrested for operating a vehicle under the influence are repeat offenders. Vehicle impoundment effectively increases deterrence and prevents an impaired driver from accessing the vehicle for a specified time. In addition, vehicle impoundment provides an appropriate measure of accountability for registered owners who allow impaired drivers to drive or control their vehicles, but it also allows the registered owners to redeem their vehicles once impounded. Any inconvenience on a registered owner is outweighed by the need to protect the public;

In order to protect public safety and to enforce the state's laws, it is reasonable and necessary to mandatorily impound the vehicle operated by a person who has been arrested for driving or controlling a vehicle while under the influence of alcohol or drugs.

The legislature intends, by SB 5000, To change the primary reason for impounding the vehicle operated by a person arrested for driving or controlling a vehicle under the influence of alcohol or drugs. The purpose of impoundment under this act is to protect the public from a person operating a vehicle while still impaired, rather than to prevent a potential traffic obstruction; and To require that officers have no discretion as to whether or not to order an impound after they have arrested a vehicle driver with reasonable grounds to believe the driver of the vehicle was driving while under

the influence of alcohol or drugs, or was in physical control of a vehicle while under the influence of alcohol or drugs.

### 510.7.1 POLICY

When a driver of a vehicle is arrested for a violation of RCW 46.61.502 or 46.61.504, the vehicle is subject to summary impoundment and except for a commercial vehicle or farm transport vehicle, the vehicle must be impounded for a mandatory 12 hour period.

### 510.7.2 REGISTERED OWNER IS THE DRIVER

When a driver of a vehicle is arrested for a violation of RCW 46.61.502 or 46.61.504 and the driver is a registered owner of the vehicle, the impounded vehicle may not be redeemed within a twelve-hour period following the time the impounded vehicle arrives at the registered tow truck operator's storage facility as noted in the registered tow truck operator's master log, unless there are two or more registered owners of the vehicle or there is a legal owner of the vehicle that is not the driver of the vehicle. A registered owner who is not the driver of the vehicle or a legal owner who is not the driver of the vehicle may redeem the impounded vehicle after it arrives at the registered tow truck operator's storage facility as noted in the registered tow truck operator's master log.

The police officer directing the impound shall notify the driver that the impounded vehicle may not be redeemed within a twelve-hour period following the time the impounded vehicle arrives at the registered tow truck operator's storage facility as noted in the registered tow truck operator's master log, unless there are two or more registered owners or there is a legal owner who is not the driver of the vehicle. The police officer directing the impound shall notify the driver that the impounded vehicle may be redeemed by either a registered owner or legal owner, who is not the driver of the vehicle, after the impounded vehicle arrives at the registered tow truck operator's storage facility as noted in the registered tow truck operator's master log.

### 510.7.3 REGISTERED OWNER NOT THE DRIVER

When a driver of a vehicle is arrested for a violation of RCW 46.61.502 or 46.61.504 and the driver is not a registered owner of the vehicle, the impounded vehicle may be redeemed by a registered owner or legal owner, who is not the driver of the vehicle, after the impounded vehicle arrives at the registered tow truck operator's storage facility as noted in the registered tow truck operator's master log.

The police officer directing the impound shall notify the driver that the impounded vehicle may be redeemed by a registered owner or legal owner, who is not the driver of the vehicle, after the impounded vehicle arrives at the registered tow truck operator's storage facility as noted in the registered tow truck operator's master log.

### 510.7.4 COMMERCIAL VEHICLE OR FARM TRANSPORT

If the vehicle is a commercial vehicle or farm transport vehicle and the driver of the vehicle is not the owner of the vehicle, before the summary impoundment directed under this section, the police officer shall attempt in a reasonable and timely manner to contact the owner of the vehicle and

may release the vehicle to the owner if the owner is reasonably available, as long as the owner was not in the vehicle at the time of the stop and arrest.

### **510.8 NOTIFICATION OF TOWED VEHICLE**

Generally notification of a towed vehicle is provided to the driver of the vehicle when he or she is provided with the drivers copy of the WSP tow form. In the event the driver is not the registered owner or the registered owner or responsible party for the vehicle is not available, it will be the responsibility of the Records Division to notify the Registered Owner on file. This notification will be made by mailing, via certified mail, the Drivers copy of the WSP tow form. Records will update a supplemental in the CR that the registered owner was notified.

## Vehicle Impound Hearings

### 512.1 PURPOSE AND SCOPE

This policy establishes a procedure for the requirement to provide vehicle storage or impound validity hearings.

### 512.2 IMPOUND HEARING

When a vehicle is impounded by any member of the Quincy Police Department, a hearing will be conducted upon the request of the registered or legal owner of the vehicle or their agent (RCW 46.55.240).

#### 512.2.1 HEARING PROCEDURES

When requested, a hearing will be held at the Quincy Police Department within five days of the receipt of the request. The Department will appoint a Hearing Officer who will conduct the hearing and render a judgment. The employee who caused the removal of the vehicle does not need to be present for this hearing.

All requests for a hearing on an impounded vehicle shall be submitted in person, writing, or by telephone within ten days of the date appearing on the notice. The person requesting the hearing may record the hearing at his/her own expense.

The vehicle impound hearing officer shall consider all information provided and determine whether the vehicle was impounded consistent with law and department policy. The Department will have the burden of proving by preponderance of the evidence that the vehicle was impounded lawfully and within policy.

If a decision is made that the vehicle was impounded within the law and department policy, the hearing officer shall advise the inquiring party that they may appeal the decision with the district court for a final judgment (RCW 46.55.240(1)(d)).

A decision that the vehicle was not impounded in a lawful manner or within department policy will require that the vehicle in impound be released immediately. Towing and storage fees will be paid at the Department's expense (RCW 46.55.120(3)(e)).

If a decision is made that the vehicle was not impounded in a lawful manner or within department policy, and the vehicle has been released with fees having been paid, the receipt for such fees will be forwarded with a letter to the appropriate Captain. The hearing officer will recommend to the appropriate Captain that the fees paid by the registered or legal owner of the vehicle in question or their agent be reimbursed by the Department.

## Impaired Driving

### 514.1 PURPOSE AND SCOPE

This policy provides guidance to those department members who play a role in the detection and investigation of driving under the influence (DUI).

### 514.2 POLICY

The Quincy Police Department is committed to the safety of the roadways and the community and will pursue fair but aggressive enforcement of Washington's impaired driving laws.

#### 514.2.1 USE OF DRUG RECOGNITION EXPERT

When an officer suspects a driver is impaired by drug or alcohol, the officer should ask the driver to perform Standardized Field Sobriety Testing (SFST). Following administration of SFST the officer should make a determination as to the driver's impairment and should have probable cause for an arrest for DUI. Following that arrest and/or determination, the officer should offer the driver a Portable Breath Test (PBT), and explain the PBT is not mandatory. Should that breath sample, if given, be 0.08 or more, the arrest should be completed for DUI (alcohol).

Should the officer believe impairment is present and the PBT result is less than 0.08, the officer should complete the arrest for DUI and then request Multi-Agency Communications Center (MACC) to contact a Drug Recognition Expert (DRE).

The DRE should contact the arresting officer by phone and discuss the situation. The arresting officer should assist the DRE as requested.

Due to the extended time for a DRE investigation, the arresting officer should notify the supervisor of the activity.

### 514.3 INVESTIGATIONS

Officers should not enforce DUI laws to the exclusion of their other duties unless specifically assigned to DUI enforcement. All officers are expected to enforce these laws with due diligence.

The Sergeant will develop and maintain, in consultation with the prosecuting attorney, report forms with appropriate checklists to assist investigating officers in documenting relevant information and maximizing efficiency. Any DUI investigation will be documented using these forms. Information documented elsewhere on the form does not need to be duplicated in the report narrative. Information that should be documented includes, at a minimum:

- (a) The field sobriety tests (FSTs) administered and the results.
- (b) The officer's observations that indicate impairment on the part of the individual, and the officer's health-related inquiries that may help to identify any serious health concerns (e.g., diabetic shock).
- (c) Sources of additional information (e.g., reporting party, witnesses) and their observations.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Impaired Driving*

---

- (d) Information about any audio and/or video recording of the individual's driving or subsequent actions.
- (e) The location and time frame of the individual's vehicle operation and how this was determined.
- (f) Any prior related convictions in Washington or another jurisdiction.
- (g) Whether a child under the age of 16 was present in the vehicle (RCW 46.61.507).

### **514.4 FIELD TESTS**

The Sergeant should identify standardized FSTs and any approved alternate tests for officers to use when investigating violations of DUI laws.

### **514.5 CHEMICAL TESTS**

A person implies consent under Washington law to a chemical test or tests of the person's breath and to providing the associated chemical sample under any of the following (RCW 46.20.308):

- (a) The arresting officer has reasonable grounds to believe the person was driving or in actual physical control of a motor vehicle while under the influence of intoxicating liquor or drug.
- (b) The arresting officer has reasonable grounds to believe a person under the age of 21 was driving or in actual physical control of a motor vehicle while having a blood alcohol concentration of at least 0.02 (RCW 46.61.503).
- (c) The officer has stopped a person operating a commercial motor vehicle license (CDL) and has reasonable grounds to believe that the person was driving while having alcohol in the person's system (RCW 46.25.120).

If a person withdraws this implied consent, or is unable to withdraw consent (e.g., the person is unconscious), the officer should consider implied consent revoked and proceed as though the person has refused to provide a chemical sample.

#### **514.5.1 BREATH SAMPLES**

The Sergeant should ensure that all devices used for the collection and analysis of breath samples are properly serviced and tested, and that a record of such service and testing is properly maintained.

Officers obtaining a breath sample should monitor the device for any sign of malfunction. Any anomalies or equipment failures should be noted in the appropriate report and promptly reported to the Sergeant.

Generally, chemical tests to determine alcohol concentration shall be of the breath only (RCW 46.20.308; RCW 46.25.120).

#### 514.5.2 BLOOD SAMPLES

Only persons authorized by law to draw blood shall collect blood samples (RCW 46.61.506). The blood draw should be witnessed by the assigned officer. No officer, even if properly certified, should perform this task.

Officers should inform an arrestee that if he/she chooses to provide a blood sample, a separate sample can be collected for alternate testing. Unless medical personnel object, two samples should be drawn and retained as evidence, so long as only one puncture is required.

The blood sample shall be packaged, marked, handled, stored and transported as required by the testing facility.

If an arrestee cannot submit to a blood draw because he/she has a bleeding disorder or has taken medication that inhibits coagulation, he/she shall not be required to take a blood test. Such inability to take a blood test should not be considered a refusal. However, that arrestee may be required to complete another available and viable test.

A blood sample may be obtained only with the consent of the individual or as otherwise provided in this policy (RCW 46.20.308; RCW 46.25.120).

#### 514.5.3 STATUTORY NOTIFICATIONS

An officer requesting that a person submit to a chemical test shall provide the person, prior to administering the test, with the mandatory warnings pursuant to RCW 46.20.308(2) or if driving a commercial vehicle the warnings pursuant to RCW 46.25.120(3).

#### **514.6 REFUSALS**

When an arrestee refuses to provide a chemical sample, officers shall:

- (a) Advise the arrestee of the requirement to provide a sample.
- (b) Audio- and/or video-record the admonishment and the response when it is practicable.
- (c) Document the refusal in the appropriate report.

#### 514.6.1 BLOOD SAMPLE WITHOUT CONSENT

A blood sample may be obtained from a person who has been arrested and does not consent to a blood test when any of the following conditions exist (RCW 46.20.308; RCW 46.25.120):

- (a) A search warrant has been obtained.
- (b) The officer can articulate that exigent circumstances exist.

Exigency does not exist solely because of the short time period associated with the natural dissipation of alcohol or controlled or prohibited substances in the person's bloodstream. Exigency can be established by the existence of special facts, such as a lengthy time delay in obtaining a blood sample due to an accident investigation or medical treatment of the person.

### 514.6.2 FORCED BLOOD SAMPLE

If an arrestee indicates by word or action that he/she will physically resist a blood draw, the officer should request a supervisor to respond.

The responding supervisor should:

- (a) Evaluate whether using force to obtain a blood sample is appropriate under the circumstances.
- (b) Ensure that all attempts to obtain a blood sample through force cease if the person agrees to, and completes a viable form of testing in a timely manner.
- (c) Advise the person of his/her duty to provide a sample (even if this advisement was previously done by another officer) and attempt to persuade the individual to submit to such a sample without physical resistance. This dialogue should be recorded on audio and/or video when practicable.
- (d) Ensure that the blood sample is taken in a medically approved manner.
- (e) Ensure the forced blood draw is recorded on audio and/or video when practicable.
- (f) Monitor and ensure that the type and level of force applied appears reasonable under the circumstances.
  - 1. Unless otherwise provided in a warrant, force should generally be limited to handcuffing or similar restraint methods.
  - 2. In misdemeanor cases, if the arrestee becomes violent or more resistant, no additional force will be used and a refusal should be noted in the report.
  - 3. In felony cases, force which reasonably appears necessary to overcome the resistance to the blood draw may be permitted.
- (g) Ensure the use of force and methods used to accomplish the collection of the blood sample are documented in the related report.

If a supervisor is unavailable, officers are expected to use sound judgment and perform as a responding supervisor, as set forth above.

## **514.7 ARREST AND INVESTIGATION**

### 514.7.1 WARRANTLESS ARREST

An officer having probable cause to believe that a person is DUI may make a warrantless arrest of the person whether or not the officer observed the violation first hand (RCW 10.31.100).

Arrests supported by probable cause for DUI are mandatory if the person has been convicted of DUI in the past 10 years or if the officer has knowledge based on the information available to him/her that the person is charged with, or is waiting arraignment for, an offense that would qualify as a prior offense as defined by RCW 46.61.5055 if it were a conviction (RCW 10.31.100).

### 514.7.2 OFFICER RESPONSIBILITIES

If a person refuses to submit to a chemical test, or the results from the test render a prohibited alcohol or THC concentration in the person's breath or blood, the officer shall (RCW 46.20.308(5)):

- (a) Serve the notice of intention to suspend, revoke, or deny the person's license or permit to drive.
- (b) Provide the person with a written notice of his/her right to a hearing before the Department of Licensing (DOL).
- (c) Advise the person that his/her license or permit is a temporary license.
- (d) Immediately notify the DOL of the arrest and within 72 hours transmit to the DOL a sworn report that states:
  1. The officer had reasonable grounds to believe the person was DUI.
  2. After having received the required statutory warnings, the person either refused to submit to a test of his/her blood or breath or submitted to a test that rendered a prohibited alcohol or THC concentration of the person's breath or blood.
- (e) Submit a sworn report to the DOL when the person has a CDL and either refused or had a test administered that disclosed a prohibited amount of alcohol or any amount of THC concentration (RCW 46.25.120(5)).

When a person is arrested for a violation of RCW 46.61.502 (DUI) or RCW 46.61.504 (Physical control of vehicle while DUI), the officer shall make a clear notation on the report if there is a child under the age of 16 present in the vehicle and promptly notify child protective services as required in the Child Abuse Policy (RCW 46.61.507).

### 514.7.3 ADDITIONAL TESTING

### 607.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the use of informants.

#### 607.1.1 DEFINITIONS

Definitions related to this policy include:

**Informant** - A person who covertly interacts with other individuals or suspects at the direction of, request of, or by agreement with the Quincy Police Department for law enforcement purposes. This also includes a person agreeing to supply information to the Quincy Police Department for a benefit (e.g., a quid pro quo in the form of a reduced criminal penalty, money).

### 607.2 POLICY

The Quincy Police Department recognizes the value of informants to law enforcement efforts and will strive to protect the integrity of the informant process. It is the policy of this department that all funds related to informant payments will be routinely audited and that payments to informants will be made according to the criteria outlined in this policy.

### 607.3 USE OF INFORMANTS

#### 607.3.1 INITIAL APPROVAL

Before using an individual as an informant, an officer must receive approval from his/her supervisor. The officer shall compile sufficient information through a background investigation and experience with the informant in order to determine the suitability of the individual, including age, maturity and risk of physical harm, as well as any indicators of his/her reliability and credibility.

Members of this department should not guarantee absolute safety or confidentiality to an informant.

#### 607.3.2 JUVENILE INFORMANTS

Details of the agreement are to be approved in writing by a supervisor before being finalized with the informant.

### 607.4 INFORMANT INTEGRITY

To maintain the integrity of the informant process, the following must be adhered to:

  - 1. Identities of informants acting in a confidential capacity shall otherwise be kept confidential.
- (b) Criminal activity by informants shall not be condoned.

- (f) When contacting informants for the purpose of making payments, officers shall arrange for the presence of another officer.
- (g) In all instances when department funds are paid to informants, a voucher shall be completed in advance, itemizing the expenses.
- (h) Since the decision rests with the appropriate prosecutor, officers shall not promise that the informant will receive any form of leniency or immunity from criminal prosecution.

#### 607.4.1 UNSUITABLE INFORMANTS

The suitability of any informant should be considered before engaging him/her in any way in a covert or other investigative process. Members who become aware that an informant may be unsuitable will notify the supervisor, who will initiate a review to determine suitability. Until a determination has been made by a supervisor, the informant should not be used by any member. The supervisor shall determine whether the informant should be used by the Department and,

Considerations for determining whether an informant is unsuitable include, but are not limited to, the following:

- (a) The informant has provided untruthful or unreliable information in the past.
- (b) The informant behaves in a way that may endanger the safety of an officer.
- (c) The informant reveals to suspects the identity of an officer or the existence of an investigation.

- (g) The informant commits criminal acts subsequent to entering into an informant agreement.

### **607.5 INFORMANT FILES**

Informant files shall be maintained in a secure area within the INET.

#### **607.5.1 FILE SYSTEM PROCEDURE**

A separate file shall be maintained on each informant and shall be coded with an assigned informant control number. An informant history that includes the following information shall be prepared for each file:

  - 1. If an informant is determined to be unsuitable, the informant's file is to be marked "unsuitable" and notations included detailing the issues that caused this classification.
- (j) Name of the officer initiating use of the informant
- (k) Signed informant agreement
- (l) Update on active or inactive status of informant

### **607.6 INFORMANT PAYMENTS**

The Quincy Police Department shall not pay informants. INET shall follow their policy in regards to payment of informants.

## Eyewitness Identification

### 610.1 PURPOSE AND SCOPE

This policy sets forth guidelines to be used when members of this department employ eyewitness identification techniques.

#### 610.1.1 DEFINITIONS

Definitions related to the policy include:

**Eyewitness identification process** - Any field identification, live lineup or photographic identification.

**Field identification** - A live presentation of a single individual to a witness following the commission of a criminal offense for the purpose of identifying or eliminating the person as the suspect.

**Live lineup** - A live presentation of individuals to a witness for the purpose of identifying or eliminating an individual as the suspect.

**Photographic lineup** - Presentation of photographs to a witness for the purpose of identifying or eliminating an individual as the suspect.

### 610.2 POLICY

The Quincy Police Department will strive to use eyewitness identification techniques, when appropriate, to enhance the investigative process and will emphasize identifying persons responsible for crime and exonerating the innocent.

### 610.3 INTERPRETIVE SERVICES

Members should make a reasonable effort to arrange for an interpreter before proceeding with eyewitness identification if communication with a witness is impeded due to language or hearing barriers.

Before the interpreter is permitted to discuss any matter with the witness, the investigating member should explain the identification process to the interpreter. Once it is determined that the interpreter comprehends the process and can explain it to the witness, the eyewitness identification may proceed as provided for within this policy.

### 610.4 EYEWITNESS IDENTIFICATION PROCESS AND FORM

The Investigations supervisor shall be responsible for the development and maintenance of an eyewitness identification process for use by members when they are conducting eyewitness identifications.

The process should include appropriate forms or reports that provide:

- (a) The date, time and location of the eyewitness identification procedure.
- (b) The name and identifying information of the witness.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Eyewitness Identification*

---

- (c) The name of the person administering the identification procedure.
- (d) If applicable, the names of all of the individuals present during the identification procedure.
- (e) An instruction to the witness that it is as important to exclude innocent persons as it is to identify a perpetrator.
- (f) An instruction to the witness that the perpetrator may or may not be among those presented and that the witness is not obligated to make an identification.
- (g) If the identification process is a photographic or live lineup, an instruction to the witness that the perpetrator may not appear exactly as he/she did on the date of the incident.
- (h) An instruction to the witness that the investigation will continue regardless of whether an identification is made by the witness.
- (i) A signature line where the witness acknowledges that he/she understands the identification procedures and instructions.
- (j) A statement from the witness in the witness's own words describing how certain he/she is of the identification or non-identification. This statement should be taken at the time of the identification procedure.

### **610.5 EYEWITNESS IDENTIFICATION**

Members are cautioned not to, in any way influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case. Members should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified or failed to identify the individual as the suspect.

In order to avoid undue influence, witnesses should view suspects or a lineup individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses.

Whenever feasible, the eyewitness identification procedure should be audio and/or video recorded and the recording should be retained according to current evidence procedures.

#### **610.5.1 PHOTOGRAPHIC AND LIVE LINEUP CONSIDERATIONS**

When practicable, the person composing the lineup and the person presenting the lineup should not be directly involved in the investigation of the case. When this is not possible, the member presenting the lineup must take the utmost care not to communicate the identity of the suspect in any way.

When practicable, the employee presenting a lineup to a witness should not know which photograph or person is the suspect.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Eyewitness Identification*

---

Other persons or photos used in any lineup should bear similar characteristics to the suspect to avoid causing him/her to unreasonably stand out. In cases involving multiple suspects, a separate lineup should be conducted for each suspect.

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating officer should contact the appropriate prosecuting attorney before proceeding.

### **610.6 DOCUMENTATION**

A thorough description of the eyewitness process and the results of any eyewitness identification should be documented in the case report.

If a photographic lineup is utilized, a copy of the photographic lineup presented to the witness should be included in the case report. In addition, the order in which the photographs were presented to the witness should be documented in the case report.

### **610.7 FIELD IDENTIFICATION CONSIDERATIONS**

Field identifications, also known as field elimination show-ups or one-on-one identifications, may be helpful in certain cases, where exigent circumstances make it impracticable to conduct a photo or live lineup identifications. A field elimination show-up or one-on-one identification should not be used when independent probable cause exists to arrest a suspect. In such cases a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the member should observe the following guidelines:

- (a) Obtain a complete description of the suspect from the witness.
- (b) Assess whether a witness should be included in a field identification process by considering:
  - 1. The length of time the witness observed the suspect.
  - 2. The distance between the witness and the suspect.
  - 3. Whether the witness could view the suspect's face.
  - 4. The quality of the lighting when the suspect was observed by the witness.
  - 5. Whether there were distracting noises or activity during the observation.
  - 6. Any other circumstances affecting the witness's opportunity to observe the suspect.
  - 7. The length of time that has elapsed since the witness observed the suspect.
- (c) If safe and practicable, the person who is the subject of the show-up should not be handcuffed or in a patrol vehicle.
- (d) When feasible, members should bring the witness to the location of the subject of the show-up, rather than bring the subject of the show-up to the witness.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Eyewitness Identification*

---

- (e) The person who is the subject of the show-up should not be shown to the same witness more than once.
- (f) In cases involving multiple suspects, witnesses should only be permitted to view the subjects of the show-up one at a time.
- (g) The person who is the subject of the show-up should not be required to put on clothing worn by the suspect, to speak words uttered by the suspect or to perform other actions mimicking those of the suspect.
- (h) If a witness positively identifies a subject of the show-up as the suspect, members should not conduct any further field identifications with other witnesses for that suspect. In such instances members should document the contact information for any additional witnesses for follow up, if necessary.

## Brady Material Disclosure

### 612.1 PURPOSE AND SCOPE

This policy establishes guidelines for identifying and releasing potentially exculpatory or impeachment information (so-called “*Brady* information”) to a prosecuting attorney.

#### 612.1.1 DEFINITIONS

Definitions related to this policy include:

**Brady information** - Information known or possessed by the Quincy Police Department that is both favorable and material to the current prosecution or defense of a criminal defendant.

### 612.2 POLICY

The Quincy Police Department will conduct fair and impartial criminal investigations and will provide the prosecution with both incriminating and exculpatory evidence, as well as information that may adversely affect the credibility of a witness. In addition to reporting all evidence of guilt, the Quincy Police Department will assist the prosecution by complying with its obligation to disclose information that is both favorable and material to the defense. The Department will identify and disclose to the prosecution potentially exculpatory information, as provided in this policy.

### 612.3 DISCLOSURE OF INVESTIGATIVE INFORMATION

Officers must include in their investigative reports adequate investigative information and reference to all material evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in the case. If an officer learns of potentially incriminating or exculpatory information any time after submission of a case, the officer or the handling investigator must prepare and submit a supplemental report documenting such information as soon as practicable. Supplemental reports shall be promptly processed and transmitted to the prosecutor’s office.

If information is believed to be privileged or confidential (e.g., confidential informant or protected personnel files); the officer should discuss the matter with a supervisor and/or prosecutor to determine the appropriate manner in which to proceed.

Evidence or facts are considered material if there is a reasonable probability that they would affect the outcome of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If an officer is unsure whether evidence or facts are material, the officer should address the issue with a supervisor.

Supervisors who are uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the Department case file.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Brady Material Disclosure*

---

### **612.4 DISCLOSURE OF PERSONNEL INFORMATION**

If a member of this department is a material witness in a criminal case, a person or persons designated by the Chief of Police shall examine the personnel file and/or internal affairs file of the officer to determine whether they contain *Brady* information. If *Brady* information is located, the following procedure shall apply:

- (a) In the event that a motion has not already been filed by the criminal defendant or other party, the prosecuting attorney and department member shall be notified of the potential presence of *Brady* material in the member's personnel file.
- (b) The prosecuting attorney or department counsel should be requested to file a motion in order to initiate an in camera review by the court.
  1. If no motion is filed, the supervisor should work with counsel to determine whether the records should be disclosed to the prosecutor.
- (c) The Custodian of Records shall accompany all relevant personnel files during any in camera inspection to address any issues or questions raised by the court.
- (d) If the court determines that there is relevant *Brady* material contained in the files, only that material ordered released will be copied and released to the parties filing the motion.
  1. Prior to the release of any materials pursuant to this process, the Custodian of Records should request a protective order from the court limiting the use of such materials to the involved case and requiring the return of all copies upon completion of the case.
- (e) If a court has determined that relevant *Brady* information is contained in the member's file in any case, the prosecutor should be notified of that fact in all future cases involving that member.

The person or persons designated by the Chief of Police should periodically examine the personnel files and/or internal affairs files of all officers who may be material witnesses in criminal cases to determine whether they contain *Brady* information. The obligation to provide *Brady* information is ongoing. If any new *Brady* information is identified, the prosecuting attorney should be notified.

### **612.5 INVESTIGATING BRADY ISSUES**

If the Department receives information from any source that a member may have issues of credibility, dishonesty, or has been engaged in an act of moral turpitude or criminal conduct, the information shall be investigated and processed in accordance with the Personnel Complaints Policy (RCW 10.93.150).

### **612.6 TRAINING**

Department personnel should receive periodic training on the requirements of this policy.

## Operations Planning and Deconfliction

### 613.1 PURPOSE AND SCOPE

This policy provides guidelines for planning, deconfliction and execution of high-risk operations.

Additional guidance on planning and serving high-risk warrants is provided in the Warrant Service Policy.

#### 613.1.1 DEFINITIONS

Definitions related to this policy include:

**High-risk operations** - Operations, including service of search and arrest warrants and sting operations, that are likely to present higher risks than are commonly faced by officers on a daily basis, including suspected fortified locations, reasonable risk of violence or confrontation with multiple persons, or reason to suspect that persons anticipate the operation.

### 613.2 POLICY

It is the policy of the Quincy Police Department to properly plan and carry out high-risk operations, including participation in a regional deconfliction system, in order to provide coordination, enhance the safety of members and the public, decrease the risk of compromising investigations and prevent duplicating efforts.

### 613.3 OPERATIONS DIRECTOR

The Chief of Police will designate a member of this department to be the operations director.

The operations director will develop and maintain a risk assessment form to assess, plan and coordinate operations. This form should provide a process to identify high-risk operations.

The operations director will review risk assessment forms with involved supervisors to determine whether a particular incident qualifies as a high-risk operation. The director will also have the responsibility for coordinating operations that are categorized as high risk.

### 613.4 RISK ASSESSMENT

#### 613.4.1 RISK ASSESSMENT FORM PREPARATION

Officers assigned as operational leads for any operation that may qualify as a high-risk operation shall complete a risk assessment form.

When preparing the form, the officer should query all relevant and reasonably available intelligence resources for information about the subject of investigation, others who may be present and the involved location. These sources may include regional intelligence and criminal justice databases, target deconfliction systems, firearm records, commercial databases and property records. Where appropriate, the officer should also submit information to these resources.

The officer should gather available information that includes, but is not limited to:

# Quincy Police Department

---

- (a) Photographs, including aerial photographs, if available, of the involved location, neighboring yards and obstacles.
- (b) Maps of the location.
- (c) Diagrams of any property and the interior of any buildings that are involved.
- (d) Historical information about the subject of investigation (e.g., history of weapon possession or use, known mental illness, known drug use, threats against police, gang affiliation, criminal history).
- (e) Historical information about others who may be present at the location (e.g., other criminals, innocent third parties, dependent adults, children, animals).
- (f) Obstacles associated with the location (e.g., fortification, booby traps, reinforced doors/windows, surveillance measures, number and type of buildings, geographic and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals or other hazardous materials, the potential for multiple dwellings or living spaces, availability of keys/door combinations).
- (g) Other environmental factors (e.g., nearby venues such as schools and day care centers, proximity of adjacent homes or other occupied buildings, anticipated pedestrian and vehicle traffic at the time of service).
- (h) Other available options that may minimize the risk to officers and others (e.g., making an off-site arrest or detention of the subject of investigation).

### 613.4.2 RISK ASSESSMENT REVIEW

Officers will present the risk assessment form and other relevant documents (such as copies of search warrants and affidavits and arrest warrants) to their supervisor and the operations director.

The supervisor and operations director shall confer and determine the level of risk. Supervisors should take reasonable actions if there is a change in circumstances that elevates the risks associated with the operation.

### 613.4.3 HIGH-RISK OPERATIONS

If the operations director, after consultation with the involved supervisor, determines that the operation is high risk, the operations director should:

- (a) Determine what resources will be needed at the location, and contact and/or place on standby any of the following appropriate and available resources:
  - 1. Tactical Response Team (Tactical Response Team)
  - 2. Additional personnel
  - 3. Outside agency assistance
  - 4. Special equipment
  - 5. Medical personnel

8. Canines
  9. Property and Evidence Section or analytical personnel to assist with cataloguing seizures
  10. Forensic specialists
  11. Specialized mapping for larger or complex locations
- (b) Contact the appropriate department members or other agencies as warranted to begin preparation.
  - (c) Ensure that all legal documents such as search warrants are complete and have any modifications reasonably necessary to support the operation.
  - (d) Coordinate the actual operation.

### **613.5 DECONFLICTION**

Deconfliction systems are designed to identify persons and locations associated with investigations or law enforcement operations and alert participating agencies when others are planning or conducting operations in close proximity or time or are investigating the same individuals, groups or locations.

The officer who is the operations lead shall ensure the subject of investigation and operations information have been entered in an applicable deconfliction system to determine if there is reported conflicting activity. This should occur as early in the process as practicable, but no later than two hours prior to the commencement of the operation. The officer should also enter relevant updated information when it is received.

If any conflict is discovered, the supervisor will contact the involved jurisdiction and resolve the potential conflict before proceeding.

### **613.6 OPERATIONS PLAN**

The operations director should ensure that a written operations plan is developed for all high-risk operations. Plans should also be considered for other operations that would benefit from having a formal plan.

The plan should address such issues as:

- (a) Operation goals, objectives and strategies.
- (b) Operation location and people:
  1. The subject of investigation (e.g., history of weapon possession/use, known mental illness issues, known drug use, threats against police, gang affiliation, criminal history)
  2. The location (e.g., fortification, booby traps, reinforced doors/windows, surveillance cameras and/or lookouts, number/type of buildings, geographic and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals or other hazardous materials, the potential for multiple dwellings or living spaces,

  4. Identification of other people who may be present in or around the operation, such as other criminal suspects, innocent third parties and children
- (c) Information from the risk assessment form by attaching a completed copy in the operational plan.
1. The volume or complexity of the information may indicate that the plan includes a synopsis of the information contained on the risk assessment form to ensure clarity and highlighting of critical information.
- (d) Participants and their roles.
1. An adequate number of uniformed officers should be included in the operation team to provide reasonable notice of a legitimate law enforcement operation.
  2. How all participants will be identified as law enforcement.
- (e) Whether deconfliction submissions are current and all involved individuals, groups and locations have been deconflicted to the extent reasonably practicable.
- (f) Identification of all communications channels and call-signs.
- (g) Use of force issues.
- (h) Contingencies for handling medical emergencies (e.g., services available at the location, closest hospital, closest trauma center).

- (l) Responsibilities for writing, collecting, reviewing and approving reports.

### **613.6.1 OPERATIONS PLAN RETENTION**

Since the operations plan contains intelligence information and descriptions of law enforcement tactics, it shall not be filed with the report. The operations plan shall be stored separately and retained in accordance with the established records retention schedule.

### **613.7 OPERATIONS BRIEFING**

A briefing should be held prior to the commencement of any high-risk operation to allow all participants to understand the operation, see and identify each other, identify roles and responsibilities and ask questions or seek clarification as needed. Anyone who is not present at the briefing should not respond to the operation location without specific supervisory approval.

- (a) The briefing should include a verbal review of plan elements, using visual aids, to enhance the participants' understanding of the operations plan.
- (b) All participants should be provided a copy of the operations plan and search warrant, if applicable. Participating personnel should be directed to read the search warrant and initial a copy that is retained with the operation plan. Any items to be seized should be identified at the briefing.
- (c) The operations director shall ensure that all participants are visually identifiable as law enforcement officers.
  - 1. Exceptions may be made by the operations director for officers who are conducting surveillance or working under cover. However, those members exempt from visual identification should be able to transition to a visible law enforcement indicator at the time of enforcement actions, such as entries or arrests, if necessary.
- (d) The briefing should include details of the communications plan.
  - 1. It is the responsibility of the operations director to ensure that Multi-Agency Communications Center (MACC) is notified of the time and location of the operation, and to provide a copy of the operation plan prior to officers arriving at the location.
  - 2. If the radio channel needs to be monitored by Multi-Agency Communications Center (MACC), the dispatcher assigned to monitor the operation should attend the briefing, if practicable, but at a minimum should receive a copy of the operation plan.
  - 3. The briefing should include a communications check to ensure that all participants are able to communicate with the available equipment on the designated radio channel.

If the operations director determines that Tactical Response Team participation is appropriate, the director and the Tactical Response Team supervisor shall work together to develop a written plan. The Tactical Response Team supervisor shall assume operational control until all persons at the scene are appropriately detained and it is safe to begin a search. When this occurs, the Tactical Response Team supervisor shall transfer control of the scene to the handling supervisor. This transfer should be communicated to the officers present.

#### **613.9 MEDIA ACCESS**

No advance information regarding planned operations shall be released without the approval of the Chief of Police. Any media inquiries or press release after the fact shall be handled in accordance with the Media Relations Policy.

### **613.10 OPERATIONS DEBRIEFING**

High-risk operations should be debriefed as soon as reasonably practicable. The debriefing should include as many participants as possible. This debrief may be separate from any Tactical Response Team debriefing.

### **613.11 TRAINING**

The Training Sergeant should ensure officers and Tactical Response Team team members who participate in operations subject to this policy should receive periodic training including, but not limited to, topics such as legal issues, deconfliction practices, operations planning concepts and reporting requirements.

# Sexual Assault Investigations

## 614.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the investigation of sexual assaults. These guidelines will address some of the unique aspects of such cases and the effects that these crimes have on the victims.

Mandatory notifications requirements are addressed in the Child Abuse and Adult Abuse policies.

### 614.1.1 DEFINITIONS

Definitions related to this policy include:

**Sexual assault** - Any crime or attempted crime of a sexual nature, to include, but not limited to, offenses defined in RCW 9A.44.010 et seq. and RCW 9A.64.020.

**Sexual Assault Response Team (SART)** - A multidisciplinary team generally comprised of advocates; law enforcement officers; forensic medical examiners, including sexual assault forensic examiners (SAFEs) or sexual assault nurse examiners (SANEs) if possible; forensic laboratory personnel; and prosecutors. The team is designed to coordinate a broad response to sexual assault victims.

## 614.2 POLICY

It is the policy of the Quincy Police Department that its members, when responding to reports of sexual assaults, will strive to minimize the trauma experienced by the victims, and will aggressively investigate sexual assaults, pursue expeditious apprehension and conviction of perpetrators, and protect the safety of the victims and the community.

## 614.3 QUALIFIED INVESTIGATORS

Qualified investigators should be available for assignment of sexual assault investigations. These investigators should:

- (a) Have specialized training in, and be familiar with, interview techniques and the medical and legal issues that are specific to sexual assault investigations.
- (b) Conduct follow-up interviews and investigation.
- (c) Present appropriate cases of alleged sexual assault to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and medical personnel as needed.
- (e) Provide referrals to therapy services, victim advocates and support for the victim.
- (f) Participate in or coordinate with the SART or other multidisciplinary investigative teams as applicable.

### **614.4 VICTIM INTERVIEWS**

The primary considerations in sexual assault investigations, which begin with the initial call to Multi-Agency Communications Center (MACC), should be the health and safety of the victim, the preservation of evidence, and preliminary interviews to determine if a crime has been committed and to attempt to identify the suspect.

Whenever possible, a member of the SART should be included in the initial victim interviews.

An in-depth follow-up interview should not be conducted until after the medical and forensic examinations are completed and the personal needs of the victim have been met (e.g., change of clothes, bathing). The follow-up interview may be delayed to the following day based upon the circumstances. Whenever practicable, the follow-up interview should be conducted by a qualified investigator.

No opinion of whether the case is unfounded should be included in a report.

Victims should be apprised of applicable victim's rights provisions, as outlined in the Victim Witness Assistance Policy.

#### **614.4.1 POLYGRAPH EXAMINATION OF VICTIM**

Victims of alleged sex offenses shall not be asked or required to submit to a polygraph examination or other truth telling device as a condition for proceeding with the investigation of the offense. The refusal of a victim to submit to a polygraph or other truth telling device shall not by itself prevent the investigation, charging or prosecution of the offense (RCW 10.58.038; 34 USC § 10451).

#### **614.4.2 VICTIM PERSONAL REPRESENTATIVE**

A victim may choose a personal representative to accompany him/her to the hospital or other health care facility and to any proceeding concerning the alleged sexual assault, including interviews. A personal representative includes a friend, relative, attorney, employee or volunteer from a community sexual assault program or specialized treatment service provider (RCW 70.125.030; RCW 70.125.060).

### **614.5 RELEASING INFORMATION TO THE PUBLIC**

In cases where the perpetrator is not known to the victim, and especially if there are multiple crimes where more than one appear to be related, consideration should be given to releasing information to the public whenever there is a reasonable likelihood that doing so may result in developing helpful investigative leads. The Investigations supervisor should weigh the risk of alerting the suspect to the investigation with the need to protect the victim and the public, and to prevent more crimes.

### **614.6 TRAINING**

Subject to available resources, periodic training should be provided to:

- (a) Members who are first responders. Training should include:
  1. Initial response to sexual assaults.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Sexual Assault Investigations*

---

2. Legal issues.
  3. Victim advocacy.
  4. Victim's response to trauma.
- (b) Qualified investigators, who should receive advanced training on additional topics. Advanced training should include:
1. Interviewing sexual assault victims.
  2. SART.
  3. Medical and legal aspects of sexual assault investigations.
  4. Serial crimes investigations.
  5. Use of community and other federal and state investigative resources, such as the Violent Criminal Apprehension Program (ViCAP).
  6. Techniques for communicating with victims to minimize trauma.
  7. The course provided by the Washington State Criminal Justice Training Commission on investigating and prosecuting sexual assault cases developed pursuant to RCW 43.101.270.
  8. Proper protocol for the use of the statewide sexual assault kit tracking system (RCW 35.21.195; RCW 36.28.200).

### **614.7 COLLECTION AND TESTING OF BIOLOGICAL EVIDENCE**

Whenever possible, a SART member should be involved in the collection of forensic evidence from the victim.

When the facts of the case indicate that collection of biological evidence is warranted, it should be collected regardless of how much time has elapsed since the reported assault.

If a drug-facilitated sexual assault is suspected, urine and blood samples should be collected from the victim as soon as practicable.

Subject to requirements set forth in this policy, biological evidence from all sexual assault cases, including cases where the suspect is known by the victim, should be submitted for testing. Victims who choose not to assist with an investigation, do not desire that the matter be investigated or wish to remain anonymous may still consent to the collection of evidence under their control. In these circumstances, the evidence should be collected and stored appropriately.

#### **614.7.1 STATEWIDE SEXUAL ASSAULT KIT TRACKING SYSTEM**

Members investigating a sexual assault should ensure that that biological evidence is tracked appropriately in the statewide sexual assault kit tracking system (RCW 35.21.195; RCW 36.28.200).

# Quincy Police Department

Quincy PD WA Policy Manual

## *Sexual Assault Investigations*

---

### 614.7.2 COLLECTION AND TESTING REQUIREMENTS

Sexual assault examination kits shall be submitted to an approved lab within 30 days with a request for testing prioritization when an adult victim has consented to the submission or the victim is an unemancipated person 17 years of age or younger (RCW 70.125.090).

Additional guidance regarding evidence retention and destruction is found in the Property and Evidence Policy.

### 614.7.3 DNA TEST RESULTS

Members investigating sexual assault cases should notify victims of any DNA test results as soon as reasonably practicable.

A SART member should be consulted regarding the best way to deliver biological testing results to a victim so as to minimize victim trauma, especially in cases where there has been a significant delay in getting biological testing results (e.g., delays in testing the evidence or delayed DNA databank hits). Members should make reasonable efforts to assist the victim by providing available information on local assistance programs and organizations as provided in the Victim Witness Assistance Policy.

Members investigating sexual assaults cases should ensure that DNA results are entered into databases when appropriate and as soon as practicable.

### 614.8 DISPOSITION OF CASES

If the assigned investigator has reason to believe the case is without merit, the case may be classified as unfounded only upon review and approval of the Investigations supervisor.

Classification of a sexual assault case as unfounded requires the Investigations supervisor to determine that the facts have significant irregularities with reported information and that the incident could not have happened as it was reported. When a victim has recanted his/her original statement, there must be corroborating evidence that the allegations were false or baseless (i.e., no crime occurred) before the case should be determined as unfounded.

### 614.9 REPORTING

In all reported or suspected cases of sexual assault, a report should be written and assigned for follow-up investigation. This includes incidents in which the allegations appear unfounded or unsubstantiated.

### 614.10 CASE REVIEW

The Investigations supervisor should ensure cases are reviewed on a periodic basis, at least annually, using an identified group that is independent of the investigation process. The reviews should include an analysis of:

- Case dispositions.
- Decisions to collect biological evidence.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Sexual Assault Investigations*

---

- Submissions of biological evidence for lab testing.

The SART and/or victim advocates should be considered for involvement in this audit. Summary reports on these reviews should be forwarded through the chain of command to the Chief of Police.

## Warrant Service

### 615.1 PURPOSE AND SCOPE

This policy establishes guidelines for the planning and serving of arrest and search warrants by members of this department. It is understood that this policy cannot address every variable or circumstance that can arise in the service of a search or arrest warrant, as these tasks can involve rapidly evolving and unique circumstances.

This policy is intended to be used in conjunction with the Operations Planning and Deconfliction Policy, which has additional guidance on planning and serving high-risk warrants.

This policy is not intended to address the service of search warrants on locations or property already secured or routine field warrant arrests by patrol officers.

### 615.2 POLICY

It is the policy of the Quincy Police Department to balance the safety needs of the public, the safety of department members, privacy interests and other relevant factors when making decisions related to the service of search and arrest warrants.

### 615.3 OPERATIONS DIRECTOR

The operations director (see the Operations Planning and Deconfliction Policy) shall review all risk assessment forms with the involved supervisor to determine the risk level of the warrant service

The operations director will also have the responsibility to coordinate service of those warrants that are categorized as high risk. Deconfliction, risk assessment, operational planning, briefing and debriefing should follow guidelines in the Operations Planning and Deconfliction Policy.

### 615.4 SEARCH WARRANTS

Officers shall advise a supervisor before preparing a search warrant application. The officer will prepare the affidavit and search warrant, consulting with the applicable prosecuting attorney as needed. He/she will also complete the risk assessment form and submit it, along with the warrant affidavit, to the appropriate supervisor and the operations director for review and classification of risk (see the Operations Planning and Deconfliction Policy).

### 615.5 ARREST WARRANTS

If an officer reasonably believes that serving an arrest warrant may pose a higher risk than commonly faced on a daily basis, the officer should complete the risk assessment form and submit it to the appropriate supervisor and the operations director for review and classification of risk (see the Operations Planning and Deconfliction Policy).

If the warrant is classified as high risk, service will be coordinated by Grant County TRT. If the warrant is not classified as high risk, the supervisor should weigh the risk of entry into a residence

to make an arrest against other alternatives, such as arresting the person outside the residence where circumstances may pose a lower risk.

### **615.6 WARRANT PREPARATION**

An officer who prepares a warrant should ensure the documentation in support of the warrant contains as applicable:

- (a) Probable cause to support the search or arrest, including relevant dates and times to demonstrate timeliness and facts to support any request for nighttime execution.
- (b) A clear explanation of the affiant's training, experience and relevant education.
- (c) Adequately supported opinions, when relevant, that are not left to unsubstantiated conclusions.
- (d) A nexus between the place to be searched and the persons or items central to the investigation. The facts supporting this nexus should be clear and current. For example, the affidavit shall explain why there is probable cause to believe that a particular person is currently residing at a particular location or that the items sought are present at a particular location.
- (e) Full disclosure of known or suspected residents at the involved location and any indication of separate living spaces at the involved location. For example, it should be disclosed that several people may be renting bedrooms at a single location, even if the exact location of the rooms is not known.
- (f) A specific description of the location to be searched, including photographs of the location, if reasonably available.
- (g) A sufficient description of the items to be seized.
- (h) Full disclosure of any known exculpatory information relevant to the warrant application (refer to the Brady Material Disclosure Policy).

### **615.7 HIGH-RISK WARRANT SERVICE**

Grant County TRT or the authorized designee shall coordinate the service of warrants that are categorized as high risk and shall have sole authority in determining the manner in which the warrant will be served, including the number of officers deployed.

The member responsible for directing the service should ensure the following as applicable:

- (a) When practicable and when doing so does not cause unreasonable risk, video or photographic documentation is made of the condition of the location prior to execution of a search warrant. The images should include the surrounding area and persons present.
- (b) The warrant service is video-recorded when practicable and reasonable to do so. The warrant service may be audio-recorded when announcing to everyone present that the conversation is going to be recorded and said announcement is recorded except if allowed by the warrant (RCW 9.73.030).

# Quincy Police Department

Quincy PD WA Policy Manual

## Warrant Service

---

- (c) Evidence is handled and collected only by those members who are designated to do so. All other members involved in the service of the warrant should alert one of the designated members to the presence of potential evidence and not touch or disturb the items.
- (d) Reasonable efforts are made during the search to maintain or restore the condition of the location.
- (e) Persons who are detained as part of the warrant service are handled appropriately under the circumstances.
- (f) Reasonable care provisions are made for children and dependent adults (see the Child and Dependent Adult Safety Policy).
- (g) A list is made of all items seized and a copy provided to the person in charge of the premises if present or otherwise left in a conspicuous place.
- (h) A copy of the search warrant is left at the location.
- (i) The condition of the property is documented with video recording or photographs after the search.

### **615.8 DETENTIONS DURING WARRANT SERVICE**

Officers must be sensitive to the safety risks of all persons involved with the service of a warrant. Depending on circumstances and facts present, it may be appropriate to control movements of any or all persons present at a warrant service, including those who may not be the subject of a warrant or suspected in the case. However, officers must be mindful that only reasonable force may be used and weapons should be displayed no longer than the officer reasonably believes is necessary (see the Use of Force Policy).

As soon as it can be determined that an individual is not subject to the scope of a warrant and that no further reasonable suspicion or safety concerns exist to justify further detention, the person should be promptly released.

Officers should, when and to the extent reasonable, accommodate the privacy and personal needs of people who have been detained.

### **615.9 ACTIONS AFTER WARRANT SERVICE**

The supervisor shall ensure that all affidavits, warrants, receipts and returns, regardless of any associated cases, are filed with the issuing judge or magistrate as soon as reasonably possible, but in any event no later than any date specified on the warrant.

### **615.10 OUTSIDE AGENCIES AND CROSS-JURISDICTIONAL WARRANTS**

The operations director will ensure that cooperative efforts with other agencies in the service of warrants conform to existing mutual aid agreements or other memorandums of understanding and will work cooperatively to mitigate risks including, but not limited to, the following:

- Identity of team members

# Quincy Police Department

Quincy PD WA Policy Manual

## *Warrant Service*

---

- Roles and responsibilities
- Familiarity with equipment
- Rules of engagement
- Asset forfeiture procedures

Any outside agency requesting assistance in the service of a warrant within this jurisdiction should be referred to the operations director. The director should review and confirm the warrant, including the warrant location, and should discuss the service with the appropriate supervisor from the other agency. The director should ensure that members of the Quincy Police Department are utilized appropriately. Any concerns regarding the requested use of Quincy Police Department members should be brought to the attention of the Chief of Police or the authorized designee. The actual service of the warrant will remain the responsibility of the agency requesting assistance.

If the operations director is unavailable, the Shift Sergeant should assume this role.

If officers intend to serve a warrant outside Quincy Police Department jurisdiction, the operations director should provide reasonable advance notice to the applicable agency, request assistance as needed and work cooperatively on operational planning and the mitigation of risks detailed in this policy.

Officers will remain subject to the policies of the Quincy Police Department when assisting outside agencies or serving a warrant outside Quincy Police Department jurisdiction.

### **615.11 MEDIA ACCESS**

No advance information regarding warrant service operations shall be released without the approval of the Chief of Police. Any media inquiries or press release after the fact shall be handled in accordance with the Media Relations Policy.

### **615.12 TRAINING**

The Training Sergeant should ensure officers receive periodic training on this policy and associated topics, such as legal issues, warrant preparation, warrant service and reporting requirements.

The inappropriate use of a PCD while on-duty may impair officer safety. Additionally, members are advised and cautioned that the use of a personally owned PCD either on-duty or after duty hours for business-related purposes may subject the member and the member's PCD records to civil or criminal discovery or disclosure under applicable public records laws.

Members who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory staff.

### **702.4 DEPARTMENT-ISSUED PCD**

Depending on a member's assignment and the needs of the position, the Department may, at its discretion, issue or fund a PCD for the member's use to facilitate on-duty performance. Except with prior express authorization from their supervisors, members are not obligated or required to carry, access, monitor or respond to electronic communications using a personally owned PCD while off-duty. If a member is in an authorized status that allows for appropriate compensation consistent with policy or existing collective bargaining agreements, or if the member has prior express authorization from his/her supervisor, the member may engage in department business-related communications. Should members engage in such approved off-duty communications or work, members entitled to compensation shall promptly document the time worked and communicate the information to their supervisors to ensure appropriate compensation. - (d) Members will not access social networking sites for any purpose that is not official department business.
- (e) Using PCDs to harass, threaten, coerce or otherwise engage in inappropriate conduct with any third party is prohibited. Any member having knowledge of such conduct shall promptly notify a supervisor.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Personal Communication Devices*

---

- (b) Monitoring, to the extent practicable, PCD use in the workplace and take prompt corrective action if a member is observed or reported to be improperly using a PCD.
  - 1. An investigation into improper conduct should be promptly initiated when circumstances warrant.
  - 2. Before conducting any administrative search of a member's personally owned device, supervisors should consult with the Chief of Police or the authorized designee.

### **702.8 USE WHILE DRIVING**

The use of a PCD while driving can adversely affect safety, cause unnecessary distractions and present a negative image to the public. Officers operating emergency vehicles should restrict the use of these devices to matters of an urgent nature and should, where practicable, stop the vehicle at an appropriate location to use the PCD.

Except in an emergency, members who are operating vehicles other than authorized emergency vehicles shall not use a PCD while driving unless the device is specifically designed and configured to allow hands-free use and the use complies with RCW 46.61.672. Hands-free use should be restricted to business-related calls or calls of an urgent nature.

## Vehicle Maintenance

### 704.1 PURPOSE AND SCOPE

Employees are responsible for assisting in maintaining Department vehicles so that they are properly equipped, properly maintained, properly refueled and present a clean appearance.

### 704.2 DEFECTIVE VEHICLES

When a department vehicle becomes inoperative or in need of repair that affects the safety of the vehicle, that vehicle shall be removed from service for repair. An email shall be promptly completed by the employee who first becomes aware of the defective condition, describing the correction needed. The email will be sent to the city mechanic, the employee's supervisor and Captain.

#### 704.2.1 DAMAGE OR POOR PERFORMANCE

Vehicles that may have been damaged or perform poorly shall be removed from service for inspections and repairs as soon as practicable.

#### 704.2.2 REMOVAL OF WEAPONS

All firearms, weapons and control devices shall be removed from a vehicle and properly secured in the department armory prior to the vehicle being released for maintenance, service or repair.

### 704.3 VEHICLE REFUELING

Absent emergency conditions or supervisor approval, officers driving patrol vehicles shall not place a vehicle in service that has less than one-quarter tank of fuel. Whenever practicable, vehicles should be fully fueled when placed into service and refueled before the level falls below one-quarter tank.

Vehicles shall only be refueled at an authorized location.

## Vehicle Use

### 706.1 PURPOSE AND SCOPE

The purpose of this policy is to establish a system of accountability to ensure department vehicles are used appropriately. This policy provides guidelines for on- and off-duty use of department vehicles and shall not be construed to create or imply any contractual obligation by the City of Quincy to provide assigned take-home vehicles.

### 706.2 POLICY

The Quincy Police Department provides vehicles for department-related business and may assign patrol and unmarked vehicles based on a determination of operational efficiency, economic impact to the Department, requirements for tactical deployments and other considerations.

### 706.3 USE OF VEHICLES

Patrol officers, detectives and some specialty positions are assigned vehicles for department use. Each assigned member is responsible for the vehicle and its contents. Members utilizing a vehicle for any purpose other than their normally assigned duties or normal vehicle assignment (e.g., transportation to training, community event) shall first notify the Shift Sergeant.

#### 706.3.1 INSPECTIONS

Members shall be responsible for inspecting the interior and exterior of any assigned vehicle before taking the vehicle into service and at the conclusion of their shifts. Any previously unreported damage, mechanical problems, unauthorized contents or other problems with the vehicle shall be promptly reported to a supervisor and documented as appropriate.

The interior of any vehicle that has been used to transport any person other than a member of this department should be inspected prior to placing another person in the vehicle and again after the person is removed. This is to ensure that unauthorized or personal items have not been left in the vehicle.

When transporting any suspect, prisoner or arrestee, the transporting member shall search all areas of the vehicle that are accessible by the person before and after that person is transported.

All department vehicles are subject to inspection and/or search at any time by a supervisor without notice and without cause. No member assigned to or operating such vehicle shall be entitled to any expectation of privacy with respect to the vehicle or its contents.

#### 706.3.2 SECURITY AND UNATTENDED VEHICLES

Unattended vehicles should be locked and secured at all times. No key should be left in the vehicle except when it is necessary that the vehicle be left running (e.g., continued activation of emergency lights, canine safety, equipment charging). Officers who exit a vehicle rapidly in an emergency situation or to engage in a foot pursuit must carefully balance the need to exit the vehicle quickly with the need to secure the vehicle.

# Quincy Police Department

## Quincy PD WA Policy Manual

### *Vehicle Use*

---

Members shall ensure all weapons are secured while the vehicle is unattended.

#### 706.3.3 MOBILE DATA COMPUTER

Members assigned to vehicles equipped with a Mobile Data Computer (MDC) shall log onto the MDC with the required information when going on-duty. If the vehicle is not equipped with a working MDC, the member shall notify Multi-Agency Communications Center (MACC). Use of the MDC is governed by the Mobile Data Computer Use Policy.

#### 706.3.4 VEHICLE LOCATION SYSTEM

Patrol and other vehicles, at the discretion of the Chief of Police, may be equipped with a system designed to track the vehicle's location. While the system may provide vehicle location and other information, members are not relieved of their responsibility to use required communication practices to report their location and status.

Members shall not make any unauthorized modifications to the system. At the start of each shift, members shall verify that the system is on and report any malfunctions to their supervisor.

System data may be accessed by supervisors at any time. However, access to historical data by personnel other than supervisors will require the Captain's approval.

#### 706.3.5 KEYS

## Animal Control

### 819.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for interacting with animals and responding to calls for service that involve animals.

### 819.2 POLICY

It is the policy of the Quincy Police Department to be responsive to the needs of the community regarding animal-related issues. This includes enforcing local, state and federal laws relating to animals and appropriately resolving or referring animal-related problems, as outlined in this policy.

### 819.3 ANIMAL CONTROL RESPONSIBILITIES

Animal control services are generally the primary responsibility of Animal Control and include the following:

- (a) Animal-related matters during periods when Animal Control is available.
- (b) Ongoing or persistent animal nuisance complaints. Such complaints may be scheduled, if reasonable, for handling during periods that Animal Control is available for investigation and resolution.
- (c) Follow-up on animal-related calls, such as locating owners of injured animals.

#### 819.3.1 STRAY DOGS

If the dog has a license or can otherwise be identified, the owner should be contacted, if possible. If the owner is contacted, the dog should be released to the owner and a citation may be issued if appropriate. If a dog is taken into custody, it shall be transported to the Animal Shelter making sure the animal has food and water.

The animal pick-up form must be completely filled out and placed in the appropriate area at the Animal Shelter. Release of impounded dogs requires a fee be paid. Releases will be handled by the Animal Shelter personnel only. The Animal Shelter will accept fees and issue receipts.

Once a dog has been taken into custody, all releases shall be handled by the Animal Shelter.

### 819.4 MEMBER RESPONSIBILITIES

Members who respond to or assist with animal-related calls for service should evaluate the situation to determine appropriate actions to control the situation.

Due to the hazards of handling animals without proper training and equipment, responding members generally should not attempt to capture or pick up any animal, but should keep the animal under observation until the arrival of appropriate assistance.

Members may consider acting before the arrival of such assistance when:

- (a) There is a threat to public safety.

## Quincy PD WA Policy Manual

### *Animal Control*

- (b) An animal has bitten someone. Members should take measures to confine the animal and prevent further injury.
- (c) An animal is creating a traffic hazard.
- (d) An animal is seriously injured.
- (e) The owner/handler of an animal has been arrested or is incapacitated. In such circumstances, the member should find appropriate placement for the animal.
  - 1. This is only necessary when the arrestee is expected to be in custody for a time period longer than would reasonably allow him/her to properly care for the animal.
  - 2. With the owner's consent, locating appropriate placement may require contacting relatives or neighbors to care for the animal.
  - 3. If no person can be found or the owner does not or cannot give consent, the animal should be taken to a designated animal care facility.

#### **819.5 ANIMAL CRUELTY COMPLAINTS**

Laws relating to the cruelty to animals should be enforced, including but not limited to RCW 9.08.070 (cruelty to pets), RCW 16.52.117 (animal fighting), RCW 16.52.205 (animal cruelty) and RCW 16.52.320 (cruelty to livestock).

- (b) Legal steps should be taken to protect an animal that is in need of immediate care or protection from acts of cruelty.

##### **819.5.1 REMOVAL OF ANIMALS**

An officer who has probable cause to believe that an animal is subject to cruelty may obtain a warrant for removal of the animal when there is no responsible person to assume care of the animal and a good faith effort to contact the animal's owner has first been attempted. If an animal is in immediate life-threatening condition, a warrant need not be obtained. The animal may be removed to a suitable place for feeding and care or placed under the custody of Animal Control (RCW 16.52.085).

When an animal is removed, written notice shall be provided to the owner regarding the circumstances of the removal and the legal remedies available to the owner. The notice shall be given by posting at the place of the seizure, by delivery to a person residing at the place of seizure or by registered mail if the owner is known (RCW 16.52.085).

The officer who removed the animal may authorize an examination by a veterinarian to determine whether neglect or abuse is sufficient to require removal of the animal (RCW 16.52.085).

##### **819.5.2 ANIMALS EXPOSED TO EXCESSIVE HEAT OR COLD, LACK OF VENTILATION OR LACK OF NECESSARY WATER**

Officers may, in exigent circumstances, enter a vehicle or enclosed space other than a residence to save the life of an animal suffering harm from exposure to excessive heat or cold or lack of

necessary ventilation or water when there is no person present in the immediate area who has access to the vehicle or enclosed space and is willing to immediately remove the animal (RCW 16.52.340).

In all other cases, a court order should be obtained when necessary to enter a vehicle or structure to protect the life of an animal.

### **819.6 ANIMAL BITE REPORTS**

Members investigating an animal bite should obtain as much information as possible for follow-up with the appropriate health or animal authorities. Efforts should be made to capture or otherwise have the animal placed under control. Members should attempt to identify and notify the owner of the final disposition of the animal.

### **819.7 PUBLIC NUISANCE CALLS RELATING TO ANIMALS**

Members should diligently address calls related to nuisance animals (e.g., barking dogs), as such calls may involve significant quality-of-life issues.

### **819.8 DANGEROUS ANIMALS**

Deceased animals on public property should be removed, sealed in a plastic bag, and properly disposed of by the responding member.

Members should not climb onto or under any privately owned structure for the purpose of removing a deceased animal.

### **819.11 DESTRUCTION OF ANIMALS**

## Custodial Searches

### 902.1 PURPOSE AND SCOPE

This policy provides guidance regarding searches of individuals in custody. Such searches are necessary to eliminate the introduction of contraband, intoxicants or weapons into the Quincy Police Department facility. Such items can pose a serious risk to the safety and security of department members, individuals in custody, contractors and the public.

Nothing in this policy is intended to prohibit the otherwise lawful collection of evidence from an individual in custody.

#### 902.1.1 DEFINITIONS

Definitions related to this policy include:

### 902.2 POLICY

All searches shall be conducted with concern for safety, dignity, courtesy, respect for privacy and hygiene, and in compliance with policy and law to protect the rights of those who are subject to any search.

Searches shall not be used for intimidation, harassment, punishment or retaliation.

### 902.3 FIELD AND TRANSPORTATION SEARCHES

An officer should conduct a custody search of an individual immediately after his/her arrest, when receiving an individual from the custody of another, and before transporting a person who is in custody in any department vehicle.

Whenever practicable, a custody search should be conducted by an officer of the same sex as the person being searched. If an officer of the same sex is not reasonably available, a witnessing officer should be present during the search.

- (e) Criminal history (i.e., level of experience in a custody setting).

## Evaluation of Employees

### 1002.1 PURPOSE AND SCOPE

The Department's employee performance evaluation system is designed to record work performance for both the Department and the employee, providing recognition for good work and developing a guide for improvement.

### 1002.2 POLICY

The Quincy Police Department utilizes a performance evaluation report to measure performance and to use as a factor in making personnel decisions that relate to merit increases, promotion, reassignment, discipline, demotion and termination. The evaluation report is intended to serve as a guide for work planning and review by the supervisor and employee. It gives supervisors a way to create an objective history of work performance based on job standards

The Department evaluates employees in a non-discriminatory manner based upon job-related factors specific to the employee's position, without regard to sex, race, color, national origin, religion, age, disability or other protected classes.

### 1002.3 EVALUATION PROCESS

Evaluation reports will cover a specific period of time and should be based on documented performance during that period. Evaluation reports will be completed by each employee's immediate supervisor. Other supervisors directly familiar with the employee's performance during the rating period should be consulted by the immediate supervisor for their input.

All sworn and non-sworn supervisory personnel shall attend an approved supervisory course that includes training on the completion of performance evaluations within one year of the supervisory appointment.

Each supervisor should discuss the tasks of the position, standards of performance expected and the evaluation criteria with each employee at the beginning of the rating period. Supervisors should document this discussion in the prescribed manner.

Assessment of an employee's job performance is an ongoing process. Continued coaching and feedback provides supervisors and employees with opportunities to correct performance issues as they arise.

Non-probationary employees demonstrating substandard performance shall be notified in writing of such performance as soon as possible in order to have an opportunity to remediate the issues. Such notification should occur at the earliest opportunity, with the goal being a minimum of 90 days written notice prior to the end of the evaluation period.

Employees who disagree with their evaluation and who desire to provide a formal response or a rebuttal may do so in writing in the prescribed format and time period.

## *Evaluation of Employees*

---

### 1002.3.1 RESERVE OFFICER EVALUATIONS

Reserve officer evaluations are covered under the Reserve Officers Policy.

### 1002.4 FULL TIME PROBATIONARY PERSONNEL

Sworn, new-hire personnel are on probation for 18 months from the date of hire, and all required evaluations shall be completed post academy. Sworn, lateral-hires and Non-sworn personnel are on probation for 12 months before being eligible for certification as permanent employees. Evaluations will be completed on the following schedule during the probationary period:

- 3 month
- 6 month
- 11 month

The three month evaluation is not required for sworn probationary personnel (entry/lateral) if these personnel are still on Field Training (FT) status during this time period and Daily Observation Reports(DOR) are completed. The DOR's will stand on their own to meet the objective of, and take the place of, the 3 month evaluation. Evaluations are due to the Captain at the end of the evaluation period. Upon completion of the final evaluation the employee, his/her immediate supervisor and members of the Command Staff will meet to determine if the employee has successfully completed the probationary period.

### 1002.5 FULL-TIME PERMANENT STATUS PERSONNEL

Permanent employees are subject to two types of performance evaluations:

**Regular** - An Employee Performance Evaluation shall be completed once each year by the employee's immediate supervisor. The Sergeants, at the direction of the Chief of Police, will complete an evaluation on an annual basis as set by City Administration. The Chief of Police will complete an evaluation on the Command Staff.

**Special** - A special evaluation may be completed any time the Chief of Police, or a Sergeant feels one is necessary due to employee performance that is deemed less than standard. Generally, the special evaluation will be the tool used to demonstrate those areas of performance deemed less than standard when follow-up action is planned (action plan, remedial training, retraining, etc.). The evaluation form and the attached documentation shall be submitted as one package.

#### 1002.5.1 RATINGS CRITERIA

When completing the Employee Performance Evaluation, the rater will place a check mark in the column that best describes the employee's performance. The definition of each rating category is as follows:

**Outstanding**-Represents performancesuperior to what is expected.,

**Exceeds Job Requirements**-Exceeds the performance of a fully competent employee. It means above average performance and surpassing the standards required of the position.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Evaluation of Employees*

---

**Meets Job Requirements-** The performance of a fully competent employee. It means satisfactory performance that meets the standards required of the position.

**Needs Improvement-**A level of performance less than that expected of a fully competent employee and less than standards required of the position. A needs improvement rating must be thoroughly discussed with the employee.

**Unsatisfactory-**Employee is not showing any improvement from the last evaluation(s).

Space for written comments is provided at the end of the evaluation in the rater comments division. This division allows the rater to document the employee's strengths, weaknesses, and suggestions for improvement. Any rating under any job dimension marked unsatisfactory or outstanding shall be substantiated in the rater comments division. Supportive information may consist of incorporation of attachments by reference. Comments are required when other documentation is not included. Letters of Corrective Counseling and disciplinary actions may be commented on, however, they should not be attached. Supervisors will provide a narrative for all employees regardless of their overall rating.

### **1002.6 EVALUATION INTERVIEW**

When the supervisor has completed the preliminary evaluation, arrangements shall be made for a private discussion of the evaluation with the employee. The supervisor should discuss the results of the just completed rating period and clarify any questions the employee may have. If the employee has valid and reasonable protests of any of the ratings, the supervisor may make appropriate changes to the evaluation. Areas needing improvement and goals for reaching the expected level of performance should be identified and discussed. The supervisor should also provide relevant counseling regarding advancement, specialty positions and training opportunities. The supervisor and employee will sign and date the evaluation. Department members shall have the opportunity to have a confidential medical evaluation immediately after an exposure and follow-up evaluations as necessary (WAC 296-823-16005).

Source testing is the responsibility of the ECO (WAC 296-823-16010). If the ECO is unavailable to seek timely testing of the source, it is the responsibility of the exposed member's supervisor to ensure testing is sought.

Source testing may be achieved by:

- (a) Obtaining consent from the individual.
- (b) In the event that consent cannot be obtained, by contacting the local health authority who may pursue testing of the source individual for HIV or other communicable diseases (RCW 70.24.340; WAC 246-100-205).

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult the City Attorney to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if he/she refuses.

### 1019.6.1 SUPERVISOR RESPONSIBILITIES

In general, the primary responsibility for the investigation of a personnel complaint shall rest with the member's immediate supervisor, unless the supervisor is the complainant, or the supervisor is the ultimate decision-maker regarding disciplinary action or has any personal involvement regarding the alleged misconduct. The Chief of Police or the authorized designee may direct that another supervisor investigate any complaint.

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

The responsibilities of supervisors include, but are not limited to:

- (a) Ensuring that upon receiving or initiating any formal complaint, a complaint form is completed.
  - 1. The original complaint form will be directed to the Shift Sergeant of the accused member, via the chain of command, who will take appropriate action and/or determine who will have responsibility for the investigation.
  - 2. In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant is at issue, a supervisor shall orally report the matter to the member's Captain or the Chief of Police, who will initiate appropriate action.
- (b) Responding to all complaints in a courteous and professional manner.
- (c) Resolving those personnel complaints that can be resolved immediately.
  - 1. Follow-up contact with the complainant should be made within 24 hours of the Department receiving the complaint.
  - 2. If the matter is resolved and no further action is required, the supervisor will note the resolution on a complaint form and forward the form to the Shift Sergeant.

- (e) Promptly contacting the Department of Human Resources and the Shift Sergeant for direction regarding their roles in addressing a complaint that relates to sexual, racial, ethnic or other forms of prohibited harassment or discrimination.
- (f) Forwarding unresolved personnel complaints to the Shift Sergeant, who will determine whether to contact the complainant or assign the complaint for investigation.

- (g) Any employee refusing to answer questions directly related to the investigation may be ordered to answer questions administratively and may be subject to discipline for failing to do so.
  - 1. An employee should be given an order to answer questions in an administrative investigation that might incriminate the member in a criminal matter only after the member has been given a *Garrity* advisement. Administrative investigators should consider the impact that compelling a statement from the employee may have on any related criminal investigation and should take reasonable steps to avoid creating any foreseeable conflicts between the two related investigations. This may include conferring with the person in charge of the criminal investigation (e.g., discussion of processes, timing, implications).
  - 2. No information or evidence administratively coerced from an employee may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.
- (h) The interviewer should record all interviews of employees and witnesses. The employee may also record the interview. If the employee has been previously interviewed, a copy of that recorded interview shall be provided to the employee prior to any subsequent interview.
- (i) All employees subjected to interviews that could result in discipline have the right to have an uninvolved representative present during the interview. However, in order to maintain the integrity of each individual's statement, involved employees shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.

#### 1019.6.4 DISPOSITIONS

Each personnel complaint shall be classified with one of the following dispositions:

**Unfounded** - When the investigation discloses that the alleged acts did not occur or did not involve department members. Complaints that are determined to be frivolous will fall within the classification of unfounded.

**Exonerated** - When the investigation discloses that the alleged act occurred but that the act was justified, lawful and/or proper.

**Not sustained** - When the investigation discloses that there is insufficient evidence to sustain the complaint or fully exonerate the member.

### **1019.6.5 COMPLETION OF INVESTIGATIONS**

Every investigator or supervisor assigned to investigate a personnel complaint or other alleged misconduct shall proceed with due diligence in an effort to complete the investigation within one year from the date of discovery by an individual authorized to initiate an investigation.

Upon completion of the investigation and final review by the Chief of Police, the Chief of Police or his designee will provide notice of the findings to the complaining party. The notice shall indicate the findings, however, will not disclose the amount of discipline, if any imposed. The complaining party should also be provided with a copy of his/her own complaint.

Any complaining party who is not satisfied with the findings of the Department concerning their complaint may contact the Chief of Police to discuss the matter further.

### **1019.6.6 NOTICE TO COMPLAINANT OF INVESTIGATION STATUS**

### **1019.7 ADMINISTRATIVE SEARCHES**

Assigned lockers, storage spaces and other areas, including desks, offices and vehicles, may be searched as part of an administrative investigation upon a reasonable suspicion of misconduct.

Such areas may also be searched any time by a supervisor for non-investigative purposes, such as obtaining a needed report, radio or other document or equipment.

### **1019.8 ADMINISTRATIVE LEAVE**

When a complaint of misconduct is of a serious nature, or when circumstances indicate that allowing the accused to continue to work would adversely affect the mission of the Department, the Chief of Police or the authorized designee may temporarily assign an accused employee to administrative leave. Any employee placed on administrative leave:

- (a) May be required to relinquish any department badge, identification, assigned weapons and any other department equipment.
- (b) Shall be required to continue to comply with all policies and lawful orders of a supervisor.
- (c) May be temporarily reassigned to a different shift, generally a normal business-hours shift, during the investigation. The employee may be required to remain available for contact at all times during such shift, and will report as ordered.

### **1019.9 CRIMINAL INVESTIGATION**

Where a member is accused of potential criminal conduct, a separate supervisor or investigator shall be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Chief of Police shall be notified as soon as practicable when a member is accused of criminal conduct. The Chief of Police may request a criminal investigation by an outside law enforcement agency.

A member accused of criminal conduct shall be provided with all rights afforded to a civilian. The member should not be administratively ordered to provide any information in the criminal investigation.

No information or evidence administratively coerced from a member may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.

#### **1019.10.1 CAPTAIN RESPONSIBILITIES**

Upon receipt of any completed personnel investigation, the Captain of the involved member shall review the entire investigative file, the member's personnel file and any other relevant materials.

Prior to forwarding recommendations to the Chief of Police, the Captain may return the entire investigation to the assigned investigator or supervisor for further investigation or action.

When forwarding any written recommendation to the Chief of Police, the Captain shall include all relevant materials supporting the recommendation. Actual copies of a member's existing personnel file need not be provided and may be incorporated by reference.

#### **1019.10.2 CHIEF OF POLICE RESPONSIBILITIES**

Upon receipt of any written recommendation for disciplinary action, the Chief of Police shall review the recommendation and all accompanying materials. The Chief of Police may modify any recommendation and/or may return the file to the Captain for further investigation or action.

Once the Chief of Police is satisfied that no further investigation or action is required by staff, the Chief of Police shall determine the amount of discipline, if any, that should be imposed. In the event disciplinary action is proposed, the Chief of Police shall provide the member with a written notice and the following:

  - 2. If the member elects to respond orally, the presentation shall be recorded by the Department. Upon request, the member shall be provided with a copy of the recording.

Once the member has completed his/her response or if the member has elected to waive any such response, the Chief of Police shall consider all information received in regard to the recommended discipline. The Chief of Police shall render a timely written decision to the member and specify the grounds and reasons for discipline and the effective date of the discipline. Once the Chief of Police has issued a written decision, the discipline shall become effective.

### 1019.10.3 NOTICE OF FINAL DISPOSITION TO THE COMPLAINANT

The Chief of Police or the authorized designee should ensure that the complainant is notified of the disposition (i.e., sustained, not sustained, exonerated, unfounded) of the complaint.

### **1019.11 PRE-DISCIPLINE EMPLOYEE RESPONSE**

The pre-discipline process is intended to provide the accused employee with an opportunity to present a written or oral response to the Chief of Police after having had an opportunity to review the supporting materials and prior to imposition of any recommended discipline. The employee shall consider the following:

- (a) The response is not intended to be an adversarial or formal hearing.
- (b) Although the employee may be represented by an uninvolved representative or legal counsel, the response is not designed to accommodate the presentation of testimony or witnesses.
- (c) The employee may suggest that further investigation could be conducted or the employee may offer any additional information or mitigating factors for the Chief of Police to consider.
- (d) In the event that the Chief of Police elects to cause further investigation to be conducted, the employee shall be provided with the results prior to the imposition of any discipline.
- (e) The employee may thereafter have the opportunity to further respond orally or in writing to the Chief of Police on the limited issues of information raised in any subsequent materials.

### **1019.12 RESIGNATIONS/RETIREMENTS PRIOR TO DISCIPLINE**

In the event that a member tenders a written resignation or notice of retirement prior to the imposition of discipline, it shall be noted in the file. The tender of a resignation or retirement by itself shall not serve as grounds for the termination of any pending investigation or discipline.

### **1019.13 POST-DISCIPLINE APPEAL RIGHTS**

Non-probationary employees have the right to appeal a suspension without pay, punitive transfer, demotion, reduction in pay or step, or termination from employment. However, any of these individuals released for misconduct should be afforded an opportunity solely to clear their names through a liberty interest hearing, which shall be limited to a single appearance before the Chief of Police or the authorized designee.

Any probationary period may be extended at the discretion of the Chief of Police in cases where the individual has been absent for more than a week or when additional time to review the individual is considered to be appropriate.

### **1019.15 RETENTION OF PERSONNEL INVESTIGATION FILES**

All personnel complaints shall be maintained in accordance with the established records retention schedule and as described in the Personnel Records Policy.

### **1019.16 NOTIFICATION TO CRIMINAL JUSTICE TRAINING COMMISSION (CJTC) CERTIFICATION BOARD**

Upon termination of a peace officer for any reason, including resignation, the Department shall, within 15 days of the termination, notify the CJTC on a personnel action report form provided by the commission. The Department shall, upon request of the CJTC, provide such additional documentation or information as the commission deems necessary to determine whether the termination provides grounds for revocation of the peace officer's certification (RCW 43.101.135).

## Seat Belts

### 1020.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of seat belts and child restraints. This policy will apply to all members operating or riding in department vehicles.

#### 1020.1.1 DEFINITIONS

Definitions related to this policy include:

**Child restraint system** - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and regulations set forth in 49 CFR 571.213 and RCW 46.61.687(6).

### 1020.2 POLICY

It is the policy of the Quincy Police Department that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle collision.

### 1020.3 WEARING OF SAFETY RESTRAINTS

All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased or rented by this department while on- or off-duty, or in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including those who are not members of the Department, are properly restrained (RCW 46.61.688; RCW 46.61.687).

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the department member or the public. Members must be prepared to justify any deviation from this requirement.

### 1020.4 TRANSPORTING CHILDREN

A child restraint system shall be used for all children of an age, height or weight for which such restraints are required by law (RCW 46.61.687).

Rear seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of seat belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer's design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side air bag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible.

#### **1020.5 INOPERABLE SEAT BELTS**

Department vehicles shall not be operated when the seat belt in the driver's position is inoperable. Persons shall not be transported in a seat in which the seat belt is inoperable.

Department vehicle seat belts shall not be modified, removed, deactivated or altered in any way, except by the vehicle maintenance and repair staff, who shall do so only with the express authorization of the Chief of Police.

Members who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.

#### **1020.6 TRANSPORTING SUSPECTS, PRISONERS OR ARRESTEES**

Suspects, prisoners and arrestees should be in a seated position and secured in the rear seat of any department vehicle with a prisoner restraint system or, when a prisoner restraint system is not available, by seat belts provided by the vehicle manufacturer. The prisoner restraint system is not intended to be a substitute for handcuffs or other appendage restraints (WAC 204-41-030).

Prisoners in leg restraints shall be transported in accordance with the Handcuffing and Restraints Policy.

#### **1020.7 VEHICLES MANUFACTURED WITHOUT SEAT BELTS**

Vehicles manufactured and certified for use without seat belts or other restraint systems are subject to the manufacturer's operator requirements for safe use.

#### **1020.8 VEHICLE AIRBAGS**

In all vehicles equipped with airbag restraint systems, the system will not be tampered with or deactivated, except when transporting children as written elsewhere in this policy. All equipment installed in vehicles equipped with airbags will be installed as per the vehicle manufacturer specifications to avoid the danger of interfering with the effective deployment of the airbag device.

Except in very limited circumstances members should have a minimum of 8 hours off between shifts. Supervisors should give consideration to reasonable rest periods and are authorized to deny overtime or relieve to off-duty status any member who has exceeded the above guidelines.

## Meal Periods and Breaks

### 1032.1 PURPOSE AND SCOPE

This policy regarding meals and breaks, insofar as possible shall conform to the policy governing all City employees that has been established by the City Administrator.

#### 1032.1.1 MEAL PERIODS

Sworn employees shall remain on duty subject to call during meal breaks. All other employees are not on call during meal breaks unless directed otherwise by a supervisor.

When a supervisor is on duty, uniformed patrol officers should notify the supervisor and other officers on duty prior to taking a meal break. In all cases, uniformed patrol officers shall notify Multi-Agency Communications Center (MACC) of their location for meal break. Uniformed officers shall take their breaks within the City limits unless on assignment outside of the City.

The time spent for the meal period shall not normally exceed 30 minutes. This may be varied with prior approval of a supervisor.

#### 1032.1.2 15 MINUTE BREAKS

Each employee is entitled to a 15 minute break, near the mid point, for each four-hour work period. Only one 15 minute break shall be taken during each four hours of duty. No breaks shall be taken during the first or last hour of an employee's shift unless approved by a supervisor.

Employees normally assigned to the police facility shall normally remain in the police facility for their breaks. This would not prohibit them from taking a break outside the facility if on official business.

Field officers will take their breaks in their assigned areas, subject to call and shall monitor their radios. When field officers take their breaks away from their vehicles, they shall normally do so only with the knowledge the on duty supervisor.

## Lactation Break Policy

### 1033.1 PURPOSE AND SCOPE

The purpose of this policy is to provide reasonable accommodations to employees desiring to express breast milk for the employee's infant child.

### 1033.2 POLICY

It is the policy of this department to provide, in compliance with the Fair Labor Standards Act, reasonable break time and appropriate facilities to accommodate any employee desiring to express breast milk for her nursing child for up to one year after the child's birth (29 USC § 207).

### 1033.3 LACTATION BREAK TIME

A rest period should be permitted each time the employee has the need to express breast milk (29 USC § 207). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time. Lactation breaks, if feasible, should be taken at the same time as the employee's regularly scheduled rest or meal periods.

While a reasonable effort will be made to provide additional time beyond authorized breaks, any such time exceeding regularly scheduled and paid break time will be unpaid.

Employees desiring to take a lactation break shall notify Multi-Agency Communications Center (MACC) or a supervisor prior to taking such a break and such breaks may be reasonably delayed if they would seriously disrupt department operations.

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

### 1033.4 PRIVATE LOCATION

The Department will make reasonable efforts to accommodate employees with the use of an appropriate room or other location to express milk in private. Such room or place should be in close proximity to the employee's work area and shall be other than a bathroom or toilet stall. The location must be sanitary, shielded from view, and free from intrusion from co-workers and the public (29 USC § 207 and RCW 43.70.640).

Employees occupying such private areas shall either secure the door or otherwise make it clear that the area is occupied with a need for privacy. All other employees should avoid interrupting an employee during an authorized break, except to announce an emergency or other urgent circumstance.

Authorized lactation breaks for employees assigned to the field may be taken at the nearest appropriate private area.

### **1033.5 STORAGE OF EXPRESSED MILK**

Any employee storing expressed milk in any authorized refrigerated area within the Department shall clearly label it as such and shall remove it when the employee ends her shift.

## Overtime Payment Requests

### 1035.1 PURPOSE AND SCOPE

It is the policy of the Department to compensate non-exempt salaried employees who work authorized overtime either by payment of wages as agreed and in effect through the labor agreement or, by the allowance of accrual of compensatory time off. In order to qualify for either, the employee must complete and submit an Overtime Report form per Policy 1036 after overtime is worked and the time worked must be approved by a supervisor.

#### 1035.1.1 DEPARTMENT POLICY

Because of the nature of police work, and the specific needs of the Department, a degree of flexibility concerning overtime policies must be maintained.

Non-exempt employees are not authorized to volunteer work time to the Department. All requests to work anticipated overtime must be approved in advance by a supervisor. If circumstances do not permit prior approval, then notification shall be provided as soon as practical during the overtime shift and in no case later than the end of shift in which the overtime is worked.

Short periods of work at the end of the normal duty day (e.g., less than one hour in duration) may be handled unofficially between the supervisor and the employee by flexing a subsequent shift schedule to compensate for the time worked rather than by submitting requests for overtime payments. If the supervisor authorizes or directs the employee to complete an overtime report form for such a period, the employee shall comply.

The individual employee may request compensatory time in lieu of receiving overtime payment; however, the employee may not accrue more compensatory time as is allowed in the labor contract.

### 1035.2 REQUEST FOR OVERTIME COMPENSATION

Employees shall submit all overtime compensation requests to their immediate supervisors as soon as practicable for verification and forwarding to the Administration Division. Failure to submit a request for overtime compensation in a timely manner may result in discipline.

#### 1035.2.1 EMPLOYEES RESPONSIBILITY

Employees shall complete the requests immediately after working the overtime and submit them in accordance with Policy 1036.

#### 1035.2.2 SUPERVISORS RESPONSIBILITY

The payroll supervisor who verifies the overtime earned shall verify that the overtime was worked before approving the request.

#### 1035.2.3 PATROL COMMANDERS RESPONSIBILITY

Patrol Commanders, after approving payment, will then forward the form to the Chief of Police for review.

### **1035.3 ACCOUNTING FOR OVERTIME WORKED**

#### **1035.3.1 ACCOUNTING FOR PORTIONS OF AN HOUR**

When accounting for less than a full hour, employees will follow the City of Quincy's Payroll Time Keeping Policy, section B, paragraph 3.

#### **1035.3.2 VARIATION IN TIME REPORTED**

Where three or more employees are assigned to the same activity, case, or court trial and the amount of time for which payment is requested varies from that reported by the other employee, the Shift Sergeant or other approving supervisor may require each employee to include the reason for the variation in the explanation section of the overtime payment request.

## Outside Employment

### 1037.1 PURPOSE AND SCOPE

In order to avoid actual or perceived conflicts of interest for departmental employees engaging in outside employment, all employees shall obtain written approval from the Chief of Police prior to engaging in any outside employment. Approval of outside employment shall be at the discretion of the Chief of Police in accordance with the provisions of this policy.

#### 1037.1.1 DEFINITIONS

**Outside Employment** - Any member of this department who receives wages, compensation or other consideration of value from another employer, organization or individual not affiliated directly with this department for services, product(s) or benefits rendered. For purposes of this section, the definition of outside employment includes those employees who are self-employed and not affiliated directly with this department for services, product(s) or benefits rendered.

**Outside Overtime** - Any member of this department who performs duties or services on behalf of an outside organization, company, or individual within this jurisdiction. Such outside overtime shall be requested and scheduled directly through this department so that the Department may be reimbursed for the cost of wages and benefits.

### 1037.2 OBTAINING APPROVAL

No member of this department may engage in any outside employment without first obtaining prior written approval of the Chief of Police. Failure to obtain prior written approval for outside employment or engaging in outside employment prohibited by this policy may lead to disciplinary action.

In order to obtain approval for outside employment, the employee must complete an Outside Employment Application which shall be submitted to the employee's immediate supervisor. The application will then be forwarded through channels to the Chief of Police for consideration.

If approved, the employee will be provided with a copy of the approved permit. Unless otherwise indicated in writing on the approved permit, a permit will be valid through the end of the calendar year in which the permit is approved. Any employee seeking to renew a permit shall submit a new Outside Employment Application in a timely manner.

Any employee seeking approval of outside employment, whose request has been denied, shall be provided with a written reason for the denial of the application at the time of the denial.

#### 1037.2.1 APPEAL OF DENIAL OF OUTSIDE EMPLOYMENT

If an employee's Outside Employment Application is denied or withdrawn by the Department, the employee may file a written notice of appeal to the Chief of Police within ten days of the date of denial.

If the employee's appeal is denied, the employee may file a grievance pursuant to the procedure set forth in the current Memorandum of Understanding (MOU).

### 1037.2.2 REVOCATION/SUSPENSION OF OUTSIDE EMPLOYMENT PERMITS

Any outside employment permit may be revoked or suspended under the following circumstances:

- (a) Should an employee's performance at this department decline to a point where it is evaluated by a supervisor as needing improvement to reach an overall level of competency, the Chief of Police may, at his/her discretion, revoke any previously approved outside employment permit(s). That revocation will stand until the employee's performance has been reestablished at a satisfactory level and his/her supervisor recommends reinstatement of the outside employment permit.
- (b) Suspension or revocation of a previously approved outside employment permit may be included as a term or condition of sustained discipline.
- (c) If, at any time during the term of a valid outside employment permit, an employee's conduct or outside employment conflicts with the provisions of department policy, the permit may be suspended or revoked.
- (d) When an employee is unable to perform at a full duty capacity due to an injury or other condition, any previously approved outside employment permit may be subjected to similar restrictions as those applicable to the employee's regularly assigned duties until the employee has been cleared to return to full duty status.

### 1037.3 PROHIBITED OUTSIDE EMPLOYMENT

The Department expressly reserves the right to deny any Outside Employment Application submitted by an employee seeking to engage in any activity which, in its view, would:

- (a) Involve the employee's use of departmental time, facilities, equipment or supplies, the use of the Department badge, uniform, prestige or influence for private gain or advantage.
- (b) Involve the employee's receipt or acceptance of any money or other consideration from anyone other than this department for the performance of an act which the employee, if not performing such act, would be required or expected to render in the regular course or hours of employment or as a part of the employee's duties as a member of this department.
- (c) Involve the performance of an act in other than the employee's capacity as a member of this department that may later be subject directly or indirectly to the control, inspection, review, audit or enforcement of any other employee of this department.
- (d) Involve time demands that would render performance of the employee's duties for this department less efficient or render the employee unavailable for reasonably anticipated overtime assignments and other job-related demands that occur outside regular working hours.

### 1037.3.1 OUTSIDE SECURITY AND PEACE OFFICER EMPLOYMENT

Because it would further create a potential conflict of interest, no member of this Department may engage in any outside or secondary employment as a private security guard, private investigator or other similar private security position in the Quincy area.

Any private organization, entity or individual seeking special services for security or traffic control from members of this department must submit a written request to the Chief of Police in advance of the desired service. Such outside overtime will be assigned, monitored and paid through the Department.

- (a) The applicant will be required to enter into an indemnification agreement prior to approval.
- (b) The applicant will further be required to provide for the compensation and full benefits of all employees requested for such outside security services.

Time spent on the completion of such reports shall be considered incidental to the outside overtime assignment and should be reported as time worked on employee time records.

### 1037.3.3 SPECIAL RESTRICTIONS

Except for emergency situations or with prior authorization from the Division Commander, undercover officers or officers assigned to covert operations shall not be eligible to work in a uniformed or other capacity which might reasonably disclose the officer's status as a law enforcement officer.

This shall include the prohibition of access to official records or databases of this department or other agencies through the use of the employee's position with this department.

#### **1037.4.1 REVIEW OF FINANCIAL RECORDS**

Employees approved for outside employment expressly agree that their personal financial records may be requested and reviewed/audited for potential conflict of interest. Prior to providing written approval for an outside employment position, the Department may request that an employee provide his/her personal financial records for review/audit in order to determine whether a conflict of interest exists. Failure of the employee to provide the requested personal financial records could result in denial of the off-duty work permit. If, after approving a request for an outside employment position, the Department becomes concerned that a conflict of interest exists based on a financial reason, the Department may request that the employee provide his/her personal financial records for review/audit. If the employee elects not to provide the requested records, his/her off-duty work permit may be revoked pursuant to REVOCATION/SUSPENSION OF OUTSIDE EMPLOYMENT PERMITS.

### **1037.5 MATERIAL CHANGES OR TERMINATION OF OUTSIDE EMPLOYMENT**

If an employee terminates his/her outside employment during the period of a valid permit, the employee shall promptly submit written notification of such termination to the Chief of Police through channels. Any subsequent request for renewal or continued outside employment must thereafter be processed and approved through normal procedures set forth in this policy.

Employees are also required to disclose material changes in outside employment that occur after approval of outside employment has been granted to the Chief of Police in writing. For the purpose of this policy, such changes include any material change in the number of hours, type of duties or demands of outside employment. Employees who are uncertain whether a change in outside employment is material are advised to report the change.

### **1037.6 OUTSIDE EMPLOYMENT WHILE ON DISABILITY**

Department members engaged in outside employment who are placed on disability leave or modified/light-duty shall inform their immediate supervisor in writing within five days whether or not they intend to continue to engage in such outside employment while on such leave or light-duty status. The immediate supervisor shall review the duties of the outside employment along with any related doctor's orders, and make a recommendation to the Chief of Police whether such outside employment should continue.

In the event the Chief of Police determines that the outside employment should be discontinued or if the employee fails to promptly notify his/her supervisor of his/her intentions regarding their work permit, a notice of revocation of the member's permit will be forwarded to the involved employee, and a copy attached to the original work permit.

## Temporary Modified-Duty Assignments

### 1053.1 PURPOSE AND SCOPE

This policy establishes procedures for providing temporary modified-duty assignments. This policy is not intended to affect the rights or benefits of employees under federal or state law, City rules or current collective bargaining agreements or memorandums of understanding. For example, nothing in this policy affects the obligation of the Department to engage in a good faith, interactive process to consider reasonable accommodations for any employee with a temporary or permanent disability that is protected under federal or state law.

### 1053.2 POLICY

Subject to operational considerations, the Quincy Police Department may identify temporary modified-duty assignments for employees who have an injury or medical condition resulting in temporary work limitations or restrictions. A temporary assignment allows the employee to work, while providing the Department with a productive employee during the temporary period.

### 1053.3 GENERAL CONSIDERATIONS

Priority consideration for temporary modified-duty assignments will be given to employees with work-related injuries or illnesses that are temporary in nature. Employees having disabilities covered under the Americans with Disabilities Act (ADA) or the Washington Law Against Discrimination shall be treated equally, without regard to any preference for a work-related injury.

No position in the Quincy Police Department shall be created or maintained as a temporary modified-duty assignment.

Temporary modified-duty assignments are a management prerogative and not an employee right. The availability of temporary modified-duty assignments will be determined on a case-by-case basis, consistent with the operational needs of the Department. Temporary modified-duty assignments are subject to continuous reassessment, with consideration given to operational needs and the employee's ability to perform in a modified-duty assignment.

The Chief of Police or the authorized designee may restrict employees working in temporary modified-duty assignments from wearing a uniform, displaying a badge, carrying a firearm, operating an emergency vehicle or engaging in outside employment, or may otherwise limit them in employing their peace officer powers.

Temporary modified-duty assignments shall generally not exceed a cumulative total of 1,040 hours in any one-year period.

### 1053.4 PROCEDURE

Employees may request a temporary modified-duty assignment for short-term injuries or illnesses.

# Employee Speech, Expression and Social Networking

## 1057.1 PURPOSE AND SCOPE

This policy is intended to address issues associated with employee use of social networking sites and to provide guidelines for the regulation and balancing of employee speech and expression with the needs of the Department.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech or expression that is protected or privileged under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example, this policy does not limit an employee from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or officer associations, about matters of public concern, such as misconduct or corruption.

Employees are encouraged to consult with their supervisor regarding any questions arising from the application or potential application of this policy.

### 1057.1.1 APPLICABILITY

This policy applies to all forms of communication including but not limited to film, video, print media, public or private speech, use of all Internet services, including the World Wide Web, e-mail, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, video and other file-sharing sites.

## 1057.2 POLICY

Public employees occupy a trusted position in the community, and thus, their statements have the potential to contravene the policies and performance of this department. Due to the nature of the work and influence associated with the law enforcement profession, it is necessary that employees of this department be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public, the Quincy Police Department will carefully balance the individual employee's rights against the Department's needs and interests when exercising a reasonable degree of control over its employees' speech and expression.

## 1057.3 SAFETY

Employees should consider carefully the implications of their speech or any other form of expression when using the Internet. Speech and expression that may negatively affect the safety of the Quincy Police Department employees, such as posting personal information in a public forum, can result in compromising an employee's home address or family ties. Employees should therefore not disseminate or post any information on any forum or medium that could reasonably be expected to compromise the safety of any employee, an employee's family or associates. Examples of the type of information that could reasonably be expected to compromise safety include:

- (a) Speech or expression made pursuant to an official duty that tends to compromise or damage the mission, function, reputation or professionalism of the Quincy Police Department or its employees.

- (d) Speech or expression of any form that could reasonably be foreseen as having a negative impact on the safety of the employees of the Department. - (e) Speech or expression that is contrary to the canons of the Law Enforcement Code of Ethics as adopted by the Quincy Police Department.
- (f) Use or disclosure, through whatever means, of any information, photograph, video or other recording obtained or accessible as a result of employment with the Department for financial or personal gain, or any disclosure of such materials without the express authorization of the Chief of Police or the authorized designee (RCW 9A.68.020).

Employees must take reasonable and prompt action to remove any content, including content posted by others, that is in violation of this policy from any web page or website maintained by the employee (e.g., social or personal website).

### 1057.4.1 UNAUTHORIZED ENDORSEMENTS AND ADVERTISEMENTS

While employees are not restricted from engaging in the following activities as private citizens or as authorized members of a recognized bargaining unit or officer associations, employees may not represent the Quincy Police Department or identify themselves in any way that could be reasonably perceived as representing the Quincy Police Department in order to do any of the following, unless specifically authorized by the Chief of Police:

Employees retain their right to vote as they choose, to support candidates of their choice and to express their opinions as private citizens, including as authorized members of a recognized bargaining unit or officer associations, on political subjects and candidates at all times while off-duty. However, employees may not use their official authority or influence to interfere with or affect the result of an election or a nomination for office. Employees are also prohibited from directly or

### **1057.5 PRIVACY EXPECTATION**

Members forfeit any expectation of privacy with regard to emails, texts or anything published or maintained through file-sharing software or any Internet site (e.g., Facebook, MySpace) that is accessed, transmitted, received or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

### **1057.6 CONSIDERATIONS**

In determining whether to grant authorization of any speech or conduct that is prohibited under this policy, the factors that the Chief of Police or authorized designee should consider include:

- (a) Whether the speech or conduct would negatively affect the efficiency of delivering public services.
- (b) Whether the speech or conduct would be contrary to the good order of the Department or the efficiency or morale of its members.
- (c) Whether the speech or conduct would reflect unfavorably upon the Department.
- (d) Whether the speech or conduct would negatively affect the member's appearance of impartiality in the performance of his/her duties.
- (e) Whether similar speech or conduct has been previously authorized.
- (f) Whether the speech or conduct may be protected and outweighs any interest of the Department.

### **1057.7 TRAINING**

Subject to available resources, the Department should provide training regarding employee speech and the use of social networking to all members of the Department.

## Line-of-Duty Deaths

### 1058.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to members of the Quincy Police Department in the event of the death of a member occurring in the line of duty and to direct the Department in providing proper support for the member's survivors.

The Chief of Police may also apply some or all of this policy in situations where members are injured in the line of duty and the injuries are life-threatening.

#### 1058.1.1 DEFINITIONS

Definitions related to this policy include:

**Line-of-duty death** - The death of a sworn member during the course of performing law enforcement-related functions while on- or off-duty, or a non-sworn member during the course of performing their assigned duties.

**Survivors** - Immediate family members of the deceased member, which can include spouse, children, parents, other next of kin or significant others. The determination of who should be considered a survivor for purposes of this policy should be made on a case-by-case basis given the individual's relationship with the member and whether the individual was previously designated by the deceased member.

### 1058.2 POLICY

It is the policy of the Quincy Police Department to make appropriate notifications and to provide assistance and support to survivors and coworkers of a member who dies in the line of duty.

It is also the policy of this department to respect the requests of the survivors when they conflict with these guidelines, as appropriate.

### 1058.3 INITIAL ACTIONS BY COMMAND STAFF

- (a) Upon learning of a line-of-duty death, the deceased member's supervisor should provide all reasonably available information to the Chief of Police Multi-Agency Communications Center (MACC).
  1. Communication of information concerning the member and the incident should be restricted to secure networks to avoid interception by the media or others (see the Public Information Officer section of this policy).
- (b) The Shift Sergeant should ensure that notifications are made in accordance with the Officer-Involved Shootings and Deaths and Major Incident Notification policies as applicable.
- (c) If the member has been transported to the hospital, the Shift Sergeant or the designee should respond to the hospital to assume temporary responsibilities as the Hospital Liaison.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Line-of-Duty Deaths*

---

- (d) The Chief of Police or the authorized designee should assign members to handle survivor notifications and assign members to the roles of Hospital Liaison (to relieve the temporary Hospital Liaison) and the Department Liaison as soon as practicable (see the Notifying Survivors section and the Department Liaison and Hospital Liaison subsections in this policy).

### **1058.4 NOTIFYING SURVIVORS**

Survivors should be notified as soon as possible in order to avoid the survivors hearing about the incident in other ways.

The Chief of Police or the authorized designee should review the deceased member's emergency contact information and make accommodations to respect the member's wishes and instructions specific to notifying survivors. However, notification should not be excessively delayed because of attempts to assemble a notification team in accordance with the member's wishes.

The Chief of Police, Shift Sergeant or the authorized designee should select at least two members to conduct notification of survivors, one of which may be the Department Chaplain.

Notifying members should:

- (a) Make notifications in a direct and compassionate manner, communicating as many facts of the incident as possible, including the current location of the member. Information that is not verified should not be provided until an investigation has been completed.
- (b) Determine the method of notifying surviving children by consulting with other survivors and taking into account factors such as the child's age, maturity and current location (e.g., small children at home, children in school).
- (c) Plan for concerns such as known health concerns of survivors or language barriers.
- (d) Offer to transport survivors to the hospital, if appropriate. Survivors should be transported in department vehicles. Notifying members shall inform the Hospital Liaison over a secure network that the survivors are on their way to the hospital and should remain at the hospital while the survivors are present.
- (e) When survivors are not at their residences or known places of employment, actively seek information and follow leads from neighbors, other law enforcement, postal authorities and other sources of information in order to accomplish notification in as timely a fashion as possible. Notifying members shall not disclose the reason for their contact other than a family emergency.
- (f) If making notification at a survivor's workplace, ask a workplace supervisor for the use of a quiet, private room to meet with the survivor. Members shall not inform the workplace supervisor of the purpose of their visit other than to indicate that it is a family emergency.
- (g) Offer to call other survivors, friends or clergy to support the survivors and to avoid leaving survivors alone after notification.
- (h) Assist the survivors with meeting childcare or other immediate needs.

# Quincy Police Department

Quincy PD WA Policy Manual

## *Line-of-Duty Deaths*

---

- (i) Provide other assistance to survivors and take reasonable measures to accommodate their needs, wishes and desires. Care should be taken not to make promises or commitments to survivors that cannot be met.
- (j) Inform the survivors of the name and phone number of the Survivor Support Liaison (see the Survivor Support Liaison section of this policy), if known, and the Department Liaison.
- (k) Provide their contact information to the survivors before departing.
- (l) Document the survivor's names and contact information, as well as the time and location of notification. This information should be forwarded to the Department Liaison.
- (m) Inform the Chief of Police or the authorized designee once survivor notifications have been made so that other Quincy Police Department members may be apprised that survivor notifications are complete.

### 1058.4.1 OUT-OF-AREA NOTIFICATIONS

The Department Liaison should request assistance from law enforcement agencies in appropriate jurisdictions for in-person notification to survivors who are out of the area.

- (a) The Department Liaison should contact the appropriate jurisdiction using a secure network and provide the assisting agency with the name and telephone number of the department member that the survivors can call for more information following the notification by the assisting agency.
- (b) The Department Liaison may assist in making transportation arrangements for the member's survivors, but will not obligate the Department to pay travel expenses without the authorization of the Chief of Police.

### 1058.5 NOTIFYING DEPARTMENT MEMBERS

Supervisors or members designated by the Chief of Police are responsible for notifying department members of the line-of-duty death as soon as possible after the survivor notification is made. Notifications and related information should be communicated in person or using secure networks and should not be transmitted over the radio.

Notifications should be made in person and as promptly as possible to all members on-duty at the time of the incident. Members reporting for subsequent shifts within a short amount of time should be notified in person at the beginning of their shift. Members reporting for duty from their residence should be instructed to contact their supervisor as soon as practicable. Those members who are working later shifts or are on days off should be notified by phone as soon as practicable.

Members having a close bond with the deceased member should be notified of the incident in person. Supervisors should consider assistance (e.g., peer support group, modifying work schedules, approving sick leave) for members who are especially affected by the incident.

Supervisors shall direct members not to disclose any information outside the Department regarding the deceased member or the incident.

The Survivor Support Liaison should be selected by the deceased member's Captain. The following should be considered when selecting the Survivor Support Liaison:

- The liaison should be an individual the survivors know and with whom they are comfortable working.
- If the survivors have no preference, the selection may be made from names recommended by the deceased member's supervisor and/or coworkers. The deceased member's partner or close friends may not be the best selections for this assignment because the emotional connection to the member or survivors may impair their ability to conduct adequate liaison duties.
- The liaison must be willing to assume the assignment with an understanding of the emotional and time demands involved.

The responsibilities of the Survivor Support Liaison include, but are not limited to:

- (a) Arranging for transportation of survivors to hospitals, places of worship, funeral homes and other locations, as appropriate.
- (b) Communicating with the Department Liaison regarding appropriate security measures for the family residence, as needed.

- (d) Providing assistance with travel and lodging arrangements for out-of-town survivors.
- (e) Returning the deceased member's personal effects from the Department and the hospital to the survivors. The following should be considered when returning the personal effects:
  1. Items should not be delivered to the survivors until they are ready to receive the items.
  2. Items not retained as evidence should be delivered in a clean, unmarked box.
  3. All clothing not retained as evidence should be cleaned and made presentable, at the request of the survivor (e.g., items should be free of blood or other signs of the incident).
  4. The return of some personal effects may be delayed due to ongoing investigations.
- (f) Assisting with the return of department-issued equipment that may be at the deceased member's residence.
  1. Unless there are safety concerns, the return of the equipment should take place after the funeral at a time and in a manner considerate of the survivors' wishes.
- (g) Coordinating with the department's Public Information Officer (PIO) to brief the survivors on pending press releases related to the incident and to assist the survivors with media relations in accordance with their wishes (see the Public Information Officer section of this policy).

- (l) Inviting survivors to department activities, memorial services or other functions as appropriate.

Survivor Support Liaisons providing services after an incident resulting in multiple members being killed should coordinate with and support each other through conference calls or meetings as necessary.

The Department recognizes that the duties of a Survivor Support Liaison will often affect regular assignments over many years, and is committed to supporting members in the assignment.

If needed, the Survivor Support Liaison should be issued a personal communication device (PCD) owned by the Department to facilitate communications necessary to the assignment. The department-issued PCD shall be used in accordance with the Personal Communication Devices Policy.
